The Archives

of the

Oral Surgery Club of Great Britain

Volume 5

1987 to 1992

Introduction

The Oral Surgery Club of Great Britain was the brainchild of Rupert Sutton Taylor who thought a professional club should be formed of dental surgeons who practiced mostly Oral Surgery. This was formed before the British Association of Oral Surgeons which later became the British Association of Oral and Maxillofacial Surgeons.

The clubs first meeting was in 1937 and from its inception an honorary archivist was appointed to keep, mostly papers, and records of the meeting which have been held usually twice a year with mostly one in the UK in the home town of the President who rotated yearly and one overseas.

The club still meets twice a year and since 1935 six large cardboard boxes of documents have accumulated. This is the first volume of scanned documents which have been formatted in the style of a crown-quarto size book and made available digitally in a Portable Document Format file.

The document is organised with the archive of each meeting in a separate chapter in order of date.

It is anticipated that a printed copy will be made available from the library of the British Dental Association.

For a concise history of the club see: A History of the Oral Surgery Club of Great Britain by John Bradley.

1987 Salzburg - March

ORAL SURGERY CLUB OF GREAT BRITAIN

Dear Golleague,

The Spring Meeting of the Club is to be held under the Presidency of Mr. G. L. Manning in Salzburg, Austria by the kind invitation of Professor Helene Matras on Wednesday 25th and Thursday 26th March 1987 at the Department of Oral Surgery & Maxillo-Facial Surgery, 48, Mullner Hauptstrasse, Salzburg A-5020. Travel by air direct to Salzburg is possible but there are few flights from the U.K. and fog is a problem. Travel is normally by air to Munich and then by train. Travel out 24th March and return 27th March. I have made a provisional booking for these dates only with the Hotel Hofwirt, Schallmooser Hauptstrasse 1, Salzburg A-5020, Tel: 01043 662 72171. Members will be responsible for making their own reservations. All incoming tourist traffic from the U.K. is handled by a central travel agency in Salzburg through whom all bookings and payment is made. You should write to Fraulein Elisabeth Holzleitner, Incoming Great Britain, Reufa Reisen, Reiseburo Ruefa Ges. M.B.H., Rainerstrasse 7, A-5020 Salzburg, Austria. Tel: 01043 662 74587-0. In all correspondence you must mention 'Oral Surgery Club of Great Britain'. Prices are, Double with bed and breakfast As590 (£29.50) per person per night or half board As710 (£35.50) per person per day and the single supplement on a double room is As210 (£10.50). The hotel has 23 double rooms and four single, all with bath/shower and WC. Payment is 50% deposit due 4 weeks prior to arrival and the remainder payable 2 weeks prior to arrival. Cancellation is free up to 4 weeks prior to arrival. Payment either by bank transmission to Ruefa Reisen's bank account at BAWAG Salzburg, Auerspergastrasse account number 57010 511 404 or by cheque.
I estimate that the dinner, including wine and transport will be about £25-£30 a head. If you wish to extend your visit to beyond the dates given, you must arrange this with Ruefa Reisen.

ooooooooOOOoooooooo

The Autumn Meeting 1987 will be held under the Presidency of Mr. Patrick James at the London Hospital, October 29th and 30th 1987.

ooooooooOOOoooooooo

Please return this slip by Monday 19th January 1987 to

Burnley General Hospital
Casterton Avenue
Burnley, Lancs. BB10 2PQ
England

Dear Doctor Bradley,

The visit of the Oral Surgery Club of Great Britain of our Department was definitely a highlight of the past years.

We all appreciated your interest in our techniques and cases that we had the opportunity to demonstrate, and we hope that your wives enjoyed their visit, too. We are grateful for your comments because we do not think that we are perfect but that we are still in the process of learning and improving.

Every day I am receiving letters from our British guests and I have to apologize if I cannot answer each one personally.

I also want to thank you for your kind invitation to visit you in England, both for myself and my coworkers.

If you ever have a chance to come again to Salzburg we will be happy to have you here.

Most sincerely, and cordially

Prim. Univ.-Prof. Dr. H. Matras

Programme

Wed., March 25:

Morning (Seminarraum)

9 - 1o a.m. Dr. S. Sachs: Our concept for the treatment of patients with clefts of the lip and palate

1o - 11 a.m. OA Dr. Ch. Krenkel: Various modalities for the reduction of mandibular fractures by osteosynthesis

11 - 12 a.m. Dr. J. Hachleitner: Preprosthetic Surgery: Alveolar ridge augmentation and vestibuloplasty

Video presentation: Alveolar ridge augmentation with hydroxylapatite
Aspergillosis of the maxillary sinus, pathogenesis and treatment

Lunch break 12 a.m. - 1.3o p.m.
Bärenwirt, Müllner Hauptstraße 8

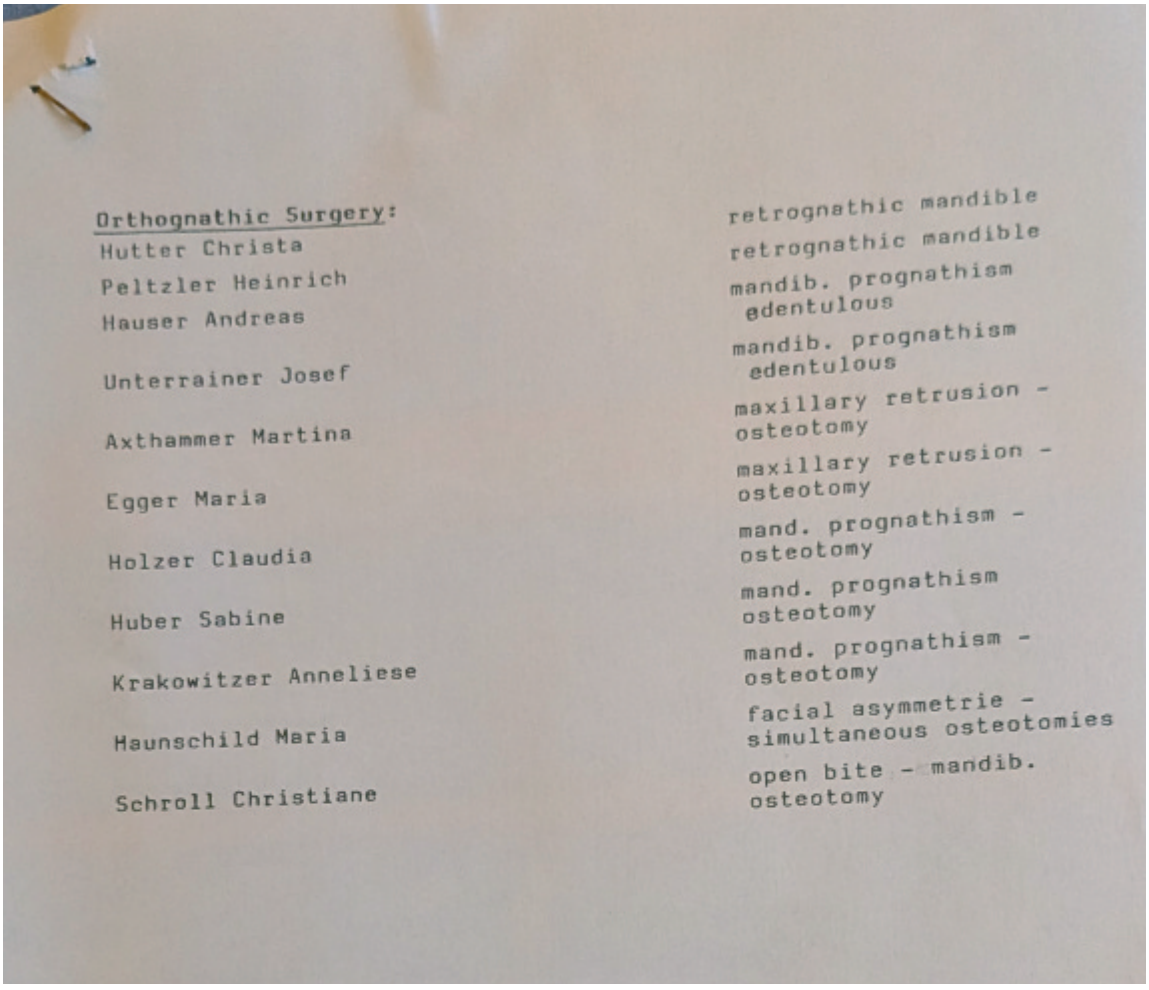
Afternoon

1.3o - 4.3o p.m. Patient demonstration in the out-patient clinic

5.3o p.m. Reception by the Director of the Landeskrankenhaus

WEDNESDAY, 25. 3. 1987

Preprosthetic Surgery:	
Ing. Lehner Wilhelm	augmentation, mandible
Berger Theodora	vestibuloplasty, mand. mucosal graft from palate
Valdunga Magdalena	vestibuloplasty, mandible, split thickness skin graft
Liess Anna	augmentation, mandible
Hutter Maria	augmentation mandible, rib
Traumatology:	
Seiwald Rudolf	severe midface fracture - plates and screws
Dr. Tafatsch Wolfgang	midface and mandibular fractures
Ziller Berthold	shotgun injury, reconstructi of mandible
Thalhammer Manuela	multiple facial fractures - bone and soft tissue reconstruction
Marcovic Slobodan	floor of orbit fracture - transconjunctival approach
Schierl Karl	mandibular fracture - plate
Majnik Michael	mandibular fracture - screws
Wein Stefan	mandibular fracture - plate screws 2. OP - Calcitite
Tiefenthaler Franz	polytrauma - HALO
Pfeifer Wolf	polytrauma - HALO, carotid artery ligation
Steiner Helmut	polytrauma- HALO
Wurm Franz	polytrauma - HALO, carotid artery ligation
Eidenhammer Gerhard	mandibular fracture - screw
Gebetsberger	zygomatic fracture - screw



Orthognathic Surgery:

Hutter Christa	retrognathic mandible
Peltzler Heinrich	retrognathic mandible
Hauser Andreas	mandib. prognathism edentulous
Unterrainer Josef	mandib. prognathism edentulous
Axthammer Martina	maxillary retrusion - osteotomy
Egger Maria	maxillary retrusion - osteotomy
Holzer Claudia	mand. prognathism - osteotomy
Huber Sabine	mand. prognathism osteotomy
Krakowitzer Anneliese	mand. prognathism - osteotomy
Haunschild Maria	facial asymmetrie - simultaneous osteotomies
Schroll Christiane	open bite - mandib. osteotomy

Thu, March 26, 1987:

Morning (Seminarraum)

9 - 1o a.m. Prof. Dr. H. Matras: Special aspects in trauma surgery

1o - 11 a.m. OA Dr. J. Beck: Tumor resection and reconstruction

11 - 12 a.m. OA Dr. Ch. Krenkel: Orthognathic surgery

Video presentation: En-bloc resection of squamous cell carcinoma of the lower alveolar ridge

Lunch break 12 a.m. - 1.3o p.m.
Bärenwirt, Müllner Hauptstr. 8

Afternoon

1.3o - 4.3o p.m. Patient demonstration in the out-patient clinic

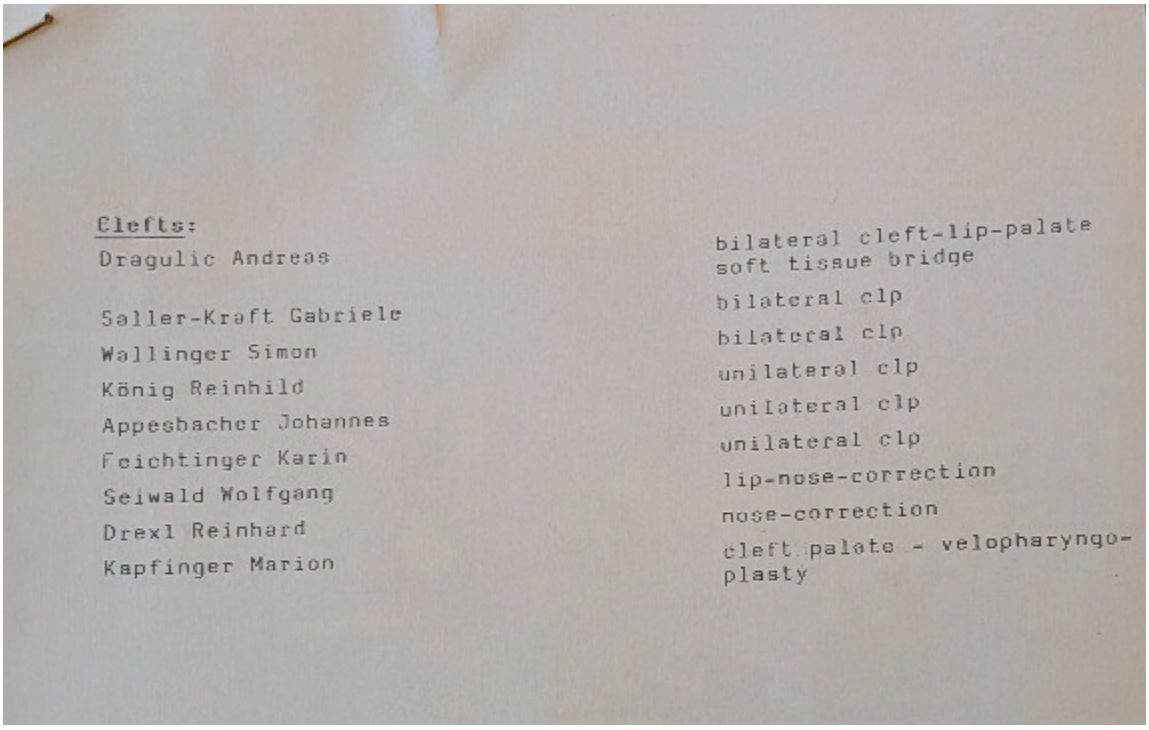
5.45 p.m. Dinner at Hotel Pitter, Rainerstraße 6

8 p.m. Concert in the Mirabell-Castle

THURSDAY, 26. 3. 1987

Tumors:

Bernegger Josef	floor of mouth SCC - resection and reconstruction
Oppeneiger Helmut	mand. SCC - resection and reconstruction
Wilhelm Justine	melanoma of maxilla - resection - neck dissection
Resch Hermann	SCC of lip - tongue flap
Üggl Georg	SCC of lip, pleomorphic adenoma of parotid - tongue flap
Landerer Astrid	giant cell granuloma (mand.) - resection und reconstructio
Rothner Anna	ameloblastoma of mand. - resection, reconstruction
Ottino Anton	SCC of floor of mouth, resection and reconstruction
Spreitzer Wolfgang	desmoid fibroma of mand., resection
Reschenhofer Christa	lymphohemangioma of parotid embolisation of carotid arte
Bachler Herbert	psammo osteoid fibroma of maxilla and base of skull
NoppingerMatthias	adenocarcinoma of maxilla - resection
Stanojevic Vojemir	pleomorph. adenoma - carcino of maxilla - resection
Mosbacher Erich	anaplast. ca. of maxilla - resection
Edtmayr Alois	SCC of mandible - resection
Glanzer Elisabeth	adenoid.cystic carc. of mandible- recurrence
Leitinger Max	SCC of maxilla and sinuses - resection
Rinner Margit	reconstr. of mandible after implant intolerance



Clefts:

Dragulic Andreas	bilateral cleft-lip-palate soft tissue bridge
Saller-Kraft Gabriele	bilateral clp
Wallinger Simon	bilateral clp
König Reinhild	unilateral clp
Appesbacher Johannes	unilateral clp
Feichtinger Karin	unilateral clp
Seiwald Wolfgang	lip-nose-correction
Drexl Reinhard	nose-correction
Kapfinger Marion	cleft palate - velopharyngo-plasty

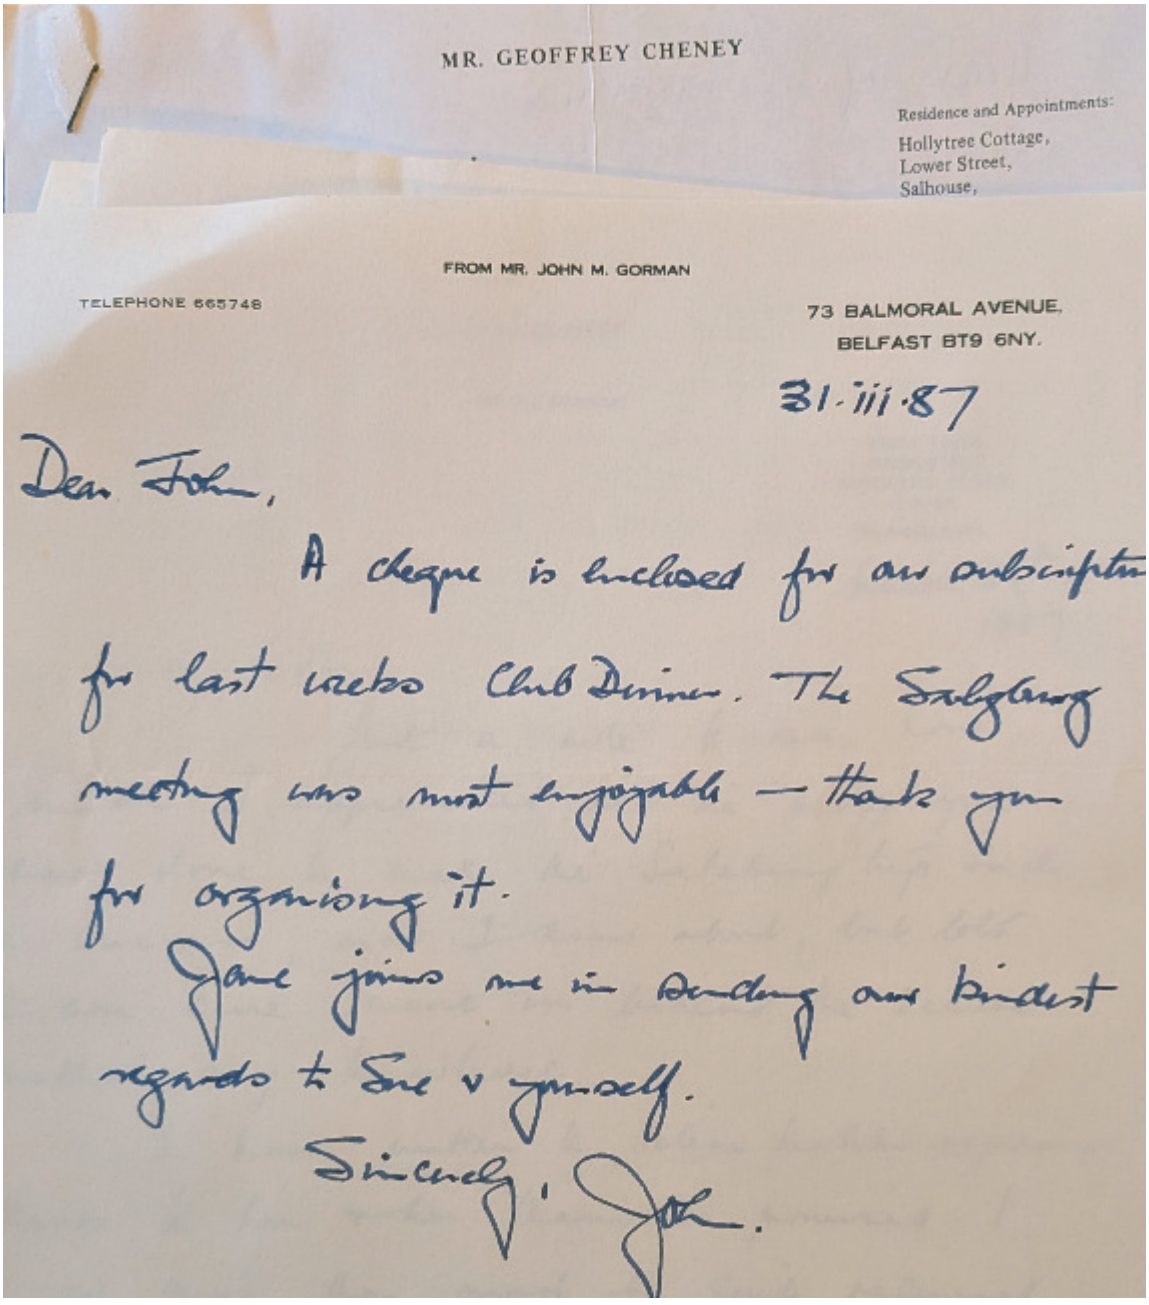
Dear John,

What a splendid meeting in Salzburg. The company, as usual, was excellent and the mixture of culture and science was the best yet. Thank you and Sue very much indeed for all of your hard work and preparation. Sally and I thoroughly enjoyed ourselves and were only sorry that we could not stay longer in that lovely city.

Yours sincerely,



MR. GEOFFREY CHENEY

Dear John,

Just a note to say how much I appreciated all the things you have done to make the Salzburg trip such a success, most I knew about, but bits I am sure went on behind the scenes without my knowledge.

I have written to Helene Mathis expressing thanks to her & her team as promised. I did think they must be quite relieved to have seen us from under their feet, but I am sure both sides enjoyed the contact.

I hope your journey back was O.K. and that Sue has now got the bells out of her system!

Best wishes to you both

Many thanks again SuperLec

Yours

John G.

Dear John,

Just a note to thank you for all your hard work that went into making the Club visit to Salzburg such a success. Our Meetings under Your Secretaryship run with military precision - and the arrangements are much appreciated by us all.

I am sorry that I put up a black mark by being absent looking at pictures; I have sent my salaams to Professor Matras!

Janet joins with me in thanking you - and sends a special word to Sue, to thank her for her part, in booking the coach, and looking after the party. She enjoyed it all very much indeed.

Yours sincerely,

Mike

Dear John,

My apologies for the delay in returning the proforma for the Salzburg Meeting which I enclose. Cynthia and I look forward to the occasion very much.

Congratulations upon the excellent Souvenir programme of the 50th Anniversary - it will always be a source of great regret that I was not able to be with you. Two requests:-

(1) Who or what is the device on the Badge?

(2) May I have permission to make a slide of the fascinating photograph of the original 1937 meeting? I occasionally am called upon, in my dotage, to talk on historical matters and this slide would be most helpful and instructive.

With kindest regards,

Yours sincerely

Norman

6th MArch,1987

Dear John,

Thank you very much for your letter of 27th February,1987 enclosing the excellent map of Salzburg.

I am delighted that you have been able to arrange a visit to the Schloss Mirabell for the Mozart Concert and enclose my cheque for £29.97p in this respect.

Our travel agent has arranged a 'package' for us and we will be staying st the Oesterreischicher Hof Hotel, Schwartzstrasse 6 Tel: 7.25.41. We intend to stay on after the meeting for another week.

You have aptly chosen Salzburg as the venue since I note, in my guide book, that: "In the eighth century,St.Rupert built St.Peter's monastery in front of the catacombs, as well as the cloisters on nearby Nonnberg, and started Salzburg on the way to greatness" !

I look forward to seeing you and Sue before long,

With best wishes,
Yours sincerely, Norman

STOKE ON TRENT
Staffs

Dear Peter,

We had an excellent visit to Salzburg and one of the staff their at the Unit, a Dr. Ch. Krankel, was a most enthusiastic and inventive man. He is rather anxious to get some of his work published in the English language journals and he came up with an extremely neat modification of a screw. This assists in fixing a reduced fracture of the condylar head amongst other things in such a way that the danger of pieces of bone splitting off is very small.

I have suggested he writes to you for you to consider his article.

Yours sincerely,

J. C. BRADLEY

LONDON
SE1 7EH

Dear Mr. Henderson,

The Oral Surgery Club had a very successful visit to Salzburg and found a most enthusiastic lady Professor there. They had obviously worked very hard on our behalf and produced some superb material for us to see. Geoff Manning thought it would be nice to send them an up-to-date book on orthognathic surgery. Our minds of course turned to your effort and I am writing to ask whether it would be possible for you to get hold of a copy at an authors discount if possible, for the Club to send to Professor Matras?

If this is possible, perhaps you could send the copy of Geoff Manning and the invoice to Peter Banks.

Many thanks and very best wishes.

Yours sincerely,

J. C. BRADLEY

Dear Doctor Bradley,

Thank you very much for your letter of Feb. 26. I am delighted that Doctor Rowe is coming with you and I hope that you all will enjoy Salzburg and what we can offer you.

Thank you also for your most gracious invitation for a concert and a dinner on Thursday, March 26, for some of my staff members and myself. I would like to arrange something typical Austrian for Wednesday (March 25) evening, so please do not plan on other activities for that evening.

In regard to the scientific programme, we have a lecture room of the 2. Clinic of Surgery at our disposal between 9a.m. and 12.30 noon. I would suggest that my staff and myself take turns to present you our patient material and techniques in the fields most interesting for you. Also, we are in the process of recording some of the more interesting operations for you, because having 21 colleagues at the same time attending in the operating room would be difficult to arrange and probably only very few were able to see enough. On the other hand, it is really not necessary to watch all minor surgical work around an operation, such as draping, washing, suturing etc. Between 12.30 and 2p.m. I suggest that you have time for a small lunch and coffee (or tea, if you prefer), and in the afternoon we are calling in patients for follow-up so that you can see and we can discuss our procedures and results. I think that this should be over by 4.30p.m. which still leaves you some time to walk around the old City, go shopping or have a nap.
These are just the main outlines of our intended programme, and it is still adaptable to your wishes which we can discuss when you arrive on Sunday or Monday. I would then have my secretary type a final schedule for every member that we will try to adhere to as close as possible. For the first day, Wed. March 25, I think it would be best if you can arrive at our Department at 8.30a.m.

I am very much looking forward to seeing you again in a few days.

Yours sincerely,

H. Matras

Prim. Prof. Dr. Helene Matras

P.S. Do you have any suggestions as far as the ladies' programme is concerned?

12th March 1987

Prim. Prof. Dr. Helene Matras,
Landeskrankenanstalten Salzburg,
Abteilung fur Kiefer- und Gesichtschirurgie,
Mullner Hauptstrasse, 48,
A-5020 Salzburg.

Dear Professor Matras,

Many thanks for your letter of 6th March. Your outline suggestions for the programme are fine for us: obviously with a large party it is not very practical to have 21 people in an operating theatre: it is bad enough these days getting past all the monitoring equipment etc to the table without a crowd of extra people as well! Using video recordings is an excellent solution to these type of problems.

With regard to the ladies programme, please do not concern yourself with that. There is a long tradition of the Club that although our wives often accompany us to our meetings, they organise their programme entirely themselves and do not burden our hosts further: as we say here, they 'do their own thing'. My wife has researched the subject well and has worked out a two-day programme to see the main attractions in Salzburg and the immediate surroundings and no doubt will check it all when we arrive in Salzburg ahead of the main party.

