Oral Surgery Club of Great Britain

Volume 3

1971 to 1979

Introduction

The Oral Surgery Club of Great Britain was the brainchild of Rupert Sutton Taylor who thought a professional club should be formed of dental surgeons who practiced mostly Oral Surgery. This was formed before the British Association of Oral Surgeons which later became the British Association of Oral and Maxillofacial Surgeons.

The clubs first meeting was in 1937 and from its inception an honorary archivist was appointed to keep, mostly papers, and records of the meeting which have been held usually twice a year with mostly one in the UK in the home town of the President who rotated yearly and one overseas.

The club still meets twice a year and since 1935 six large cardboard boxes of documents have accumulated. This is the first volume of scanned documents which have been formatted in the style of a crown-quarto size book and made available digitally in a Portable Document Format file.

The document is organised with the archive of each meeting in a separate chapter in order of date.

It is anticipated that a printed copy will be made available from the library of the British Dental Association.

For a concise history of the club see: A History of the Oral Surgery Club of Great Britain by John Bradley.

Dear Ian,

Just a note to report that everything is in hand, including arrangements for dinner and transport from Southport to Liverpool and back.

If possible, could you let me know definitely how many will be attending the dinner, as the hotel would like to know.

(35)

I shall look forward to seeing you on Thursday week at the Birkdale Golf Club. There are eight or nine members, who will be playing golf, and one or two like yourself, will be just be coming for lunch.

With kind regards,

Sincerely Yours,

Dear Ian,

Many thanks for your copies of the meeting. With regard to the programme, I had a word with Desmond Farmer and we decided that it would be a good thing to cut down five minutes on some of the earlier papers to allow a little more time for discussion on Doctor Jones' paper. Also interesting cases will be demonstrated between lunch, that is 1-0 pm, and 2-30 pm. in the Oral Surgery Department.

Farmer will send you on a copy of the revised programme for you to deal with.

Could you let me know, approximately, how many members will be attending the dinner? I shall have to arrange this with the Hotel in fairly good time as they are always very busy.

With many thanks for all your help,

Kind regards,

Sincerely Yours,

Stanley Collinge

Many thanks for your letter of the 19th July. I shall be very grateful if you can arrange to have detailed lists of the speakers and papers to give to the members on arrival.

I have more or less completed arrangements at this end, with the assistance of Desmond Farmer.

I hope you have had a very happy holiday and enjoyed better weather than we have had here during the last few weeks.

19th July 1971

Dear Sir,

Oral Surgery Club Meeting October 1971

At the time of writing members have indicated that they would like the following accomodation for this meeting:-

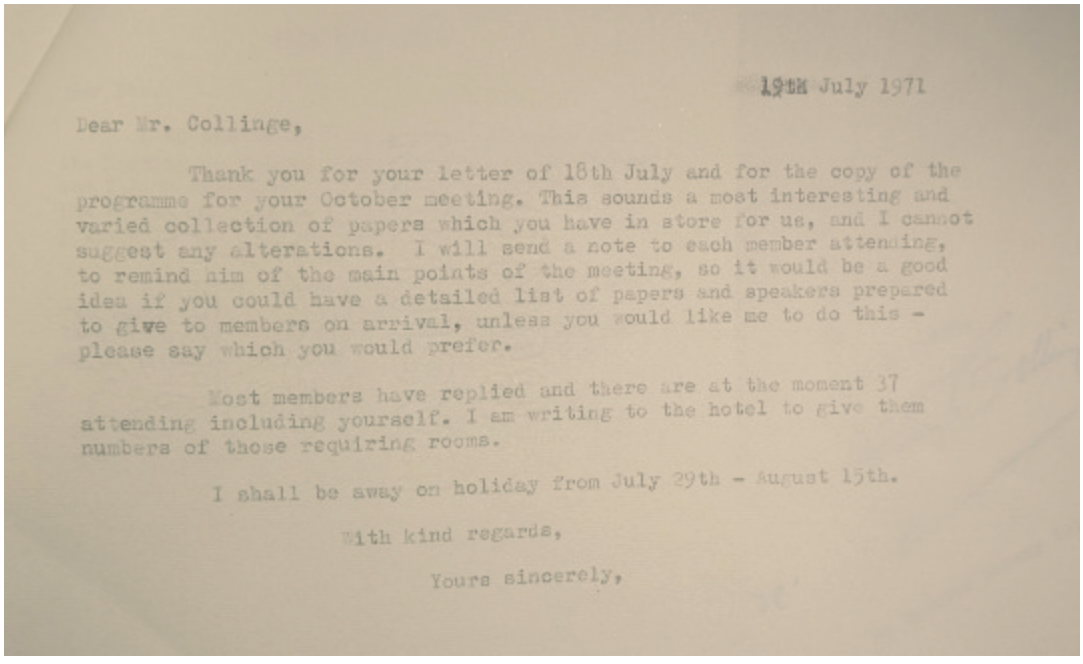
21th, 21st and 22nd - 15 single rooms
- 21st and 22nd - 13 single rooms
- 21st only - 5 single rooms
- - 22nd - 1 single room
- 21st and 22nd - 1 double room with twin beds.

i.e. a total of 35 members attending, one of whom is bringing his wife.

I hope that this is clear. If we put it the other way, we need:-

on 20th October-15 single rooms
on 21st " -33 single rooms and one double
on 22nd " -29 single rooms and one double

Yours faithfully,



19th July 1971

Dear Mr. Collinge,

Thank you for your letter of 18th July and for the copy of the programme for your October meeting. This sounds a most interesting and varied collection of papers which you have in store for us, and I cannot suggest any alterations. I will send a note to each member attending, to remind him of the main points of the meeting, so it would be a good idea if you could have a detailed list of papers and speakers prepared to give to members on arrival, unless you would like me to do this - please say which you would prefer.

Most members have replied and there are at the moment 37 attending including yourself. I am writing to the hotel to give them numbers of those requiring rooms.

I shall be away on holiday from July 29th - August 15th.

Dear Ian,

I am enclosing a suggested programme for the Meeting on Friday, October 22nd, which Farmer and I have arranged. If there is anything in the programme which you think should be altered, I shall be glad if you will let me know.

You will notice that there is quite a gap for lunch from 1 pm. to 2-30 pm., but we are hoping to have a few interesting radiographs and maybe patients in the Oral Surgery Department.

Hoping all is well with you and yours, and trust you are making the most of this sunny spell of weather,

Kind regards,

Sincerely Yours,

My Dear Heslop,

I propose to hold the O.S.C. meeting in Southport, either 14th and 15th, or 21st and 22nd October. I shall be glad if you can let me know as soon as possible if either of these dates will be convenient and will not clash with other meetings, like the B.A.O.S.

I have spoken to the Manager of the Prince of Wales Hotel, which is the best hotel here, and providing I can give him good notice, he will be able to accommodate us for the meeting and dinner, and also provide accommodation in the hotel for those wishing to stay there.

I shall invite all golfing members to come to Royal Birkdale on the Thursday morning, and be my guests for lunch, and then we can have the meeting at the Prince of Wales at 4-30 pm., then I shall provide a Cocktail Party about 5-30 pm. that evening.

On Friday Morning, I will arrange transport to take the party to the new Dental School at Liverpool, where the meeting will take place, returning to Southport about 6-0 pm. for dinner, say, at 7-30 pm. to 8-0 pm.

I should like your observations on the programme, and we can go into details later. If these dates are not satisfactory, please let me know as soon as possible, and then we can put arrangements in hand, because accommodation at the best hotels here is very limited in the autumn.

Hoping you are well and had a good Christmas,

With all best wishes for a very Happy and Healthful New Year,

Sincerely Yours,

Stanley Collinge

Dear Desmond,

Thank you for your letter of 18th November, about the next Oral Surgery Club Meeting.

The B.A.O.S. Meeting is on September 30th and October 1st and 2nd, 1971, so we should separate our meeting from this by a fortnight, if possible. In recent years, we have had our Autumn Meeting either in late October or early November, and I think we can leave the fixing of the actual date to you and Collinge. If you would like to discuss this with him and let me know your suggested date, I will get the circulars out to members early in the New Year. If you can give me a rough provisional programme at that time, so much the better i.e. where the meeting is to be held and the length of the meeting. The final details, of course, can wait until much nearer the time.

Kind regards,

Yours sincerely,

Dear Jan

I have heard with much pleasure that the Oral Surgery Club has elected Mr. J.S.H. Collinge as its President for next year and that you will be holding the Club meeting in this area. I have offered to help Mr. Collinge as far as some of the arrangements are concerned and to act as a sort of local secretary if this is necessary.

I wonder if you could tell me the date of the meeting. The last time I saw Mr. Collinge he was awaiting some decision about the date of the meeting of the B.A.O.C. in October, 1971. Perhaps this has now been fixed and we can make our local arrangements accordingly.

Dear Jim

I did hope to see you before we left on Friday to thank you very much for all your kind assistance with the meeting. It seemed to go quite well & everybody enjoyed themselves & I am grateful to you & Desmond Farmer for making this possible. I have left on the accounts to David Downton who will deal with them & then it will be a question of fixing the date & place of our next meeting. I am glad you were able to come to the Golf Club & I hope next time you will be a playing member.

With all best wishes & again many thanks

Sincerely Jo

Dear Desmond,

Thank you for your letter of 25th October and for enclosing the names and addresses of those to whom I should write.

I would like to thank you for the excellent meeting which you arranged and believe that you had a very large part in this. We all thoroughly enjoyed ourselves and I thought that the programme was a very interesting and varied one.

Kind regards,

Yours sincerely,

Dear Ian

As I promised, I enclose the names and addresses of all those people who made some contribution towards the Oral Surgery Club meeting in Liverpool and should have some acknowledgment of their work.

The Superintendent was responsible for all the arrangements within the Hospital. Perhaps the letter to Mr. Hudson Davies should include a note on the satisfactory arrangements for catering if you feel these were alright.

I hope you had a reasonable journey back and a pleasant weekend. It was good to see you again.

With kind regards,

Yours sincerely,

Dear David,

I thought that the meeting in Southport, Liverpool, went off very well and everyone seemed to enjoy it. Collinge had certainly picked a good variety of lectures and subjects and did not try to pack in too much.

The following members attended both the meeting and the dinner:-

Alty, Bradnum, Bramley, Burke, Downton, Farmer, Fickling, Gibson, Hales, Heslop, Hogan, Hovell, Howe, Ireland, James, Lewars, Monks, Morgan, Moule, O'Neil, Paley, Penney, Roberts, Robertson, Rowe, Walker, Warrack, Williams, Battle, Collinge, Farris, Taylor R.S., Young.

The following attended the meeting but not the dinner:-

Hoggins, Poswillo, Whitlock.

There were nine guests at the dinner in addition to the above mentioned.

May I have another £20. float at your convenience?

1st March, 1972.

Dear Ian,

I enclose form duly completed and am looking forward to Nijmegen. The label is to cover some scribble about enquring into the possibility of taking a car. This did seem to be much more expensive than travelling on the train with the main party when I presume we shall get party rates.

I also enclose the correspondence and relevant price list which I have had with the Westminster Hotel. It would be possible to get a reasonable meal there on both the Thursday and Friday nights and there are one or two smaller adjacent hotels where no doubt we shall be able to accommodate the late comers.

Yours sincerely,

Gordon.

Dear Gordon,

Thank you for your letter of 1st March and for the hotel details. If you can work out a rough programme, I will get the circulars out as soon as possible. I imagine that your meeting will follow the usual form of committee meeting and A.G.M. on the Thursday afternoon, followed by drinks and informal dinner, and then a whole day meeting on the Friday with the dinner on the Friday night. Do you plan to have anything on the Saturday morning or not?

I would suggest that you make provisional bookings for about 30-35 single rooms, but as soon as I have replies from the members, I will be able to give you final figures.

With regard to Nijmegen, we have sixteen members going, many of whom are making their own travel arrangements. About eleven members, wives (and children too) are travelling by air and you are the only starter for the sea crossing, although there will be several travelling by sea who are making their own arrangements.

Either I or the travel agent will write to you nearer the time with the reservations for the boat and train.

Yours sincerely,

Oral Surgery Club

Professor Merkx has kindly agreed to arrange for the Oral Surgery Club to visit his Department in Nijmegen in May. The dates which I have suggested are 24th. - 27th. May. This is a time which is acceptable to him, but the actual dates of travelling will depend upon how members chose to travel. One may either travel by air to Amsterdam or by train and boat. The latter would mean travelling overnight, probably in both directions.

As Professor Merkx has been slow to respond to my initial letter of enquiry, I am behind schedule with arrangements and would like you to reply promptly to this notice in the section below.

I would / I would not like to attend the meeting in Nijmegen in May, 1972.

I will / I will not take my wife.

I will / I will not require hotel accomodation for 24th, 25th, 26th May.

I would like to travel by

air	£28.50	plus £4 on the train
sea	£22.50	1st class, plus cabin charge
	£17.30	2nd class, plus cabin charge

I will make my own travel arrangements.

Please reply at your earliest convenience and in any case before 10th March, to:- I. H. Heslop, Trees, Hook Heath Avenue, Woking, Surrey.

N.B. I regret that I cannot accept late replies on this occasion because of the shortage of time.

I did not seem to see you on our last evening to thank you for all you did for us to make the meeting so enjoyable. I think everybody thought the meeting was first class & our hosts most charming - a visit to remember. I am sure you will enjoy your visit to U.S.. I certainly did & all best wishes for a safe return. It was very good of your wife to go to all the trouble in securing the Wedgewood, which we thought very nice. All best wishes to you both on which Jessie joins.

Dear Mrs Hedlop

Thank you for your letter last week - I shall be staying with - Dr Gert van Maanen at Nico Bovenweg 14. Oosterbeek.

I should like to bring him to the Dinner! Do we wear Dinner Jackets? Is it mixed? If so can I bring his wife Angela (who is English!)

I hope that the Club might visit the Airborne Cemetery at Oosterbeek (12-15 miles from Nijmegen) if I am to give a talk on the

Arnhem battle! A good place to gather would be the Hotel Hartestein. Oosterbeek. This was the Divisional HQ. during the battle. (only 10 minutes walk from the Cemetery - and we can get tea/coffee or drinks there!)

However I must leave this to the organisers on the other side.

I am looking forward to this visit and to meeting you all again.

Yours ever

You have written me already which members will stay in hotel Sionshof (3 double and 5 single rooms).

In your letter of 20th April you told me that also mr. Bradnum should come. I can find his name in your letter of 5th May 1972. I suppose that he had to cancel his trip to Holland.
For the dinner on Friday evening we have reserved a private room in hotel " De Plasmolen " about 9 miles south of Nijmegen. We will be there with 24 (fifteen members of your club and 9 of us). It is very kind of you to take us for dinner.
The ladies trip at Thursday afternoon will be go to a nice museum in Arnhem. When the weather is very bad the ladies will be go to the Kruller Muller museum.
The trip on Friday afternoon when we are going by bus to the surroundings of Nijmegen and the battlefields of Arnhem will also be for the ladies.
I think everything is arranged now and there will be no big problems.

Yours sincerely,

Dear Prof. Merkx,

Thank you for your letter of 21st April, which crossed with mine of the 20th April.

I am grateful to you for arranging the hotel accommodation at the Hotel Sionshof and the Hotel Erica, and I hope that you have been able to arrange for the remaining rooms which we require. I have arranged with members that they will be accommodated as follows:-

Hotel Erica

Mr. and Mrs. Alty in one double room with their children in two single rooms. The children are about 12 and 14 years of age.

Mr. and Mrs. Hales in a double room.

Mr. Morgan and Mr. Hardman in single rooms.

(Provided you have been able to secure two more double rooms elsewhere, we can therefore cancel one of the single rooms at this hotel).

Hotel Sionshof

Mr. and Mrs. Monks,)
Mr. and Mrs. Moule) will occupy three
Mr. and Mrs. Collinge) double rooms.

Mr. Whitlock, Mr. R. O'Neil, Mr. Hovell, Mr. Downton, and Mr. Hogan will occupy the five single rooms.

We therefore need two (not three) further double rooms for Mr. and Mrs. Gibson and my wife and myself. I am most grateful to you for all the trouble you have taken already to arrange this hotel accommodation for us.

Most of the members will be travelling by air from London to Amsterdam, where we are due to arrive about 1.30p.m. We will travel on to Nijmegen by train and I expect we will spend the rest of Wednesday looking around Nijmegen.

I should be grateful if you could tell me where you wish us to present ourselves on the Thursday morning and at what time.

Dear Prof. Merkx,

Thank you for your letter of 3rd May, in which you kindly give me details of trains. Those of us who are travelling by air will endeavour to catch the 14.41 from Amsterdam arriving at Nijmegen at 16.16.

I hope that you have now been able to reserve two more double rooms. Thank you for your kind invitation to your home on the Wednesday evening to which we will look forward.

The dinner on the Friday evening is normally for men only and when you say we will be 25, I presume you mean that this is the total number including our members. We can arrange the final details of this when we arrive.

It is kind of you to arrange a trip for the ladies on Thursday afternoon and I know that a number of them hope to find time to see the Folk Museum and perhaps some of the local industries.

Yours sincerely,

We have at last heard from Professor Mertx detail of the accomodation he has booked for us in Nijmegen. Unfortunately he has been unable to get the whole Oral Surgery club party into one hotel, so I have & arrange as far as possible that people who are travelling together will be at the same hotel. (I would add that we are still 2 double

NIJMEGEN
Holland.

Dear Prof. Merkx,

As it is now less than four weeks until we come to visit you and I must let the members know where they are staying, (particularly as we are not all travelling together), please could you tell me the name and address of the hotel.

Those attending the meeting are as follows:-

Mr. and Mrs. H. M. Alty, and their two children.
Mr. P. Bradnum
Mr. D. Downton
Mr. and Mrs. J. Gibson
Mr. and Mrs. W. B. Hales
Mr. F. G. Hardman
Mr. and Mrs. I. H. Heslop
Mr. N. Hogan
Mr. J. H. Hovell
Mr. and Mrs. F. T. Monks
Mr. E. J. R. Morgan
Mr. and Mrs. A. W. Moule
Mr. R. O'Neil
Mr. G. M. Warrack
Mr. R. I. H. Whitlock
Mr. and Mrs. J. S. Hilton-Collings,
who is our President.

We will therefore need eight double rooms and eight single rooms (Mr. Warrack is staying with friends).

Most of the party will be travelling by air, arriving in Amsterdam at 13.20 on 24th May, and we will travel on by train to Nijmegen, so we expect to arrive at the hotel in the late afternoon. Could you let me know where the meeting is to be held and what time you would like us to arrive at the hospital?

It is our normal practice to take you and your colleagues who help with the meeting out to dinner on one of the evenings, and we normally do this on the last evening, i.e. the Friday. We can discuss this when we arrive, but it would be helpful to us if you could suggest one or two suitable restaurants to which we might go. If we can get a private room, this is preferable, but not absolutely essential.

Yours sincerely,

Thank you very much for your letter of 15th March.
I had reserved already 5 single rooms and 3 double rooms in hotel Sionshof and 5 single rooms and 2 double rooms in hotel Erica.'
The adresses are :
Hotel Sionshof, Nijmeegsebaan 53, Nijmegen. Tel. 08800-23364.
Hotel Erica, Berg en Dal (bij Nijmegen). Tel. 08895-1955.

The prices are about ƒ 25,-- and ƒ 31,50 bed and breakfast a day.
All rooms have toilets and douches (or bath).
Both hotels are situated quiet in the surroundings of Nijmegen about 2½ miles from the centre. The distance between both hotels is about 1 mile.
From the hotels there are buslines to the centre of the town.
The hotels are not like the Hilton hotels, Cumberlandhotel or the Dotchester. They are little middle class hotels but clean and good.
You have written me that one member will bring his children as well.
How many children is he bringing with and how old are the children.?
Do you already/at what time your members are ariving at Amsterdam Airport or Rotterdam Airport ? From Rotterdam it takes about 2 hours by train to Nijmegen and from Amsterdam about 1 hour, 45 minutes. From Amsterdam Airport there is a direct busline to the central station every 15 minutes.
I think that in Rotterdam there will be also a busline to the station.
We are looking forward to meet you.

Yours sincerely,

Prof. C.A. Merkx.

' We are trying to get 3 rooms more.

Dear Prof. Merkx,

I have now had replies from the members of the Oral Surgery Club and sixteen members have indicated that they are able to come to visit you in Nijmegen. Seven members at the moment are planning to bring their wives and one member is bringing his children as well. In case there are any last minute alterations, I think it would be a good idea to keep a few extra room reservations, if this is possible, but as the figures stand at the moment we will require eight single rooms and eight double rooms, and I hope that you can arrange this for us. Please could you tell me the name and address of the hotel or hotels?

Eleven members and wives will be travelling by air and some of the others are making their own travel arrangements.

Mr. Warrack is one of the members coming on this visit and he was a Senior Medical Officer in the Parachute Regiment and took part in the landings at Arnhem, and he is therefore very keen to revisit the battle-field, and will no doubt be able to give first-hand information on some of the historical events which took place.

Yours sincerely,

Ian H. Heslop

Dear Prof. Merkx,

Thank you very much for your letter of 9th February, from which I was delighted to learn that the Oral Surgery Club may visit your clinic. May I suggest 24-27th May, the probable plan being that we will travel out on the morning of the 24th and return home on the 27th. I am at the moment enquiring about travel arrangements and I am not sure whether we will travel by air and train from Amsterdam or by sea, but I will let you know in due course.

There are usually between ten and fifteen members on our overseas visits and usually between three and six wives accompanying the members.

We would like to see your clinic and your work, but would also like to have the opportunity of visiting local features of interest. One of our members in particular would like to visit the historical grounds of World War II, as he took part in the parachute landings as a Medical Officer.

I would be most grateful if you could recommend a suitable hotel, convenient to the hospital, and as soon as I know the number of members attending, we can make a firm booking. If you consider it advisable, perhaps you would make a provisional booking for the numbers indicated above.

Yours sincerely,

Dear Grahame,

I have now heard, at last, from Holland and Prof. Merks is willing and able to put on an Oral Surgery Club visit. He asks in his letter whether we would like to see the historical grounds of World War II near Nijmegen, so it would appear that he would lay this on for us as part of the visit if we wish. If you have any observations on this, please could you let me know, if possible by return, otherwise I will ask him to organise it for us.

His letter only came today and I have not yet replied, but will get circulars out to the members just as soon as possible.

Dear Dr. Heslop,

It will be a great pleasure for us to welcome you in our clinic.
The third or the fourth week of May will suit us equally.
Please let me know which week you prefer .

27 We also should like to know what kind of program you desire :
Only scientific lectures and visiting the clinic or some other entertainment.
Perhaps you like to visit the historical grounds of World War 2 in the surroundings of Nijmegen (liberated 17th September 1944 by paratroops).
Shall we book for you hotel-accomodation ?

I look forward to your reply en hope that we will meet in Nijmegen.

Dear Prof. Merkx,

I have been given your name by Prof. Howe and as Secretary of the Oral Surgery Club of Great Britain, I am approaching you in order to see whether the members of the Club could visit your Department and Hospital next year. We have two meetings each year, one in this country and one abroad when we try to visit colleagues in other countries to exchange ideas and to see their hospitals and work.

If it is possible we would like to come in May, preferably in the third or fourth week, and we normally travel out on the Wednesday morning and spend Thursday and Friday visiting the hospitals and return home on the Saturday. The number of people involved is usually between ten/fifteen.

If you could arrange for us to visit you, perhaps you will let me know as soon as possible so that the necessary arrangements can be made.

Yours sincerely,

1972 Rhyl - October

ROYAL ALEXANDRA HOSPITAL, RHYL.

I am looking forward to welcoming you to North Wales on Thursday afternoon, 26th October, 1972.

Accommodation has been booked for you at the Westminster Hotel, Rhyl, which is situated on the promenade about half-a-mile's walk from the railway station.

The most convenient trains are as follows:

Euston.....dep..10. 15a.m.....dep...12. 5p.m.
(Through train) (Change at Crewe)
Rhyl.....arr.. 1. 55p.m.....arr... 3. 40p.m.

Liverpool Central...dep...1. 55p.m.
(Change at Rock Ferry and Chester)
Rhyl.....arr...3. 40p.m.

Mancester Victoria..dep...1. 30p.m.
(Through train)
Rhyl.....arr...3. 40p.m.

Members coming by car, approaching from the south, should come off the M6 Motorway at Exit 18, and unless they wish to see the city of Chester, should follow the signposts to use the by-pass around the northern side of the city, which will bring them on to the A55.

Members approaching from the north and other directions, having passed Chester should take the A55 until they reach the fly-over on the St. Asaph by-pass, when they will then take the Rhyl road, A525.

Having arrived at the Westminster Hotel, it would be possible to see from the street plan already sent to you that the hospital is about 15 minutes walk along the promenade. Transport for the return journey will be provided by bus.

I would like to thank the following:

Miss Nora Perkins, Senior Medical Secretary, Royal Alexandra Hospital.

The Administrative staff of the Clwyd and Deeside Group for the help with arrangements and the programme printing, and Mr W. M. Cowx, Hospital Secretary of the Royal Alexandra Hospital, Rhyl, for his willing co-operation.

The Clwyd and Deeside Hospital Management Committee for their hospitality.

Messrs Upjohn Limited for the provision of the enclosed folders and for a gift of £25 towards the cost of running this meeting.

Plastic Surgeons, Neurosurgeons and Radiotherapists employed jointly with the Liverpool Regional Hospital Board hold out-patient clinics in the three groups. Patients are taken to Liverpool hospitals for any treatment they require, in these specialities.

Before 1948 there were almost no Consultants in any speciality in the three groups. Suitably qualified local doctors were appointed at that time but in the main, all three groups were staffed with complete Consultant staffs beween 1950 and 1960. This led to a large number of Consultants of a similar age and training being appointed at a time when appointments were few and competition keen.

Dear Ian,

Thank you very much for the trouble you have taken in providing me with a list of Past Presidents and a list of the places where the meetings have been held. It should be possible to distribute programmes towards the end of this month.

During the reception I am arranging for a continuous display of transparencies of previous Oral Surgery Club meetings. Personally I have only slide coverage of Lisbon and Madrid. If you yourself have a number of interesting transparencies, I would be grateful if you could let me have them on loan so that they could take part in the continuous display. You may well know the names of some of our colleagues who are likely to have collections of slides taken at recent meetings.

Yours sincerely,

Dear Ian,

Thank you very much for the trouble you have taken in providing me with a list of Past Presidents and a list of the places where the meetings have been held. It should be possible to distribute programmes towards the end of this month.

During the reception I am arranging for a continuous display of transparencies of previous Oral Surgery Club meetings. Personally I have only slide coverage of Lisbon and Madrid. If you yourself have a number of interesting transparencies, I would be grateful if you could let me have them on loan so that they could take part in the continuous display. You may well know the names of some of our colleagues who are likely to have collections of slides taken at recent meetings.