I would suggest that I come and meet you in your clinic on the Monday morning at, say, 9.00a.m. if that would be convenient so that we may finalise the programme, but if you would prefer a different time, perhaps you could leave a note at the Hotel Hofwirt for me?

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Mr. J.C. Bradley, M.Sc., F.D.S.R.C.S.
Dept. of Oral Surgery & Orthodontics
Burnley General Hospital
Casterton Ave.
Burnley, Lancs. BB10 2PQ
England

Dear Doctor Bradley:

Thank you very much for your letter of Feb.4. It is too bad that apparently your letter of Oct. 1 must have been lost in the mail.

We are happy to have you stay with us on Wed. and Thursday, March 25 and 26, and we will try to arrange patient demonstrations, slide programmes and videocassettes of interesting cases as you indicated. It would be excellent if you contact me already on Sunday or Monday, after your arrival for the final arrangements. By the way, in which hotel will you be staying?

Concerning winter sports the city of Salzburg is not the best place at this particular time but you can find good places not too far from here, like Gastein, Kaprun, Zell am See, Obertauern etc. However, it is rather inconvenient to commute daily by car or bus to these resorts, so I think you should go directly to one of these places and come back to Salzburg on Tuesday evening.
Also, we will try to arrange a social programme for the wives of your members, and if possible a social evening on Wed., March 25.

Please do not hesitate to contact me again for any additional information.

My staff and I are very much looking forward to your visit.

Meanwhile, I remain

Yours sincerely,

H. Matras

Prim. Prof. Dr. Helene Matras

26th February 1987

Prim. Prof. Dr. Helene Matras,
Landeskrankenanstalten Salzburg,
Abteilung fur Kiefer- und Gesichtschirurgie,
A - 5020 Salzburg,
Mullner Hauptstrasse 48,
AUSTRIA

Dear Professor Matras,

Many thanks for your letter of February 16th. We shall be staying at the Hotel Hofwirt, Schallmooser Strasse 1, Tel: 662 72172. I think several of our members are taking the opportunity to ski nearby but we shall all be at the Hotel Hofwirt for the 25th and 26th March. I am not a skier but I shall bring my walking boots with me!

I am most grateful for the programme that you have kindly arranged for us - we have a late addition to our party, Mr. Norman Rowe whom I think you know well and his wife, so there will now be 21 members and 15 ladies present. As I mentioned in a previous letter, the President, Mr. Geoffrey Manning and the Members would be very pleased if you and some of your staff could join us on the Thursday evening. There is a general feeling that we should experience some of Mozart's music so I have obtained 5 tickets for you and your staff to join us at the Schloss Mirabell Castle Concert on the Thursday evening at 8.00 p.m. and afterwards for a meal.

With regard to the scientific part of the meeting, at what time would you like us to arrive at your Department?

Very best Wishes,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Prim University Professor,
Landeskrankenanstalten Salzburg,
Abteilung Fur Kiefer - und Gesichtschirurgie,
A-5020 Salzburg,
Mullner Haupstrasse 48
AUSTRIA

Dear Professor Matras,

Many thanks for your letter of 28th January 1987. It would seem that my letter to you of 1st October seems to have gone astray. In an earlier letter to you of 21st August 1986 I suggested that we could have a scientific meeting on the Wednesday 25th March and Thursda, 26th March with the members arriving on the previous day and departing at the weekend. Since then, a number of members have indicated that they are going to combine the visit with some winter sporting and although I am not a devotee of winter sports, my wife and I will be coming on Sunday 22nd March for a week. From your point of view, I would suggest that we meet first thing on the morning of Wednesday 25th March and conclude our day's work approximately some time in the afternoon to resume again on the Thursday morning, 26th March. On the evening of Thursday 26th March the Club will hold its normal dinner at a good local restaurant so as to entertain you and some of the more senior members of your staff that have been involved with the meetings, as our guests. As far as those numbers are concerned we should think perhaps in terms of approximately 5 or 6 people. I am now expecting 20 members with 14 wives and I enclose a list of the names af those that have indicated their intention to attend.

As far as the actual programme is concerned, we tend to leave this to our hosts to arrange what they feel are the aspects of our speciality that have a particular interest to the host unit. However, I think it would be most interesting to see some of your tumour work, some cleft lip and palate surgery and perhaps orthognathic surgery. If you have time then your approach to pre-prosthetic surgery would also be of interest as this seems to be an increasing problem with our ageing population. If you wanted to extend the cultural aspect of our visit then I am sure quite a number of people will still be in Salzburg on the Friday. A few will have to return quite quickly to the UK because of pressing commitments but I would imagine there will be a reasonable number left for sight seeing!

We all look forward very much to meeting you and seeing your Unit and for an overseas meeting this is a very good attendence number for our Club. If I do not write before, I will contact you in Salzburg on Monday 23rd March to finalize any final arrangements should that prove necessary.

Very best wishes.

Yours sincerely,

Jan. 28, 1987

Dear Doctor Bradley:

To my great surprise I have just noticed that we have not received any news from you or the Oral Surgery Club of Great Britain since September 1986.
Because the dates of your planned visit are rapidly approaching (March 24 through 28, 1987) and we are in the process of developing a scientifically, surgically and culturally interesting program for you I would like to ask you

1. how you want us to arrange the program to your best benefit, and what special field of maxillofacial surgery should have the the priority. We are thinking of calling in patients both for surgery and for clinical demonstration. Also, we are happy to explain our techniques and special cases by means of our slide collection. We are prepared to demonstrate traumatology (including secondary corrections), tumor surgery (including bone and soft tissue reconstructions), cleft lip and palate surgery, preprosthetic surgery, orthognathic surgery, oral surgery etc. If you want, we are going to show you some examples from all fields, our results and techniques.
2. It would be very important for us to know approximately how many of your members will come because we have to make reservations for the lecture hall. How large will the group be altogether (including spouses)?
3. If possible, please let me know the exact date and time of arrival and departure, so that we know how much time we will have for you.

Looking forward to your reply at your earliest convenience

I remain yours sincerely,

Prof. Dr. Helene Matras

1st October 1986

Prof. Dr. H Matras,
Prim University Professor,
Landeskrankenanstalten Salzburg,
Abteilung Für Kiefer - und Gesichtschirurgie,
A-5020 Salzburg,
Müllner Hauptstrasse 48

Dear Professor Matras,

Many thanks for your letter of 3rd September 1986. One of the nice features about our Club is that the main object of a members visit to a colleagues unit is to see the type of work that the unit does and also the areas where the members of that unit have a particular interest. I have found that the very large majority of our membership take a very wide view so if we may please we would like to see the general work of your unit and also any particular aspects which you and your staff have a particular interest in. I am sure we will hear something that is new to us and hopefully we will have some good discussions together.

I will write to you a little nearer the time telling you precise details of times of arrival.

Very best wishes.

Yours sincerely,

J. C. BRADLEY

Burnley
Lancs. BB10 2PQ

Dear Doctor Bradley,

Thank you very much for your long and informative letter of June 20th. As I wrote already in my first answer, we feel very honored that your group has chosen to come to Salzburg to visit our clinic.

As we are fairly busy with preparsaions for our own Meetings during most of April, May and June, let me suggest that you come to Salzburg in the first period that you mentioned, namely between March 23 and 28 or the week after (March 30 - April 4, 1987).

Concerning your wishes what kind of lectures and operations we can offer you, it would be very kind of you to send me a copy of one (or two) of the past programmes that your former hosts have arranged . I do think that there are a number of interesting topics for your members and I would be delighted if we had an opportunity not only to present our own ideas but also to have a discussion with you.
We will try to schedule some interesting operations in the theatre. There will be no difficulty to find patients with various conditions to present and discuss with you. Also, we have quite a good collection and follow-up of these patients so that you can appreciate the changes.

In respect to the social programme both the City and the Country of Salzburg offer a lot of opportunities to spend the free time. When I receive the definite dates of your stay and have a chance to see what your former hosts offered you I will arrange a preliminary programme which can still be modified according to your wishes.- Although the end of March and the beginning of April do not belong to the peak season I recommend that you arrange with Mr. Aigner early for your Accomodation.

Looking forward to hearing from yo again. With best wishes,

Yours sincerely,
H. Matras

Lancs. BB10 2PQ

Dear Doctor Bradley,

Thank you very much for your letter of August 21, 1986. As I already wrote in my earlier letters, you are most welcome to visit our Department and observe our activities. The time period that you chose (March 24 - 28th, 1987) is excellent and does not interfere with other obligations over here.
To make your stay as pleasant as possible, may I ask you to send me a copy of one of your past programmes as a guideline? Also it would be very helpful to me if you could let me know in what special aspects of Oral and maxillo-facial Surgery you are most interested in? Two days are a short time and I think it would be wise to concentrate on your wishes.
How many members of the Oral Surgery Club of Great Britain do you think will participate?
Mr. Aigner from the travel agency RUEFA in Salzburg is an experienced organizer and will do his best to recommend you a good hotel or restaurants in a convenient location.
If there should arise any questions please do not hesitate to contact me or Dr. Beck, who is my secretary in scientific relation contacts.
I am very much looking forward to the visit of your group.

With best wishes,

Yours sincerely,
Univ.-Prof. Dr. Helene Matras

21st August 1986

Dear Professor Matras,

Thank you for your letter giving me the possible dates that the Oral Surgery Club of Great Britain would be able to visit your clinic. We should very much like to come during the week of March 23rd to 28th. If I might suggest, we could arrive in Salzburg on Tuesday 24th March, have our meeting with you on the Wednesday 25th and Thursday 26th March. This would allow at least a day to see the city before returning to the U.K. at the weekend.

My daughter, it so happens is in Wels staying with an old pen friend and has told me that she will get information with regard to hotels, restaurants and so forth but I shall be in touch with Mr. Aigner as you have kindly suggested.

We are looking forward very much to our visit to you and will of course be in touch with you a little nearer the time.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Dear Doctor Bradley,

Thank you very much for your letter of May 3 rd. I feel very honored that the Oral Surgery Club of Great Britain has chosen to visit Salzburg for the Meeting place in Spring 1987 and I am happy to make your stay a pleasant and interesting one. Exactly for this reason it is important for me to know what you are looking for: Do you want to hold your own Meeting, are you interested to visit our clinic, would you like to have a presentation of our activities etc.? How many days will you be visiting Salzburg? In regard to accomodation, special arrangements and similar questions, please direct all mail to the Ruefa Reisebüro (Mr. Aigner, Rainerstr. 7, A-5o2o Salzburg, Tel. (0662) 74561-117, Telex 632553), who will be pleased to assist you.

Also, I would like to inform you that the Austrian Assoc. of Maxillo-facial Surgeons is going to have a Winter Meeting (Topic: Orthognathic Surgery) from Jan. 21 - Jan. 24 in Bad Hofgastein. Bad Hofgastein is appr. 7o km from Salzburg, a charming place in the Alps and known as an excellent skiing resort and for its thermal springs. During the Meeting there will be plenty of time to enjoy the facilities. If you think that this would meet the interest of your group you should consider to take part in our Meeting.

I am looking forward to hearing from you again.

Yours sincerely,

H. Helene Matras

Prim. Univ.-Prof. Dr. H. Matras

20th June 1986

Dr. H. Matras,
Prim. University Professor,
Landeskrankenanstalten Salzburg
Abteilung Für Kiefer-und Gesichtschirurgie,
A-5020 Salzburg
Müllner Hauptstrasse 48.

Dear Professor Matras,

Many thanks for your letter of 26th May 1986. The Oral Surgery Club meetings are essentially informal and the emphasis is to see the work of the centre we are visiting. Our hosts usually arrange essentially a clinical programme: there are one or two lectures, an introductory one and then one or two aspects of particular interest to the host unit: for example we visited Professor Champy of Strasbourg three years ago and we had detailed instruction and discussion of his mini-plate system. So perhaps a lecture or two on certain surgical techniques you have developed or the management of malignant and pre-malignant lesions in your unit. If there are only a few of us some of our hosts have been able to put on some operating sessions in theatre so that we can see how you do things and be able to discuss the techniques being employed.

Our last trip was to Holland where two operations were being carried out at the same time and were being transmitted via a video camera to a television screen in a nearby room, since we were too numerous to go into theatre! This is obviously not always possible.

Another very useful and helpful thing is a clinic session where patients are shown, who have had a variety of conditions treated and one can see the end result. Some of our hosts are very brave and show one or two of their failures and how they got around the problem! These, infact, are perhaps the most important group as we all get disasters and it is important to know how to rescue the patient!

The usual pattern followed, often on a Thursday and a Friday. The first day is taken up with professional matters as is the morning of the second day. On that afternoon we are usually given the opportunity to see the local city or town where our hosts work. On that evening the Club entertains our hosts to dinner at a good restaurant in town!!

contd....

Austria.

3rd May 1986

Dear Professor Matras,

I am writing to ask you whether it would be possible for a group of members of the Oral Surgery Club of Great Britiain to visit your hospital and Department in the Spring of 1987. The Club is a small society of 40 active members being the first specialist oral surgical group in the U.K. and celebrates its 50th Anniversary this Autumn. It has two meetings a year, one of which is usually held at a hospital on the Continent of Europe, so perhaps next Spring is an important occasion for us! As far as dates are concerned, Easter is late that year, the earlier part of April would be convenient, May is fairly clear but we should try and avoid May 20- 24 as many of us are involved with a combined meeting of the British Association of Oral and Maxillofacial Surgeons and our Swedish colleagues in Sweden. June also appears to be clear although our academic colleagues become involved with University examinations from the middle of the month onwards but this should not prevent a meeting if that were the only time possible!

I look forward to hearing from you and do hope it would be possible for us to come and visit you. Mr. John Lowry of Bolton, my colleague has asked me to send his good wishes: he visited you some three or four years ago.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britiain.

1987 The London Hospital - March

ORAL SURGERY CLUB OF GREAT BRITAIN.

The Annual Meeting of the Club will take place at the London Hospital, Whitechapel under the Presidency of Mr. Patrick James on Thursday, October 29th and Friday, October 30th 1987. The 'headquarters' hotel is the Tower Thistle Hotel, St. Katharine's Way, London, E1 9LD, tel: 01-481 2575. A block booking of 20 double rooms and 20 single rooms have been made which have been reserved until September 1st. All members are responsible for making their reservations direct with the hotel. Members may be interested in a 'High Life Break' which is very reasonable and runs from Friday to Sunday with travel concession on British Rail. Those interested should telephone Alex on 0532 321073. When contacting the hotel you should mention the Oral Surgery Club.

The Annual General Meeting of the Club will be held at 5.00 p.m. on Thursday, 29th October in the Board Room, The London Hospital, Whitechapel Road with Tea being served from 4.00 p.m. onwards.

A Reception and Buffet has been arranged at the Blizzard Club, The London Hospital Medical College, Turner Street, E.1. on Thursday 29th October, 7.30 p.m. for 8.00p.m. There will be transport to and from the hotel for the whole meeting and for the Reception will leave at 7.00 p.m. Transport will be provided to take members from the Board Room to the hotel.

The London Hospital Nurses have kindly allowed the Club to use their swimming pool in the morning of Friday, 30th October. The coach will take members from the hotel at 7.00 a.m. to return them in time for breakfast at the hotel at 8.00 a.m.

The Scientific Meeting will take place on Friday, 30th October in the Sir John Ellis Lecture Theatre, The London Hospital Medical College and will occupy the whole day. The coach will leave the hotel at 9.00.a.m. Your President-elect has arranged a very varied and stimulating programme together with a conducted tour of memorabilia of the Elephant Man.

The Dinner will be held at the Apothecaries Hall (Black Tie) on Friday, 30th October, 7.00 p.m. for 7.30 p.m. with the coach leaving the hotel at 6.30 p.m.

oooooooooooo0000000000ooooooooooo

The Spring Meeting 1988 has been provisionally arranged by kind invitation of Professor Hans-Dieter Pape of Cologne on Thursday 2nd June and Friday 3rd June.

ooooooooooo0000000000ooooooooooo

Please return to Hon. Secretary by 1st September 1987. Delete as appropriate.

I intend to be present at the Meeting of the Club at The London Hospital, 29/30 Oct '8
I am unable to be present.
I shall/shall not be staying at the Tower Thistle Hotel.
I shall/shall not attend the Reception & Buffet on 29/10/87.
I shall/shall not be present at the Dinner

August 18th 1987

Dear John.

Just to tell you I was retired 30th June. Your Committee doubtless know this already. Alas, I shall no longer be an active member

. Can the space so left be taken by Graham Walker — or perhaps Bernard Pell (Bristol) — both are true fellows and would club well.

Best wishes

Yours aye

Pete

Dear John

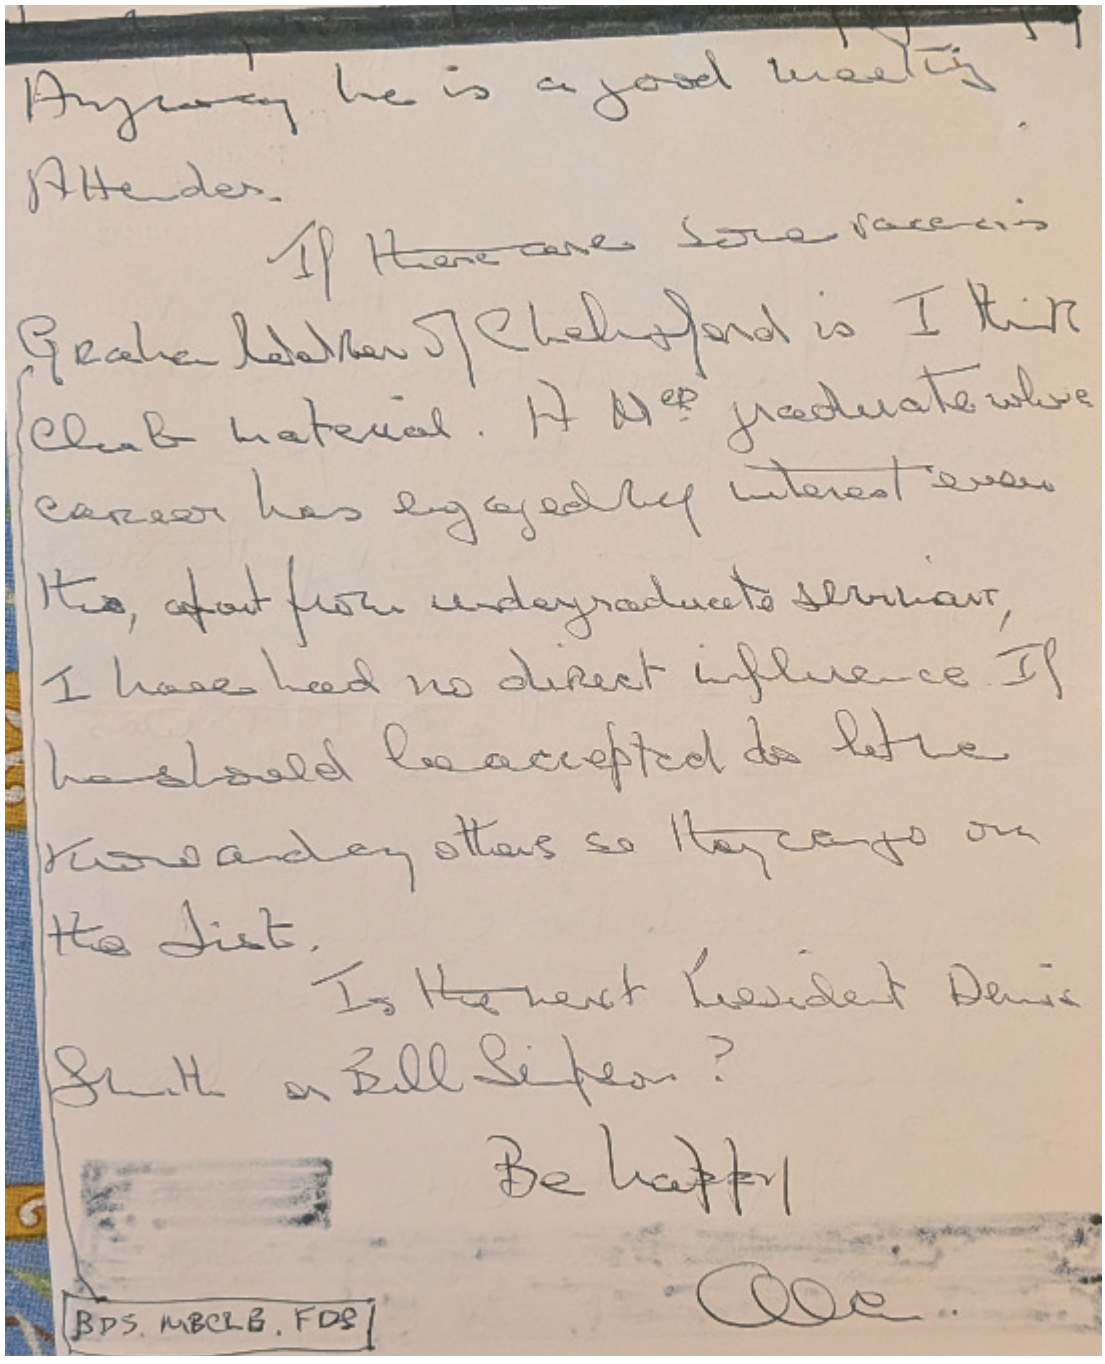
Many thanks for Freds CV. I hope he wont have it presented publicly for a long time yet

He has my CV for the same purpose.

I expect the BAOMS was up to the standard we like.

I am really very sorry to say I wont be coming to the O.S. Club meeting c̄ Patrick who I am sure has a very good programme for us.

Apols to the CHee. [redacted]



Anyway he is a good meeting
Attender.

If there are some vacancies
Graham Walker of Chelmsford is I think
Club material. A Mer graduate whose
career has engaged my interest even
this, apart from undergraduate seminars,
I have had no direct influence. If
he should be accepted do let me
know and any others so they can go on
the list.

Is the next President Denis
Smith or Bill Simpson?

Be happy

Ole

J. C. Bradley Esq.,
Honorary Secretary,
53 Reedley Drive,
Reedley,
Burnley,
Lancs BB10 2QS

Dear John,

Thank you for the information sheet about the forthcoming meeting in Stoke. I hope to attend and return the tear off form as requested.

You will remember that we had some conversation about the membership of the Club during the Nijmegan meeting. You will be aware that during the next five years a sizeable number of senior members of the Club will be retiring and will become Honorary Retired Members.

I think the question of membership is now a fairly urgent one and I hope the Committee will address itself to this problem without delay. In my opinion we need five or six new young members at suitable centres with a view to meetings taking place in the future.

I should like to suggest the name myself of Mr. Michael Beetham for membership of the Club. He formerly worked, as you know, for our former chief and founder, Mr. Sutton Taylor, so that he is familiar with the ideals and wishes of our Senior Member.

I look forward to hearing your comments.

Kind regards,

Yours sincerely,

Peter.

H. P. Cook

Reedley
Burnley, Lancs. BB10 2QS

Dear John,

Thank you for your letter of 6th September concerning the future membership of the Club. If you have no objection I would like to send a copy of my letter which I wrote to you to each member of the committee, including David Downton. This will have the effect of stimulating a serious discussion. I hope I think all the names on your list as possible members are excellent and I feel that it will soon be too late to redress matters in a proper manner.

Incidentally, I may say that I have heard nothing from the Post House Hotel, inspite of two letters concerning my reservation. I don't know whether any other members have had the same difficulty.

Kind regards,

Yours sincerely,

Peter.

Dear John,

I would be most grateful if you and the Committee of the Oral Surgery Club of Great Britain would give consideration to granting membership to John Cawood, Department of Oral Surgery, Chester Royal Infirmary, St. Martin's Way, Chester CH1 2AZ/ I have known him personally for many years and feek that he would be an excellent colleague in every way. It gives me considerable pleasure to submit his name to you.

With best wishes,

Bill

2nd December 1986

Dear

Thank you for your letter of 3rd November 1986 and I apologise for not replying sooner. This autumn has been frenetic and I have felt a little like the Flying Dutchman chasing all over the place including Holland again! Yes John Cawood's name came up at the Committee meeting and he is certainly someone to keep in mind. I think the feeling was that he should get a little more established but he is on the list. However I will raise your letter next year.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club.

19th November 1987

Dear

The President and Members of the Oral Surgery Club of Great Britain ask me to invite you to join the Club as an Active Member.

There are two meetings a year and members are expected to attend the home meeting if at all possible with at least one attendance in four.

I hope you can accept this invitation and if this is so I shall be pleased to receive details of your present appointments for inclusion in the register of members.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary.

Oral Surgery Club of Great Britain,
53,Reedley Drive,
REEDLEY,
Burnley,
Lancashire,BB10 2QS.

Dear John,

Thank you for the proforma concerning updating of the Members' List which I am returning to you with some amendments and additions.

I don't know whether it is in order for a member to submit names to the Committee for consideration as future members. However, if this should be in order, I would like to suggest the name of John Sowray,FRCS.,FDSRCS who, as you know, is the Professor of Oral & Maxillofacial Surgery at King's College Hospital,Denmark Hill, London,S.E.5.

I am sure that I do not have to elaborate upon his achievements but it might be of interest to note that he is now the Secretary-General of the European Association for Cranio-Maxillofacial Surgery *** and, as such, occupies an important position in relation to our European colleagues and would, no doubt, be of great help in connection with the annual European meetings. Apart from that, he is a delightful colleague and companion and 'eminently clubbable' !

With best wishes,
Yours sincerely,
Norman.
Norman Rowe

N.L. Rowe Esq., C.B.E.,
Brackendale,

10th June 1987

Dear Mr. Rowe,

Many thanks for your letter and your updated members detail. I will put up John Sowrey's name at the next meeting of the Committee and point out what are his present appointments as you say, he would be a useful member to have for European contacts!

I hope your holiday in Austria went well. Everyone seemed to enjoy the meeting and we certainly learnt a number of very useful ideas. I think we were very impressed with Professor Matras and her Unit - is she the only women professor in our field? I know of no other but that does not mean much!

Very best wishes,

Yours sincerely,

Honorary Secretary,
Oral Surgery Club.

P.S. I have not forgotten about the photo of 1937 of the first meeting. I have been very involved on a number of fronts and am beginning to catch up on things!

Burnely General Hospital,
Chesterton Avenue,
Burnley,
Lancs BB10 2PQ

Dear John,

We have been doing some detailed planning for the meeting in October and wonder if you could clear up the following points that have been raised.

1. Will the people booking at The Tower Hotel be offered a choice of twin or single room plus or minus bath. Is car parking included in the deal.

2. Are you booking a committee room for the committee meeting and the AGM to follow and organising the tea inbetween.

3. Can you give us a tentative closing date for applications.

4. What are the usual arrangements with regard to cancellation and refund of the conference fee.

5. What would you think of a block booking for a West End Theatre for the Thursday night.

6. We envisage opening a bank account specifically for the Oral Surgery Club of Great Britain Conference to keep the finances total separate from my personal account. We would envisage running up a bill for postage, photocopying, telephone calls, stationery and printing at a later date.