Yours sincerely,

Gordon.

Dear Margaret,

It was kind of you to send me advance notice of the numbers of people who have indicated that they will attend North Wales in October. I have booked the rooms as suggested in your letter. It may be that we may have to accept rooms with private bathrooms, but I am sure if this is necessary, ~~they~~ the Concerned will not mind for a couple of nights.

I look forward to hearing the "final figure" after 22nd July, 1972. I am working out a programme and will have this ready for distribution by the middle of August.

Yours sincerely,

Dear Mr. Mackenzie,

At the last meeting of the Oral Surgery Club, it was proposed that you be invited to join the Club as an ordinary member and if you would like to do so, please let me know.

The annual subscription still remains at £1. We meet twice a year, once at home and once overseas, and our next meeting is in Holland in May this year. I will enclose a pro forma of this in case it is not too late for you to join us, but I realise that the notice is rather short. The next home meeting will be in North Wales, with Gordon Hardman as our President, and the meeting will be in October.

Yours sincerely,

22nd February, 1972.

Dear Ian,

Many thanks for your letter of 30th December, 1971. It is a pity that I have not replied sooner. I am sorry to hear of Margaret's hospitalisation and hope that things are now better.

I am, of course, pleased to be offered the Presidency of the Oral Surgery Club and have been considering the last six weeks how best it could be arranged in the attenuated area in which I work. The Post-Graduate Centre is in Rhyl and there is a reliable hotel with reasonably good food. My home, however, is as you know, in Colwyn Bay some fourteen miles distant. There does not appear to be a hotel in Rhyl with thirty single bedrooms and I presume this is a requirement before a meeting can be arranged. The biggest hotel in Colwyn Bay has had to close one floor due to fire regulations, and although I have not yet enquired, I do not think that thirty single rooms could be found there either. This means that it would be necessary to split people, unless they are prepared to double up, which I regard as unlikely.

You will realise that I have been actively engaged in trying to work out how best a meeting could be arranged, and have made the necessary arrangements with the hospital for the use of the Post-graduate Centre.

I should be delighted to accept the Presidency and will let you know details as soon as possible. Is there anything I should be doing about the meeting abroad?

Yours sincerely,

Gadon.

Dear Gordon,

Thank you very much for your letter of the 22nd February, from which I am pleased and relieved that you are willing to accept the Presidency of the Oral Surgery Club.

I appreciate your difficulty about hotel accommodation but, if there is not a hotel which can accommodate all of us, we will have to split between two or, if necessary, three hotels. We had to do this in Bolton and also in Ipswich and it is not really a great problem as long as the hotels are reasonably close together. Can you give me any idea of a date yet?

With regard to the overseas meeting, I think that themmain way in which you could help me would be to suggest a place. As you know, the usual pattern is for the General Meeting to leave it to the Committee and for the Committee to leave it to the Secretary do, if you have any ideas, it would be helpful.

You will be getting a circular within the next few days about the meeting at Nijmegen in May, and it was suggested at the Southport meeting that we go to Lintz, Austria, to visit Heinrich Köle. One or two people, notably Geoffrey Howe who is anti-Germanic, were not keen on this, but I think most people would find it interesting.

With kind regards,

Yours sincerely,

I. H. Heslop.

Dear Gordon,

I have been very remiss in not writing to you before about the Presidency of the Oral Surgery Club. As you were in America at the time of the A.G.M., you may not know that your name was proposed for presidency for next year, i.e. 1972, and I hope that you will feel able to accept this office. Your year will commence with the Autumn Meeting in 1972 which will be your meeting.

A variety of things have repeatedly driven the writing of this letter from my mind, the principal one of which has been Margaret's lengthy stay in hospital following an operation, followed fairly closely by the rigours of Christmas. I hope to sign this letter before I go on leave, but if it is per prod, I hope you will understand as I shall be away skiing from now until January 10th.

Please will you let me know as soon as possible if you are unable to accept the presidency, and we will have to find another president.

With best wishes for 1972,

Yours sincerely,

On behalf of the President and Members of the Oral Surgery Club, I should like to thank you for your interesting talk on Dialysis and Surgery. The widespread problems resulting from dialysis are very important to all of us and obviously merit very special attention as far as dental treatment for these patients is concerned, although most of us are not directly concerned with general dental treatment for this type of patient. It seems to me no doubt that dialysis patients acquire special centres for their dental treatment, with every possible precaution against the spread of hepatitis.

I enjoyed the meeting in Rhyl and I thought that Gordon put on a very typically Hardmanic show.

The following attended the meeting and dinner:-

Alty, Bradnum, Bramley, Burke, Downton, Fickling, Gibson, Hales, Hardman, Henry, Heslop, Hogan, Hoggins, Hovell, Ireland, James, Lewars, MacLennan, Monks, Morgan, Moule, O'Neil, Roberts, Robertson, Whitlock, Hayton-Williams, Becker, Collinge, Merkx, Taylor, D. V., Taylor, R. S.

and Peter Cook attended the meeting, but not the dinner.

Do you have any names or names and addresses of people I might approach regarding the overseas meeting. Bryan Hales said that he thought he could help if we considered Prague, as a site for a meeting, but Becker said that recent attempts to communicate with Prague had not been successful and he thought that the chap there might have been wheeled away! Have you any thoughts about Hamburg as a site? It did not seem to be very enthusiastically received when Tom suggested it.

Dear Bill,

Thank you for your letter of 20th November, from which I am delighted to learn that you have accepted membership of the Oral Surgery Club. I hope to arrange the next overseas meeting in Italy in May or June next year and the Autumn Meeting will be at Northwood in October. Further details will be sent to you nearer the time.

Your cheque is a little premature as this is not in fact due until next July, but I will make a note that you have already paid.

Have you got anywhere with the arrangements for Alan's retirement dinner, as I should very much like to come to this but would like as much notice as possible?

With kind regards,

Yours sincerely,

Dear David,

I have heard both from Mike Awty and Alan Hamilton that they would very much like to join the Oral Surgery Club and Alan Hamilton sent a cheque which is premature.

Perhaps you could pay this in and I will make a note that he has paid his subscription for next year.

Dear Alan,

Thank you for your letter of 14th November from which I am delighted to learn that you are going to become a member of the Oral Surgery Club. I am in the process of preparing an up-to-date list of members and will send you this as soon as it is available. The next meeting I hope will be in Italy, in May or June, and the Autumn Meeting will be at Mount Vernon on October 25th and 26th.

Your subscription is in fact not due until next July, but I will make a note that you have already paid, so that we avoid duplication of this.

1973 Prague - May

Mr. Heslop,

since I couldn´t catch you by the phone, I am lewing for you this rather unsatisfied message.

First of all - I failed in conveying the invitation of you and your colleagues to most of the people you have chosen for the dinner. Prof. Urban, prof, Karfík and Mr.Hořejš left Prague for a session of the Cz. Dental Association, held today in a town called Hradec Králové. Our old prof, Mr.Pavrovský told me,his wife has been suffering today from some heart trouble and needs his assistance and care. So he asked me to apologize him, he couldn´t accept your kind invitation either.

Under those circumstances I left the booking for today´s dinner open, suggesting you will better decide yourself, either you will spend the night together all the group or individually. As for myself - I thank you much for the invitation,but I´l be happy, if I may abstain. My wife has today her night service at the hospital /nursing as a midwife/ and I have got to act this night as a "baby sitter" for our little boy; since the lady, we usually ask to do so, is ill. If you like to have a dinner together, I may recommend to have it in a restaurant called Barrandov Terraces - with an excellent wiev over the river. /Situated on the left ambankment of Vltava river,to the south/.

The arrangements for tomorrow sightseeing and a couch trip are done - the couch will be waiting for you at the hotel at 9 a.m. and an english speaking guide will accompany you all the day. After you finish the round tour of Prague, you immediately continue to Karlštejn Castle /cca 1 hour drive/, where you are supposed to have a lunch at the restaurant "At Charles IV" /the booking of the seats in the restaurant is done for 1 p.m./. I wish you happy journey there and a lovely weather.

I´ll come to say you "hallo" before your leaving tomorrow at 6 p.m. to the hotel. In case you are leaving earlier, I wish you bon voyage with the hope, that you enjoyed your Prague trip and will come back again. My best regards to your wife. soon

Sincerely yours

Dear Signor Magni,

I am the Secretary of the Oral Surgery Club and we endeavour to arrange a meeting overseas each year to visit colleagues and study their methods of treatment of oral surgical problems. We would very much like to come to Italy next year in late May or early June, and our meeting normally lasts for two days. We fly out on a Wednesday and have a two day visit and return home on the Saturday.

I know that you are a member of the B.A.O.S. but I am not sure whether you practise oral surgery or orthodontics. If you are not able to arrange a meeting for us, I wonder whether you could advise me who else in Italy might be able and willing to undertake this.

Dear Mr Meisner, 25th April 1973

Thank you for your letter of 10th April which awaited my return from holiday. I quite understand the difficulty which you have in arranging hotel accomodation for us, and as there have been several alterations in the list of those who are planning to visit Prague, I enclose an up-to-date list below:-

Mr. A.W.Moule	Mr. R.I.H.Whitlock
Professor R.O'Neil	Mr. P.James
Mr. G.L.Manning	Mr. and Mrs. D.Downton
Mr. and Mrs. B.W.Pickling	Professor and Mrs. P.A.Bramley

will all be travelling by air, that is 11 persons.

and :- Mr. and Mrs. I.H.Heslop
Mr. and Mrs. F.G.Hardman
Mr. W.D.Maclennan will be travelling by car.

We will therefore need 6 single hotel rooms and 5 double rooms, and we would like to know the name and address of the hotel(s) as soon as possible as this information appears to be needed for our visa application forms.

Thank you for all that you are doing to arrange for our visit, to which we are all looking forward.

Dear Mr. Heslop,

According to your letter of 8 March, we made necessary hotel reservations for the members of your group (30 May - 3 June). We have counted 18 persons going to take part at this visit (5 couples and 8 individuals). But, as we learned from prof. Pavrovský, you had written to him about 11 seats, booked for the flight to Prague. Even if we suggest some 2-3 couples (or individuals) are likely to reach Prague by May 30 on their own axles, it doesn't still make the previously mentioned number of participants.

Since, it's not a simple thing to obtain reservations for 18 persons (i.e. 5 double bed rooms + 8 single bed rooms) in the same hotel (Prague's Spring Music Festival is to be held that time) we would be very obliged, if you could clear the final number of participants of this visit, thus to enable us to correct the hotel booking.

As to the social programme of the visit apart from the excursions to the oral surgery - clinics - we reserve through Čedok sightseeing bus for a round city tour, and a bus trip to see some interes-

- 2 -

ting places near Prague. We also suggest the group shall visit the premises of our office to attend a little "coup de Champagne" held at this occasion.

We look forward to hearing from you soon.

Dear Professor Pavrovsky,

Since I wrote to you on 12th March, I have managed to book eleven (11) seats on the Wednesday flight to Prague, and I hope that we may all be able to come to Prague on that day instead of the Thursday.

If you have not already booked the hotel for us, could you tell me the name(s) of a convenient hotel or hotels near the hospital, and we could then arrange reservations through a travel agent in this country.

Dear Mr. Meisner,

I have now heard from the members of the Oral Surgery Club, and the following have said that they would like to come to Prague on the dates which I suggested, 30th May - 2nd June 1973:-

Mr. and Mrs. I. H. Heslop
Mr. A. W. Moule,
Mr. W. D. MacLennan
Mr. F. G. Hardman
~~Mr. and Mrs. J. H. Hovell~~
Professor R. O'Neil
Mr. Manning
Mr. and Mrs. B. W. Fickling
Mr. R. I. H. Whitlock
Mr. P. James
Mrs. and Mrs. D. Downton
~~Mr. T. Cradock Henry~~
Professor and Mrs. P. A. Bramley

I now have the summer flight times, and I would appear that we can fly out on Wednesday 30th May, leaving London at 11.40 a.m., and arriving in Prague at 13.25. Members could return early on Saturday, 2nd June, but it would probably be more convenient for them to return on Sunday, 3rd June, leaving Prague at 14.20 and arriving in London at 16.05.

Two or three members will not be travelling by air, but will be taking a holiday at this time and will travel by road. I hope to do this myself.

We are interested mainly in Oral and Maxillo-Facial Surgery, but, we and our wives would be interested to see something of your city during our stay, and would therefore like to spend part of the time sightseeing, as well as visiting hospitals.

I do hope that it will be convenient for us to come at this time, and I should be very grateful if you could let me know as soon as you can, whether or not it will be possible for us to visit Prague on the suggested dates, and could you also tell me more about hotel arrangements. When I have confirmation that our visit is possible, I will send you full details of those attending.

Dear Mr. Meisner,

Since I wrote to you, Lord Davies has sent me a copy of your letter of 16th January 1973. I have now been in touch with our president, and if it is convenient to you, and to Professor Pavrovsky, we would like to come to Prague from 30th May - 2nd June, and if we follow the usual pattern of our overseas visits, we would like to visit your hospitals on Thursday 31st May and Friday, 1st June.

I have notyyet been able to obtain accurate information about the times of flights to Prague in May and June as the new timetables are not yet available, and if these flight times do not fit in with the above suggested dates, we might have to travel out on 29th May, and return home on 3rd, or even 4th June. However, using the previous flight times as a guide, I think we shall be able to travel on 30th May and return on 2nd June.

I have circularized our members and as soon as I have replies, I will let you know the numbers and names of those who are likely to be attending the meeting.

Please could you let me know as soon as possible if the above dates will be convenient, as I will have to circularize all the members if we have to change the dates.

Since you wrote to me in December, I have had various communications by telephone and letter from Lord Davies and his secretary, and in the last few days, I have heard from Prague, a Mr. Meisner who is the SecretaryGGeneral of the Czechoslovak Society for International Relations. He has been in touch with Professor Pavrovsky, and I understand that he, or one of his colleagues is going to get in touch with me direct.

I have talked to Gordon Hardman, and we thought that May 30th to June 2nd or 3rd would be the best time, to avoid Bank Holidays, half-term holidays etc.

I have written to Mr. Meisner, and will write again in the next few days when I have obtained details about flights etc., so that we can make some initial arrangements, so that I can then circularize the Members.

I hope that you will be able to come to Prague,

Dear Mr. Meisner,

Thank you very much for your letter of 16th January 1973 concerning the proposed visit of a number of members of the Oral Surgery Club to Czechoslovakia this Spring. Now that I know that such a visit is possible, I will have to write to the members of the Club to see how many of them would like to visit Czechoslavakia, and until I have the replies, I cannot give you a list, or an exact number. Usually our overseas visits are attended by 10 - 15 members, and the usual pattern is that we fly out on a Wednesday and spend the remainder of that day sight-seeing, and then visit the hospitals during the Thursday and Friday, and return home on the Saturday. We had hoped to make our visit in May or early June, but I will write again on this point when I have spoken to our President.

The purpose of our visit is to see Oral Surgery Departments, and to discuss methods of treatment of oral surgical conditions with surgeons in the country visited, and to exchange views.

It would be helpful if hotel accommodation could be arranged for us, or alternatively, if you could suggest the name of a suitable hotel reasonably near the hospitals to be visited, so that I can make arrangements direct with the hotel.

Can you, or Professor Pavrovsky, put me in touch with one of your Oral Surgeons in Prague, so that I can make arrangements for the meeting direct with him, or would you prefer that the arrangements should be made through your Society for International Relations.

Kind regards.

Dear Mr. Heslop,

I have been informed by the President of the British-Czechoslovak Society in London The Rt. Hon. Lord Davies about the interest of a group of 16 surgeons, members of the Oral Surgary Club, to visit Czechoslovakia this spring. According to Lord Davies they would come primarily on a study and working trip for 3 to 4 days and would pay their own expenses for the trip.

I have brought the idea to the attention of the President of our Society, Professor Pavrovský, who is Director of the First Surgery Clinic of the Charles University in Prague. Professor Pavrovský is an active surgeon himself and one of our prominent specialits in cardiosurgery and pulmonary surgery. He is interested in the visit and he promised us his full support and assistance in making the necessary arrangements, from the professional point of view, of the sojourn of British surgeons in Prague.

In order that we might attend to the technicalities of the visit - accomodation and social programme, we would appreciate it if you could kindly

I would like to thank you on behalf of the Czechoslovak Society for International Relations and on behalf of Mr. Kožík for all your care and attention you extended to Mr. Kožík during his sejourn in Great Britain. He informed me about the interesting programme and the useful talks he had in London, which were both possible also thanks to your personal assistance.

I have discussed your proposal for a visit of a group of the Oral Surgery Club with Professor Pavrovský. The idea of a study trip of British colleagues in Prague pleased him very much and he promised me to make all the necessary arrangements for their working programme and meetings with their counterparts. Details of the trip, including questions concerning accommodation, term of the sejourn etc. will be discussed directly with Mr. Ian Heslop whose address you were kind enough to give me in your letter.

Dear Margaret.

Many thanks for your letter of 12.3. telling me that Prof Pavrowsky will have us and about the place.

Freddie won't be coming I think because he is caught up with this University Dental Anatomy lectures or something and he is very loth to either cancel or let someone else do it for him. (I am not sure if he has anyone now)

My resignation from NHS date seems to be June 30 – Eddie Cuffey starts July 1st – He is only giving 4/12 notice cos he wants to "get cracking" at

Dear Margaret,

Thank you so much for your two letters and all the time and trouble you are taking to organise our trip to Prague.

On filling in the visa form I note that they require the name of our hotel. From my experience of Eastern countries one has to be very careful to give all details, otherwise you are kept waiting for your visa and even the return of your passport until the very last moment. However, until I hear from you or Ian again I am presuming that the hotel is not yet known.

This should be a most interesting visit and I am very much looking forward to it.

With best wishes.

Yours sincerely,

Roy

Dear

Many thanks for your letter of 13th inst. re the Oral Surgery Club's visit to Prague.

I note that you are leaving on 31st May and returning on Sunday 3rd June. I think it would be better if I made my own arrangements for travel as I intend to go to Geneva before or after Prague.

Perhaps as soon as you have knowledge of the hotel that we are staying in you would let me know.

Dear Ben,

Thank you for your letter of 20th November. The circulars about your meeting could be sent out early in the New Year and I could make the closing date about say the end of March, and should be able to let the Manager know reasonably final figures by the middle of April.

Will this give him enough time or would you like me to send the circulars out before Christmas?

Dear Ian

Thank you for the photostat copies of the Programmes of earlier Meetings, which will help me greatly in planning my own subjects.

I enclose a photostat copy of the letter from the Manager of the Bull Hotel. I have written at once to explain the reservation of bedrooms is provisional and that at a later date I would be able to let him know by what date the firm reservations will be made. Will you let me know at sometime about when you expect to settle this point, i.e. what date before the Meeting you usually plan for the replies to the circular. I can then let the Manager know this, but I am not trying to hurry you.

Yours sincerely,

Ben

Dear Mr.Furniss,

re: Meeting of the Oral Surgery Club - 26th October,1973.

I certainly made it clear to Mrs.Peasgood, if I did not make it clear in my letter of confirmation, that the reservation of rooms was provisional until the number of acceptances from Members of the Club is known. As I mentioned in my letter this will be done at a reasonable period before the Meeting and I will confirm with the Secretary of the Club quite soon as to what date this is likely to be.

I would not wish it to be thought that this is a firm reservation for the number of rooms, although as I explained the number is always somewhere in the region of 30-35 persons.

Yours sincerely,

Dear Mr. Fickling,

Re: Meeting of the Oral Surgery Club - 26th October, 1973.

Referring to your letter of the 9th November, and your earlier conversation with Mrs. Peasgood, I have much pleasure in confirming the reservation of accommodation in connection with the above meeting as follows:-

25th & 26th October.

35 Single Rooms with Private Bathroom @ £5.00 per night, room and breakfast.

25th October.

Denham Room for Meeting, 4.30 p.m. to 7.30 p.m. @ £5.00.

26th October.

Bulstrode Room for Dinner for approx. 40 persons @ £5.00.

Sample Dinner Menus will be forwarded to you, for your consideration, at a later date, in the region of £3.25 per person.

I would mention that a Service Charge of 10% will be added to the account in lieu of staff gratuities.

As you are aware, the present Government has decided to impose a Value Added Tax as from April 1973, the exact form of which is not yet entirely known regarding the Hotel and Catering Industry. This will, of course, have a bearing on the prices quoted as of this date, which do not include the proposed levy.

I trust the above confirms all the arrangements to date, but if you have any problems, please do not hesitate to contact me.

Yours sincerely,

Iain Furniss - General Manager.

Dear Ben,

Thank you for your letter of 9th November, which arrived before I had the enclosed programmes ready for the post. I think that the arrangements you have made so far sound excellent and I think that you were right not to arrange anything for the Saturday morning, as so many people seemed to wish to return home rather than stay on for a Saturday morning session.

We have a number of keen golfers and although a golf meeting is not a regular thing, Stanley Collinge arranged a golf meeting on the Thursday morning and this was very well attended. It could be held on the Thursday afternoon, if this was not too much of a rush before the Committee Meeting. If you do plan a golf meeting, I can put an additional section in the meeting notice when this goes out and suggest that golfers contact you direct.

With kind regards,

Yours sincerely,

Dear Ian

I have telephoned the secretary to the Manager of The Bull Hotel and she agreed that 30-35 rooms can be available. I enclose a copy of the letter I have sent confirming the booking.

I have decided not to hold the Thursday evening reception and Meeting at Mount Vernon Hospital, as it is sufficiently far from The Bull to make it an essentially separate journey and far from convenient after drinks to drive and reserve one's room.

I have reserved the Medical Centre at Mount Vernon Hospital for Friday October 26th and I am writing to the Hospital Secretary to ask if a Buffet Lunch and drinks can be provided. There is ample room, as we have a new Library extension about to be opened.

There are excellent Golf Courses all round Gerrards Cross and I can easily arrange golf on the Thursday for those who would like it. I would be glad of your advice and perhaps again this ought to be organised fairly soon.

I understand that Saturday Meetings are now less popular, although looking back through my copies of previous Meetings I see they have been held in the past. I think it would probably be better to finish with the Dinner on Friday evening and let those who wish use the weekend either in London or elsewhere as they require. I do not think any special outing on the Saturday is indicated, as I understand very few people stayed behind in North Wales for the organisation put on by Gordon Hardman.

These are all my preliminary ideas, please do give me the benefit of your experience and advice which will be most helpful.

Yours sincerely,

Ben

Dear Sir,

I write to confirm arrangements made with Mrs. Peasgood by visit and telephone on the 8th of November.

Meeting of the Oral Surgery Club at Mount Vernon Hospital, Northwood
October 26th, 1973.

Thursday October 25th, 1973: To reserve the Denham Room from 4.30p.m. to 7.30p.m. for Meetings and Reception.

Members will take Dinner in the restaurant at their own expense and arranging their own tables, but it is important that facilities should be available.

To reserve single rooms (double rooms at single charge) with bath for approximately 30-35 Members. The number attending will be confirmed at a date to be arranged before the Meeting takes place.

Friday 26th October, 1973: To reserve the Bulstrode Room set for pre.Dinner drinks, and for Dinner for approximately 40 people. Dinner Menu and wines and cost to be arranged by me at a convenient date before the Meeting when prices are stable.

Rooms again to be reserved for approximately 30-35 people.

Not all Members attend throughout the Meeting, some arriving direct to the Hospital on Friday morning. I understand that not all Members require to reserve a room for the night after the Dinner if they are able to drive to their homes that evening. Actual numbers and reservations are always confirmed by the Secretary of the Club well in advance of the Meeting when replies to circulars have been received

All the Members are Present or Retired Consultant Oral Surgeons in the Hospitals of the United Kingdom. The Secretar of the Club, who will confirm all arrangements, is:

Dear Mr. Heslop,

Thank you for your letter of 7 November. I was very disappointed not to be able to go to the Oral Surgery Club, but an accumulation of business here, which had to be dealt with before I left for the United States from where I have just returned, necessitated my presence at the Council.

Thanking you for arranging for Peter Clarke to be invited to join the Oral Surgery Club; I know he will appreciate it.

Dear Ian,

Thank you for your letter and very nice remarks about our Meeting. I feel that my colleagues supported me wonderfully during the day and it is to their credit that so many people have written to me appreciating the efforts that were made to make the day a success.

As you know, I am slightly worried that an Overseas Oral Surgery Club Meeting next year may mean competition with the Meeting in Madrid and Robert Walker specially asked me to make the point that the F.D.I. Meeting in London in September must be well supported. Dickie Dawson has considerable contacts with the French Plastic Surgeons and his wife is French. I am writing to a French Plastic Surgeon who has been here to see if he can help me with any contacts in Bordeaux. I am sure Bordeaux is a better choice than Nancy. I certainly can make the time to go and will do so if you think there is a general request and the earlier provisos in this letter will not carry any force. I will write to you again as soon as we have further information. At the same time I would like to thank you and your secretary for very kindly returning to me the copies of the map of this Hospital area which are always useful when visitors are coming by car.

Dear Peter,

Thank you for your letter of 5th November, from which, I am delighted to learn that you will be joining the Oral Surgery Club. Thank you for your cheque which is a little premature, but we will make a note that you have already paid your subscription when the notices go out in July next year.

I am enclosing a list of members and club rules with this letter. We limit our membership to approximately 35-40 active members and we try to keep a geographical balance over the British Isles as this helps in the arrangement of future meetings.

Membership is by invitation only, and the rules are fairly liberally applied, but if a member habitually fails to attend, his name is removed from the list.

Details of the next meeting, which will be the overseas meeting will be sent to you in due course, probably by Ray O'Neil, who is taking over the Secretaryship from me, as I am President Elect and have been Secretary for the last 11 years. The overseas meeting is normally held in the Spring, but because of the international meeting in Madrid we may be holding our overseas meeting in early June instead of April.

Dear Jan,

Thank you very much for your kind letter from 12th of October. I am very sorry not to be able to visit the BOSC-Meeting, but lots of different duties, do not allow my visit in England again.

I hope you will have a sucesful and nice meeting.

Please give my best wishes to all friends. We had a wonderful time during the BAOS-Meeting and both Edith and I are looking forward to meet again you and all friends in near future.

Yours sincerely,

Dear Ian,

I leave for a holiday on the Continent on September 26th and will be back the weekend of October 14th. On October 17th I hope to arrange all final details.

The Bull Hotel: I would assume that you will remain responsible for the final numbers for The BullHotel. I enclose a note from Warrack as this may need some changing of your figures. I have also asked Geoffrey Howe to stay with me on Thursday and Friday night as it is an awkward distance from his home the other side of London. I think he had booked in at The Bull Hotel on Friday night and he will not now require this bed. I know of no other alterations of numbers.