7. Can you tell us what the normal procedure is for sending out the application forms for the conference. We would be happy to send them out from here along the lines of an initial notification of the meeting and provisional programme followed by a firm programme and application form with a firm closing date.

Yours sincerely,

Patrick James

ORAL SURGERY CLUB OF GREAT BRITAIN

OCTOBER 29/30, 1987

Chesterton Avenue,
Burnley,
Lancs, BB10 2PQ

Dear John,

Many thanks for your letter and I enclose herewith a cheque. It is very noble of you to pay out before you get the money.

I have worked out a provisional programme for the Oral Surgery Club meeting in October which I enclose herewith.

I am collecting lecturers and I wonder at what stage we should try to make the block booking at The Tower Hotel and when you will know the numbers for the dinner on the Thursday evening.

To make a slight diverson at this dinner I suggest we write to the wives of every member of the clubs to ask for a photograph of the member between the ages of 3 and 10. These would then be projected by epidioscope/ magic lantern during the meal and the one who identifies the most members from their photographs will get a bottle of whisky. This is quite good fun.

Kind regards,

Yours sincerely,

Patrick James.

Patrick James Esq.,

9th December 1986

Dear

Many thanks for your letter of 21st November giving the outline plans for your meeting in October 1987. These seem fine. I have received the prospectus for the Tower Thistle Hotel which would be very convenient. The only thing that worries me slightly is the likely cost by October 1987 as this might put off people, particularly those who are retired. Is there any chance of negotiating a 'package'? Alternatively what might happen is people finding cheaper accomodation and then one would loose some of the flavour of the meeting. It is a problem with central London and I am not sure whether one can do much about it! I think that holding the dinner in the Apothecaries Hall will be wonderful: it is many years ago since I did just that and I still remember how impressive the place was.

Very best wishes,

Yours sincerely,

Honorary Secretary,
Oral Surgery Club.

12th January 1987

Dear Patrick,

Many thanks for sending details of the Thistle Hotel chain in London. There appears to be a wide discrepancy between the tariffs quoted from the Tower Hotel and what is quoted in the Highlife Breaks. If the tariff is agreed as quoted in the letter, then this is not unreasonable for London. Being on the spot it might be effective for you to ask precisely what is the charge!

Very best wishes,

Yours sincerely,

MR. PATRICK JAMES

Lance BB10 2PQ

Dear John,

I have spoken to Major O'Leary who is the Clerk to the Worshipful Society of Apothecaries and he is hopeful that we will be able to have the dinner for the Oral Surgery Club in the Apothecaries Hall on Friday October 30, 1987. The cost is about £35 per head and wine will be added to that of our own choice. He cannot finalise this until January because the committee meets to fill in its calendar then and he will try and keep them from committing that evening to anyone else.

When he lets me know we will have to meet for about half an hour to discuss, menus, times etc. We would have to be out by 10.30 but presumably we can have a minibus back to The Tower Hotel and go on drinking there if we wanted to.

You should have received a prospectus of The Tower Hotel and I will call in there at some stage on my way to The London to talk to their manager and see if they have enough accommodation for us and that we have to book well ahead.

I am still lobbying speakers and also mulling over where we will have the champagne party on the Thursday.

Kind regards,

Yours sincerely,

Patrick James
Consultant Oral and Maxillo-Facial Surgeon.

Lancashire, BB10 2QS.

Dear John,

What a marvellous meeting you arranged for us all in Nijmegen. This is one of the easiest places that we have been to as it is only 1½ hours flight across the North Sea.

I confirm that I am now on the brink of making arrangements for the 29th and 30th October, 1987, for the meeting to be held at the London Hospital.

As far as the Spring meeting is concerned, I do not have a diary for 1988 yet, but a similar time, i.e. the end of April/beginning of May, would seem very suitable if we are going to Italy and I will try and keep everything clear, or else let you know if things are going to be difficult at any particular time.

Yours sincerely,

Patrick James,
Consultant Oral and Maxillo-Facial Surgeon.

Mr. J.C. Bradley,
53 Reedley Drive,
Reedley,
Burnley,
Lancs., BB10 2QS.

Dear John,

Many thanks for your letter of the 14th November. I have now written about 25 letters to various people thanking them; the time has now come to thank you.

It really is a great help to have you at my elbow because when one starts on this sort of thing, one only has a vague idea of what is expected. Your helpful suggestions and working in the background made all the difference for a smooth meeting.

I have sent Peter Banks all the bills, the Trade Exhibition gave us £900 and the London £800. The latter was for food only as they were disinclined to provide the booze - and one cannot blame them when they are on a short budget from their Hospitality Fund, which has now been closed down.

I paid the Elephant Man chap £30 and the swimming pool girl £10. It looks as if there might be just a little over to subsidise the Apothecaries Dinner, which is going to come to about £53 each, I think.

It would be very nice if you could write to Mr. F.M. Cumberledge, who is Chairman of the District Health Authority. He lives at 17 West Street, Kingcliffe, Peterborough, PE6 XB. Also, Anne Aiken, c/o The Oral Surgery Deparment of the London Hospital, whom I have asked Peter to send £20 as a little gift for all her help.

Many thanks, again. From all the letters I have had everybody thoroughly enjoyed himself, in no small part due to J.C. Bradley.

Let me know when you want me to do anything to do with Cologne because this seems to be one of those meetings for which the secretary does everything.

Yours sincerely,

Excuse typed hath
but you will be able to read it.

14th December 1987

Dear Mr. Cumberledge,

On behalf of the Oral Surgery Club of Great Britain I should like to thank you and the London Hospital for the very generous hospitality given at the Reception and the excellent support to our President, Mr. Patrick James.

It was a most enjoyable and memorable meeting and we are most grateful to you all.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Miss Anne Aitken,
Oral Surgery Department,
The London Hospital,
Whitechapel,
London, E1 1BB

14th December 1987

Dear Miss Aitken,

I should like to thank you on behalf of the Oral Surgery Club of Great Britain for all the hard work you had put into Mr James's meeting at the London Hospital. The meeting was a great success in no small part due to your efforts and I am personally most grateful to you as you seemed to have managed to remove all the potential 'head-aches' that Hon. Secs. have to cope with!

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Burnley Lancs. BB 10 2PQ

Dear Dr. Bradley,

thank you very much for your Letter of June 8, 1987. I am very pleased that the Oral Surgery Club of Great Britain will visit Cologne in 1988. I regard it as a great honour to be your host for a clinical meeting. It will be a challenge for my stuff and myself to prepare the demonstrations and discussions with our limited English.

The yearly meeting of the Arbeitsgemeinschaft für Kieferchirurgie takes place in Bad Homburg and of the Deutsche Gesellschaft für Mund- Kiefer- und Gesichtschirurgie in Essen between May 8th an 22 md. Therefore from my point of view either April 28th to 30th or from June 2nd to 4th would be possible dates for the medical programm. It would be helpful if you could give me more information on the details of the kind of medical and scientific programme that you would like us to prepare. How much of the programme should be devoted to operative demonstrations? Which special themes would you like to discuss or have lectures on?. It would help me to plan the meeting if you could send me some programmes from earlier meetings.

In connection with the hotel reservations we should need to know quite a long time in advance approximately how many people would be coming and also about how long they would like to stay. There is a good middle class hotel fairly near to the clinic (single room about DM 130;-double room about DM 180,--).

- 2 -

- 2 -

The first class hotels in the centre of the city are much more expensive. Please let me know whether you would like me to organize some sight seeing events in Cologne?

I should be greatful if you would comment on these matters and will do my best to ensure that the members of the Oral Surgery Club of Great Britain enjoy their stay in Cologne.

Yours sincerely

Dieter Pape

Bettenhochhaus Ebene 14,
5000 KOLN 41.

20th July 1987

Dear Professor Pape,

Thank you for your letter of 22nd June and I am delighted that you will be able to arrange a meeting with the Oral Surgery Club of Great Britain. The dates that you gave me would be convenient either in April or June, but probably your suggestion of June 2nd to 4th would be the best from our point of view and I would suggest we arrange the visit for June 2nd to 4th.

The usual pattern of our visits to colleagues' clinics is that on the first day our hosts give a series of lectures and demonstrations which may include operative work if there is a closed circuit television or a video made previously. In recent years, the support for our visits to the Continent of Europe has been excellent with about twenty members attending but such large numbers does not allow for attendance within an operating theatre. The second day is taken up by a clinical progress with patients who have been treated or may be undergoing treatment are seen.

We like to see any particular area of surgery that our hosts may be particularly interested in; we are interested in those problem cases that we all have and to discuss with you how you treated the problem - we like to discuss our 'failures' !! As far as themes are concerned, we are interested in the management of malignant disease and subsequent reconstruction, the treatment of facial deformity including cleft lip and palate, pre-prosthetic surgery, traumatology and other interesting pathology of the face and jaws.

We feel that a two-day scientific meeting is quite sufficient for our hosts as these meetings involve considerable extra work for you. The Club's tradition is to end the Meeting on the evening of the second day by inviting our hosts to a dinner in a local restaurant and we would wish to entertain you and five or six members of your Clinic staff. Perhaps you could suggest a suitable place.

With regard to hotel accomodation, your suggestion of the middle class hotel near to the clinic is fine and I would be grateful if you could make a provisional booking and let me have the details together with the date when bookings should be made by. Wives often accompany us and I would suggest 15 double rooms and 10 single rooms as a provisional booking. Many people will probably spend a week in Koln and will probaoly arrive the previous week-end, but for the meeting only, people would arrive on 1st June and depart on the 4th June with most people leaving on the week-end 4th/5th June.

I am sure our members would like to do some sightseeing, but please do not organise anything for them as you will have enough to do! If you could let me

J. C. BRADLEY.

7th June 1988

Dear Alan,

Another succesful Club visit. I enclose some bits for the records of the visit to Professor Pape's Unit in Cologne. I enclose a proper map to mark the locations of the various places involved in our visit. The Thursday was a Bank Holiday for Corpus Christi which is celebrated with huge processions through the streets and a flotilla of boats on the Rhine all of which we saw. I was even given an order of service! We worked in the afternoon with a series of lectures. Friday morning was spent in three theatres which was very good indeed of them in accommodating twenty-five people. Friday afternoon was spent looking at patients upon whom they had operated. The dinner was very successful on the Thursday night and the Friday evening in the beer house was good fun. Frau Pape very kindly put on a farewell lunch on the Saturday where 12 members and 9 wives attended.

It was nice seeing you and Norah again at Freddies and Lucy's Golden Wedding Party - I enjoyed your little speech very much as I am sure everyone there did so as well!! I hope this spell of warm weather is making things a little easier for you.

Best wishes,

Yours,

HD Pape Clinic

ORAL SURGERY CLUB OF GREAT BRITAIN.

The Spring Meeting of the Club is to be held under the Presidency of Mr. P.L. James in Köln, W. Germany by the kind invitation of Professor Hans-Dieter Pape on Thursday 2nd and Friday 3rd June 1988 at the University of Köln Oral and Maxillofacial Surgery Clinic, Joseph Stelzmann Strasse 9, Bettenhochhaus Ebene 14, 5000 Köln 41. Travel out on Wednesday 1st June and return Saturday 4th June. Those wishing to extend their stay are advised that there is a Trade Fair being held in Köln starting on Tuesday 7th June and it may not be possible to stay beyond the weekend. Provisional bookings for 1st to 4th June only have been made with the Hotel Haus Bremer, Dürener Strasse 225-227, 5000 Köln 41 (Lindenthal), tel; (0221)405013 which is near the clinic. Members will be responsible for making their own reservations and should do so no later than 31st January 1988 to ensure the booking. In all correspondence with the hotel you must mention our code words, "Great Britain". Prices are single DM 130,-- ; double DM 180,-- (Feb. '87). The hotel has reserved 15 double and 10 single rooms and it has its own swimming pool, sauna, solarium and "fitnessgeräten"! I estimate the dinner including wine and transport will be between £25 and £30 each.

oooooooooOOOoooooooo

The Autumn Meeting 1988 will be held under the Presidency of Mr. Dennis Smith at the Kent and Canterbury Hospital, Canterbury on October 27th and 28th 1988. We shall be staying at the County Hotel, High Street, Canterbury, Kent, (tel: 0227 66266). Canterbury is very short of hotel accommodation and they can only reserve 31 twin/double rooms and 4 single rooms(maximum) for us. The terms are that individuals must make their bookings in writing with one night's deposit no later than 2nd August 1988 to ensure a booking. (Tariff, £56.00 twin/double; £46.00 single). After that date the allocations made that are not taken up are released.

oooooooooOOOoooooooo

Dear Member,

Programme arranged by Professor Pape

for Oral Surgery Club, 2&3 June '88.

Thursday, June 2nd — Members and wives will be taken on a sight-seeing tour of Cologne by Professor Pape.
ASSEMBLE HOTEL BREMER FOYER 9.30 a.m.

Tour finishes about 12.30p.m.

Lunch in the city or rest at the hotel!

14.30 hrs — Members attend lectures and discussion at Kleiner Hörsaal der Zahn- und Kieferklinik, Kerpener Strasse 32.

Lectures on preprosthetic surgery including ridge augmentation and implants. Letcurers are Professor Pape, Dr. Gerlach, Dr. Steegmann, and Dr. Hadjianghelou.

Finish about 17.00 hrs.

19.15 hrs. — Club Dinner at a typical Cologne Restaurant "Em Krützsche", Am Frankenturm 1 – 3 which is near the main railway station overlooking the river bank. Members and wives of course!

Friday, June 3rd — For the ladies, a conducted tour of the famous Museum Ludwig which is a new venture. Probably in the morning and details will be given on your arrival.

08.15 hrs. — Members! Surgical operations at Operationsräume der Abteilung für Mund- und Kieferchirurgie, Joseph-Stelzmann Strasse 9.

Professor Pape, Drs. Hadjianghelou, Gerlach & Steegmann.

13.00 hrs. — Lunch.

14.30 hrs — Lectures and discussion at Kleiner Hörsaal der Zahn- und Kieferklinik, Kerpener Strasse 32.

Also some clinical demonstrations at Abteilung fur Mund- und Kieferchirurgie, Joseph-Stelzmann Strasse 9.

Probably the clinical demonstration will take place before the lectures.

Finish about 17.00 hrs.

18.00 hrs — Possible visit to Cologne Cathedral. Wives meet us there? To be confirmed.

19.00 hrs — Visit to Cologne Bierhaus for a meal etc.

Saturday June 4th. — I have received a kind invitation from Professor and Frau Pape for us to have lunch. Would those able to come let me know as soon as possible and certainly on arrival in Cologne so that I may let Frau Pape know what she is letting herself in for!!

I look forward to seeing you in Cologne.

John Bradley.

Hon. Sec. Oral Surgery Club.

Cologne Programme for the Oral Surgery Club of Great Britain

Dear

re Oral Surgery Club visit to Professor Hans-Dieter Pape, Köln,
2nd and 3rd June 1988.

I enclose a list of those indicating their intention to attend the above meeting - a record turn out! I am obtaining information from the local tourist office of tours, restaurants and events that may be taking place whilst we are there. You should travel out on Wednesday, 1st June, and if flying it is probably better to go to Dusseldorf and take either an airport bus or train to Köln which is only a short distance away. It would also seem that it is cheaper to return on the Sunday rather than the Saturday but your travel agent will be able to help over that. I will be in contact nearer the time.

Best wishes,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Members intending to attend the Oral Surgery Club meeting at Köln,
2nd and 3rd June 1988.

15th June 1988

Dear

re Oral Surgery Club visit to Cologne.

I have received my account from Access which I have used to deal with the finances of our trip and I would be very grateful if you could make out your cheque payable to J.C. Bradley and send it as soon as possible so that interest can be avoided!

The expenses that are due from you are as follows,

	Persons	DM	
Club Dinner 2.6.88			
Küppers Brauhaus 3.6.88			Wine is expensive in a beer house and quite a lot was drunk!
Tour, Guide & bouquet to Frau Pape		33.70	
Less contribution paid			
Total			

Exchange Rate £1.00 to DM £ sterling please.

It is suggested that the Club send a book to Professor Pape and his staff as a token of our appreciation for their efforts on our behalf and our President is making the arrangements.

Best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club.

Dear Dr.Bradley,

thank you for your letter of July 20th. In the mean time I have booked 15 double rooms and 10 single rooms in the hotel "Bremer". The bookings have been made under the collective title "Great Britain" and this should be mentioned in any correspondence with the hotel. I am enclosing with this letter the written conformation of the hotel and would ask you to arrange the individual wishes of the participants as soon as possible directly with the hotel, using the code word mentioned above. Since a trade fair begins in Cologne on June 7th, arrangements for prolonging the stay beyond sunday, June 5th, must be requested almost immediatly.

If the group would enjoy a guided tour through some of our romanesque churches or the cathedral I would be pleased to make an appointment with an excellent guide. I am looking forward to hearing from you after your meeting in London.

With best wishes,
Yours sincerely

Dieter Pape

14th March 1988

Dear Patrick,

re Oral Surgery Club Meeting - Koln 2 & 3 June 1988

I enclose a list of those intending to come, some 26 members and 17 wives which must be an all time record! I note that Professor Pape will be at Chester next week and he may stay over to the BAOMS meeting in Liverpool. If that should be so, I will talk to him about a suitable place to have the dinner as we shall need to sit down some 48 or so people. I am writing to the tourist information office to find out about tours and 'what's on', together with other eating establishments.

Best wishes,

Yours,

1st May 1988

Joseph-Stelzmann Strasse 9,
Bettenhochhaus Ebene 14,
5000 KÖLN 41.

Dear Professor Pape,

Thank you for your letter of 18th April outlining the programme that you have arranged for us. This seems to be excellent and I will send a copy to those who are coming. I enclose a list of the members for your information.

I am most grateful to you for arranging with a restaurant for our dinner. Your suggestion for the menu I am sure would be very acceptable as one of the nice features of visiting colleagues is to partake in the local cuisine! I note that you have chosen items from two menus and if the restaurant can give us a price for that, perhaps your secretary could let me know for the purposes of the arithmetic! There will be 46 of us plus the members of your unit and yourself!

It was so nice to be able to discuss the programme with you in Liverpool and I hope you enjoyed your stay. I shall be in training for walking since getting 'lost' on the walk on the Sandstone Trail. The three of us walked some 29 km that day instead of the planned 13 km - I thought that I ached excessively the next day!

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Dear Dr. Bradley,

Coming back to my letter of April 18th, I am now sending you the proposed workshop programme. I would appreciate hearing your opinion of both the workshop and the social programme as soon as possible. If you would like to have the Saturday morning free, we can cut some lectures on Friday afternoon and substitute the case discussion.
I particularly need to know whether the ladies are interested in a guided visit to the Museum LUDWIG.

With kind regards
Yours sincerely

Dieter Pape

Dear Dr. Bradley,

I look back with pleasure to the Spring Meeting in Liverpool and especially to the walk where we discussed the visit of the Oral Surgery Club. I am sending you our suggestion for the programme and would ask you to let me know if you would like us to make any changes.

Thursday, 2.6.1988 9.30 h	Hotel BREMER sightseeing in centre of Cologne.
12.30 - 14.30 h	Lunch in the city or rest at the Hotel
14.30 - 17.00 h	Lectures and discussion Zahn-und Kieferklinik
17.30 - 18.30 h	if possible, visit to the Cologne cathedral
19.15 h	Dinner at a typical Cologne Restaurant "Em Krützsche"
Friday, 3.6.1988	
8.15 - 13.00 h	Operation programme Abteilung für Mund-und Kiefer-chirurgie
13.00 - 14.30 h	Lunch
14.30 - 17.00 h	Lectures and discussion Zahn-und Kieferklinik
19.00 h	Visit to a Cologne Bierhaus

-2-

Saturday, 4.6.1988

9.30 - 11.30 h — Case presentation and discussion
Abteilung für Mund-und Kiefer-
chirurgie

12.00 h — Farewell luncheon party
Rombergstr.14

As we agreed, you will be the host for the dinner on Thursday evening. I enclose the menu for you to decide what the dinner should consist of. My recomendation is a dinner consisting of the courses which I have marked in green and which are typical for this area.

I shall pay for my stuff on Friday evening, and at the farewell party on Saturday you are of course my guests. Please let me know as soon as possible whether the ladies would be interested in an organised visit to our new museum Ludwig.

With kind regards,
Yours sincerely

Dieter Tape

Dear John,

Many thanks for your letter of 3rd May giving me the up to date information. The meeting looks as though it is going to be great fun!

I must try and remember the christian names of the wives who are going over - I think I can find out most of them. We must have a "secret" list of these because they are always needed.

Incidentally, I do not believe Hardman is coming now.

Yours sincerely,

Patrick James.

25th May 1988

Dear Professor Pape,

It was good to speak to you this afternoon. This is a brief letter to confirm that we will concentrate our studies on the Thursday afternoon and all day Friday. I am most grateful to you for arranging what is I am sure a very stimulating programme for us. I also confirm that if a guided tour of the new museum Ludwig can be arranged for the ladies, it would be most appreciated.

I have received yet another small amendment to the numbers coming. There are 26 members (no change) and 19 ladies.

I look forward to seeing you on the Wednesday evening at the Hotel Bremer at about 7.00 p.m. You will have had a long day and both of us will need to eat and I was wondering if I could take you to a small restaurant where we can eat and talk? However, if you feel that you have had enough for one day and would prefer to get back home, I will understand!!

Very best wishes,

Yours sincerely,

J.C. Bradley,

Dear

I am writing to thank you for arranging such a splendid programme for the members of the Oral Surgery Club. From our point of view it was a great success and we are most gratefulto you and all your staff who had worked so hard and not least your patients who kindly gave their time. Please thank them all.

Personally I must thank you for the very considerable help you gave me with the various arrangements which are so important in the smooth running of such visits. I hope your workshop in Vancouver went well and trust that you are not too tired after all this! Finally a big thank you to you and Frau Pape for the farewell lunch: it was a nice finish to our stay. I hope the bouquet arrived alright.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Dear John,

Traute and I would like to thank you very much for your kind letter and for the wonderful flowers from the Oral Surgery Club. It was a great pleasure for us as well as for my colleagues to have such pleasant interested guests in Cologne.

I am sending you a group photo for each colleague as a souvenir of your visit to Cologne. Would you mind taking over the job of sending the picture to those colleagues whose names are not marked on the enclosed list, because I do not have their addresses. Then I have another request: would you be willing to write Christian name and surname under every head on the folder. This would help me to remember the names on future occasions when we meet again.

Traute and I very much enjoyed the relaxed atmosphere at the final hours of your visit.

With kind regards to your wife
Yours sincerely

Dieter Pape

1988 Canterbury - October

ORAL SURGERY CLUB OF GREAT BRITAIN.

The Annual Meeting of the Club will take place at the Kent Postgraduate Medical Centre at Canterbury, Kent and Canterbury Hospital, Canterbury CT1 3NG under the Presidency of Mr. D.C. Smith on Thursday, October 27th and Friday, October 28th 1988. The 'headquarters' hotel is the County Hotel, High Street, Canterbury Kent CT1 2RX, telephone number 0227 66266. 31 twin/double rooms and 4 single rooms have been reserved until 26th August 1988, the prices are £56.00 and £46.00 per night respectively (incl. VAT) with breakfast extra (£6.00 English; £3.50 Continental). Members intending to come are responsible for making their own bookings direct with the hotel, our 'code' name "The Oral Surgeons Travel Club" must be mentioned and the hotel requires a deposit of one night's stay. Car parking at the hotel is strongly advised and should be booked in advance at £2.00 per day. Would you please note that hotel accommodation in Canterbury is very limited and in the event of difficulty you should contact Mrs. June Toms at the Postgraduate Medical Centre preferably in writing, but her telephone number is 0227 766877 ext. 4367.

The Annual General Meeting of the Club will be held at 5.00 p.m. on Thursday, 27th October 1988 in the Postgraduate Medical Centre at Canterbury with Tea being served from 4.00 p.m. onwards.

A Reception and Buffet has been arranged at Sandgate Castle, Hythe on Thursday, October 27th 1988, 7.30 p.m. for 8.00 p.m. to which ladies are invited. Transport will be provided from the hotel and the Postgraduate Centre and details will be sent in due course. Sandgate Castle is a well-preserved shore fort of Henry VIII and if there is a good turn-out some music for dancing will be arranged.

The Scientific Meeting will take place on Friday, October 28th in the Postgraduate Medical Centre at Canterbury where the President has arranged a full day programme of varied and wide interest and is due to start at 9.00 a.m.

The Club Dinner will be held at Broome Park, Barham, Lord Kitchener's old home, on Friday, 28th October, 7.00 p.m. for 7.30 p.m. with the coach leaving the hotel at 6.30 p.m. (Members only, Black Tie).

oooooooooooooooOOOOOOOOoooooooooooooooo

The Spring Meeting 1989 has been provisionally arranged by kind invitation of Professor Martis of the University of Thessalonika, Greece. The dates have not been finalised and will be sent to you as soon as they are known.

oooooooooooooooOOOOOOOOOoooooooooooooooo

Please return to Hon. Secretary by 1st September 1988. Delete as appropriate.

I intend to be present at the Meeting of the Club at Canterbury, 27/28 October '88
I am unable to be present.
I shall/shall notbe staying at the County Hotel
I shall/shall not attend the Reception and Buffet and will/will not be with my wife.
I shall/shall not be present at the Club Dinner.

Dear

I enclose the list of members who attended the various functions at the Autumn meeting at Canterbury. We had a very good meeting and the accounts you will know by now were adopted. I hope your lecture trip to Portugal went off well. If there are any further points of clarification you require please let me know.

Very best wishes.

Yours sincerely,

J C Bradley

Dear John

A most successful meeting in Cologne which I am sure all enjoyed. I enclose provisional details of the October meeting in so far as it has progressed. Some of the speakers may in the event need to be replaced. Also depending on the numbers attending, there is a social programme for the ladies.

I hope all goes well with you.

Kind regards

Yours sincerely

D C Smith, FDS

HOTEL ACCOMMODATION

HOTEL: County Hotel, High Street, Canterbury, Kent CT1 2RX
Telephone (0227) 66266

Provisonally booked for 31 twin/double and 4 single rooms
for the nights of Thursday 27th and Friday 28th October, 1988.

Bookings to be made on an 'individual' basis by 26th August, 1988 with one nights deposit.

£56.00 per night for a twin/double room
£46.00 per night for a single room

Breakfast extra at a cost of £6.00 per person for full English or
£3.50 per person for Continental.

Notification should be given to the Hotel if car parking is required at a cost of £2.00 per night.

When booking, members should mention that they are with the Oral Surgeons Travel Club.

In the event of the accommodation at that Hotel being full members should be asked to get in touch with you, preferably in writing, giving their telephone number asking for alternative arrangements for accommodation.