Golf: This seems to be rather disappointing. The only names I have are, Roberts, Downton, Walker, Hogan. Roberts, Walker and Hogan require rooms on October 24th. This I will deal with personally as further replies should come to me by October 10th. Unfortunately, this date was made rather later than I had intended but the Golf Club do not need to know final numbers until the week before. The problem of the rooms I have dealt with and they will keep some reserved for us. If you know of additional golfers in the interval it might help if you write to The Bull and let them know .

Programme: For your own information and not for circulation, I now include a more complete programme and you will see that I have lengthened it. If we find it difficult to be sure that patients will attend I shall move up the tour of the Burns Unit into the afternoon period.

Reception: I have arranged Champagne for the reception. This is sometimes easier to check than a multiplicity of drinks, although of course people who do not drink Champagne can have an alternative. I understand this also is provided out of Club Funds but I will certainly make a contribution.

Guests: I have asked three Members of the Hospital administration , five speakers and three Registrars as guests of the Club at dinner, making a total of 11.

Transport: The Hospital Secretary has arranged for the Hospital Group transport officer to lay on a bus from The Bull Hotel to this hospital and return at the end of the Friday. I note that I did not give particulars of the services from London but I expect most people would be able to make their own enquiries if they are coming by train. I understand there is a taxi service at Gerrards Cross for anyone whom might require it on arrival and no doubt when leaving there will be cars available.

I can think of nothing further at present. Please let me have any further details by October 13th at Linksview, so that I can look at it over the weekend. I shall go to the Golf Club on the Thursday morning and then go to The Bull for final details on that day, so that again any problems can be ironed-out at that point.

It would help me if you could let me have a list of the names of those attending as this would be of considerable advantage to me.

Yours sincerely,

Dear Ben,

Thank you for your letter of 2nd August and for the various enclosures which awaited my return from holiday. Since I last wrote to you, the figures have altered slightly owing to replies from a number of people who had not received their initial circulars, and the figures are now as follows:-

Attending the meeting	42
Attending the dinner	40
Hotel Accomodation for 24th,25th,26th,	1 double and 1 single room
Hotel Accomodation for 25th,26th	28 single rooms
Hotel Accomodation for 26th only	2 single rooms

I am having the map and the golf meeting duplicated and sent out together with a notice confirming the reservations which members have made for the dinner and hotel, and I have asked those playing golf, who wish to have additional hotel accomodation, to let you know as soon as possible. Once we have the replies regarding the golf and the additional hotel reservations, I think that all should be under control, and, as you say, the final programmes can be given to the members at the meeting.

Kind regards.

Dear Miss Simpson,

I know that Mr Heslop hoped that I might have some material ready for circulation with your last notice re subscription. The only further material I had was about golf and I knew that Stoke Poges did not require final numbers until 1 week before the meeting. I thus did not hurry. Now I have noted that some members might wish to stay the previous night in order to play golf on the Thursday morning. I have checked with the Bull & 6 rooms are being reserved. As you see I go away Sept 24th — I rather think the Hotel would like to have reasonably definite figure by the end of August.

Did he leave with you any letter to be circulated on the lines mentioned in the ~~middle~~ third paragraph of his letter 'I will send a further notice to all those who have indicated that they will be coming to the meeting, confirming reservations for the Dinner and Hotel'. It seems only necessary to send the golf notice to those coming to the meeting perhaps with a second sheet such as

I have drafted and with photostat copies of the map (note the additions at bottom left hand margin) If the paper is not wide enough you can ignore 2 inches of the Bletchley-Harrow side of the map.

If you are able to circulate the members before Mr Heslop returns I think the middle paragraph about golf should say 'by Aug 31st'.

Please telephone me 935-1882, ~~the~~ I will try to have a word with you — I move from Hospital to Hospital

Yours sincerely

B. W. Fickling

I have not heard whether any double rooms are required I presume not.

Dear Ian

I confirm that you did send me a letter on the 11th of May indicating the early acceptances, and I thank you for your further letter giving me more details. I have finalised the Programme but suggest that it is not circulated, I think it quite satisfactory to hand to persons as they arrive as there can be last minute changes.

I have communicated with The Bull Hotel and they are holding the extra bedrooms that I originally requested available at least until the end of August. As you suggest, I think a further letter round should be sent, more particularly with regard to golf. I am not sure how you want to do this, ie., whether you send round a further preliminary notice altering Beaconsfield Golf Club to Stoke Poges Golf Club, or whether you send a letter in which you can strike out "you have accepted/ have not accepted to attend", this reminds people that they have accepted or have not. I enclose a suggested memo re golf.

With regard to golf, I think it best that they communicate with me. I may have sent you papers from Stoke Poges Golf Club previously. The relevant point is that they do require only one week's advice of the total numbers, and the cost as quoted back in March was £3.41 including lunch and gratuites.

I enclose a copy of a map which was used at the time of the B.A.O.S. Meeting. Unfortunately this does not quite show Gerrards Cross but it might help those who wish to reach the hotel by car and any who do wish to come to the hospital by car. I thought of copying these for you but it means a larger parcel and you can probably arrange it at Roehampton as easily as we can here. I have decided to lay on a bus and disregard members who wish to use a car, as this seems the most suitable system as discussed at the College of Surgeons after the Charles Tomes Lecture.

Dear Ben,

I have looked through my notes and I see that I wrote to you on 11th May 1973 stating that I had had 35 acceptances for your meeting at that time, and that of these, 28 required hotel accomodation and that 33 had indicated that they would like to come to the Dinner.

The present situation is that 37 members have indicated that they will be coming to part or all of the meeting, (mostly for the whole meeting), 35 will be coming to the dinner, and one member, Niall Hogan, would like hotel accomodation for 24th, 25th, and 26th October. 26 members would like accomodation for 25th and 26th October, and two would like accomodation for 26th October only.

I will send a further notice to all those who have indicated that they will be coming to the meeting, confirming reservations for the Dinner, and hotel. When would you like me to send this notice out and what other information would you like to go out at the same time? e.g., have you a definite programme which you would like to go out at that time, or will you give them to members at the meeting, and what arrangements do you want made for those playing golf, shall I ask them to contact you direct as Stanley Collinge did when he arranged a golf meeting?

There are five or six members who usually attend the meetings and who normally reply to the circulars, from whom I have not heard and I wrote to them all last weekend so I may add to the numbers as given above.

Kind regards.

Dear Ben,

Thank you for your letter of 22nd February.

I am sure that it would be helpful to members of the Club to have the preliminary details of this meeting, and I think it would not come amiss, even at this stage, if I asked members to indicate whether or not they intend to come and to obtain approximate numbers for the Dinner and for hotel accommodation. I will organise this and get the circulars out in the fairly near future.

Dear Ian

I have made a note of the dates of the Oral Surgery Club Meeting in Prague and will see what I can do to try and be there.

It has always been my criticism of the Oral Surgery Club that inadequate notice was given of Meetings. I have given you full details of the Autumn Meeting but when asked whether we should enclose a pro forma in February, I said no! I thought it was too soon to go to those lengths. I did not realise that you would not enclose a note of the dates and venue of the Autumn Meeting. It seems a great pity that this process has occurred without a sheet giving some of the facts of which I could have given you more details had you let me know that you were mailing the members.

Yours sincerely,

Ben

I have been making enquiries through a friend in Barcelona who has made some effort to contact the Oral Surgery people there to see whether there would have been a chance of holding a Meeting before or after the I.A.O.S. Meeting in Madrid. It is quite obvious that this is not going to be possible and in any case there seems to be another Meeting taking place in Barcelona in conjunction with the Madrid Meeting. I have tried to make enquiries with regard to holding a Meeting in France but have made no progress. I seem to have no contacts. I don't whether you have been able to make any progress.

Dear Raymond,

I should like to thank you very much for the excellent arrangements which you made for the Club visit to Bordeaux and we are all particularly grateful to you for your expert interpretation which added appreciably to the enjoyment and to the value of the meeting. I think that we would have been very lost without you on several occasions and I am sure my small speeches benefited considerably from your translation and ad-libing.

We enjoyed our final few days in Brittany and I was sorry to hear that you had had a somewhat protracted journey home.

I did not obtain the dates of the visit of Benoit's son, Monsieur Michelet and the others and I wondered whether we could perhaps take them to a College monthly dinner as a means of returning hospitality. If this does not fit in with their dates perhaps 2 or 3 of us could get together to entertain them and spread the cost.

With kind regards,

Yours sincerely,

Dear Ray,

John Ballantyne has now received a reply from Bordeaux.

You will see that the ENT surgeon there had thought that I personally wanted to visit their Oral Surgery Department. John Ballantyne has written to his ENT colleague, Portman explaining th it was our Travelling Club, and he suggests that yo write to Benoit and to put him in the picture.

I explained to John Ballantyne that because this year is so busy, conference wise, we might hav to postpone our visit until next year, so I think you should have a chat with Ben and get a final decision from him, you can then fix either a definite date in June of this year or a provisional date for June of next year when Iain is President.

Yours sincerely,

1975 Royal Army Dental Corp Aldershot - November

Decisions agreed at a preliminary meeting on the Organisation of the 1975 Annual Conference of the Oral Surgeons Club of Great Britian held in HQ & Training Centre, RADC on 20 November 1974.

Present: Major General (Rtd) J H Robertson CB
Colonel G A Elliott, Commandant, HQ & Training Centre RADC
Lt Col R Docherty, Deputy Commandant, HQ & Training Centre RADC

---

1. About 35 to 40 will attend. 14 will be accommodated in the HQ Officers Mess and the rest in the Queens Hotel. A provisional booking of 20-25 rooms will be made at the hotel and a date for final committment of booking obtained. Club Members living in the HQ Mess will pay the standard overnight charge and be required to "double up" as only seven bedrooms are available. Those living in the hotel will be responsible for the settlement of their own hotel bills.

2. Maps of the Aldershot area will be produced showing position of HQ Mess and Queens Hotel.

3. Club Members are to be expected about 16.00hrs on Thursday 30 October 1975 and will disperse on Saturday 1 November after breakfast.

4. The Mess Secretary will produce an estimate of the cost to each individual attending adding 30 % in expectation of inflation.

5. Two suggested dinner menus (with their cost) are to be offered to the club so that they may make their choice.

6. A programme is to be drawn up roughly as follows:-

Thurs.	16.00	Committee Meeting HQ Mess
	18.00 - 20.00	Reception - Ante Room
	20.00 - 21.00	Cold Buffet Supper
	21.00	Cash Bar
Fri.	10.00	Lecture Room in HQ
	11.00	Coffee
	12.30	Cash Bar
	13.00	Lunch (curry?)
	14.30	Lecture Room in HQ
		Coffee
	19.00 for 20.00	Formal Dinner with cash bar

7. Also investigate hire of coach to bring delegates to and from Hotel. Perhaps Hotel has its own vehicle.

8. Four copies of minutes and estimates agreed at co-ordinating meeting to be sent to General Robertson, with maps and proposed menus by 2 December.

9. The Oral Surgeons Club will deposit [redacted] the cost with the HQ Officers Mess Treasurer, two weeks prior to their meeting i.e. mid October 1975.

Autumn meeting October 1975

The Headquarters and Training Centre RADC was officially opened by the Chief of the General Staff General Sir Peter Hunt GCB, DSO, OBE, ADC on 29 September 1973.

This Centre is responsible for the dental treatment of soldiers in the Aldershot area. It has a wider Corps responsibility in that it affords Post Graduate Training for officers, technical training for dental technicians, ancillary training for dental hygienists and dental clerk assistants.

The Commandant of the Centre is also Inspector of Training for the RADC.

My Dear Ray,

I enclose the maps as promised. There is accomodation in the RADC for fourteen members but it means doubling up. Some members may be prepared to double up — it is cheaper & in some ways more convenient as the Mess is on the site and it is quite comfortable. Twenty five rooms have been reserved in the Queens Hotel provisionally. The Hotel is about a mile from the Training Centre and we must give confirmation by the beginning of October. A buffet supper in the Mess has been laid on for after the Presidents reception. Lunch for all in the Mess on Friday and the formal dinner in the evening have been organised. Can you enquire in the notification of the meeting, how many would wish to attend the buffet supper? I must know this in addition to the total numbers attending the meeting

2

For the meeting today I have arranged.

(1) A tour of the Training Centre taking about 1½ hours. This will include the clinics, technician's laboratories both productive and training, dental hygienist clinic and surgery assistant training, finally the museum. The Commandant will follow with a short talk on postgraduate training & ancillary staff selection & training.

(2) A talk by Major General L.G. Galloway OBE, QHDS RDS on the RADC policy and function etc

(3) "Coral Surgery in the Gulf" by Brigadier G. Smith FDS RCS

(4) "Experiences with a Surgical Team in Sallalah" by Lt-Col. W.G. Thomson MB FRCS. Sallalah is somewhere in the Persian Gulf where a minor war has been going on for some time.

(5) I hope to get someone to speak on Defense

(6). One or two other speakers not yet selected. I had some people lined up but for some reason or other they have had to call off.

(7) I might even talk myself on "Instant Locking Bars" if the President is permitted to speak:

This is a somewhat garbled hasty letter to get the maps to you quickly.

If you have any queries please ring me.

Yours sincerely

Robbie

~~Mr. R. James~~

Professor Raymond Mayer: Unit of Stomatology and maxillo-facial surgery
~~Unité de Institut de stomatologie~~
Hôpital St-Pierre. Brussels.

Professor Mayer and his staff presented a most interesting ~~programme~~ and stimulating programme case demonstrations and research projects ~~Most~~ Impressed by the ~~thorough~~ ~~[illegible]~~ ~~standard of~~ training of the Belgian stomatologists and by the organisation and management of the hospital - mainly because of absence of lay administration

Thank Professor + Madame Mayer for the excellent hospitality. ~~and dinner~~.

31st December, 1974

Major General Robertson,
Struan House,
Echo Barn Lane,
FARNHAM,
Surrey.

Dear Robbie,

Many thanks for your letter of the 16th December, and the enclosed Minutes of your Meeting. I think the programme looks excellent.

For your information, the President of the BAOS is not expected to be out of pocket in any way, and the procedure is this:-

That I will either pay all the bills that are necessary, either before the meeting or at the meeting, or you can pay them out of your pocket and let me know the total amount when I will give you a cheque. Any tips that you give to the secretary or I would like you to make a note of, so that I can reimburse you.

With regard to the cost of the dinner, I would like the bill to be given to me from the mess secretary.

Club members living in the Mess will, of course, be expected to settle their own accounts at the time.

I imagine that the deposit applies to the dinner only, and not to the over-night charge for members staying in the mess.

I am sure that I will see you before the meeting, and any points of finance that you want cleared up I will be only too pleased to answer.

All good wishes for 1975.

Yours sincerely,

D. Downton

16th Dec 74

Dear David,

I enclose my cheque for the meeting which I enjoyed very much.

Also enclosed are minutes of a meeting I had at the RADC T.C. for the meeting at Aldershot in NW1975. They are only pretty many ideas.

para. I. Some members may be prepared to double up & the costs of a room in the mess will be much less than in a pub.

para 4. Costs will be notified later.

para 6 I thought members would like to take supper in the mess after the reception. The mess can do a very good buffet supper at a reasonable cost.

Dear Professor Mayer,

May I on behalf of the Oral Surger Club express our thanks to you and to your colleagues for the excellent meeting and hospitality which you kindly arranged for us at the Hopital St-Pierre. The careful preparation and presentation of the papers was most appreciated by our members and obviously had involved a great deal of hard work.

We were impressed by the training of the Belgian stomatologists and also by the organisation and management of the hospital, especially by the authority of the Medical Council, a lesson we wish we could copy in Britain.

I am also very pleased that you have accepted honorary membership of the Oral Surgery Club and am sending you a list of members. The next meeting will be held at the Royal Free Hospital, Hampstead, London on Thursday afternoon and Friday 28th and 29th October 1976 when David Downton will be President and when we hope you will be able to attend. I shall send you a notice in due course.

My wife and I send our kind regards to yourself and to Madame Mayer and hope to see you both in London in September.

Yours sincerely,

R. O' Neil

Dear Ray,

I think we had an excellent meeting in Brussels and I enclose a cheque for £8 for flowers for Mrs. Mayer.

With regard to my meeting on October 28th and 29th:-

1. The Committee Meeting will be at 4.30 in the Royal Free Hospital, followed by the A.G.M.

After this there will be a reception at the Hospital and buffet supper with wine etc. This hospitality will be provided by the Hospital.

Coffee, luch and tea will be in the Royal Free Hospital and the Club will receive a small charge for these. The dinner in the evening is at the Clive Hotel, which is a very nice hotel and ten minutes walk from the Royal Free Hospital. The price of a single room with shower and including continental breakfast is about £10 plus V.A.T. and members wishing to use it must make their own reservations and state that they are members of the Club. (Tel. No. of the Clive Hotel - 01-586 2233)

I think when you send out a reminder about subscriptions etc. that a brief outline of the October meeting could be included, but I will 'phone you next week to discuss the whole matter. Iain will be dealing with the final numbers etc. when they are known.

Yours sincerely,

David Downton, FDSRCS
Consultant Oral Surgeon

P.S. - We will send more details to those members attending. I would like to know by end of 1st week in Sept.

Dear Professor O'Neil,

I thank you very much for your kind letter of june 7th and I am happy to read that the members of the Oral Surgery Club enjoyed the stay in Brussels.

It is a great honour for me to have been accepted as an honorary member of the Oral Surgery Club, I appreciate much this membership and will surely be present at your meeting of october 28 and 29th 76.

My wife appreciated very much the nice flowers the Club has sent her and express many thanks to the President and to the members.

My wife and I send our best regards to Mrs. O'Neil and to yourself, and we shall be happy to see you again in London in September.

Sincerely yours,

R. MAYER

P.S. Would you be so kind to make an accomodation for me at the Clive hotel.

My Dear David,

This must be one of many appreciative letters you will get.

It was an excellent meeting all round. Interesting papers pitched at the right sort of level — a chance to see something of the new Free — good hotel - excellent dinner. — the whole presided over by your genial & generous self — making a continuing reason why we all enjoy the O.S. Club so much.

Congratulations & many many thanks

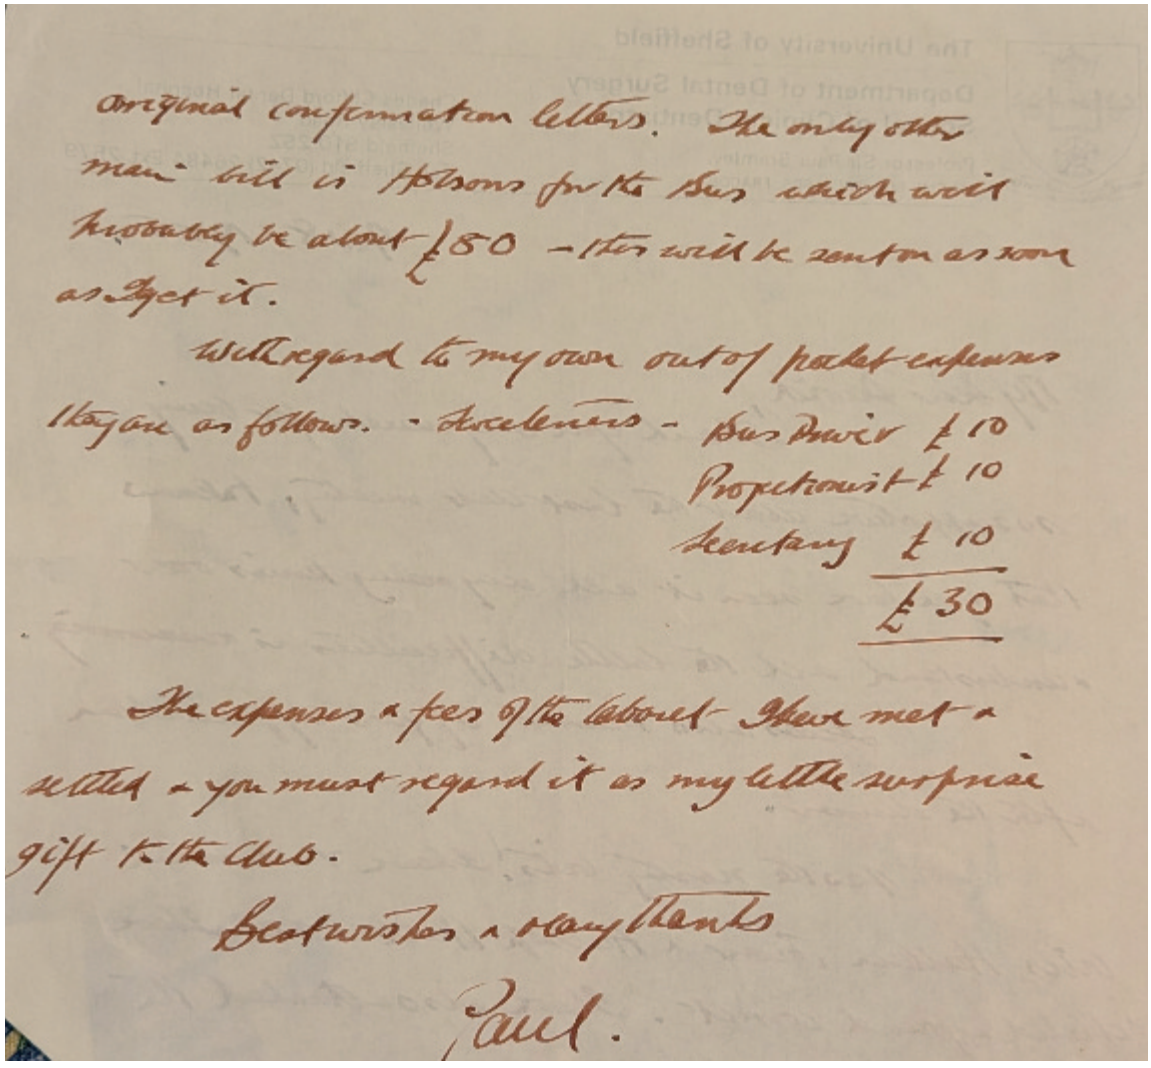
My Dear David,

Thank you very much for being so supportive about the last club meeting, to know that you have seen it all very many times over & understand all the little difficulties is reassuring.

I was also touched by your appreciation after the dinner.

Now the nasty bits! I have two main bills Hallam Tower & Hassop Hall which I have checked & found correct. I have also attached the



original confirmation letters. The only other main bill is Hobsons for the bus which will probably be about £80 - this will be sent on as soon as I get it.

With regard to my own out of pocket expenses they are as follows. - Accidentals - Bus Driver £10
Physiotherapist £10
Secretary £10
£30

The expenses & fees of the Cabaret I have met & settled - you must regard it as my little surprise gift to the Club.

Best wishes & many thanks

Dear David.

Thank you so very much for organising such a thoroughly enjoyable and interesting meeting of the Oral Surgery Club. Everyone appreciated the hospitality extended by the Royal Free Hospital and we felt that no better spot could have been chosen for the meeting. The scientific lectures were of the greatest interest; they were not directly concerned with our day to day work and yet had a very definite relevance to the job overall. And your choice of lecturers was superb. They all had a complete mastery of their subject and put this across to us with the utmost clarity. All the staff were most helpful and I do hope you will tell them how much their efforts were appreciated — perhaps especially those two on Thursday evening who ran the reception so efficiently and cared for our every need. And of course the Social programme was magnificent with the Clive Hotel providing a superb meal and making the evening a huge success. As you could plainly see everyone thoroughly enjoyed it, and the usual good fellowship went on far into the night.

Dear Ray,

I write to you with a few queries as I am getting things organised.

The Club will be arriving on Thursday the 30th June, 1977, as I recollect it there is nothing on that night although there will be something arranged by me. The Meeting will take place on Friday, and everybody goes home on Saturday. Is this correct ?

Next, I will want to know in due time if any wives will want to be here. I propose to suggest everybody stays at a Hotel very near the hospital, this is called The Ashling Hotel, it is quite a good one, though not in a very fashionable part of the city being beside the hospital, but I consider it much more convenient and more reasonable than many other hotels.

I will be writing to you with further details at a later date, but I want to know if I am correct and that there is only one clinical day, i.e., the Friday. Of course there is then, I assume, a Dinner on Friday night - is this run by the Club, and is it to be organised by me ?

Best wishes, and Happy New Year,

Yours sincerely,

Dear

Thank you for your letter 30th December and a Happy New Year. Following normal customs the Club should arrive on Thursday 30th June, the Meeting and Dinner to be held on Friday 1st July and return probably on Saturday.

Numbers are difficult to estimate but should be between 12 - 20, and wives again are difficult to count but should be d few between 5 - 8. Your suggestion about the Ashling Hotel sounds excellent.

All arrangements for Meeting, Dinner and accommodation arranged by you on information supplied by me.

I shall circulate Members this week and ask for a closing date by 1st March 1977.

Dear Ray,

With reference to the Dinner after our Meeting on Friday the 1st July, I have a suggestion which I hope you might agree with:-

The Phoenix Park Race Meeting (evening Meeting) is on the evening of the 1st July, and I can arrange to have the Directors Room available for us half-an-hour after the Races, and have a cold Buffet served - this is a very good one. There is also a Bar there. I would like to know from you at an early date what you think about this suggestion.

Also please let me know all details about payment etc., as far as I recollect, the Club pays for the Dinner, if not, I would have to make some other arrangements myself. I would like to know about this as soon as you can.

In regard to the other arrangemtns, the Ashling Hotel is in Parkgate Street, Dublin 8. Telephone: 77 23 24.

Dear Ray,

This is to acknowledge your latest letter.

The Rooms, as you know, are booked and I hope to meet you around 6-30 p.m. at the Clarence Hotel (which is very near Dr. Steevens' Hospital) on Thursday the 30th June'77.

The reception is in the hospital Boardroom, there will be no wives coming as this would make the numbers rather large. The whole Programme has been arranged and I will be sending you preliminary draft in about a fortnight.

Yours sincerely,

Niall

Dear Ray,

I have booked the rooms at the Ashling Hotel, Parkgate Street, Dublin, unfortunately, they cannot produce eight single rooms, but they have very good rooms with single beds - I hope this will be satisfactory. I would think it a good idea if individuals communicated directly with the Hotel and make firm bookings although I have done this myself, everything else is well in hand and I want to ask you a few questions: -

1. In regard to the wives present - I assume I do not have to make any particular arrangements for them, it would make it a bit complicated to ask wives to the Hospital etc., since this would involve asking other wives and it would make the numbers very large.

2. I presume you want a room for the Meeting - this can be easily arranged in the Ashling Hotel.

3. In regard to the Dinner, I assume all the speakers go to this and I would assume you want me to go ahead and arrange it. One suggestion I have is the Phoenix Park Racecourse, there is a Meeting on the Friday and it would be very pleasant to go to the Races and then have Dinner afterwards, but I have to check this out. Also, do wives come to the Dinner ?