PROGRAMME FOR MEETING

Thursday 27th October, 1988

4.00 pm	Tea in the Kent Postgraduate Medical Centre followed by the Annual Meeting
Evening	Transport provided to Sandgate Castle for a Buffet Supper (Sandgate Castle is a Henry VIII short fort) Depending on the numbers attending it may be possible to provide some form of music.

Friday 28th October, 1988

Scientific Meeting at Kent Postgraduate Medical Centre Papers from 9.30 am to 5.00 pm. Contributors - please see adjacent sheet.

Lunch by courtesy of the Canterbury and Thanet Health Authority.

Evening — Transport provided to Broome Park, Barham (The country club was once the house of Lord Kitchener) for the formal Annual Dinner.

Saturday 29th October, 1988

Members may wish to take the opportunity either to look at Canterbury or alternatively take a day trip to either Folkestone to Boulogne or by hovercraft from Dover to Calais.

LADIES PROGRAMME

Thursday 27th October, 1988	Buffet Supper at Sandgate Castle
Friday 28th October, 1988	In the morning a tour of Canterbury Cathedral and its Precincts.
	Lunch at the County Hotel.
	In the afternoon a visit to a stately home.
	In the evening supper at the Lyndon Hall, Lyminge.

I am a little concerned, for it became apparent in Cologne that all the ladies were not aware that there would be a social programme and I feel that if such an event is to be successful we need to increase the numbers of members partners if at all possible and I feel that some notification that there is to be a social programme should be indicated at this stage. I sense that the Club is equal in both camps.

In any case I look forward to seeing both you and your wife in October.

PROVISIONAL PROGRAMME FOR THE CLINICAL MEETING

The following participants are willing to contribute:

DR R COLLIER, University of Kent at Canterbury

DR D J E TAYLOR, Consultant Physician, Kent & Canterbury Hospital

MR M M SHARR with MR R HASKELL, Consultant Neurosurgeons, Brook Hospital, London
on neuro surgical progress in connection with Maxillo-Facial Surgery

DR E B LEWIS, Consultant Anaesthetist, William Harvey Hospital, Ashford
Member of the BMA Council on Current Affairs

DR P BUAMAH, Consultant Chemical Pathologist, Thanet District General Hospital
on Tumour Markers

MR M KELLEHER, Consultant in Restorative Dentistry
on Restorative Dentistry

MR G FORDYCE, Regional Postgraduate Dental Dean
on Postgraduate Matters

DR C DULAKE, Public Health Laboratories
on some aspect of public health interest

DR M BUXTON THOMAS, Consultant Physician in Nuclear Medicine
on some aspect of Nuclear Medicine

I hope to formalise these aspects of the programme in the next 6 to 8 weeks.

Canterbury and Thanet Health Authority
Kent and Canterbury Hospital, Canterbury, CT1 3NG.

Dear John

Oral Surgery Club

I have been in contact with the County Hotel in Canterbury making enquiries as to the availability of rooms and indeed have pencilled in October 27/28 1988. No terms have yet been discussed, clearly costings are not known for that time. They wish to have confirmation 8 months prior to time and a cut off date for individuals to book rooms beyond which they will need to take pot-luck, a suggested cut off period being somewhere around 8-10 weeks prior to the event. Forty rooms are available to us, mixed singles and doubles. I have written to the District Health Authority Chairman saying that Canterbury is ~~on~~ to be offered the privilege of the Autumn Meeting and I now await his response. In my own mind I am beginning to assemble some sort of programme but obviously this will firm up and I will be in touch with you about this in due course. I think both ~~Milly~~ Gene and I thoroughly enjoyed the Stoke meeting, you are to be congratulated.

Yours sincerely

D C SMITH

D.C. Smith Esq.,
Kent & Canterbury Hospital,
Canterbury, CT1 3NG

Dear Dennis,

Thank you for your letter of 4th November. Please accept my apologies for not replying sooner. These last two months have been a little hectic having driven 5,000 miles in that time going from Bournemouth in the south and Newcastle in the north with Fleetwood to the west and Rotterdam to the east and going to what seems most places in between! I am still trying to catch up on much delayed correspondence. However, your preliminary arrangements seem fine and lets hope the Chairman of your DHA will make a response! Yes I too enjoyed Stoke - it was certainly worth all the effort. Geoff Manning put a lot of thought into it and he must take credit for the many touches given to the programme.

I am sure you will put a good programme together but it takes quite a time to do and one certainly needs plenty of time to think about it.

Very best wishes,

Yours sincerely,

Canterbury and Thanet Health Authority

Canterbury

Dear Miss Hart

We spoke on the telephone about four weeks ago on the proposal that the Oral Surgery Club of Great Britain might be holding its Autumn Meeting in 1988 in this City and with that in mind you very kindly agreed to pencil in the need for up to 40 bedrooms on the nights of Thursday and Friday October 27th and 28th. The formal proposal will be put in October of 1987 to the General Meeting. I think it is already reasonably firm that we shall be meeting as suggested in Canterbury. I also thought you might like to know that the Secretary is Mr John Bradley, Consultant Oral Surgeon, of 53 Reedley Drive, Reedley, Burnley, Lancashire, BB10 2QS.

Yours sincerely

Dear John

I will of course send you copies of all relevant correspondence relating to the meeting in Canterbury in 1988.

My contact point in Greece is Nick Papadoseorsakis, 26 Skoufa Street, Athens 10673, Greece. He is well aware we may take up an offer which he made for a meeting in Athens. My understanding is that he is an assistant of the professorial unit. I know Ken Ray in Seville is likely to meet the Professor. Perhaps he would be able to get things moving and oil the machinery.

Kind regards

Yours sincerely

Dear Mrs Godden

Further to your telephone conversation with Mrs Allen I now write to confirm the block booking of 40 rooms for the nights of Thursday and Friday 27th and 28th October, 1988. Each individual coming to Canterbury for this event will book direct with you in advance of 6 weeks prior to the final date and will be responsible each for settling his or her own account. At the present time I am not in a position to say whether there will be a need for a dinner on one or other of these nights but I would assume that on the afternoon of Thursday a room will be needed for a meeting. Perhaps you would be kind enough to let me know the likely cost of your services.

Yours sincerely

19th November 1987

Dear

Many thanks for your letter and enclosure concerning provisional booking of the hotel. I have contacted Ken Ray to approach Professor Christos Martis when he meets him in Seville. If we get a green light, I will formally write to him and in due course use your contact for detailed information with regard to hotels of a suitable nature and appropriate restaurants.

I will be in touch,

Yours,

K. R. RAY JACOBS SPINNEY RAG HILL ALDERMASTON BERKS RG7 4NS TELEPHONE 0734 712550

6th December 1987.

Dear John,

The chap from the Athens Dental School that I met in Seattle recently and whom I have got to know fairly well over 5 or 6 years is not Prof Martis but Prof. Angelopoulos who is an Oral Pathologist who practises some Oral Surgery.

I informally discussed the possibilities for an Oral Surgery Club visit to Athens. Reading between the lines from his reply he does not think much of Prof. Martis' department or the man himself. It seems he is a bit of a dictator who is resistant to progressive ideas and therefore not good for the trainees. It seemed to be doubtful that he would be able to put on much of a programme of clinical oral surgery.

Now this is all hearsay and there may be an element of sour grapes so it should not stop further enquiries being made, but be taken as a cautionary note. Unfortunately the other Greek Oral Surgeon that I know quite well has been removed from the committee by the Greeks.

Yours

Ken

Dear John

I thoroughly take the point you make about the venue and indeed I have no strong feelings if you go elsewhere. I do however think that it might be helpful to Mike the Greek to support him in that venue. I think I gave you his telephone number. Do please phone him, both him and his wife speak excellent English. I enclose a copy of the confirmation letter I have received from the County Hotel. The only thing I would add to this is that it would be necessary to book car parking accommodation at the Hotel to prevent not having to park in the surrounding streets. There is ample on sight provided it is booked, at a cost of £2.00 a night.

I am also writing about the possibility of a shortfall for accommodation. I think it may be wise to ask Maggie Allen, Postgraduate Administrator here to liaise with the Hotel and arrange to place people if at all possible who would want accommodation but for whom the hotel cannot provide. Obviously it would be more convient if everyone was on one sight. I think only 35 rooms in total have been allocated to us, provided bookings are made early, but feel we may exceed that number.

Yours sincerely

D C Smith, FDS

RE: PRESIDENTS MEETING - ORAL SURGEONS TRAVEL CLUB

Further to your recent meeting at the hotel and your letter of 8th December 1987, we are now pleased to confirm the following accommodation:

THURSDAY 27TH OCTOBER 1988, 2 NIGHTS, 31 TWIN/DOUBLE & 4 SINGLE ROOMS

at the rate of £56.00 per night in a Twin/Double Room and £46.00 per night in a Single Room. Rates are inclusive of VAT at 15%. Breakfast is charged in addition at either £6.00 per person for full English or £3.50 per person for Continental.

We understand that all the reservations will be made individually before 26th August 1988 and that one nights deposit will be sent with each confirmation.

Please ensure that all your members when confirming their bookings mention that they are with the Oral Surgeons Travel Club.

We understand that you may wish to book a 'Ladies Luncheon' on 28th October and we look forward to discussing details regarding this nearer to the time.

I trust that the above is all in order and look forward to being of service to the Oral Surgeons Travel Club in October 1988.

Yours sincerely

Dear John

I have had a most informative talk with Mr Penturo and all is well. You may care to see a photocopy of the various menus which are available to us at Broome Park where we have written asking for a room to be reserved for drinks and dinner for Friday 28th October. Perhaps you would be kind enough to let me know your thoughts on its contents.

Yours sinserely

D C Smith, FDS

Dear Mr Bradley

RE: ORAL SURGERY CLUB OF GREAT BRITIAN

We have recently received a letter from Mr D C Smith requesting the following reservation for the above mentioned:

THURSDAY 27TH OCTOBER 1988, 2 NIGHTS, 40 ROOMS

He requested that we hold this large booking (over ½ of our bedrooms) until 6 weeks prior to arrival, when bookings will be made direct by the individuals concerned. We regret that we cannot accept this booking on this basis and request that we can only confirm rooms if a written confirmation letter plus one nights deposit is sent to us by 2ND AUGUST 1988. All rooms not confirmed by this time will be released.

Please also note that due to other commitments the only allocation of rooms we could confirm would be as follows:

35 ROOMS - 31 TWIN/DOUBLE ROOMS & 4 SINGLE ROOM (MAXIMUM)

We confirm that the rates would be £56.00 per night in a Twin or Double room and £46.00 per night in a Single Room. Rates are inclusive of VAT at 15%. Breakfast is charged in addition at either £6.00 per person for full English or £3.50 per person for Continental.

We look forward to receiving your confirmation of the above in due course and assure you of our best attention at all times.

Yours sincerely

1989 Athens - May

Professor Dr. Dr. Christos Martis,
University of Thessaloniki School of Dentistry,
Department of Maxillo-facial Surgery,
Vasil, Irakliou, 28,
Thessaloniki,
Greece.

June 10th 1988

Dear Professor Martis,

The President and Members of the Oral Surgery Club of Great Britain have expressed the wish that they would like to visit you and your Department. I am writing on their behalf to ask if this might be possible perhaps during the Spring of 1989, possibly during the months of April or May. The Club is over fifty years old and has a limited membership of forty. We try to visit colleagues' Departments in Europe each year and the scientific part of our stay usually extends for two days with some twenty members usually attending. I realise that you must be very busy arranging the European Association's meeting in September but hope that it will be possible to arrange a visit.

Best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

15th March 1989

Dear

re Oral Surgery Club visit to Athens.

I have now received a letter from our hosts requesting finalisation of our plans and to make bookings with the hotel and the tour operator. A 50% deposit in US dollars has been requested and I would be most grateful if you could send a bank cheque in US dollars to

Dr. P.N. Bochlogyros, MD., DDS.,
Vlachopoulou 10a,
GR - 114 71 ATHENS, Greece

enclosing the tear-off slip below as soon as possible. From my records you have indicated Tour 1 @ $2000 (plus single supplements for hotel & cruise $450) each,
Tour 2 @ $1000 (plus single supplement for hotel $200) each,
Tour 3 @ $500 (plus single supplement for hotel $120) each,

for one/two person(s)

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club.

P.S. The cost of the Club Dinner on the Friday night will be billed to you later in £'s!

24th February 1989

Dear Denis,

Just a brief letter to update you on the trip to Athens. The following apart from yourself and myself have indicated that they are definitely coming:-

Crewe	McAndrew
Gibson	Oldham
Gray	
Hardman	
Jones	
Mason	
Ray	
Selwyn	
Whitlock	

The following have shown interest and may or may not be coming:-

English, Rayne, Simpson and Williams.

With regard to the Tours - Crewe is going on Cruise 1.

The following are going
on Tour No. 2. - Hardman, Selwyn, Jones, Whitlock, Gray and Ray.
& McAndrew

and finally those on
Tour 3. - Yourself, Mason and ~~Gibson.~~

As you know I have to cut my visit short unfortunately. I will be in touch with you again.

Best wishes,

Yours sincerely,

P.S. All will be accompanied by their spouse except myself and Tom Crewe.

Dear

Re: Visit to Professor Martis, Athens.
May 11th-12th 1989

It would seem that at least 15 of us and a possible further 4 will be going to Athens with 13 and possibly a further 4 wives to accompany us. I enclose three programmes which include tours which you might be interested in and I would be very grateful if you could indicate as soon as you are able to which one you might like to be involved with. On the other hand of course you may not wish to be involved in any of them for one reason or another. For those I am obtaining what the daily price is for the Hotel so that you know what you are being let in for.

Very best wishes.

Yours sincerely,

J C Bradley.

SATURDAY 13 MAY		Breakfast at hotel. Meet at the reception with TRIAENA's Representative who will escort you to the airport for your departure flight.

WISH YOU AN ENJOYABLE STAY!!!

17th May 1989

Professor Dr. Dr. Christos Martis
80 Spyrou Mercouri Str.
Athens 116 34
GREECE

Dear Professor Martis,

I am writing to you on behalf of the Oral Surgery Club of Great Britain to thank you and your colleagues for the truly excellent Meeting we had with you last week. We were all most impressed with the standard of work you are managing to achieve under what to us seemed to be considerable handicaps through lack of facilities and funding. You are all to be congratulated on what you are managing to achieve. We are also most grateful for the time and considerable effort that you and your staff had put into the programme for us. This has been much appreciated and I would be most grateful if you could pass on these thanks and best wishes to your staff.

Our visit seemed to be all too short but I am sure we shall all meet again and your suggestion that we might be able to set up a combined meeting with the British Association of Oral Maxillofacial Surgeons to meet out somewhere in Greece seems a most attractive suggestion and I will see what can be done.

Finally I would be most grateful if you could pass on our appreciation and thanks to the Greek Association of Oral & Maxillofacial Surgery for the very kind hospitality given to us on last Thursday evening.

Very best wishes.

Yours sincerely,

J C Bradley.
Honorary Secretary.
Oral Surgery Club of Great Britain.

18th October 1989

Professor Dr. Dr. Christos Martis
80 Spyrou Mercouri Str.
Athens 116 34
GREECE

Dear Professor Martis,

The President and members of the Oral Surgery Club of Great Britain have asked me if I would send you a book in appreciation for the very hard work that you and your Department did on our behalf at our most successful visit to you last May. We felt that this book would be of assistance to you in view of the major reconstructive work that you are having to face. This book is written by two highly respected people based at Canniesburn Hospital, Glasgow, and is regarded as a standard work in the U.K. and it is sent from us with our very best wishes to you all. I am sending the book under separate cover by insured post and I would be very grateful if you could let me know if it doesn't arrive within a reasonable time after the receipt of this letter. Both are being posted at the same time.

May I again thank you very much indeed for what was for me a very memorable and happy visit and I do hope that many of us will be able to return to Athens in the not too distant future to meet you all again.

Every best wish.

Yours sincerely,

J C Bradley.
Hon. Secretary.
Oral Surgery Club of Great Britain.

18th October 1989

Professor Dr. Dr. Christos Martis
80 Spyrou Mercouri Str.
Athens 116 34
GREECE

Dear Professor Martis,

Further to my covering letter to you sent separately, I enclose this book with the best wishes from the President and members of the Oral Surgery Club of Great Britain.

Very best wishes.

Yours sincerely,

J C Bradley.
Hon. Secretary.
Oral Surgery Club of Great Britain.

Bradley Martis

53 Reedley Drive
Reedley
Burnley
Lancashire BB10 2QS

Tel: Nelson 64535

17th May 1989

Dear Denis,

Just a brief note concerning the Athens Meeting. I enclose a copy of my letter of thanks to Professor Martis which I wanted to get off before I disappear to the States. I am sure you will probably write yourself anyway and I am not too sure whether we should send them a little gift or not. If you feel that we ought to give them a gift then I would suggest perhaps a Plastic Surgery Book on Head & Neck Surgery might be a useful thing here and I could pick one out of the Longman Catalogue and get it at an Authors discount rate for you. Perhaps you would like to ask your Pg Secretary if she could get hold of the Longmans Catalogue and you might like to pick out an appropriate one. I thought they put on quite a good Meeting for us and obviously you were working under very primitive and difficult conditions. However, despite all this they certainly did work hard on our behalf. I hope you have had a good trip and that you recover from your wanderings reasonably well! I shall feel much relieved when the end of this week comes when I can really put my feet up metaphorically speaking.

Best wishes,

Mr D C Smith
Lyndon Hall

17th May 1989

Dr P N Bochlogyros M.D., D.D.S.
Vlachopoulou 10a
GR - 114 71 Athens
GREECE

Dear Dr Bochlogyros,

I feel I must write to you to thank you very much indeed for arranging what was to us a most successful and enjoyable visit to the University Department of Oral & Maxillofacial Surgery last week. I owe you mostly a great debt of thanks for organising things so well and I am sure contributed a lot to the success of our Meeting. I do hope we will be able to meet again before too long and a suggestion has been made to us that we might try and organise a combined meeting between the British Association of Oral & Maxillofacial Surgeons and your Greek Association some time. It seemed a splendid idea to me and I will see what I can do about it. I have told Professor Martis that I will take on board the suggestion and will ultimately come back to you all about it.

On a personal note I was sorry that my visit to Athens was so short but at least on the Friday afternoon I managed to walk to the top of the Likavitos to the Observation Platform and then down through there to the Acropolis and had a look at the ancient Agora back through the Plaka through to see Hadrians Arch and then back to the Hotel! It was rather a hot afternoon for walking around but it was certainly well worth while the visit. I only hope that my photographs have come out alright but certainly it was part of a very memorable visit. I hope I shall be able to see you again at some future meeting, either in Greece or somewhere in Europe!

Thank you again for all your help on our behalf.

Very best wishes.

Yours sincerely,

J C Bradley.
Honorary Secretary.
Oral Surgery Club of Great Britain.

25th April 1989

Dr. P.N. Bochlogyros, M.D., D.D.S.,
Vlachopoulou 10a,
GR - 114 71 Athens,
Greece.

Dear Dr Bochlogyros,

Further to my letter to you of the 19th April, details of those that are coming are as follows:-

Arriving on Olympic Airways Flight Number OA260 from Heathrow 17.55 10.5.89.

MR T.C. CREWE.
MR J.C. BRADLEY.
MR L. OLDHAM.
MR & MRS JONES.
MR & MRS WHITLOCK.
MR & MRS GRAY.
MR & MRS RAY.

British Airways Flight Number BA362 - arriving 10.5.89 17.40 hours.

MR & MRS MASON.

The following are already out in Greece, namely:-

MR & MRS SMITH
MR & MRS HARDMAN.

Mr & Mrs Hardman are aware of the change of plan but Mr & Mrs Smith as I stated in my previous letter to you are not aware of what has occurred and will be arriving initially at the Hotel Intercontinental. They will require instructions and I shall write a separate letter to the Manager of the Hotel asking him if he could inform them of the change when they arrive at his Hotel. I have not been able to contact Mr & Mrs Selwyn as yet but I will let you know what happens over them. Mr & Mrs McAndrew are not able to tell me precisely which flight they are coming on yet and again I will let you know. If there is any great difficulty with these people I shall ask them to make their own way to the Hotel as this may well be simpler in the event.

Cont'd...

Dr. P.N. Bochlogyros, M.D., D.D.S.,
Vlachopoulou 10a,
GR - 114 71 Athens,
Greece.

19th April 1989

Dear Dr. Bochlogyros,

Thank you for your letter of 17th April concerning the change in arrangements. This will be much more convenient from the hotel point of view since the meeting is to take place in Professor Martis' Clinic. I am sure this change will be much appreciated as a clinical emphasis in a meeting is always very welcome.

With regard to the arrangements for the dinner on the Friday evening, you have obviously worked very hard for us but there is a problem. The Oral Surgery Club is very much of the mould of the British Gentleman's Club although it has no premises as such. It is a private professional club with no finances behind it (the members pay their way entirely) and there is no official recognition despite it being over 50 years old so we have no grants, tax concessions or funding from Universities, Government or hospitals. All the members are National Health Service Consultants and quite a number are retired surgeons, four of whom are coming to Athens. The dinner costs, I fear, will be beyond the reach of many particularly since the air fare to Greece from the UK is expensive (£700) and very regrettably I will have to ask you if we could go to a less expensive restaurant. My advice would be that $50 per person would be acceptable. I am sorry to have to put you to more trouble over this and I understand your difficulty.

My letter to you of 10th April has crossed in the post telling you that Mr. & Mrs. Gibson have had to withdraw and I heard last night that Mrs Oldham has had to withdraw as she has just undregone major surgery. However, Mr. Oldham is still coming. Our numbers are now 12 members and 9 wives.

Thank you for organising my arrangement and I will arrange for a $200 cheque to be sent off to you as soon as possible. I shall be coming on Olympus Airways Flight Number OA260 on Wednesday, May 10th. Mr. & Mrs Smith are in Cyprus now and I cannot contact them, so a message for them at the Intercontinental Hotel advising the change of plan will be necessary. I will contact the other members in the next day or so to find out their travel arrangements and advise you accordingly.

Very best wishes,
sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club.

Burnley,Lancs.BB10 2PQ,
England

17.4.1989

Dear Mr.Bradley,

Thank you for your letter.I have now the final arrangements of your visit in Greece:

1.First of all,I would like to inform you that we have changed your hotel and you will stay at Athens Hilton Hotel.The reason is that Prof.Martis decided to have all scientific meetings at the University Clinic,which is at the other side of the road where Hilton is.This will save a lot of transfers from Intercontinental. I kindly ask you to inform your members on this change,however it is not so important as we will meet you all at the airport and transfer you at Hilton Hotel.
By the way I need as soon as possible the exact time and flight No., of your arrival.

2.I have reserved everything for the Banquet Gala on 12th May 1989. It will take place at Galaxy restaurant,which is at the last floor of Hilton,with fantastic view.
The reservation is for 40 persons(24 from England and 16 from us including wifes).
The menu will be(I hope) delicious including 4 courses(soupe, shrips,beef steak,salad,ice creem,coffee,socolade cooquis) and ½ a bottle wine per person.They will provide a douet(2 persons) to sing and play music.
The price is 90 U.S.$ per person,which is 3.600 U.S.$ for the group.

Telephone: Nelson 64535

10th April 1989

Dear Colleague,

I have now got finalisation of numbers going to our Meeting in Athens. I think quite a number of us will already be out in the Mediterranean at the beginning of the visit but the remainder I suspect will probably be flying out of Heathrow on the Olympic Airways flight at 12.30. I am arranging to meet Dr Bochlogyros in the foyer of the Hotel at 9.00 p.m. and if most of you could be there around that time it would be helpful although this of course is not essential. For your information the following are coming:-

Mr. T.C. Crewe who is going on Programme 1.

Mr & Mrs Hardman	)	
Mr & Mrs Selwyn	)	
Mr & Mrs Jones	)	
Mr & Mrs Whitlock	)	all going on
Mr & Mrs Gray	)	Programme 2.
Mr & Mrs Ray	)	
Mr & Mrs McAndrew	)	
Mr & Mrs Smith	)	
Mr & Mrs Mason	)	all going on
Mr & Mrs Oldham	)	Programme 3.

You will note that I personally have not appeared on any of the three programmes as unfortunately I have to return to the U.K. on the Saturday which is a pity! However, I look forward to seeing you in the Hotel Intercontinental.

Very best wishes.

Yours sincerely,

J.C. Bradley.
Honorary Secretary.
Oral Surgery Club.

53 Reedley Drive
Reedley
Burnley
Lancashire BB10 2QS

10th April 1989

Dear Dr Bochlogyros,

Further to my letter to you of the 10th March, I have just heard that one of our number, Mr J Gibson and his wife who had originally indicated they wished to go on Tour No. 3, unfortunately have had to cancel due to family reasons. So that reduces our numbers now to 12 members and 10 ladies.

I shall by flying out on Olympic Airways flight no. 260 from Heathrow, leaving Heathrow at 12.30 and arriving in Athens at approximately 18.30 hours. I suggest that perhaps we meet at the Hotel at around 21.00 hours perhaps at the Reception desk.

I am looking forward very much to meeting you and to Professor Martis as indeed are all our members. I am sure we are going to have a very enjoyable and instructive time.

I haven't received a letter from you concerning the Dinner and numbers and I was wondering whether if time is going to come rather short I could settle the bill directly when we arrive. This would be most convenient if I could do it with standard credit cards and perhaps the Restaurant could let me know if they do accept cards and if so which ones.

Very best wishes.

Yours sincerely,

J C Bradley.
Honorary Secretary.
Oral Surgery Club of Great Britain.

Dr P N Bochlogyros, MD., DDS.

10th March 1989

Dr P.N. Bochlogyros, M.D., D.D.S.,
Oral and Maxillo-Facial Surgeon,
Consultant Red Cross Hospitals,
Patr. loakim 56,
106 76 Athens,
Greece.

Dear Dr Bochlogyros,

Further to my letter to you of the 20th February I now have managed to finalise the numbers of those that are coming to the Meeting.

PROGRAMME 1.	Total
MR T.C. CREWE of Plymouth.	1 person

PROGRAMME 2.

MR & MRS F.G. HARDMAN of Colwyn Bay, North Wales.
MR & MRS P. SELWYN of Nottingham.
MR & MRS M. JONES of Wolverhampton.
MR & MRS R. WHITLOCK of Ottery St. Mary, Devon.
MR & MRS W. GRAY of Ipswich.
MR & MRS R. RAY of Reading.
MR & MRS McANDREW of Rotherham.

14 persons

PROGRAMME 3.

MR & MRS D.C. SMITH of Canterbury (President of the Club)
MR & MRS D. MASON of Ilkley.
MR & MRS J. GIBSON of Wimborne.
MR & MRS L. OLDHAM of Taunton.

8 persons

Cont'd....

Finally myself as you know I am unable to take part in any of the full itinerary but I would be grateful if you could book me into the Hotel from the night of 10th May leaving on Saturday 13th. Unfortunately my wife will be unable to accompany me due to other commitments.

We are all of course looking forward to meeting Professor Martis and renewing our acquaintance with you but I will be writing to you again before that date to confirm final arrangements.

Very best wishes,

Yours sincerely,

J C Bradley.
Honorary Secretary.

P.S. (March 12th) I have just received your letter of March 6th with many thanks. I enclose the full list of names as opposed to the list at the beginning of this letter. I have sent out a letter to all those that are coming to send their cheques direct to you as soon as possible and enclose a copy of that letter.

With regard to the Gala Banquet could you please send me the various menus available together with the prices including wine and also the additional cost of an orchestra. I should also be grateful if you could let me know the number of Greeks that will be coming as well so that I can tell you which menu to order and also send you the cheque.

As you know, I shall only require hotel accommodation for myself for May 10,11 & 12. Does the hotel wish to have a deposit? If so, how much would they like?

Finally, thank you for your advice over currency!!

Pantelis Nic. Bochlogyros M.D., D.D.S.

6th March 1989

Dear Mr.Bradley,

Thank you for your letter of February 20th,1989.As we are only 2 months before the meeting in Athens,I have to ask you,from now on,that our correspondance should become faster.The month of May is a very busy month(touristic) and reservations should be done as soon as possible.

1.We need as soon as possible full names and not numbers of members, so,we may procede with reservations.Please send me also the names of accompanying persons,as their places have to be reserved too.

2.The majority of prices(cruises,tours etc) is allways in U.S.$ for tourists.That is why I gave you the prices in dollars.You have to change your pounds in dollars and that is what the tour operators will get.

3.Ofcourse a deposit is required!Each member has to send 50% of the total amount by the end of this month.
Please send bank cheque to: Dr.P.N.Bochlogyros,MD,DDS
Vlachopoulou 10a,
GR-114 71 Athens,Greece.

I kindly ask you also,that from now on,you send all your correspondance to this address.

4.As far as the Gala Banquet.I wrote you before that prices are 60-100 U.S.$ per person,depending on menu,orchestra(do you want one?),wine etc.If you tell me the exact number of your members, I will find out how many Greeks should be invited.Again,you should send me the amount with bank cheque.

Waiting your reply as soon as possible,I remain with very best wishes,

P. Bochlogyros

P.N.Bochlogyros,MD,DDS

20th February 1989

Dr P.N. Bochlogyros, M.D., D.D.S.,
Oral and Maxillo-Facial Surgeon,
Consultant Red Cross Hospitals,
Patr. Ioakim 56,
106 76 Athens,
Greece.

Dear Dr Bochlogyros,

Further to my letter to you of the 16th January 1989, I am writing to let you know to date the numbers that have indicated positively to me the various tours they wish to come on. So far I have 1 member who wishes to go on the Boat trip, that is the first tour in your programme, I have 6 who would like to go on the 4 day Coach tour which is Tour 2, and I have 3 who would like to go on the short tour on the Saturday and Sunday. I am awaiting replies from a further 6 members. So far it would appear that I am the only one that has to leave Athens on the Saturday.

I note you gave the prices in U.S. dollars and I am wondering whether in fact these tours can be paid for locally in local currency as it would avoid losing too much on two exchange rates! Also perhaps you could advise me whether you require a deposit from the members before they arrive and details of how that deposit may be paid.

As far as the Gala Banquet is concerned I usually deal with this with a credit card as it makes things very simple these days. I carry either a Visa card or an Access/EC card as an alternative. Perhaps you could let me know whether the Restaurant accepts either of these cards if not I will have to organise an International credit transfer for them. Again perhaps you would be kind enough to let me know the situation.

Very best wishes,

Yours sincerely,

J C Bradley.
Honorary Secretary.
Oral Surgery Club of Great Britain.

16th January 1989

Dr P.N. Bochlogyros, M.D., D.D.S.,
Oral and Maxillo-Facial Surgeon,
Consultant Red Cross Hospitals,
Patr. Ioakim 56,
106 76 Athens,
Greece.

Dear Dr Bochlogyros,

Further to your letter of the 21st November, I am now able to let you know the likely number of people intending to come to Athens. I have had 15 people indicating that they definitely wish to come with a further possible 5. Some 13 wives have indicated their intention of coming with a further 4 possibly coming as well. I do hope this is not going to make too big a party for you.

The 3 programmes that you have suggested seem most interesting and encourageing and these are now being circulated to the various members. However, a few of us unfortunately will have a short stay as we have other responsibilities that we have to return to the U.K. to meet. I therefore would be very grateful if you could let me know the cost of the Hotel per day and unfortunately I now find that I am going to be one of these people who will have to cut my visit short. I go to the United States the following week for a 3 week visit and will therefore have to leave Athens on the Saturday to deal with essential matters before departing for the United States.

With regard to the Oral Surgery Club of Great Britain, this was Founded in 1936 at the instigation of Mr Rupert Sutton Taylor who was a Consultant Oral Surgeon at the Westminster Hospital in London. The Club meets twice a year with the Autumn meeting being held in the Home Hospital of the President for that year and the Spring meeting being held usually on the Continent of Europe. The number of members of the Club is strictly limited and membership is by invitation only. There are some 40 active members with 25 retired members or honorary members. The emphasis in the Club is active participation in programmes and those members who do not fulfil their obligations are asked to resign! The purpose of the Club is to advance the scientific knowledge of the members by exchange of ideas at clinical meetings. Our visits abroad are particularly valuable and we like to think they are of equal benefit to our hosts as well!

I will let you know the likely breakdown of the various tours that people require as soon as I have received them.

Finally but certainly not least I am most grateful to the Greek Association of Oral and Maxillo-Facial Surgery in giving the Dinner and also refreshments during the Scientific Meeting.

Very best wishes.

Yours sincerely,

J C Bradley.
Onorary Secretary.
Oral Surgery Club of Great Britain.

21st ~~October~~ November 1988

Dear Mr.Bradley,

Thank you very much for your letter of the 14th November.Please find enclosed different touristic programs.I think it is much better to give to your members more than one tour,so,each one should decide what is better for him.Ofcourse,it will be much better if you go together in one tour,but I think we should give some other opportunities to those,who have not enough time.

In the meantime,I would like to ask you to send me some information concerning the Oral Surgery Club.We want to make an announcement of your visit through the pages of our journal(the Greek Journal of Oral and Maxillofacial Surgeons)and we need some details on the Club,its purposes,past meetings,membership e.t.c.

For the next 6 weeks,I will be travelling in Europe for scientific reasons.I will be back in Athens end of December.I hope that by then,you will have more details.

Looking forward to hear from you,for today I remain with

Best wishes,
Yours sincerely,

P.N.Bochlogyros

PROGRAM 1

DATES	ITINERARY
MAY 10	Arrive in Athens.Transfer to Hotel Athenaeum-Intercontinental.Overnight at Hotel Intercontinental.

26.10.1988

Dear Mr.Bradley,

Thank you for your letter of 14th October.I kindly ask you to give us an answer to the following:

1.With regard to dates,a lot of people from the clinic will be travelling on the 19th of May to Israel,for the congress of the International Association of Oral and Maxillofacial surgery. If the reason you propose these dates is to give the opportunity to your members to travel to Israel after Athens,we may organize for you too,a cruise to Israel after the meeting in Athens. If it has nothing to do with this congress,we would like to propose the following dates:
Wednesday 10th May 1989:Arrival
Thursday 11th May 1989:Morning - Visit the clinic,observe operations
Afternoon - 1st meeting
Friday 12th May 1989 :Morning - 2nd meeting
Evening - The Club dinner

2.I allready gave instructions to arrange your accomodation in Athens- 20-25 rooms for 3 or more nights.I will soon let you know,the proposed hotel and the prices.

3.As far as a social program:
I have the following proposals to you:
a)Saturday 13th May 1989:Athens half day sightseeing tour
In the evening dinner in a barbecue style eating place.

/../

Sunday 14th May 1989:One day visit to Corinth,Epidaurus,Micenae,Olympia
or
to Delphi

Monday 15th May 1989:4 days cruise to the Greek islands and Turkey
(Myconos,Santorini,Crete,Rhodos,
Kusadasi(Turkey),Patmos).

Friday 19th May 1989:Early morning arrival at Piraeus.Transfer to the airport for your departure flight.

b)If this is too long there are possibilities for:
-3 days cruise.
-independent visit of one or two islands of your choise.
-Tours by bus.

Please write me,what it will interest you to do and for how long,so, I may send you more information.

4.We plan to organize the scientific meetings(1+2) in a hall in the hotel where you will be staying.
During these meetings,we will present you the work carried in our department(University of Athens).Then we may discuss clinical problems and you may see how they are approached and treated.
I hope you will agree with this.

5.I allready gave instructions to reserve a suitable place for the Club dinner(50-60 persons).
On Thursday evening you will be our guests!

6.It will be very helpfull,if you could inform us the exact number of members who will attend the meeting(accompanying persons too), as the number will influence the prices!

I look forward to hear from you at your earliest convinience.

With best personal regards,

P.N.Bochlogyros

Dr. P.N. Bochlogyros, M.D., D.D.S.,
Oral and Maxillofacial Surgeon,
Consultant Red Cross Hospitals,
Patr. Ioakim 56,
106 76 Athens,
Greece.

14th October 1988.

Dear Dr. Bochlogyros,

Thank you for your letter of 6th October. I am so glad that Professor Martis will be able to host us: we are particularly grateful as I know he has been very busy with the European Meeting which I am told was a great success. Unfortunately I missed going on the Club's visit to Münster but I am sure that my colleagues who met you there will be very pleased to renew the acquaintance.

With regard to the Club's proposed visit to Athens, it would be much on the same pattern as the visit to Münster. Essentially it is a scientific meeting as the purpose of the visit is to see and discuss the work carried out in the Department with perhaps an emphasis on any particular field of interest or expertise in that Department. We like to discuss clinical problems and see how they are approached and treated.

The Scientific Meeting extends over 1½ to 2 days with lectures, clinical demonstrations and sometimes observing operations in theatre although this is dependant on the size and number of theatres available and the size of the party. With regard to subjects of interest, we are interested in the correction of facial deformity, the management of pre-malignant and malignant lesions of the face and jaws including treatment and reconstructive techniques following ablative surgery. The repair of hare lip and cleft palate, pre-prosthetic surgery including any implant work you may be doing and trauma are subjects of great interest to us.

In answer to the specific questions asked in your letter,
1) on average some 20 to 25 members attend and some 15 to 20 wives accompany us and join us on the social occasions only.
2) the length of stay for most of us would be a week so as to take the opportunity of some sight-seeing. As I have said, the Scientific Meeting would be for 1½ to 2 days. Usually this part of the visit takes place on a Thursday and a Friday with the Club holding a dinner on the Friday evening where our hosts are our guests (10 or 12 people) and our wives are with us at that dinner.
3) I would be very grateful if you could advise me of any tours of Athens and the surrounding district or possibly the Greek Islands. Your suggestion of the Tour Operator to arrange a hotel and so forth is excellent. They could perhaps advise on a restaurant for the Club dinner which could accomodate between 50 and 60 people or you may know a place which would be satisfactory. However, if the tour operator could contact me direct, it would be most helpful.

With regard to dates, May I suggest Thursday and Friday, May 18th and 19th 1989. We would arrive on the Wednesday, 17th May with sight-seeing Saturday/Sunday and those wishing to stay longer can extend their visit into the following week, but if this

(cont.

Dr. Bochlogyros,

- cont.) creates difficulties for you, please advise me.

I look forward to hearing from you again,

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

6.10.1988

Dear Mr.Bradley,

Thank you for your letter to Prof.Martis,conserning the visit of the Oral Surgery Club of Great Britain in Athens.

Since I have been assisting the Club before(during your visit in Münster,West Germany),it will be a great pleasure to do it once more in Greece.

I kindly ask you the following information:

1.How many days you would like to stay in Greece.
2.What else would you like to do,beside visiting the dept.of Maxillofacial Surgery.
3.Are any scientific sessions included in your plans.and if yes how many will attend.

We are working with an excellent tour operator,who may orgize your entire visit and stay in Athens.
My proposal is,that we will organize your visit in May,when the weather is very nice.

I am looking forward to your reply,and I remain,

With best personal regards,

Yours,

P.N.Bochlogyros

Professor Dr. Dr. Christos Martis,
80, Spyrou Mercouri Str.,
Athens 116 34,
GREECE.

1st September 1988.

Dear Professor Martis,

I have asked John Williams, Honorary Assistant Secretary to E.A.C.F.M.S. to speak to you about a possible visit of the Oral Surgery Club of Great Britain. I wrote to you at the end of June and I fear that my letter has not reached you. A postal strike is threatened here in England and this letter may be delayed! The President, Mr. Dennis Smith and members of the Club would very much like to visit you and your Department in the Spring of 1989, possibly during the months of April or May. We try to visit colleagues' Departments in Europe each year and the scientific part of our stay usually extends for two days. The Club, which is over fifty years old, has a limited membership of forty and approximately half that number attend the meetings abroad. I realise that you have been busy with the impending meeting of the European Association but hope that it will be possible to arrange a visit.

Best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Dear John,

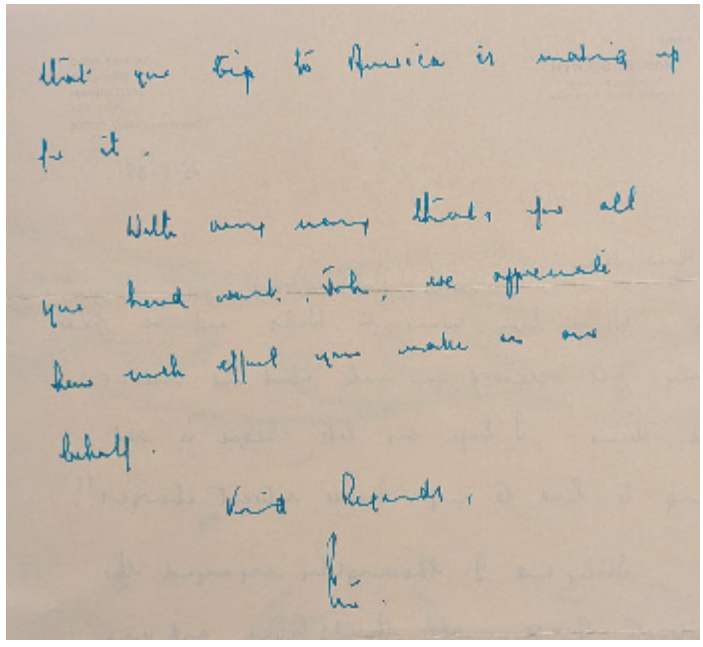
We've been away in Wales and so have only just received your note about the cost of the dinner. I hope my late cheque is not going to lead to any heavy interest charges!!

Shirley and I thoroughly enjoyed the visit to Greece, all thanks to you and your marvellous organisation. The tour was a great success and we liked particularly Delphi. It is a great pity that you and Sue were not able to be with us. I hope



that your trip to America is making up for it.

With very many thanks for all your hard work, John, we appreciate how much effort you make on our behalf.

Kind Regards,

Yours,

161 Valley Road
Ipswich.

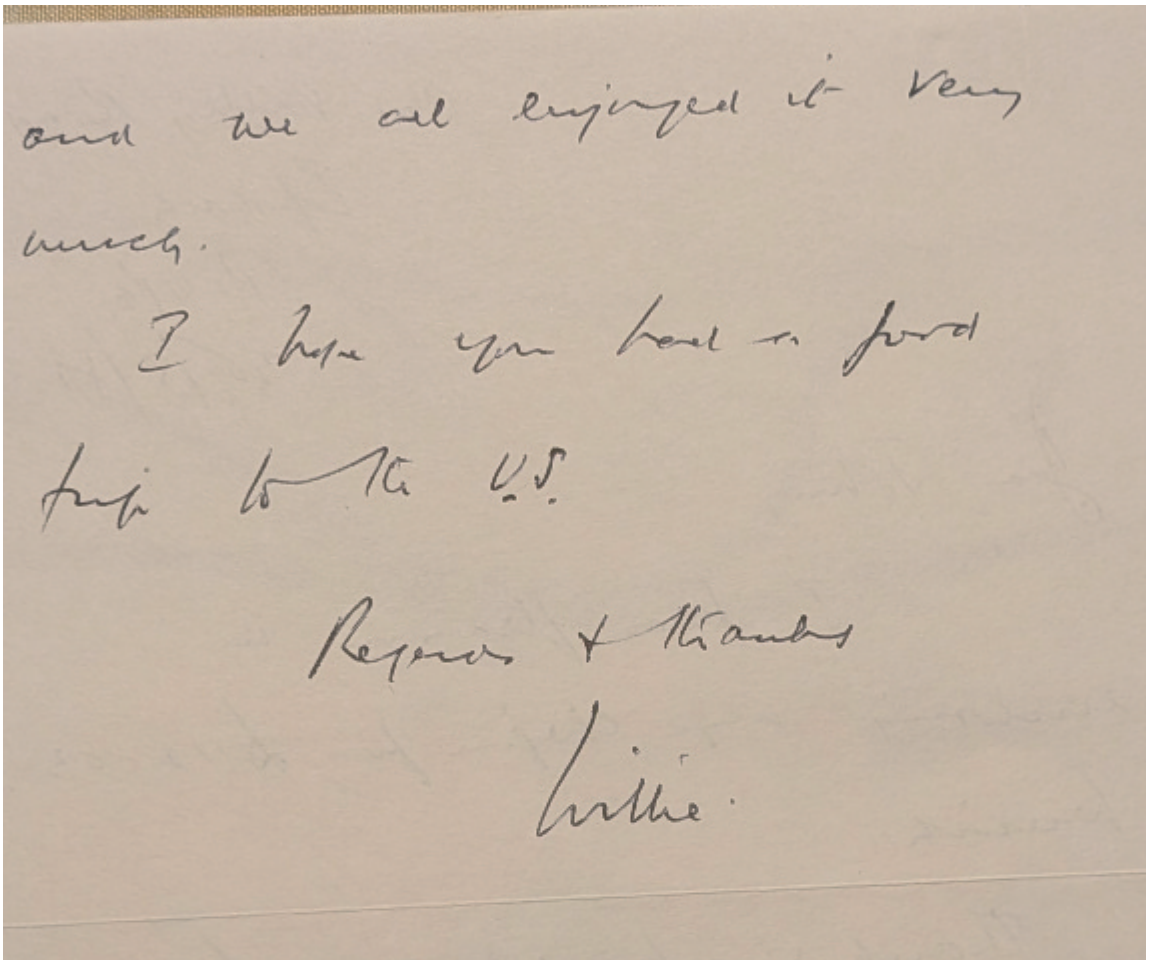
30/5/89.

Dear John,

I have pleasure in enclosing my cheque for £112-03 herewith.

Thank you for all your hard work in organising the Athens meeting. — it was excellent (even if a touch expensive).

It is a pity that you missed the Classic Cars. It was first class in every way



and we all enjoyed it very much.

I hope you had a good trip to the U.S.

Regards + thanks

Lilika.

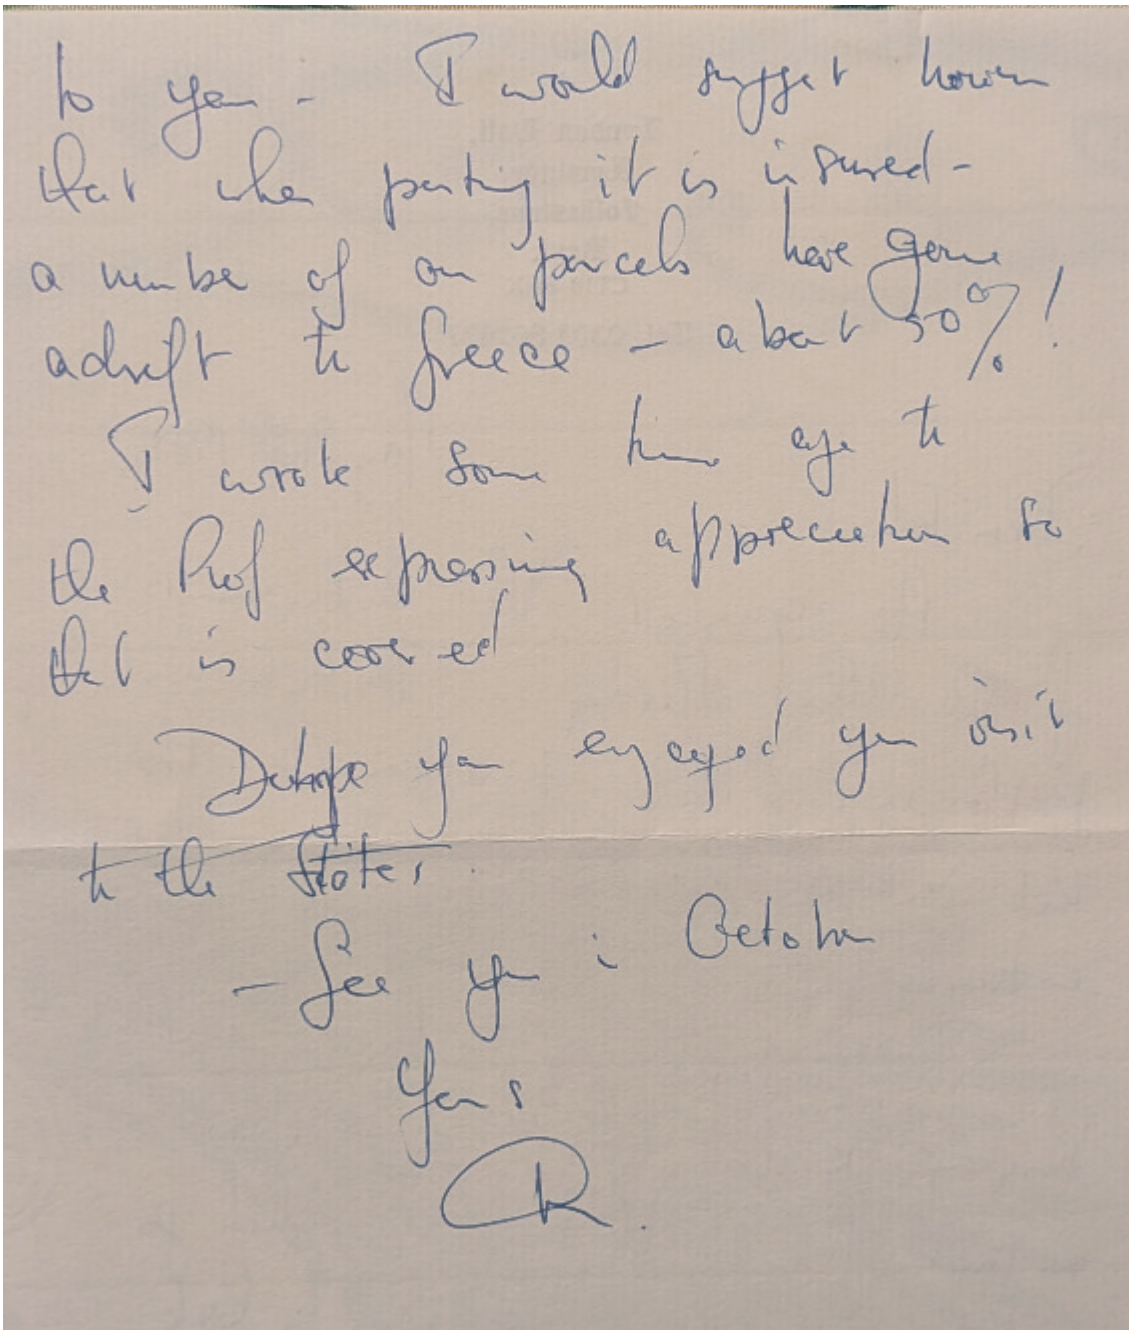
Dear Jck.-

As requested the disbursements for the Athens Meeting - I think most people signed it - & apparently those who went on the Classical Tour were entranced.

The concept of a book on Plastic Surgery of Head & Neck is excellent as a gift for Prof. Martis. I did go in today to the RCS Centre to look at Catalogues - it was closed - non-stat holiday!

May I therefore leave the choice



to you - I would suggest however that when posting it is insured - a number of our parcels have gone adrift to Greece - about 50%!

I wrote some time ago to the Prof expressing appreciation for the [illegible] is covered

Perhaps you enjoyed your visit to the States.

- See you in October

Yours

23 May

Dear John,

Herewith my cheque for £112-03 for the Athens Dinner.

Mary and I send our warmest thanks to you John for a most marvellous visit to Greece. We enjoyed every moment and really "wallowed" in

our first experience
of life in a "Hilton"!!!
our Greek hosts were
most kind and we
greatly enjoyed their
company.
The 4 day tour was a
great success - early
morning seminars
under an olive tree
at Delphi were quite
superb. Again our thanks
Sincerely, Maurice

1989 Plymouth - October

ORAL SURGERY CLUB OF GREAT BRITAIN

The Annual Meeting of the Club will take place at Plymouth under the Presidency of Mr T.C. Crewe on Thursday, October 26th and Friday, October 27th 1989. The Scientific part of the Meeting will be held at the Postgraduate Medical Centre at Derriford Hospital and the 'headquarters' Hotel is to be The Grand Hotel, Elliot Street, The Hoe, Plymouth PL1 2PT. Telephone No.(0752) 6611
35 twin/double rooms and 10 single rooms have been booked and will be held until the 1st August 1989. Bookings after the 1st August will be subject to availability and cannot be guaranteed the special price. The price offered for bed and breakfast, executive standard rooms: £23.00 per person per night in a twin/double room and £35.00 per person per night in a single room with the prices including full English breakfast, service and vat. Members intending to come are responsible for making their own bookings direct with the Hotel, and you should quote the special rate mentioning the Oral Surgery Club and confirm your booking in writing.

The Annual General Meeting of the Club will be held at 5.00 p.m. on Thursday, 26th October 1989 at The Grand Hotel, Plymouth, with tea being served from 4.00 p.m. onwards.

A Scientific Meeting will take place on Friday, October 27th in the Postgraduate Medical Centre at Derriford Hospital where the President has arranged a full day programme of varied and wide interest and is due to start at 9.00 a.m.

The Club Dinner will be held at Boringdon Hall at Plympton on Friday, 27th October, 7.00 p.m. for 7.30 p.m. (Members only, Black Tie).

oooooooooooOOOOOOOoooooooooooo

The Spring Meeting for 1990 is to be arranged and the membership will be circulated in due course.

oooooooooooOOOOOOOoooooooooooo

Please return to Hon. Secretary by 1st September 1989. Delete as appropriate, but you are advised to book with the Hotel by 1st August if this is at all possible.

I intend to be present at the Meeting of the Club at Plymouth, 26/27th October 1989.

I am unable to be present.

I shall/shall not be staying at the Grand Hotel.

I shall/shall not be present at the Club Dinner.

18th October 1989

Dear

May I remind you of the Committee Meeting of the Oral Surgery Club to be held at The Grand Hotel, Elliot Street, The Hoe, Plymouth, Devon, on Thursday, October 26th at 4.00 p.m. At that meeting we shall be discussing membership and the President for 1991/1992. I will also welcome guidance with regard to the venue of the Spring Meeting for 1991.

I look forward to seeing you.

Best wishes.

Yours sincerely,

J C Bradley.
Hon. Sec.
Oral Surgery Club.

ORAL SURGERY CLUB OF GREAT BRITAIN

Committee Meeting to be held in The Grand Hotel, Elliot Street, The Hoe, Plymouth, at 4.00 p.m. on Thursday, October 26th 1989.

AGENDA

Apologies. Williams, Banks, Simpson. Jones.

20 October 1989

Dear John,

I have sent copies of this to all attenders. See you next week!

THE ORAL SURGERY CLUB OF GREAT BRITAIN
Meeting Plymouth - October 1989

Welcome to Plymouth.

The members who are attending this meeting are:-

H ALTY	M AWTY	P BANKS
D BARNARD	J BRADLEY	P BRAMLEY
H P COOK	T CREWE	D DOWNTON
G EMERSON *	T ENGLISH	M FOSTER
J GIBSON	J GORMAN	W GRAY
T HALL *	D HENDERSON *	I HESLOP
G S HOGGINS	P JAMES	M JONES
R JUNIPER	P LEOPARD	P LEWARS
P Mc ANDREW	G MANNING	D MASON
C MERKX	E J R MORGAN	M NEWELL
R O'NEILL	L OLDHAM	D POSWILLO
N ROWE	C ROWSE *	A SEAR
W SIMPSON	D SMITH	M WAKE
R WHITLOCK	J WILLIAMS	D WILSON

* =Not staying at the Grand Hotel.

On Thursday, the Committee meets in the Harlequin suite at 1530. The rest of the members will assemble for tea and biscuits in the hotel restaurant from about 1600 hrs until they join the committee in the Harlequin suite for the AGM at 1700 hrs.

It is intended that members and their wives take dinner in the Hotel on Thursday evening, on an informal basis, as a sort of general "get-together".

On Friday 27th, the members will be taken to the Medical Centre by coach, leaving the Hotel at 0830. They will be away all day, returning briefly between 1700 & 1800 hrs, before leaving again at 1900 by coach for their formal dinner. They will return by coach by about midnight.

I shall enclose a couple of rough maps to indicate how to find the Grand Hotel, (and the Astor for those staying there). Also a programme for the Friday meeting.

Yours sincerely,

Ian

T C CREWE

P.S. Dennis Penney has cancelled for family reasons.

14th November 1988

Dear Tom,

With regard to your meeting in Plymouth in the Autumn of next year, I don't seem to have got a note of the dates. I know at a previous meeting it had been suggested that we put back the date of the Autumn meeting by one week to avoid it clashing with a Faculty Meeting which seems to always occur during that week and also in consideration to our junior members whose children have half-term always at the time of the Autumn meeting at the end of October. You have obviously made the arrangements now which we will stick to but could you let me know the dates that you have actually arranged.

Very many thanks.

Best wishes.

Yours sincerely,

J C Bradley

BURNLEY
Lancs. BB10 2QS

Dear John,

Thank you for writing about the next Autumn meeting.

I have so far made arrangements for Thursday/ Friday 26th/27th October.
This includes the Grand Hotel on Plymouth Hoe, who have offered us quite a good deal. -B&B at £35 per person per night in single rooms and £23 per person per night in twin/double rooms. I have also asked for a conference room there for the Committee meeting and AGM on Thursday afternoon. Boringdon Hall at Plympton for the Club Dinner; and the new Medical Centre at Derriford for the scientific meeting. (The Medical Centre is being built at present and should open in September. If it is not ready in time, we shall be at the old Medical Centre).

If you wish I could try to move these to the following week. This might not be possible, but is worth an attempt if you think it would be worth while.

Pam Lewars has kindly agreed to look after the ladies. This will make her the first person to fulfil this role twice!

Incidentally, could you let me have a note of the numbers of members (and wives) who attended the Canterbury meeting, and who stayed at the Hotel. I can then give them a firmer estimate of the numbers to expect.

Best Wishes.

Yours sincerely,

T C CREWE

Tel. No. Nelson 64535

21st November 1988

Dear Tom,

Thank you for your letter of the 16th November and I note the dates of the meeting which you have arranged for the Autumn meeting of 1989. I think you have made these arrangements quite a while ago and I don't think we should alter them because I think we shall run into difficulties and I am prepared to keep things as they are. If we try and change it it will mean an awful lot of extra work for you and we could run into untold trouble so I am believer that once things have been decided on then one sticks to it unless there are some very overriding reasons to do otherwise.

The provisional arrangements you have made seem fine and obviously a little nearer the time I will come back at you. The final numbers of the Canterbury meeting were that 39 attended the scientific programme, 63 (that included the wives) came to the reception with a further 38 people attending the dinner with two additional guests who were in fact speakers. 33 members stayed at the Hotel and 22 wives and 21 wives went to the ladies programme. This is very average for our Autumn meetings And I hope this will be of help to you.

Very best wishes.

Yours sincerely,

J C Bradley.

BURNLEY
Lancs. BB10 2QS

Dear John,

I arrived home from Israel on Sunday night and am now working my way through mounds of mail in approximate order of urgency.

No doubt it is time to send out information to the Club members about the October meeting.

It will be at the Grand Hotel, Elliot Street, The Hoe, Plymouth, PL1 2PT. Telephone (0752) 661195.
We shall gather at the Hotel on the afternoon of Thursday 26 October, and the scientific meeting and Dinner will be on Friday 27th.

We have block booked 35 double/twin rooms and 10 single rooms, which will be held until 1 August 1989. Bookings after 1 August will be subject to availability and cannot be guaranteed the special price.

The price offered is Bed & Breakfast, Executive standard rooms:

£23 per person per night in a twin/double room
£35 per person per night in a single room
(Prices include full English breakfast, service & V.A.T.)

(They also offered a reduced rate for Dinner, B & B but I do not think this will really be suitable for our group.)

Members should make their reservations directly with the Hotel and **MUST** quote the special rate, mention the Oral Surgery Club, and confirm their booking in writing.

I hope this includes all the esential information for the present.

With best wishes

Yours sincerely,

T C CREWE

16th June 1989

Dear Tom,

Many thanks for your letter of the 7th June which was waiting for me on my arrival back from the States. The arrangements you have made seem excellent and I will be getting out in the next week a formal notice of the Autumn meeting so that people can make appropriate arrangements with the Hotel before the deadline of the 1st August. The notice will be of the briefest nature and those intending or hoping to code will get further information nearer the time such as programmes etc.

With regard to next years meeting in the Spring. I feel that we should perhaps be going to a more high powered unit than the last meeting and I had in mind to try and arrange a meeting with Professor Abiholme in Oslo so that we may learn about their methods of dealing particularly with hare-lip cleft palate, it is of course a world renowned Unit and I think it is about time we visited it. Mind you, looking at the costs of going to Athens it would be almost as cheap to go to San Fransisco which is just a thought but such a major move outside Europe no doubt would have to be discussed by the Committee.

I hope you enjoyed your Tour and the Meeting in Israel.

I will be in touch with you again a little later on in the Summer with more detail.

Very best wishes.

Yours sincerely,

J C Bradley.

10 August 1989

Mr J C Bradley
53 Reedley Drive
Reedley
BURNLEY
Lancs. BB10 2QS

Dear John,

I thought I should let you know the present state of play about the October meeting (and send you my registration!)

The hotel bookings have been going quite well as far as I know. I think the block booked numbers for single rooms were exhausted a few days before the deadline of 1 August so some members might have to pay the standard rates for their rooms.
A room for the Committee meeting and AGM will be available from about 4 pm on Thursday 26th. There will be tea and biscuits in the lounge from 4 pm for the assembling multitudes.

I have not arranged a formal dinner for the Thursday night but have told the hotel people that members and their wives will have dinner in the hotel on an informal basis. As most people will have travelled quite a long distance, I think this arrangement should allow opportunity to mingle without needing to travel outside the hotel.

The scientific meeting will be held on Friday morning at the new Medical Centre at Derriford Hospital. This is a bit of a cliff-hanger. The Centre is not completed yet because of an incredible number of delays, but there is reasonable hope that it will open early in October. If it is NOT ready, we shall use the old Medical Centre at Freedom Fields but this will mean a cross city bus trip to Derriford for lunch, which the Plymouth Health Authority is providing for us. (In part of the same room where we had the BACMS dinner in 1985).

After lunch, we hope to visit the Underwater Research Centre at Fort Bovisand, and then move to St Luke's Hospice where we have been offered tea.

My fears about Boringdon Hall have been realised. After their fire in the Spring, they changed hands and now will not be operative again until mid November! I have therefore re-arranged the dinner to be held at Fort Polhawn. This is a converted "Napoleonic" Fort across the Tamar near Rame Head on the Cornish coast. It has some "character" and I think they will do their utmost to please us.

I do not know what else will go wrong but no doubt the challenge of coping will be worth while!

With best wishes

Yours sincerely,

T C CREWE

18th August 1989

Dear Tom,

Many thanks for your letter of the 10th August. I think the arrangements that you have made are excellent and the change in the venue for the Dinner seems fine. What with a Reception in a Martello Tower last year the Club will becoming expert in naval defences of the early 19th Century! However, what I am pretty sure is that the standard of catering in those days were not quite up to what can be provided today! You do seem to be having a rather 'cliff hanging' time what with the Dinner and the Scientific Meeting at the Lecture Hall but as Norman Rowe always said to us juniors when we were going nearly hairless when things were not going quite right, he always had great confidence in saying "it will be alright on the night old boy!" I am sure this is a tru-ism. I am coming down on the Wednesday and have booked into the Hotel for that night. I thought it might be an opportunity for the two of us to have a bit of a chat possibly that evening and certainly we will have the Thursday morning in which to make any final decisions/arrangements! However, I will of course be in touch well before then.

Thank you also for your return slip, it helps a lot with the totting up of numbers but there has been a very good turn-out and as you said in your letter all the single rooms have been exhausted at the special rates. I suspect also that the double rooms have been similarly affected as I have received a note from Derek Pearson saying he couldn't get in. I have written back telling him that he probably can get in but not at the reduced rate and have advised him to contact the Hotel again. If there is truly no further space in the Hotel I have told him to come back to me and I will be in touch with you to find out another Hotel nearby of satisfactory standard. At the moment I have had 30 positive replies.

Very best wishes.

Yours sincerely,

J C Bradley.

Dear John,

THE ORAL SURGERY CLUB OF GREAT BRITAIN

I am writing to enclose the programme for the morning session on 27 October.

After lunch the coach will take us to visit Fort Bovisand Underwater Centre and then to St Luke's Hospice for tea, before returning to the Grand Hotel.

The dinner in the evening will be at Polhawn Fort at Rame and the coach will take us there and return us to the Grand Hotel by about midnight. (Black tie).

11th October 1989

Dear Tom,

Further to my letter to you of the 8th September there has only been one addition to the list of names that I sent to you which I mentioned to you over the 'phone recently. That is that Juniper is coming and he will be staying at the Grand Hotel. This will now make a grand total of 43 attenders. Peter Banks cannot get to the Annual General Meeting because of commitments up in London and the same thing applies to David Barnard but both will be joining us for the Friday.

With regard to the Treasurer's Report, I will have to give that and Mike Awty will be bringing the account books with him on the Thursday and we can get that audited at the time of the Committee Meeting.

Very best wishes.

Yours sincerely,

J C Bradley.

18th October 1989

Dear Tom,

Many thanks for your letter of the 10th October together with the programme of the Scientific Meeting. This seems fine and you have given them a very varied day. I am certainly looking forward very much to the visit to Fort Bovisand Underwater Centre as I think this will generate a lot of interest.

I am circulating everyone now on the Committee to remind them to be at the Hotel at 4.00 p.m. for the Meeting and I will give you a ring when I get to the Hotel on Wednesday night. I confirm that we shall have 43 members sitting down to Dinner on the Friday night.

Yours sincerely,

1st November 1989

Dear Tom,

Just a brief note to thank you very much again for such an excellent Meeting down at Plymouth. I thoroughly enjoyed it and found the whole thing most interesting, particularly the Diving School. I have written to Peter Banks and I have suggested he collects £8.00 per head for the Hospice and £4.00 per head for the Diving School which you can ultimately send cheques to both.

I have spoken to Peter Clarke on the 'phone and he is absolutely delighted to be asked to be President for the Year 1991-1992. He had some slight reservation in that the last weekend in October he is committed for the next 2/3 years because he is Colonel in Chief of a Field Ambulance and they always have an exercise that particular weekend. I told him that the date wasn't fixed and in many ways it was better if it could be put back a week as it would avoid quite a number of clashes and he is going to let me know whether to use the first or second weekend in November. As far as accommodation and catering establishments are concerned in Aberdeen, these seem to be functioning fully 12 months of the year. It would mean that people like David McGowan would be able to get to the Meeting then. Derek Henderson would then follow on after Peter Clarke.

Very best wishes.

Yours sincerely,

J C Bradley.

1st November 1989

Dear Peter,

I am sorry I missed you on the Saturday morning to hand over the account book to you as I didn't realise you were leaving by an earlier train. I return the account book duly audited and signed together with the statement of account which I have appended in the accounts for you.

I also enclose a list of those who attended. You will note that Eric Morgan did not attend the Scientific Meeting but came to the Dinner, David Poswillo was ill with flu and something prevented Bill Simpson from getting down to us. Tim Hall did not come to the Dinner as he had to return to Portsmouth that night.

I also enclose a photocopy of Longman's invoice to me with regard to the book we sent to Professor Martis, the amount owing to me is £86.25. I will place the cost of postage and insurance as part of my routine secretarial expenses and this will appear in this year's expenses.

Kees Merkx has requested that when you send the bill to him for this Meeting would you kindly quote the Bank address, its Sort Code and our Account Number because he is going to effect payment by Bank Transfer.

I discussed with Tom the suggestion that we should make a donation to St Luke's Hospice from the Club. I also pointed out to him that the Diving School was also a registered charity and it might be appropriate if we sent them a donation as well. I would suggest that we send £8.00 per head to the St Luke's Hospice and £4.00 per head to the Diving School. Perhaps you could liaise with Tom Crewe as to whom the cheques should be made out to as he is going to write the appropriate letters.

I thought Tom had put on an excellent Meeting for us and I think everybody enjoyed it very much indeed.

Very best wishes.

Yours sincerely,

J C Bradley.

Dear Dr Leather,

I am writing to you on behalf of the President of the Oral Surgery Club of Great Britain, Mr T.C. Crewe and members to thank you for hosting us at the Lunch provided most kindly by the Plymouth Health Authority on Friday, 27th October. It was a most pleasant occasion and we were most delighted that you were able to share our company at our Dinner that evening. Needless to say Tom Crewe put on an excellent Meeting which was appreciated by all those attending and we are most grateful to your Consultant colleagues who provided the lectures during the day. We found these were most interesting and instructive and all-in-all felt that the Meeting had been most successful. Thank you again for your very kind support to us.

Very best wishes.

1st November 1989

Dear Mrs Bound,

I am writing to you on behalf of the members of the Oral Surgery Club of Great Britain to thank you very much indeed for all the time and effort that you must have spent helping Mr Crewe arrange what was a most successful Meeting of the Club at Plymouth. Few realise how much work one's secretary gets volunteered for when arranging one of these Meetings until such a Meeting has to be arranged. I for one have had to arrange a number of meetings of this nature over the years and it always seems to involve a tremendous amount of work. The success of the Meeting is I am sure a reflection on the excellent ground work that was done by you and I am certainly most grateful as the Organising Secretary of the Club for the support you have given us. I know that Tom Crewe is extremely grateful and we were all so pleased for him that the Meeting went off so smoothly.

Thank you again.

Very best wishes.

Yours sincerely.

J C Bradley.
Honorary Secretary.

11/5/89

Dear John,

Thank you for your letter and for the cartoon by Gorge V - absolutely brilliant ! He should turn professional, the standard of his work and the style of drawing are superb.

As you say, how he would portray oral surgery makes one shudder - no doubt this will be left until your retirement when you can make the classic remark about being'interested to view the cartoon of your colleague who retires as Head of the Gynaecology Department next week !'

Plato - or some such learned person is reputed to have said: "Beware of Greeks bearing gifts" and perhaps this should be amended to include restauranteurs flourishing menus. However, to mix up the metaphors even more they will have met their Waterloo(or whatever the appropriate battle in the Iliad was called) in JCB.

I am delighted to know that you will be at the Mackenzie Lecture and consider this very noble of you in view of all your other commitments. Since you are collecting cartoons, perhaps you would like to have the enclosed which might amuse you. It was drawn by Jack Diner, who started his career in Journalism in Chicago,became a cartoonist, and then studied maxillofacial technology. He was head of the department at the University of Arkansas Medical School and married the Senior Radiologist. The broken down shack portrayed(the building not the person) in reality houses, inter alia, six CT scanners ! Jack Diner spent some six months with

PTO

Brian Conroy at Roehampton and it was through this that I got to know him. Sadly, he died from a coronary the year after this cartoon was drawn. It is a copy of the original which I have at home. The reference to "Hot Sprangs - That Away" relates to my next stop on the trip where Bob Johnson is in practice. I don't remember whether you met him at Roehampton but he did some postgraduate studies there on three occasions .

I look forward to seeing you en route to California,

With best wishes to you and Sue,
Yours sincerely,

Norman

ORAL SURGERY CLUB OF GREAT BRITAIN

The Spring Meeting of the Club is to be held under the Presidency of Mr T.C. Crewe in Montpellier, France, by the kind invitation of Professor Francois Souyris on Thursday 17th May and Friday 18th May at the Hopital Lapeyronie Service de Chirurgie Maxillo-faciale et Stomatologie, University of Montpellier. Travel outward would be Wednesday 16th May and return Saturday 19th May, 1990.

There is an International Airport at Montpellier but members wishing to travel by road, Montpellier is 480 miles south of Paris. Those wishing to come should indicate whether they are likely to travel by air or by road, and if the latter would be prepared to join forces with others. Details such as hotel and the programme that is to be arranged for us will be circulated to those indicating their intention to attend and I should be grateful if could let me know by January 31st as it will assist me in arranging for a suitable hotel.

****

The Autumn Meeting, 1990, will be held at Ipswich under the Presidency of Mr W. Gray on 25th & 26th October 1990.

- -

I intend/do not intend to visit Montpellier 17/18 May 1990.

I will / will not be accompanied by my wife.

I / We intend to travel by air.

I / We intend to travel by road.

Taking additional passengers would not be possible.

I would be able to take ..... passengers and/or join forces (delete where appropriate)

Please return by 31st January 1990 to,

Cher monsieur,

Je suis arranger une visite des chirurgien anglais, le 'Oral Surgery Club of Great Britain' avec Professor Francois Souyris, l'Hopitaux Lapeyronie, Montpellier en Mai 16 -19 (arrive a 16 et depart 19).

J'ai besoin de dix-huit chambres a deux personnes et quatre chambres à une personne. Avez vous des chambres?

Merci beaucoup,

Cordialement à vous,

J.C. Bradley,
Secretaire,
Oral Surgery Club.

18th October 1989

Professor Dr. Francois Souyris
5 Rue de Nazareth
34 Montpellier
FRANCE

Dear Professor Souyris,

The President and members of the Oral Surgery Club of Great Britain have asked me to write to you to ask if it would be possible to arrange a visit of this old travelling Surgical Club to your Unit in the Spring of 1990. The Club was Founded in 1936 and has a limited membership of 40 active members. We have two Meetings a year, one of which is usually spent on the Continent of Europe visiting colleague's Units and the Meetings usually last over a period of 1 - 2 days. Our visits are fairly informal and we have found over the years that these visits are of great help and benefit to everyone concerned and provides a very useful forum to discuss the difficulties and problems of treatment of often the more complex case.

If it is possible to arrange such a visit I was thinking whether this could be arranged towards the end of April or into May. The numbers of people attending such Meetings varies of course but in recent times the numbers have been between 12 and 20 members attending.

I look forward very much to hearing from you.

Very best wishes.

Yours sincerely,

J C Bradley.
Hon. Secretary.
Oral Surgery Club of Great Britain.

29th November 1989

Professor F Souyris
Hopital Lapeyronie
555 route de Ganges
34059 MONTPELLIER CEDEX
FRANCE

Dear Professor Souyris,

Very many thanks for your letter of the 6th November and I am so pleased that you are able to accommodate our Club to Montpellier. I have discussed possible dates with our President and he has suggested that perhaps we could come and visit you on Thursday, 17th May and Friday, 18th May. I would therefore anticipate that members of the Club would arrive on Wednesday 16th at the latest and would be returning on Saturday 19th at the earliest. However, I am sure a number will take the opportunity of extending their stay to Montpellier to visit the whole area.

With regard to content. Meetings usually last for 1½ - 2 days although the average is normally 1½. Friday lunchtime we very often finish and our Hosts show us a little of the locality. Traditionally the Club entertains our guests at a Dinner on the Friday night, which we usually hold in a good local restaurant. With regard to the content of the Programme we like to hear about the main interests of the Surgical Unit concerned but we are certainly interested in Orthognatic Surgery, Hare-lip and Cleft Palate Surgery together with Head and Neck Surgery and Reconstruction. I am sure our members would be very interested to have a conducted visit around Montpellier and to see the Faculty of Medicine at your very famous old University.

I will now be circulating the membership to find out the numbers who are likely to come to give you some idea of the size of the party.

I will be in contact with you again early in the New Year and look forward to meeting you in May.

Very best wishes.

Yours sincerely,

J C Bradley.
Honorary Secretary.
Oral Surgery Club of Great Britain.

1st March 1990

Professor F. Souyris,
Hopital Lapeyronie,
555, route de Ganges,
34059 MONTPELLIER CEDEX,
FRANCE.

Dear Professor Souyris,

Further to my letter to you of 20th November 1989, it would now appear that we have 23 members and 19 wives wishing to come to Montpellier. This is a little larger attendance than is usual for the Cluband I hope that you will be able to manage this number. I have written to the local Tourist Information Office for a list of hotels and restaurants but I have had no reply after three weeks. I was wondering therefore if your secretary would be so kind as to ask them to send these details so that I can make appropriate arrangements with a hotel. The Club, as I have said,in my letter of November, has a tradition whereby our hosts are entertained as our guests at a Dinner on the Friday night and I need to contact a good standard restaurant. In France, I aim for either a Michelin rosette restaurant or failing that take local advice! I note from my guide that a the Chandelier is listed and you may be able to advise me further on this matter.

It has occurred to me that when your secretary contacts the Tourist Information Office if they could send me a map of Montpellier this would also be helpful to me. I enclose a list of those who have indicated their intention to come. I will be writing to you again immediately after Easter to confirm final arrangements.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

3rd April 1990.

Dear

Oral Surgery Club visit to Montpellier
16 - 20 May 1990.

I have booked us into the Hotel des frênes, Rue Puech villa, Parc Euromedécine, 34090 Montpellier (Tel: 67.61.11.95) as it is close to the hôpitaux Lapeyronie, 555, route de Ganges. It is a ** hotel, prices 230f single and 260f double and I assume nearly everyone will arrive on the Wednesday night. I have also assumed that most of you will be flying and taking advantage of Apex fares which means leaving on Sunday 20th May. Please advise me accordingly , if you have not done so already if your arrangements will be different from the above as the booking is in my name and position as Secretary of the Oral Surgery Club. The hotel has the list of names. I enclose a map to give you a little idea where abouts the hotel is situated.

We have 22 members are coming with 17 ladies and I enclose the list. I have not received the scientific programme as yet but let you have it when I receive it. I am sorry if this has caused some apprehension where we were going to stay but the rate of reply from the commercial side has been somewhat gentle!

Messrs AWTY, GRAY, GORMAN, JAMES, JONES, HENDERSON, McANDREW, McGOWAN, MOOS, OLDHAM, O'NEIL, QUANT, ROWSE, SEAR, SMITH, WHITLOCK, WILSON et mesdames, MessrsBRADLEY, CREWE, MERXX, SIMPSON & WARD-BOOTH seulment.

No doubt I shall see some of you at BAOMS Manchester or on the flight.

Best wishes,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club.

Dear

Re: Oral Surgery Club Meeting at Montpellier.

This is just a brief note to let you know of a social engagement that has been arranged for us at the home of Professor Souyris on the Thursday evening. He has invited us, plus of course our lady's for a buffet meal at 8.00 p.m. but prior to that he is going to take us round the old Faculty of Medicine leaving about 5.30/6.00 p.m.

With regard to the Dinner on the Friday evening. The base meal is about £30 per head plus wine. We shall be of course entertaining several of the Professor's party which will mean each member will face as in past years essentially a 50% increase on that.

Best wishes.

Yours sincerely,

J C Bradley.
Hon. Secretary.
Oral Surgery Club.

25th April 1990

Dear Professeur Souyris,

Thank you so much for your letter of the 15th March and I must apologise for the long delay in answering it to you. I am afraid I have been inundated with clinical and professional work during this last month being deeply involved with the Spring Meeting of the British Association of Oral and Maxillofacial Surgeons held at the beginning of April in Manchester amongst a host of problems. In the midst of all this I am afraid I contracted an acute vestibular neuritis which has made life most difficult!

However, thank you for your help with a more updated version of the Michelin Guide and I have decided for organisation reasons to try and base as close to your Unit as possible as I have found in the past if you were any great distance away this presented problems trying to get people together first thing in the morning! We are in fact going to stay at Hotel des frenes which is in the Parc Euromedecine.

Your suggestion of going to the Restaurant Chandelier is excellent and the price of 300 F would seem to be reasonable as a base price. The other Restaurant you mentioned, the Reserve Rimbaud appears to be equally pleasant and perhaps as you probably know both these Restaurants I will leave you to choose which one you think would be the nicest to go to!

Next I must thank you very much indeed for the most kind invitation to your house on Thursday evening and to look at the old Faculty of Medicine prior to your reception at your home to have a look at the old Library, which will be most interesting to see. I know that Mike Awty is looking forward to seeing you again after all this time! Since I wrote to you one or two of our members have now written in regretting their inability to come. Our party now consists of 21 members and 14 wives making a total of 35 as a party. I enclose the updated list for you.

I should be arriving with I think a number of people on Wednesday, 16th May, arriving at the Airport at 16.40 hours so I should be at the Hotel by around about 18.00 hours. Perhaps I could meet you or a member of your staff then.

We are all very much looking forward to seeing you, meeting your staff and seeing your Unit.

Please again accept my apologies for the delay in answering.

Very best wishes,

Yours sincerely,

J C Bradley,
Hon. Secretary,
Oral Surgery Club of Great Britain.

Cher Confrère,

Je vais essayer de répondre le plus complètement possible à votre lettre du 1er mars.

Vous trouverez ci-joint des copies du Guide Michelin qui est certainement un très bon moyen pour la réservation d'hôtels. Je vous recommande l'Hôtel de Noailles qui est situé dans la vieille ville mais qui a peu de chambres. Les autres hôtels situés dans le quartier du Polygone (ALTEA et SOFITEL) sont également très recommandables. Enfin, l'Hôtel Métropole est de catégorie supérieure et certainement un peu cher.

Pour ce qui est du restaurant, j'ai téléphoné au Chandelier qui peut accueillir un groupe d'une quarantaine de personnes. Les prix sont variables, il faut compter 300 F pour le prix le plus bas. Un autre restaurant intéressant est la Réserve Rimbaud où l'on peut dîner en plein air sur la terrasse à condition qu'il fasse beau.

Je serais heureux d'inviter les membres du Club et leurs épouses à mon domicile, le jeudi 17 mai à partir de 20 Heures pour un dîner buffet. Auparavant, nous aurons la possibilité de visiter la Faculté de Médecine à partir de 17 H 30 ou 18 H. Nous pourrons organiser une exposition de livres anciens au cours de cette visite. Je me réjouis de recevoir vos membres, en particulier mon ami Mike AWTY que j'ai connu à East Grinstead il y a plus de vingt-cinq ans.

Si vous voulez me téléphoner, vous pouvez appeler le matin vers 8 H 15 au 67 33 82 32.

Je vous prie d'agréer, cher Confrère, l'expression de mes sentiments les meilleurs.

Professeur F. SOUYRIS

Professor F Souyris

1990 Ipswich - October

ORAL SURGERY CLUB OF GREAT BRITAIN

The Annual Meeting of the Club will take place at Ipswich under the Presidency of Mr W. Gray on Thursday, October 25th and Friday, October 26th 1990. The Scientific part of the Meeting will be held at the Education Centre of the Ipswich Hospital, Heath Road, Ipswich and the 'headquarters' Hotel is to be the Post House Hotel, London Road, Ipswich, Suffolk IP2 OUA, telephone no. 0473-690313. 35 twin/double rooms and 10 single rooms have been booked and will be held until the 1st September 1990. Bookings after that date will be subject to availability and cannot be guaranteed at the special rate. The price offered for bed and breakfast for Thursday 25th October will be £30 per person in a twin/double room and £35 per night in a single room. Prices include full English breakfast, service and VAT. For the Friday night and for the rest of the weekend there is a special room rate of £39.50 for room only (full English Breakfast £7.50 per person if required). For single rooms the rate of £35 per night inclusive is available for the Friday night and this is more advantageous than the room only rate. Members intending to come are responsible for making their own bookings direct with the Hotel, and you should quote the special rate mentioning the Oral Surgery Club and confirm your booking in writing.

The Annual General Meeting of the Club will be held at 5.00 p.m. on Thursday, 25th October 1990 at the Post House Hotel, Ipswich, with tea being served from about 3.00 p.m. onwards. A Reception will be held at the Seckford Hall Hotel Woodbridge and transport will be arranged for this evening function to which wives are invited.

The Scientific Meeting will take place on Friday, October 26th in the Education Centre at the Ipswich Hospital where the President has arranged a full day programme of varied and wide interest and is due to start at 9.00 a.m.

The Club Dinner will be held at Hintlesham Hall, Hintlesham on Friday, 26th October 7.00 p.m. for 7.30 p.m. (Members only, Black Tie).

oooooooooOOOOOOOooooooooooo

The Spring Meeting for 1991 is to be arranged and the membership will be circulated in due course.

oooooooooOOOOOOOooooooooooo

Please return to Hon. Secretary by 14th September 1990. Delete as appropriate, but you are advised to book with the Hotel by 1st September if this is at all possible.

I intend to be present at the Meeting of the Club at Ipswich, 25/26 October 1990.

I am unable to be present.

I shall/shall not be staying at the Post House Hotel.

I shall/shall not be/accompanied by my wife/at the Reception on Thursday 25th October

I shall/shall not be present at the Club Dinner.

ORAL SURGERY CLUB OF GREAT BRITAIN

IPSWICH, OCTOBER 25TH AND 26TH 1990.

John

Dear Club Member,

I am delighted to know that you will be attending the meeting of the Club in Ipswich on October 25th and 26th, when I think we should have an interesting and enjoyable meeting.

The Annual General Meeting of the Club will be held in the Wolsey Room of the Post House Hotel at 5.00 p.m. on Thursday 25th October. Tea will be available from 4.00 p.m. for Club members and wives.

Later that evening, an informal Buffet Supper has been arranged in the Lakeside Suite of Seckford Hall Hotel at 7.30 p.m., dress - lounge suit. Coach transport will leave at 7.00 p.m., with return to the Post House at 11.30 p.m.

On Friday 26th October, members will leave the Post House by coach to visit the Diabetes Centre of the Ipswich Hospital. This unit pioneered the development of a comprehensive diabetes centre in 1985, and has since become a model for similar centres both at home and abroad.

From there we will walk to the Education Centre where the Scientific Programme will take place.

Club members will be the guests of the Ipswich Hospital, Acute Unit, for Coffee, Lunch, and Tea, which will be served in the Education Centre alongside a small Trade Exhibition.

The meeting will conclude with a coach trip to the Port of Felixstowe, courtesy of Felixstowe Dock and Railway Company; return to the Post House should be around 5.45 p.m.

At 7.15 p.m. the coach will leave for Hintlesham Hall Hotel for the CLUB DINNER, which has been arranged at 7.30 p.m. for 8.00 p.m. - Black Tie.

For those members travelling independently, travel directions are enclosed.

A programme for the Ladies has been arranged by Joan for Friday 26th October, which will include a tour of Christchurch Mansion, a visit to Lavenham, and a visit to the Wolsey Theatre in the evening. Ladies taking part are being given details under separate cover.

We look forward to seeing you,

Yours sincerely Willie.

TRAVEL INSTRUCTIONS FOR INDEPENDENT USE

The Post House Hotel - Telephone (0473) 690313

The hotel is about two miles from Ipswich Station, where taxis are available. (Fare £2.75 Approx.)

If arriving by car via A12 from London and the South, or via A45 from the Midlands and the North, take the A1214 at the A12/A45 junction marked IPSWICH WEST. There is a large Tesco Superstore to the left of this junction. The hotel is located 1/2 mile along A1214 on the left.

Seckford Hall Hotel, Woodbridge - Telephone (0394) 385678

If travelling on the A12 or A45, continue on the A12/A45 (Ipswich Southern By-Pass) over the Orwell Bridge, and take the A12 at the second junction past the bridge. Continue to Woodbridge, but do not turn off into Woodbridge. The hotel sign will be seen on the left at the first turn off on the Woodbridge By-Pass. The hotel is on the left a few hundred yards down this small road.

From central Ipswich, Take the A1214 until it joins the A12, then continue as above. (See enclosed Hotel leaflet.)

The Ipswich Hospital, Heath Road - Telephone (0473) 712233 Ext 1504

The Hospital is on the A1189. The Diabetes Centre is at the front of the hospital reached via Gateway HR on Heath Road. The Education Centre is at the rear of the Hospital, reached by Gateway WR on Woodbridge Road East. (See enclosed Hospital and Town maps.)

Hintlesham Hall Hotel, Hintlesham - Telephone (0473) 87268

Hintlesham Hall is on the A1071 signposted Hadleigh. This road runs beside the Post House, and the distance is 3 miles. The entrance to the Hotel is on the right, just past the Church in Hintlesham Village.

ORAL SURGERY CLUB OF GREAT BRITAIN

IPSWICH 25/26TH OCTOBER 1990

Thursday 25th October

4.00 pm	Tea in Post House Hotel

Dear

May I remind you of the Committee Meeting of the Oral Surgery Club to be held at the Post House Hotel, London Road, Ipswich, Suffolk on Thursday, October 25th at 4.00 p.m. At that meeting we shall be discussing membership (four retirements from Active Membership), the President for 1992/3, Honorary Secretaryship and the venue for the Spring Meeting 1992. I know some members of the Committee will not be able to attend but I would be most grateful for their advice on the above subjects and any other matters that they would wish to be raised.

Best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club.

Fickling Downton

ORAL SURGERY CLUB OF GREAT BRITAIN.

Dear John

The Oral Surgery Club Meeting at Canterbury was both interesting and enjoyable and up to the usual high standard.

I have written to Denis to express my appreciation and I would also like to thank you as I know you have done a lot of the organising.

With regard to October 1990, I have made a provisional booking of our Postgraduate facilities for the last Friday in October which will be the 26th in that year. Perhaps you would be good enough to confirm that that will in fact be the date of the Clinical Meeting. It would also be most helpful if you could let me have some copies of the current list of members, as it makes impressive reading and I think it would be most helpful in obtaining local support in various ways. A dozen copies would be useful if you can spare them.

Your advice on another matter would be appreciated. If my memory serves me correctly, the Thursday evening receptions we have had in the past have been as guests of the local Area or District Health Authority as the case may be and if this has been a ~~new~~ tradition, it would be helpful in extracting financial help, which is in very short supply.

Clearly, when the ladies are included, as at Canterbury, one could not expect the District to stump up for the whole thing but perhaps some sponsorship would go some way to making up the shortfall.

continues

No doubt I will have further queries for you in due course, but for the moment I thought I should get some basic groundwork done.

Kind regards,

Yours sincerely

W. Gray
Consultant Oral Surgeon

14th November 1988

Dear Willie,

Many thanks for your letter of the 2nd November and I am glad you enjoyed Canterbury. Denis certainly put on a very good show for us and I think everybody enjoyed it very much.

Thank you very much for letting me know the provisional dates of the meeting in Ipswich. I was wondering whether we could put it back for one week because this particular week the Club has always traditionally had its Autumn meeting is now clashing with a Faculty Meeting at the College which occurs regularly at the same time! Also in consideration for our younger members this date has always clashed with our children's half-term holiday and I personally have suffered as a result of this but my children have now grown up! If it is not going to cause too much difficulty perhaps you could put it to Thursday, November 1st and Friday, November 2nd 1990.

Very best wishes.

Yours sincerely,

J C Bradley

Dear Willie,

Further to my letter to you of the 14th November, I thought I ought to write to you a little more fully. I hope the shift of the date hasn't caused too much trouble to you. I am in the process of producing a list of members for 1989 and I will let you have a dozen spare copies for you to circulate to impress people appropriately.

The Thursday evening reception has very often been given by the Local Health Authority. Some financial help has usually come from the Health Authority usually in deference and to some hopefully thanks for the service that the President has given to the local Hospitals over the years. Whether one should describe this as a tradition I am not quite sure whether this would be wise to say that but certainly where financial help has been given the Club is always extremely grateful to that Health Authority. I need not have to say that we all appreciate the difficulties Health Authorities have in these days of severe financial stringency. As far as the costs of the ladies are concerned this does present a problem but what I would suggest is that in fact they make possibly a grant towards the Reception and the rest of it is paid for by the Club. Certainly sponsorship is very helpful these days in defraying some of the expenses and we usually find that several firms are usually very happy to come. Miss Caroline Harvey of Proplast might be interested as also Waeschle of Bournemouth may well be very happy to come to exhibit. The latter firm of course produce the Champy plating kit which of course the Club saw on its Straasburg visit in 1984. If you have any queries please don't hesitate to come back at me.

Best wishes for 1989.

Yours sincerely,

J C Bradley.
Honorary Secretary.
Oral Surgery Club.

Dear John,

There is no change in my information.

I am sorry I had to miss your trip earlier this year but I look forward to seeing you all in Ipswich in the Autumn. Could you give me some idea of where you are likely to be going in the Spring and what sort of gates I should be guarding from other intrusions ?

Yours sincerely,

15th August 1990

Dear Brian,

Thank you for your letter of the 31st July. I am sorry you missed the last Spring Meeting which was held in Montpellier, this was a very interesting trip.

I am glad you will be able to make the Ipswich Meeting as I know you are very busy. As far as dates for next year are concerned, we are hoping to visit Professor Brusati of Parma, Italy, in May. The dates I have not been able to fix yet but these will be circulated as soon as they are known.

The Autumn Meeting for 1991 will be in Aberdeen and will be on November 7th/8th of that year.

Best wishes.

Yours sincerely,

J C Bradley.

OXFORD OX3 9DU

Dear Richard,

Thank you for your letter of the 18th July concerning the Autumn Meeting of the Club. This has been a problem I have had with the Club ever since I joined it some years ago and it always clashes with half-term. The attitude of the Old Guard has been that the Club started before anything else did and it was of top priority and the Club came first! This of course is all very well and makes it very difficult when one has other duties to perform. I also think that one's family life is important and our families suffer enough as it is thanks to our profession! However, you will be pleased to know that the meeting for Autumn 1991 is going to be held in Aberdeen by Peter Clarke and that has been moved to Thursday, 7th November and Friday, 8th November which would solve a lot of problems for people. For the record I will raise this matter yet again in Committee so that we can get it established that the Autumn Meeting meets at the end of the first week of November. This would therefore avoid the important half-term period. However, your grouse can equally be directed towards CCHDS and indeed the Board of Faculty of the Royal College of Surgeons. When the Club was formed it was the only specialty organisation in Oral Surgery and indeed was very limited to it. I think you have to make your presence felt and not in fact be entirely dominated by everyone else on either of those particular committees.

One of the very great difficulties I have had as secretary is that these other committees domove their dates around at short notice. The best example recently I had was from Ian Heslop for the same reason with the Board of Faculty and then at short notice they then shifted it which of course would have made my position absolutely impossible. You have to point out that if these committees do make a date then they do not alter them either but equally point out that there are other organisations which are important. The Club although has a very nice social aspect to it is in fact very important professionally. It is important that these other bodies realise that they are not the only pebble on a particular individual's beach!

I am hoping to organise a Club visit to Italy in the Spring the dates of which of course have yet to be finalised but I usually try and fix it during the month of May. The problem about the date of that one of course is one is entirely at the mercy as it were of one's hosts and one has to fit in with them.

Best wishes.

Yours sincerely,

J C Bradley.
Hon. Secretary.
Oral Surgery Club.

Dear John

ORAL SURGERY CLUB

I am afraid that it does not appear that I will be able to come to ~~any of~~ the Oral Surgery Club meetings this Autumn. I am on the CCHDS and the Board of the Faculty and those are on the 25 and 26 of October respectively. Additionally it is school half-term.

Would it be possible for Oral Surgery Club meetings to be arranged for a different week. I remember that last year it coincided with CCHDS. Perhaps you could discuss it with next year's President.

Kind regards.

Yours sincerely

11th September 1990

Dear Willie,

re Autumn Meeting of the Club.

Further to our telephone conversation last night, I enclose the state of the meeting as of today. The closing date is the end of the week and I will keep you closely informed over changes in numbers but I anticipate about 40 attenders.

As far as a printed programme is concerned, this can be handed out at the AGM but we shall have to let people know the time of the bus to take us to the Reception before then so that the ladies will know in plenty of time. On second thoughts, I could circulate the programme the week before the meeting to those attending.

Best wishes,

Yours,

Honorary Secretary.

J.Ll.Williams	Yes	1	1	~~+~~	~~+~~
	35 + ?1	53 - 57	33	~~36~~	~~37~~

Further apologies have been received from Hamilton, Hoggins, Merkx, and Rowe

Thank you for the information pack - it looks splendid!! My initial thoughts were to come down early on the Thursday morning aiming to be at the hotel for lunch. I will come down earlier if you feel it would be helpful, probably aiming to get to Ipswich early Wednesday evening, perhaps you could let me know. I will let you have draft copies of the agendas for the Committee Meeting and the AGM and will bring the final copies with me

Mike Wake has probably been in touch with you: he is not well, hypertension I think, and has told to take October off and rest. In the circumstances I think it would be wrong to push him and I have written to him saying that I fully understand why he cannot take on the job. Bill Simpson has spoken to me about the problem and has suggested David Mason at Bradford might be a good candidate. He is a good supporter of the Club and comes to most of our away trips and would probably do it well. He cannot come to Ipswich as he is out in Hong Kong at the time of the meeting, but if you think this is an appropriate choice, I could have a word with him before he goes abroad. He is only 20 miles away from here!

Hope to see you at BAOMS.

Yours

Honorary Secretary,
Oral Surgery Club.

M.J.C. Wake Esq.,
The Lodge,
30a, Frederick Road,
Edgbaston,
Birmingham B15 1JN

2nd October 1990

Dear Mike,

Bill Simpson 'phoned me last night and confirmed my subsequent thoughts about taking on the secretaryship of the Oral Surgery Club. I think you are wise not to take it on and I am very sorry that you have not been well recently and also not taking on a challenging job albeit great fun. Having been burning the candle in too many separate places myself, I more than fully understand! One's health is far more important than any of the so-called 'glory' jobs that we do and I hope your complete rest this month will help.

There is a possible likely lad not far from here in West Yorkshire who is younger than me who I might be able to twist his arm!!

I have noted that you are coming to Ipswich and look forward to seeing you there. In any case I shall see you at the College on Thursday morning.

Best wishes,

Yours,

T.C. Crewe Esq.,
2, Torland Road,
Hartley,
Plymouth,
Devon PL35TS

16th October 1990

Dear Tom,

I enclose the Agendas for the Committee Meeting and the A.G.M. which I trust are in order. I have circulated the members of the Committee to attend at 4.00 p.m. on Thursday 25th October (copy attached).

Murray Foster has kindly agreed to take on the Secretaryship and I think he will do it very well.

Best wishes,

Yours,

W. Gray Esq.,
President,
Oral Surgery Club,
161, Valley Road,
Ipswich,
Suffolk, IP1 4PQ

16th October 1990

Dear Willie,

I enclose copies of the list of attenders to date. Tom Crewe's return slip had gone astray in the post. I also enclose copies of the Minutes for the Committee Meeting and the A.G.M. Murray Foster has kindly agreed to take on the Secretaryship and will be coming down to Ipswich with me making the hand-over much easier. We anticipate getting to the hotel by about 1.00 p.m.

Best wishes,

Yours,

7th November 1990

Mr G T Barnard
Chairman
East Suffolk Health Authority
P O Box 55
IPSWICH
IP3 8NN

Dear Mr Barnard,

I would like to thank you and your Health Authority for the support you gave to the Oral Surgery Club of Great Britain at their Meeting at Ipswich on the 25th & 26th October. This was much appreciated by the members of the Club and we are most grateful to you.

I would like you to know that Mr Gray's Meeting at Ipswich was judged to be of high standard and we were most grateful to him and his colleagues for putting on such an excellent Scientific Programme for us.

Very best wishes.

Yours sincerely,

J C Bradley.
Honorary Secretary.
Oral Surgery Club.

7th November 1990

Mr Ian Baines

Dear Mr Baines,

I would like to thank you and your Health Authority for the support you gave to the Oral Surgery Club of Great Britain at their Meeting at Ipswich on the 25th & 26th October. This was much appreciated by the members of the Club and we are most grateful to you.

I would like you to know that Mr Gray's Meeting at Ipswich was judged to be of high standard and we were most grateful to him and his colleagues for putting on such an excellent Scientific Programme for us.

Very best wishes.

Yours sincerely,

J C Bradley.
Honorary Secretary.
Oral Surgery Club.

Dear Murray,

Firstly Congratulations on your organisation of the Parma Violet. I hope you found time to enjoy it despite being Shepherd, chauffeur, secretary and treasurer all at the same time.

I am not sure how you are handling the finances but I have a recall that I should have settled transfat costs with you before doing Parma for any trip to the 'Lakes'. If so please let me know the debit.

Yours sincerely

SMITH LEOPARD CREWE PENNEY BRADLEY HOGAN ADAMS

1991 Palma - May

ORAL SURGERY CLUB OF GREAT BRITAIN

For our next overseas meeting of the Club, John Bradley has been able to arrange for us to visit Parma, Italy where Professor Roberto Brusati has very kindly agreed to receive us at his Hospital Oral and Maxillo Facial Unit. The dates of the meeting will be Thursday May 2nd and Friday May 3rd 1991.

It is intended to follow a format similar to previous overseas meetings and members may therefore wish to travel out to congregate on Wednesday 1st May. Whilst members should make their own travel arrangements, it is noteworthy from initial soundings that certain flights are considerably less costly if Saturday overnight stay is planned. Parma is just off the main route between Milan and Bologna and can be reached by rail.

It is anticipated that we shall select one main hotel base for the meeting and it is expected that these details, with others, should be available fairly soon.

Dates for the Autumn meeting under the Presidency of Mr Peter Clarke in Aberdeen will be Thursday October 31st and Friday November 1st 1991.

- -

It would be helpful if members would complete, sign and return this portion no later than Friday February 15th 1991.

I shall/shall not attend the meeting in Parma, Italy.

I shall/shall not be accompanied by my wife.

I plan to travel by air/car/rail.

Name ..... Signature .....

Please post to:- Murray Foster (Hon Sec) , 9 Townscliffe Lane, Mellor, Stockport, SK6 5AW.

TELE: 061 427 3833

Dear John,

Just a note before our visit to Parma, Italy to update you on some details. Firstly, we have now received the programme from Professor Brusati and it can only be described as outstanding. It covers so many aspects of our work and has so much running simultaneously that we will need all our reserves (of energy and alertness). In precis form it runs;

Thursday May 2nd

8.30	Theatre:	-	Cleft lip and Palate. Professor Brusati. 5 people plus live video link.
"		-	Department Tours (5 people).
"		-	Short prepared Videos on Cleft Bone Grafting. Pre Prosthetic Le fort I, Palpebral reanimation forearm flap, Condylar Hyperplasia.

During the morning 2 further separate presentations on rigid fixation with patients, and on Cleft lip and Palate.

2.30	Lunch
3.30	Patient presentation (Cleft lip).

Friday May 3rd

8.30	Theatre: -	Mandible reconstruction (Bone Graft) Professor Brusati plus live video link and simultaneous Videos on Temporal flap in TMJ Surgery, Dautrey's, Maxillo-Malar Cheek Flap.
12.30	Lecture: -	(Professor Brusati) on Skeletal reconstruction with Patients.
	Lunch.	
2.00	Parotidectomy.	

Professor Brusati has included Drs Bozzetti, Mannucchi and Raffaini in these presentations.

The members attending are listed overleaf. It was helpful to know your travel arrangements. Whilst many people are hiring cars and have kindly offered spare seats during the visit, nine have expressed a wish to join the mini bus which JCB and MEF will drive. This should enable that group to team up soon after the 2 flights arriving on Wednesday from Heathrow and Manchester at 10.40 and 11.00 respectively and to proceed by road to the Hotel. Road Map copies of the airport area of Milan and of the Hotel/Parma area are enclosed. The Hotel manager would probably be the best person to contact with any crucial messages, his telephone no. with apologies for the earlier error is 01. 039 524.690444. The mini bus is to return to Linate airport in time for the two most popular Sunday flights (12.30 Manchester, 12.50 Heathrow)

A restaurant has been booked on Friday evening for us to entertain Professor Brusati and some members of his team. If any member is Italian speaking it would be helpful to know lest uncharted territory is encountered! It is worth noting that Wednesday is a bank holiday in Italy (labour day) and that cash (rather than credit cards) is the best preferred payment for many items including fuel and autostrado tolls. Also we are 1 hour behind their time. Early May is apparently a time for processions in the Parma area, although the opera "season" as such will have just finished.

It would be appreciated if members could contact me by 'phone/bleep if snags appear, but at this stage the impression is that we have a fascinating visit ahead of us.

Yours sincerely

Murray Foster

M E FOSTER
HON. SECRETARY
ORAL SURGERY CLUB GREAT BRITIAN

P.S. We will collect a minibus from Maggiore at Linate Airport, arranged through Travshire, London. I should have a voucher to exchange (pre paid rate better £368 for 9 days) I shall investigate travel insurance as a driver but the vehicle is apparently well covered.

THURSDAY

8,30 Visit to Department-groups of 5 persons (Dr. Bozzetti)
8,30-11,30 Operating Room: Cleft lip and palate-groups of 5 persons (Prof. Brusati)
8,30-11,30 Room A
Direct video from operating room

9,30-10,30 Room B
Lecture on Rigid Fixation and and presentation of patients (Dr. Raffaini)

11,00-12,00: Lecture on Cleft lip and palate (Dr. Mannucci)
12,00 Operating Room: Repair of hard palate + Gingivo alveolo plasty (Prof. Brusati)
12,00 Room A
Direct video from operating room

12,00 Room B
Videos on:
- Bone grafting in clefts
- Preprosthetic Le Fort I
- Palpebral reanimation
- Condilar hyperplasia
- Foreharm flap

14,30: Pause for lunch
15,30: Presentation of patients with cleft lip

FRIDAY

8,30 Operating Room: Mandibular reconstruction with bone graft (Prof. Brusati)
Room A
Direct Video from operating Room

Room B
Videos on
- Temporal flap in TMJ surgery
- Zigomtatic arc transposition for recurrent luxation
- Maxillo-malar cheek flap

12,30 Lecture on skeletal reconstuction and presentation of patients (Prof. Brusati)
Pause for lunch
14,00 Parotidectomy (Dr. Bozzetti)

8 March 1990

Dear Member

ORAL SURGERY CLUB OF GREAT BRITAIN

Parma Visit

I am writing to confirm that arrangements are progressing for our visit to Parma, Italy to see Professor Brusati. The dates chosen, Thursday and Friday, May 2nd and 3rd are in the middle of an international food materials exhibition in Parma which has made hotel booking interesting, most Parma hotels having been fully booked since December! We are therefore planning to stay at the Hotel Locanda Del Lupo, a first class hotel (four Italian stars) recommended by Professor Brusati in a country village called Soragna which like Parma is on the southern slopes of the Po valley. Whilst April is rainy, May is said to be a dry month and temperatures are around 20 degrees C, being 7 degrees lower at night apparently.

In discussing our visit, Professor Brusati has kindly offered to demonstrate some of his techniques and ideas on the surgery of primary clefts, reconstruction, TM joint or jaw deformity on Thursday followed by some talks and discussion. On Friday it is hoped that we shall see some of his out-patients in the morning and further details should be available regarding the programme in the next letter.

To date, 22 members have expressed a wish to attend with 12 wives accompanying, and that number of rooms have been reserved until the end of March. Members are responsible for their own hotel bookings and should be sure to specify their days of arrival and departure and must mention the club's name on booking. Assuming that most members will be arriving on Wednesday, the hotel restaurant has been booked for the Wednesday evening meal and if required this too should be confirmed with the hotel when booking your accommodation. Charges are 95,000 lire for a single room (150,000 lire for a double) and this covers bed and continental breakfast. Evening meal charges in the apparently good restaurant are around 55 to 60,000 lire plus wine. The manager is Mr Bezzani, Hotel Locanda Del Lupo, Soragna, postcode 43019, Parma, Italy. Telephone number 0524 69044. Telex number 533283.

Regarding transport, some packages have been developed which may be attractive to the majority of members on the visit. In essence these are consolidation flights and the return costs from Heathrow to Milan (Linarte Airport) is £165, whilst Manchester to Milan is £135. These prices are dependant on a minimum of 20 people in total booking through either departure point and may be increased a little if we do not quite fulfil the numbers. Normal costs are £187 and £165 Heathrow and Manchester respectively. These flights refer to an outward journey on Wednesday and a Sunday return. Should members wish to return on Saturday the cost is £374. They should be booked direct with the travel agent offering them, mentioning the Oral Surgery Club name. Details are Top Class Travel, 78 Stockport Road, Marple, STOCKPORT SK6 6AH. Tele: 061 449 7798. Fax 061 449 7240. Telex 668531.

Flight times are as follows:

WEDNESDAY DEPARTURE

HEATHROW	0745	HEATHROW	1150	HEATHROW	1550	HEATHROW	1720
MILAN	1040	MILAN	1440	MILAN	1805	MILAN	2040

MANCHESTER	0830	MANCHESTER	1330
MILAN	1100	MILAN	1700

SUNDAY RETURN

MILAN	0810	MILAN	1250	MILAN	1540	MILAN	1910
HEATHROW	0910	HEATHROW	1340	HEATHROW	1630	HEATHROW	2005

MILAN	1230	MILAN	1750
MANCHESTER	1345	MANCHESTER	1905

The circled times would enable some co-ordination for those favouring mini bus transport.

We then need to consider how best to get from Milan, Soragna a distance of approximately 70 kilometres. A coach would be very expensive and require co-ordination. Many members may wish to hire a car, for we shall need transport for the significant daily journey (27 kilometres) from Soragna into Parma or in the ladies case to allow some freedom to explore the environs. The rail service is apparently good from Milan to Parma, leaving hourly on the hour, but road transport would then be needed to Soragna. Car hire is apparently not cheap in Italy, but if booked with the flight through the same agent, we have a fly drive option as follows.

Car hire Wednesday - Sunday inclusive of insurance (International license advisable from AA/RAC) would be £215 for a smaller car such as a five seater Alpha Romeo (Roof rack extra), or £318 for a car of Granada size. For those members not wishing to brave

the stress and tolls of the Auto Strada, a further option needing co-ordination would be for one or two of us to hire a mini bus (12 seater) under the same deal at a charge of £550, which could be shared, such a plan would allow some flexibility during our stay if members were agreeable. If members would care to agree small groups for car hire, this would be of some assistance.

To co-ordinate this, it is important that members inform me of their preferred choice when booked so that we can ensure we are adequately covered for transport. The tear off slip below should prove helpful if you could complete and post it to me before March 25th, as I shall be away for two weeks soon afterwards.

It would be helpful if you need to telephone me to use my weekday bleep by telephoning 0345 333111 and asking for bleep number 1539075 and giving the telephone number you wish me to call

Yours sincerely

MURRAY E FOSTER (Honorary Secretary)

Italy

4th October 1990

Dear Professor Brusati,

The President of the Oral Surgery Club of Great Britain, Mr W. Gray and Members have asked me to write to you as they have expressed a wish to come and visit your Surgical Unit. I am writing therefore to ask whether this might be possible in Spring 1991 perhaps some time during April or May.

This is a very old established travelling Surgical Club, well over 50 years old now, with a limited membership and has two Meetings a year, one of which is usually on the Continent of Europe. Our interest to see at first hand surgical practice and a good exchange of views and opinions.

The Meeting usually spans 1½ - 2 days and on average about 20 members of the Club attend. We all find this approach to be extremely valuable and indeed I feel the same thing also is felt by our good hosts. Perhaps you could let me know fairly soon whether this is possible and I can then write to you with greater detail as to the particular areas that members have interest in at this time.

Very best wishes.

Yours sincerely,

J C Bradley.
Honorary Secretary.
Oral Surgery Club of Great Britain.

Dear Dr. Bradley,

I received your letter asking me the possibility to visit my Department in Parma.

I am very glad to accept your proposal. To arrange at best your visit, I need to know your main interest to organize the operating programm of those two days. Do you prefer an intensive operating programm (morning and aftenoon) or a mixed programm (morning at the operating room and aftenoon discussion)?

Let me know if you need any help for hotel reservation and so on.

Best regards
Yours sincerely
Prof. Roberto Brusati

Professor Dr Roberto Brusati
Reparto di Chirurgia Maxillo-Facciale
Istituto di Clinica odontostomatologica
degli Ospedali Riuniti
Via Gramsci 14
43 100 PARMA
Italy

31st October 1990

Dear Professor Brusati,

Thank you for your letter of the 15th October and I am most grateful to you to being able to host us in your Department. I would suggest a mixed programme would be better with operating in the morning and discussions in the afternoon. I am wondering whether on the following day we could see some outpatients to see the results of your various treatments and therapies to patients. Over recent years we have found the following pattern seems to fit in well for everyone concerned, that is we start work on the Thursday morning, usually operating. In the afternoon we have a series of lectures given by our hosts. On the Friday morning this is again variable, it could either be another operating session or seeing patients in the clinic to see the results of various treatments and therapies. In the afternoon, this could be spent with ward rounds and possibly a lecture or two.

In the evening of the Friday the Club invites about 6 or 8 members of the Department and their wives to a Dinner. Advice from you would be welcomed as to a suitable Restaurant we could go to. The Restaurant has to be able to sit approximately 50 people as some of our members wives will also be coming with us.

With regard to the subjects to be discussed. We are interested in a wide range of subjects but particularly to see the particular interests your Department has. We are interested in reconstruction following surgery for the removal of tumours, we are interested in trauma, surgical treatment of disorders of the temporomandibular joint, hare lip and cleft palate surgery and any research topics that your Department may be carrying out.

With regard to dates, I was wondering if a date could be arranged which is convenient to you as soon as possible so that I can give plenty of notice to our members. Looking at the diary Easter is early this coming year and I would suggest that perhaps April 25-26 1991, or May 2-3 1991 or May 9-10 1991. We have a number of academics in our Club and it is important for them not to be away during June when important yearly University Examinations take place.

With regard to Hotels, if your secretary could obtain a list of Hotels from the Tourist Information Office this would be very helpful and if she could indicate which Hotels are nearest to your Department this again would be a great help. If she can also obtain a local map this would be helpful in the organisation from my point of view.

We look forward very much to meeting you and your staff and I do hope the suggested dates will be possible. If they do present a problem please let me know when it would be more convenient from your point of view and no doubt I could make appropriate adjustments.

Very best wishes.

Yours sincerely,

J C Bradley.

Dear Professor Brusati,

re Visit of the Oral Surgery Club of Great Britain.

Thank you for your letter of 21st December 1990. The dates of the proposed visit of May 2nd and 3rd will suite us very well. Thank you also for the Guide, map and some suggested hotels. I will let you know the hotel we shall be staying at in due course together with a list of those who have indicated that they wish to attend the meeting.

My office of Honorary Secretary finished at the end of 1990 and my colleague, who will be writing to you, has taken over. He is,

Dear Signor Bezzani,

Re: Oral Surgery Club of Gt. Britain Visit.

I would be most grateful if I could book a room at your Hotel as I am attending the above visit of British Surgeons to Parma in May. I shall be arriving on Wednesday, 1st May and will be departing on Sunday, 5th May. I shall require a single room and I understand the charges are 95000 lire for bed and continental breakfast.

I shall be requiring a meal on the Wednesday evening.

I look forward to visiting your Hotel and would be most grateful if you would kindly confirm in writing the above booking.

Very best wishes.

Yours sincerely,

J C Bradley.

13th March, 1991.

Dear Professor Brusati,

I am most grateful to you for advice on the telephone regarding hotel booking for our forthcoming visit to your unit, Thursday and Friday the 2nd & 3rd of May. I have a confirmed reservation for our rooms at the Hotel Locanda del Lupo in Soragna. I feel most members will arrive by 'plane on Wednesday and I have provisionally booked the hotel restaurant for then on that evening.

At present twenty two members have expressed their wish to attend, thirteen of whom will be accompanied by their wives and I have appended a list of their names & places of work, you will notice that Peter Clarke is amongst them. It seems that this is a larger group than usual to go abroad (although it is the first I have been involved in organising) and I am certain that this reflects members interest and enthusiasm in meeting you and visiting your unit.

Following our telephone discussion we would very much like to include an operating theatre session, perhaps on Thursday morning, although I realise that such numbers may be a little difficult. The type of case you mentioned, cleft surgery, or reconstruction would be ideal, or if you prefer T.M. joint or orthognetic surgery we understand that this depends on the cases you have at the time. If you feel it would be suitable some lectures/discussion in the afternoon would be most welcome perhaps to meet and hear your own views and those of members of your department on areas of particular surgical interest. I have left Thursday evening completely free for members.

On Friday we wondered if it would be possible to see some of your out-patients undergoing review after treatment and maybe see a little of your hospital. I am sure that at some stage during Friday members would welcome the opportunity to tour the City and look around Parma itself. In the evening I hope to book one of the restaurants you have suggested. We would like to invite you and your wife to dine with us that evening and wonder if you would wish to invite some members of your departments clinical/academic staff and their partners. Should they be able to join us we would like to invite up to a total of ten guests, perhaps you could include people who have been involved in presenting your programme.

Regarding the programme should you wish to arrange the sessions around another way we must leave this entirely in your hands and I would be most grateful if you could let me know your proposed programme in order to circulate members.

Home : 061-427 3833

Hospital : 061-795 4567

since Soragna is some twenty eight kilometers from the Hospital I am trying to co-ordinate members into arranging their own cars and we may hire one or two mini-buses between us from Milan Airport. Would parking in the hospital grounds be a likely possibility ?

I hope to be able to confirm these basic arrangements before a holiday I shall be taking at Easter. Whilst away I will ask Mr Bradley if he would keep an eye on arrangements.

With Best Wishes.

Yours sincerely,

Murray E. Foster.
Oral and Maxillo Facial Consultant.

P.S. None of the restaurants which you have recommended are able to take a group of our size (approximately 44) and I have,therefore, contacted the Parizzi in Via Republica who have agreed to take our group on Friday evening.

Italia.

28th March, 1991.

Dear Professor Brusati,

Thank you for your letter dated 20th March, which arrived here six days later and for your information regarding the local bus timetable. I suspect our letters may have crossed in the post. Our travel arrangements are proceeding well, and members (now fifteen, together with eight wives) have nearly all arranged to fly to Milan on Wednesday and to hire a car, or in the case of some of us we shall hire our own mini-bus at Linarte Airport. These arrangements should make our journey to Parma and thereabouts more straightforward during the few days of our visit.

Regarding other arrangements I have been in touch with those restaurants that you recommended and three said they were unable to take a party of such size on Friday 3rd May, due to the Parma exhibition. I have,therefore, reserved space for us at the Ristorante "Parizzi" Via Republica 71 for our group where we should like to invite you and your wife and some members of your Department as guests,as detailed in my earlier letter, on the Friday evening. The restaurant has expressed a wish to have a fixed menu that evening, to which we have agreed.

I have contacted the Parma Tourist Office to see if they know of a tour or a guide person who could help to show us some of your Town's sights,perhaps on Friday afternoon after your program. We are looking forward to hearing from you regarding your program and I will then re-circulate our members with those further details.

I am conscious of having left Thursday evening free so far and wonder if you feel it would be an idea for our group and some of your Department to meet socially ?

As I shall be away for two weeks I will leave the documents here at "Roselands" with my Secretary who can contact Mr Bradley should the need arise urgently.

With best wishes and many thanks for your assistance so far.

Yours sincerely,

Murray E. Foster.
Oral & Maxillo Facial Consultant.

Cattedra Di Chirurgia Maxillo-Facciale,
43100 Palma,
Italia.

Dear Professor Brusati,

Thank you very much for your letter enclosing the programme for our visit. It looks outstanding and I am most grateful for all your efforts in arranging such a varied, intensive and full programme. I shall circulate it forthwith to our members who are attending and who I know are looking forward very much to meeting you and your team and hearing of your work and interests.

I have tried to telephone on a few occasions but without success to check some details. I hope that you feel the Restaurant Parizzi will be suitable for our Friday evening dinner. Those you recommended were unable to take our numbers at that time or had other problems preventing our visit. Can I assume that you have invited to the Friday evening meal on our behalf, those three members of your team named in the programme with their partners. I have not as yet made any firm arrangements for Thursday evening and wondered if you felt we might meet you or your team socially.

The current list of those members attending is attached overleaf, I am afraid illness, law courts and the Gulf war have slightly reduced our numbers but this is a good sized travel group for us.

We should all be arriving at the Hotel Locanda Del Lupo during Wednesday afternoon, some are driving, most are flying and will eat there on Wednesday evening. Would it be in order if we were to arrive at 8.15 p.m. approximately at your hospital Reuniti? Are you able to advise us on parking, probably for three vehicles (including a mini bus).

If I am able to get through I hope to telephone you soon, please phone me if you forsee any difficulties.

Looking forward to meeting you, with best wishes

Yours sincerely

Murray Foster

17th May, 1991.

Dear Professor Brusati,

On behalf of our President Mr Gray, and members of the Oral Surgery Club of Great Britain, I wish to thank you most sincerely for some truly memorable days visiting your department in Parma. The breadth and depth of surgical interest which your program covered in the operating theatre, the clinics, and the wards, and those films which you showed us proved to be most stimulating and full of interest. We thank you not only for your hard work and presentations at the time, but also for the considerable preparation which you must have put in before our visit. May we include in our thanks your admirable team of assistants, nurses and your secretary Paula. We were made to feel most welcome during our visit and I suspect the " Club " has rarely experienced a more friendly and warm reception than in Parma. Many visiting members have contacted me to express these views.

I would like to say a particular " thank you " for the delightful surprise gift of a salver on Friday evening at dinner which I shall cherish as a most generous reminder of our visit to your unit, and for the books which are being passed around the visiting members. If the Parma Gazette article should appear relating to the meeting in your department we would love to have a copy of it.

It was surprising to return to Manchester to find the weather was dry compared with the rainy few days in Parma, usually this is reversed.

You would be more than welcome to visit us in North West England as would any of your assistants, in particulr Dr Mannuchi wished to have my address. I would suggest forewarning us of any intended visit as we do not have such a volume of good maxillo facial cases as you have shown us.

Once more many thanks and our best wishes for the future, in particular any impending move.

Yours sincerely,

Murray E. Foster.
Oral & Maxillo Facial Consultant.

17th May, 1991.

Dear

I trust that your home journey from Parma was a good one and that the weather improved as you got nearer Britain !

I have written to Professor Brusati thanking him on behalf of the Club for a memorable visit, both professionally and socially, and asking him to pass on our thanks to all those members of his team who helped make the visit so interesting and friendly.

There are some financial loose ends to tie up and I will lay out below those sums in lira (and pounds) which I believe to be still outstanding, please telephone me if you disagree with the calculations. They fall under four headings:

Wednesday.	Friday.	Saturday.	Bus.	Lira.	Total.
Pizzeria.	Parizza Restaurant.	Parma Guide.		Pounds.	

The Friday evening dinner is calculated on the traditional Club formula whereby the total dinner cost (minus wives meal costs) is divided between those members present. The minibus hire costs have been split between those members and their wives using it as a means of transport to and from the airport. Your President Mr Gray has kindly provided the sum for our host's present, the book by Professor Bramley and John Norman on Temporo Mandibular Joint disorders.

It would be appreciated if members could let me have their remittance soon as the credit card "month" soon disappears.

Yours sincerely,

Murray E. Foster.

Dear Professor Brusati,

May I on behalf of the President and Members of The Oral Surgery Club of Great Britain congratulate you on your new appointment in Milan news of which has only recently reached us. Whilst we understood this was a distinct possibility during our visit we understand that confirmation has now been forthcoming and wish you well in your new position in that large City. I would appreciate a note of your new departments address if your secretary could send that.

May I in addition thank you for forwarding the short article from the newspaper of the 5th May. I have now had a working translation done which if it is reasonably accurate indicates that we could safely incorporate into the archives of The Club !.

Members are still writing to me commenting on how friendly, instructive and enjoyable was the trip to your unit in Parma for which we all once again thank you, will you be taking a number of your staff to Milan with you? (Dr Bozzetti, Mannucci and Dr Raffaini ?).

With best wishes.

Yours sincerely,

Murray E. Foster.
Oral and Maxillo Facial Consultant.

Domenica 5 Maggio 1991 CRONACA DELLA

MEDICINA - *Chirurghi d'Oltremanica ospiti del professor Brusati*

Inglesi nella sala operatoria

Da Londra per studiare le tecniche in maxillo-facciale

Quattro, anche cinque anni di attesa prima dell'o.k. per l'intervento chirurgico. La lista di coloro che si contendono uno dei 24 letti della clinica maxillo facciale, al terzo piano del monoblocco del nostro ospedale, si fa ogni giorno più lunga.

La professionalità e la tecnica chirurgica d'avanguardia sottolineata dai brillanti risultati conseguiti dal reparto diretto dal professor Roberto Brusati, ha da tempo varcato i confini provinciali. E la clinica di Parma è diventata un punto di riferimento prezioso e irrinunciabile (che giustifica la lunga attesa) per tanti pazienti che necessitano di interventi al viso per curare traumi, deformazioni al palato o difetti congeniti.

La storia del reparto di chirurgia maxillo-facciale è relativamente giovane.

Questa tecnica chirurgica ha trovato le sue prime applicazioni nel nostro ospedale negli anni Sessanta grazie al professor Luigi Rusconi, per essere poi istituzionalizzata nel

Il professor Roberto Brusati (in piedi) e i colleghi inglesi.

Un'esperienza che i medici del Regno Unito hanno vissuto «in diretta» indossando il camice verde e la mascherina per «spiare» in sala operatoria di fianco al professor Brusati, e all'aiuto Alberto Bozzetti la tecnica di alcuni delicati interventi: la ricostruzione del labbro leporino di un bimbo e l'intervento su una mandibola che era affetta da tumore.

Quali impressioni hanno ricavato da questa esperienza nel nostro ospedale?

Lo spiega il presidente della loro associazione William Gray, direttore di una clinica di Ipawich.

«*La gente di Parma è fortunata* — ha detto — *a disporre di questa realtà; una chirurgia avanzata dalla quale abbiamo ricavato tante idee da unire alle nostre esperienze. In comune con il nostro ospedale abbiamo purtroppo la carenza di posti letto, che ci obbliga a stilare lunghe liste di attesa. Siamo rimasti favorevolmente impressionati* — ha continuato — *dal funzionamento del reparto, agombrando così ogni preoccupazione sulla proverbiale trascuratezza degli ospedali italiani*».

I medici chirurghi che provenivano dagli ospedali di Manchester, Dublino, Glascow, Londra, Londonderry e di altre città del Regno Unito, hanno colto l'occasione del meeting scientifico per conoscere anche la realtà storico-sociale di Parma.

In esilio per colpa di «Cibus» in un hotel di Soragna, hanno avuto così modo di apprezzare la poesia dei paesaggi della Bas-

1991 Aberdeen - October

ORAL SURGERY CLUB OF GREAT BRITAIN

The Annual Meeting of the Club will be held in Aberdeen under the Presidency of Mr P.B. Clarke on Thursday October 31st, Friday 1st November and Saturday 2nd November, 1991. The Scientific programme will be in the Medico-Chirurgical Society Hall, Forrester Hill (opposite Aberdeen Royal Infirmary, the details are enclosed separately) and The 'Base' is to be the Amatola Hotel, 448 Great Western Road, Aberdeen AB1 7MP, Telephone 0224 318724, 20 twin and 20 single rooms have been reserved and will be held until 2nd September. Bookings made after that date will be subject to availability and cannot be guaranteed at the special rate. The price offered is £45 per night for a twin/double room and £30 per night for a single room inclusive of full Scottish Breakfast and V.A.T. These prices apply from Thursday to Saturday nights. Members are responsible for making their own bookings direct with the Hotel, and should quote the special rate, mentioning the Oral Surgery Club under Mr Clarke, and should send written confirmation It would be wise to specify any special dietary requirement.

The Annual General Meeting will be held at the Amatola Hotel at 5.00pm. on Thursday, 31st October 1991. with tea being served from about 3.00pm, onwards. A sherry reception and informal dinner will be held that evening in the Hotel to which wives are invited.

The Club reception and dinner has been booked in the University Staff Club on Friday evening, November 1st for members only, dress will be formal.

On Saturday your President Mr P.B. Clarke has arranged an additional day for those wishing to maximise on their journey to Aberdeen. It comprises a visit to the Glenfarclas distillery & to Crathie Church (of royal connection) with lunch at Tomintoul, returning to the Hotel at approx. 5.00pm. An informal dinner has been arranged on Saturday evening.

.....

Please return to Hon. Secretary by September 20th 1991.

You are advised to book with the Hotel by 2nd September.

I intend/am unable to be present at the Club Meeting in Aberdeen.

I shall/shall not be staying at the Amatola Hotel.

I shall/shall not be accompanied by my wife at the Reception on Thursday 31st October.

I shall/shall not be present at the Club dinner.

I do/do not wish to join the visit to Glenfardas on Saturday 2nd November.

I shall/shall not be accompanied by my wife at the Evening Meal on Saturday.

Murray E. Foster.
Honorary Secretary.

Oral Surgery Club 90/91

Treasurers Report

As I will not be able to be present at the AGM of the Oral Surgery Club in Aberdeen this year, I am producing a brief report. First I apologise for my absence which is caused by the coincident joint meeting of surgical and anaesthetic colleges in Pakistan and India.

Last year it was agreed by the Executive Committee to run the accounts from September 30th. each year. The Hon.Secretary has drawn my attention to the fact that this change contravenes the constitution of the club. As it is not possible to collect annual subscriptions consistently by the previously agreed date I hope that the AGM can regularise the new date.

It can be seen that in spite of the extra time nine members failed to pay their modest subscription in time to be included in this years accounts. These subscriptions have to be carried over to next year a small but irritating problem for the Treasurer.

The total assets of the club have declined for the first time during this financial year. There are several reasons for this. Owing to the healthy financial state of the club, I did not surcharge the Ipswich meeting by quite as much as usual. The subscription had recently been raised to ten pounds. I have also made a larger advance than before to the Hon.Secretary who needs to have funds available for increasing costs of postage, photocopying etc. Members will note that the bank has raised charges on the account which has not happened before. I can see no reason for this and have objected in the strongest terms.

I wish the club a successful meeting in Aberdeen under the Presidency of Peter Clarke. History suggests that no-one will be disappointed.

Peter Banks
Hon.Treasurer, Oral Surgery Club

24th April, 1991.

Dear Mrs Taylor-Monks,

On behalf of the President and Members of The Oral Surgery Club of Great Britain may I offer you our deepest condolences on your husband's death. I know John Bradley and Bill Simpson were able to attend his funeral and want you to know that we all share your loss for he was one of the Club's and indeed the Specialties senior figures and was personally responsible for much of the advance and current day position that our work enjoys in Britain and in the hospital network. He was one of the people I was anxious to meet when I first came up to my native County of Lancashire a little over ten years ago and although I did not know him as well as other local members who have trained under his watchful eye I enjoyed meeting him and can only reflect on the respect of those people I know for him at meeting, whenever he spoke and in conversation. We will remember his passing at our next meeting.

Yours sincerely,

Murray E. Foster.
Secretary Oral & Surgery Club
of Great Britain.

Dear Mrs Dean

I am most grateful to you for agreeing to sponsor the Oral Surgery Club of Great Britain to the tune of £100 for the all day meeting on **Friday 1st November 1991** in Aberdeen.

The meeting commences at 9.00 am and finishes at approximately 5.30 pm and there will be breaks for refreshments at 10.15 am, 1.00 pm and afternoon tea, all of which would represent a good opportunity for the club of 40 Consultant members to discuss things with you.

The meeting is to be held in the Medical/Chirurgical hall opposite the main gates of Aberdeen Royal Infirmary and the president is Mr Peter Clarke. I would be grateful if you would contact him locally regarding detailed arrangements and perhaps you would be kind enough to forward your contribution made out to the Oral Surgery Club of Great Britain at his home address, Merle-bank, 289 Broomehill Road, Aberdeen AB1 1LN.

I look forward to seeing you there on the day. I shall be away next week, but available in Manchester as normal until Sunday morning. Home telephone number 061 427 3833. Bleep number via North Manchester General Hospital (061 740 1444).

With best wishes

Yours sincerely

Dear Sir

Oral Surgery Club of Great Britain

I am in the process of supporting our President, Mr Peter Clarke, in arranging the Annual Meeting of this group, probably the longest established of its type in the UK. Whilst the meeting convenes on the Thursday afternoon and finishes on Saturday, I am writing to see if you and your company would be prepared to consider sponsoring the meeting on Friday 1st November 1991, the scientific/clinical part of the meeting which is to be held opposite Aberdeen Royal Infirmary in the Medical Chirurgical Centre.

From the replies to-date, this could be a well attended meeting (the group has an excess of 70 Consultant members) and I believe should represent a good opportunity for a representive of your company to meet members and discuss your products and company services. I understand from Mr Clarke that we are limited at this meeting to 4 spaces and he has decided to ask each company that attend for a contribution of £100.

As arrangements are already proceeding I would be most grateful if you could let me know, if necessary by telephone, whether or not you feel the company would like to take up this opportunity.

Yours faithfully

Oral Surgery Club of Great Britain

I am in the process of supporting our President, Mr Peter Clarke, in arranging the Annual Meeting of this group, probably the longest established of its type in the UK. Whilst the meeting convenes on the Thursday afternoon and finishes on Saturday, I am writing to see if you and your company would be prepared to consider sponsoring the meeting on Friday 1st November 1991, the scientific/clinical part of the meeting which is to be held opposite Aberdeen Royal Infirmary in the Medical Chirurgical Centre.

From the replies to-date, this could be a well attended meeting (the group has an excess of 70 Consultant members) and I believe should represent a good opportunity for a representive of your company to meet members and discuss your products and company services. I understand from Mr Clarke that we are limited at this meeting to 4 spaces and he has decided to ask each company that attend for a contribution of £100.

As arrangements are already proceeding I would be most grateful if you could let me know, if necessary by telephone, whether or not you feel the company would like to take up this opportunity.

Yours sincerely

28th September, 1992

Mr. J. N. Rice-McDonald,
Regional Hospital Manager,
Ciba-Geigy Pharmaceuticals,
"Alteann",
1 Elm Court,
Doune,
Perthshire,
FK16 6JG.

Dear