Please send names of attenders.

Yours sincerely, Niall J .Hogan.

Dear

I have been asked by the President and Members of the Oral Surgery Club to thank you for the excellent meeting which you arranged in Dublin.

It was the unanimous opinion of Members that the scientific programme was first class and that the hospitality of our Irish colleagues excelled your reputation in this field.

Could you please also convey our sincere gratitude to Mr. Clark, Chairman of the Board of Governors of Dr. Steeven's Hospital, to Matron and to the contributors to the programme and also to Dr. Moore of Guiness Ltd.

With kind regards,

Yours sincerely,

Professor Raymund O'Neil,

Dear Ray,

I am enclosing another provisional programme for our meeting in Belfast in October. I have previously mentioned to you that I have booked 16 bedrooms at the University Staff Club where there are double rooms available should any members wish to bring their wives. For those who would prefer 3-star hotel accommodation, there is the Wellington Park Hotel within easy walking distance of the Staff Club. Obviously I would like to know the numbers attending as soon as possible.

I think it would be best to ask everybody to come over by air and every endeavour will be made to meet them at the airport with private transport. It would be best in this case for members to phone me direct re their expected time of arrival.

I tried to get a sponsorship for the Club for the evening meal on the Thursday night. The Chief Administrative Officer, however, thought the best way out would be for the Area Board to provide hospitality for the Club Dinner which would then take place on hospital premises. We would then have to pay for our own dinner on Thursday night, and I have made provisional arrangements at a restaurant, as you can see from the programme.

I think this is all the arranging I can do at present but we can finalise the arrangements next week in Dublin.

With best wishes.

Yours sincerely,

Roy

Dear Raymund,

Re: Oral Surgery Club Meeting - Belfast
26th - 29th October 1977

When you circularized members of the Club about the Meeting in Belfast I wrote to say that I intended to travel independently on Wednesday and return on Thursday evening because of my commitment as Chairman of the Board of Examiners for the revised FDS examination the following day.

However, I now find that I have to attend the meeting of the Regional Distinction Awards Committee on Wednesday 26th October which, therefore, makes it quite impractical for me to make any attempt to attend the Belfast meeting. I am very sorry about this but I will have to cancel my reservations.

Best wishes,

Yours sincerely,

Dear Ray,

I am writing belatedly to send my apologies for being unable to attend the Club meeting in Belfast next week. Originally I was hoping to come, and stay with my friend Ralph Smith, but I have to give a lecture which was arranged a long time ago and it is not really possible to alter it. This is scheduled for the middle of the Belfast meeting.

Will you please tell Roy Whitlock how disappointed I am to miss such an interesting meeting. I look forward to seeing you at the next meeting, if not before.

Dear Ray,

Many thanks for your letter about the Oral Surgery Club on Friday 30th June 1978. I would be delighted to read a paper in the afternoon and perhaps I could talk on Microsurgical Procedures in Facial Palsy.

Yours sincerely,

Dear Ray,

Thank you very much for your letter of 13 January and my apologies for the delay in replying. I should be very pleased to talk to the Oral Surgery Club if you think my remarks would be of interest. As I told you, I spoke to the Oral Pathologists last October and was not quite sure whether I had hit the right note for the meeting, because in 30 minutes available, I talked almost entirely about hyperparathyroidism. I should be very happy to do it again and I suppose that there would not be any people who would attend both meetings. Can we discuss the precise title when I see you? I would prefer the afternoon because I have routine rounds in the morning.

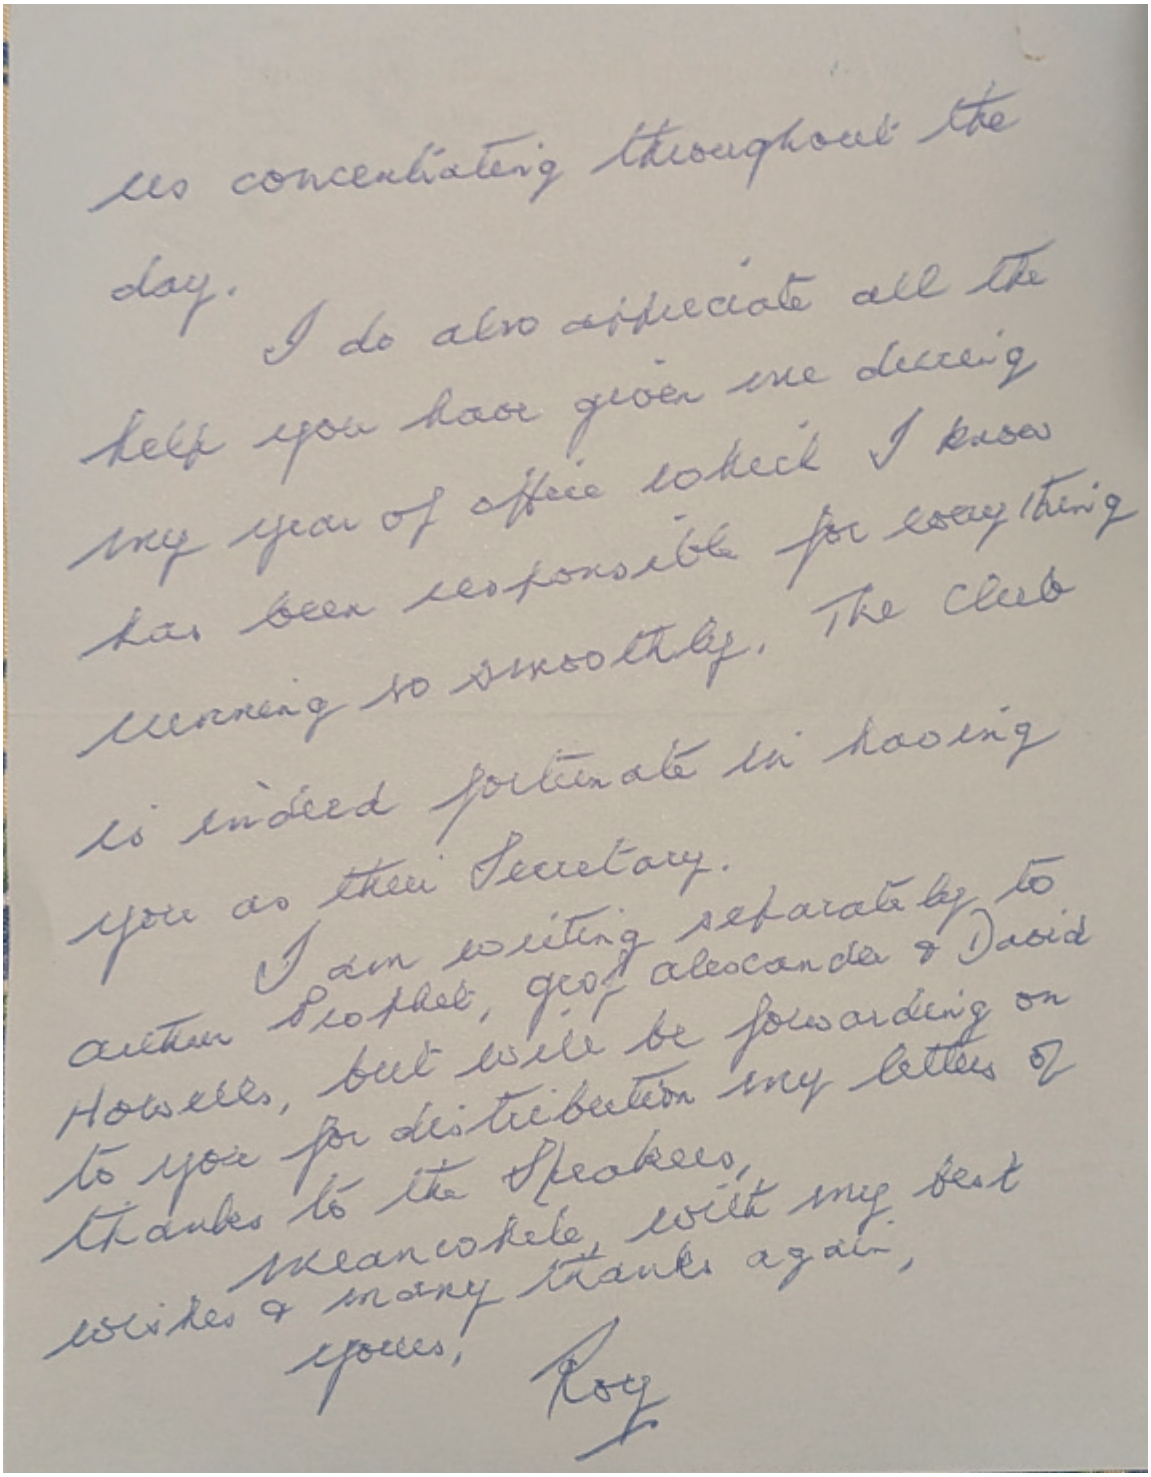
Dear Ray,

Many thanks again for offering to hold the O.S. Club meeting at the U.C.H. I fully appreciate the amount of preparation it required but it was a splendid success & everyone told me how much they enjoyed the meeting + were full of admiration for your organisation. The Speakers were all really first class; just the right length of presentation which kept



es concentrating throughout the
day.
I do also appreciate all the
help you have given me during
my year of office which I know
has been responsible for everything
running so smoothly. The Club
is indeed fortunate in having
you as their Secretary.
I am writing separately to

Dear Professor O'Neil,

Thank you for your letter of the 14th February, concerning the Oral Surgery Club meeting in June. I have made a provisional booking but I would like you to formally advise Miss Sills so that I can get an official authorisation from her. The sum of £ 200 for 40 members may be a little bit tight for a buffet with drinks, depending on the time of the day the meal is to be served. We have a complicated arrangement for paying staff a gratuity for certain functions and I would probably want to draw that direct from the Club; it will cost about £ 20.00.

If you could arrange to meet Peter Rugg who is responsible for U.C.H. Catering no doubt you will be able to tie up the details of the buffet and the lunch arrangements.

Yours sincerely,

V. S. Burns,
District Catering Manager

Dear Raymund.

Thank you for putting on such a splendid programme for the Club. I was particularly grateful for what might seem to you mundane — your myofacial trigger point, and "admit to sedate" acute T.M.J. It is such a comfort to hear these things said, when we all experience doubts on our attitudes.

Dear Ray.

What a perfectly superb meeting you arranged for the Oral Surgery Club at U.C.H.!! We all enjoyed it very much and I do hope that you were able to sense the appreciation which we all felt. Besides the general atmosphere of bonhomie which the Oral Surgery club engenders, we found the facilities at U.C.H. to be just right - excellent lecture rooms, dining facilities and of course a simply splendid and well balanced scientific programme which was both interesting and very relevant to our work. All your speakers are to be congratulated on their papers, and not least all the support staff such as your junior staff and those indefatigable ladies who made sure that we had our coffee or tea and biscuits, or our sherry. Please thank them

all. They did wonders.

One small complaint: you set too high a standard and how can I possibly follow that! Perhaps in that context I might be in touch with you and David at intervals regarding arrangements for our Chepstow meeting. I shall need lots of advice and will be grateful for any guidance I can get.

Incidentally I am very sorry that October 27th clashes with the Faculty evening. If I bring the date forward I clash with B.A.O.S, the Dunlop Masters Tournament at St Pierre and the South Wales BDA. If it goes on into November there is the Consultants meeting at the College. I suppose it is best left as it is?

We shall long remember our meeting at U.C.H. as a thoroughly happy and informative occasion. Thank you for having us!

Dear Ray,

Thank you for all your hard work, setting up a most enjoyable Oral Surgery Club Meeting last week. Your blackboard and chalk man certainly set the tone for a most stimulating day, which really gave me about as much as I could take! It is really difficult these days, I find, to go to courses for oneself, and days like this really are immensely useful, with all the fun as a bonus.

Dear Mr. Baron,

It is my honour to organise a meeting of the Oral Surgery Club of Great Britain at U.C.H. next year on Friday 30th June (1978).

It is expected that approximately 35-40 members will be present. Membership of this Club is limited by invitation only to Senior Consultant Oral Surgeons in the U.K. but we also have as members some Plastic Surgical Colleagues and European Surgeons as well.

A programme of Lectures will be given all day Friday 30th illustrating the work of U.C.H. especially on the Plastic and Maxillo-facial Unit but other related subjects will be covered by consultants in other specialties.

I believe that John Gayes has mentioned this meeting and I am writing to ask if it would be possible for the Hospital to subsidise either a Buffet Reception on the Thursday evening or possibly lunch on Friday.

Perhaps it might help if I came to your office to discuss the meeting in more detail.

With kind regards.

Thank you for your letter dated 19 July 1977. I will ask the Special Trustees at their next meeting on 2 August for a grant to cover the cost of a Buffet Reception for 40 people on 29 or 30 June 1978.

I imagine they will agree.

I would be happy to talk with you if you wish but I think I probably will have sufficient information when I get an estimate of the cost from the Catering Officer. We will have plenty of time to make detailed arrangements later.

Mis L.J. Sills,
District Administrator,
U.C.H.

Dear Miss Sills,

It is my honour to organise a meeting of the Oral Surgery Club of Great Britain at U.C.H. on 29th and 30th June this year.

It is now expected that 40 members will be present. Membership of this Club is limited by invitation to Senior Consultants Oral Surgeons in the U.K. and some Plastic Surgical Colleagues and European surgeons as well.

I wrote to Mr. Baron last year and received a letter from him dated 11th August 1977 ref: MBB/SM6/DG/6/D saying that the Trustees kindly agreed to a sum of £200 for a buffet reception and drinks.

M Mr. Burns, our District Catering Manager has now informed me that in view of rising costs, £200 may be a little tight for a buffet with drinks.

Enclosed is a letter from Mr. Burns and also a provisional programme for the Meeting. May I come and discuss the details please with you.

Yours sincerely,

R. O' Neil

Dear Professor O'Neil,

Oral Surgery Club of G.B. - 29th and 30th June, 1978

29th June, 1978

I had authorisation to spend up to £ 200 for 40 people for afternoon tea and buffet supper with drinks. In the event 26 people turned up but I have had to charge for 30 to cover that food prepared for the orinigal estimate which we could not use the following day. The food bill came to £ 150 and the Special Trustees contributed wine and drinks to the value of £ 30 or so.

30th June, 1978

I enclose the Hospital invoice in the sum of £ 66.15 for food supplied; in addition I would be grateful if you would let me have cash or cheque payable to me for £ 17.50 to cover the staff element. The value of the drinks consumed on the second day was £ 11.57 which has to be paid to the Special Trustees who hold the bar stocks. At the cash bar the takings amounted to £ 7.30 and I suggest therefore that if you would agree to let me have the difference between £ 11.27 and £ 7.30 which is £ 4.27. I will settle the Trustees account.

Summary of requirements:

1) Cheque payable to Camden & Islington A.H.A.			£ 66.15
2) Cash/Cheque payable to V. S. Burns:	Staff	£ 17.50	
	Drinks	£ 4.27	£ 21.77
	Total expenditure		£ 87.92

against estimate for 35 people @ £ 2.50 a head: £ 87.50

Yours sincerely,

V. S. Burns,
District Catering Manager

Monsieur le Docteur O'NEIL

Mon Cher Ami,

Je vous adresse les renseignements relatifs aux 2 journées de chirurgie orthopédique des maxillaires que j'organise à votre intention et à celle de ce groupe de confrères.

Vous avez l'amabilité de m'inviter, ainsi que ma femme, le Vendredi soir Ier Juin. Mais ce même soir, je dois me rendre à Paris pour participer à la fin des travaux de la société d'orthopédie dento-faciale.

Je pense que l'on pourrait mettre cette invitation au Jeudi 31 Mai.

Nous en reparlerons ensemble sur place et je vous remercie de votre délicate attention.

En attendant d'avoir le plaisir de vous recevoir à Nancy, je vous prie de croire, Mon Cher Ami, à mes sentiments les plus cordiaux.

Dear Ray, It was very good of you to telephone on Tuesday. My only regret is that I didn't get in first to thank you for your magnificent arrangements and organisation for our meeting at Nancy. As this years President I feel I was "done proud" and it is a tremendous thing for me to bask in the glory of other peoples hard work. I do so appreciate it, and apart from the pure enjoyment of being in the company of fellow members of the Club, your choice of Dautrey as our Mentor was splendid: I think we all learnt a tremendous amount.

We stayed on for a further two days. My daughter, Tessa, arrived by train at Nancy at 11.45 on Saturday and we quietly pressed on towards Strasbourg, staying at a delightful one-rosette hotel Host. du Cerf at Marlenheim, a gem of a place quite worth noting. Next day after a brief spell in Strasbourg, a round trip into the Black Forest ending at Baden-Baden with a return to Luxembourg for the night. Then on Monday

Gwent Health Authority
Awdurdod Iechyd Gwent

a most delightful run from Luxembourg through the hills to Bastogne and thence via Namur, Mons and Lille to Calais for the 7 p.m Hovercraft. The run from Ramsgate to Chepstow was a fairly long haul with an anxious quest for petrol to see us home. Luckily at Reading we found enough to fill up our tank, but after the casual 'faites en plein' on the continent it brought us back to reality. Lots of very happy memories of our trip to Nancy will keep us going for years!

Peggy was quickly very much better and I am so grateful to Hilda for being so kind and practical and sympathetic about the whole thing. Hilda was such a tower of strength in our communication with local people, the hoteliers, restaurateurs and most of all with Mr Dautry and his wife. This aspect put the seal on a most happy visit.

I hope we can have a further reminisce at the College Dinner on June 15th. Meanwhile I will drop Mr Dautry a little personal thank-you in addition to your own kind word of thanks from the Club.

With very kindest regards to Hilda and yourself from Peggy and yours, with much appreciation of your efforts on my behalf,

John

Dear Ray,

I am now enclosing the papers giving the lecture programme and other general information for our Oral Surgery Club meeting at the Middlesex Hospital and Medical School. I hope that I have covered all the points which you think members will need to know about. Please let me know if there is anything which I have forgotten.

I will ring you up sometime to fix an evening meeting in October. Perhaps we might meet at the R.S.M. and have a drink to discuss any other matters.

I shall be away on holiday from the 24th September until the 1st October.

Kindest regards,

Yours sincerely,

H. P. Cook

Dear Raymund,

Although I have not very much to add to my letter of the 21st March about the Oral Surgery Club, I have had a letter from Ian Wilson agreeing to speak during the meeting on some aspect of head and neck reconstruction. This leaves one free period to be filled and I will try and think of someone suitable to ask to speak.

So far as hotel accommodation is concerned, there are two hotels in Welbeck Street, the Cliftonford Hotel and the Londoner Hotel, which are within easy walking distance of the hospital. There is also the Domus Medicus at the Royal Society of Medicine which would be available for those club members who are also fellows of the Royal Society of Medicine. We might perhaps put these names in as possible places to try.

I hear that you have been having difficulties with the continental meeting, but I hope you will have overcome these.

Kind regards,

Yours sincerely,

Peter.

Dear Raymund,

Following our telephone conversation, I am writing to you about some details of the forthcoming Oral Surgery Club meeting at the Middlesex Hospital.

I have been able to get accommodation for the meeting on Thursday, 25th October and Friday, 26th October. I have booked some accommodation in the Medical School for the meeting of the Council and the Annual General Meeting followed by tea and then in the evening the usual two hourly reception. I have booked the Lecture Theatre accommodation in the Medical School for Friday, 26th, and have also arranged most of the speakers.

Lunch that day is also arranged and I have obtained a grant from the Special Trustees to cover the cost of most of this item. The dinner in the evening will be in the Board Room of the Middlesex Hospital, but I have not yet costed this precisely. I imagine it will be in the region of £10. per head including wines at table.

The speakers whom I have so far arranged (although the times are not yet fixed) are:-

Dr. Ian Verner, anaesthetist, who will speak on malignant hyperpyrexia;
Dr. Jelliffe, radiotherapist, who will speak on chemotherapy with reference especially to Hodgkins disease;
Professor Lucas, who will speak on some aspect of oral pathology;
Dr. Duncan Caterall, who will speak on sexually transmitted diseases;
Dr. Chapman, who will speak on new x-ray investigations including scanning.

I hope that I may be able to persuade Ian Wilson to give us a short paper on some of his reconstructive work for malignant disease. At least this is the skeleton of the programme.

/.....

I agree that as London is so liberally provided with hotels that we should not set ourselves up as a lodging bureau, but merely call attention to our members of the hotels which are especially close to the hospital. Unfortunately the Berner's Hotel will be out of action due to extensive refurbishing and repairs, but I will send you a list of those which are reasonably near in due course.

Kind regards,

Yours sincerely,

Peter.

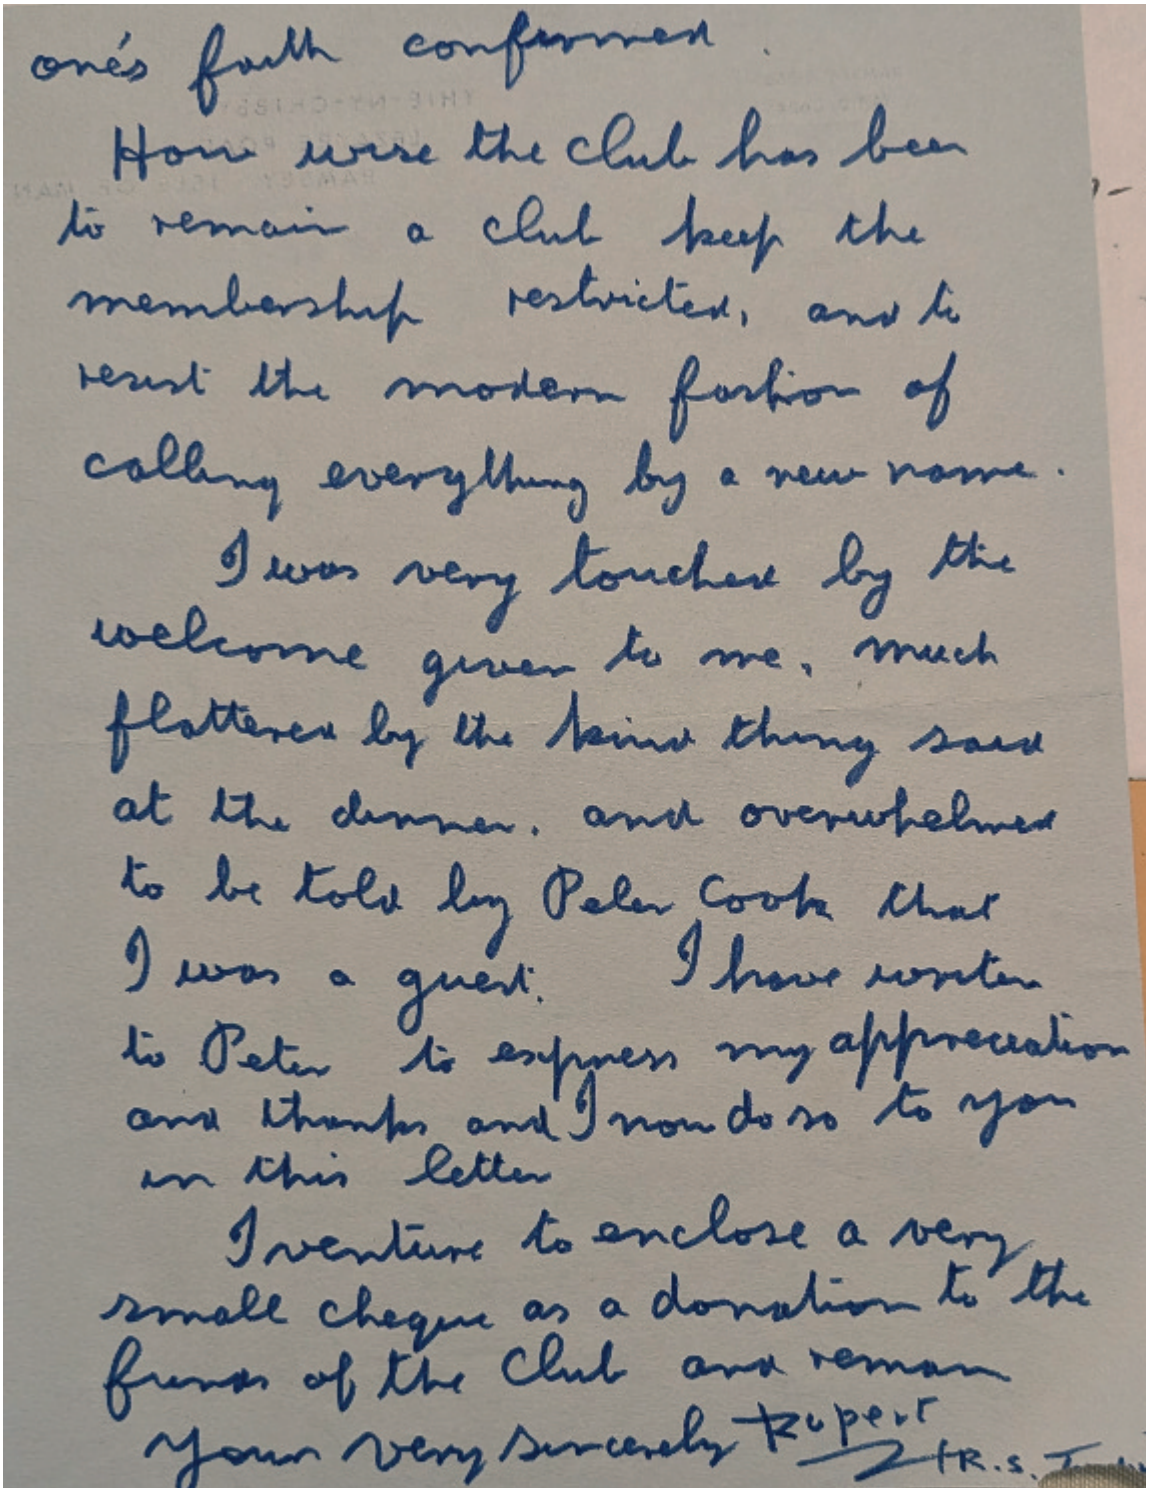
My Dear Raymund

I hope your trip to France went well and that you had success in getting our brothers of the EEC to see the light defuse as it may be in the fog of their own making, but that as it may be.

I much enjoyed the meeting of the Oral Surgery and was delighted to find it in such good shape not that I had any doubt on that point, but it is always good to have



ones faith conformed.

How were the Club has been to remain a Club keep the membership restricted, and to resist the modern fashion of calling everything by a new name.

I was very touched by the welcome given to me, much flattered by the kind things said at the dinner, and overwhelmed to be told by Peter Cooke that I was a guest. I have written to Peter to express my appreciation and thanks and I now do so to you in this letter

I venture to enclose a very small cheque as a donation to the funds of the Club and remain

Yours very Sincerely Rupert

F.R.S.
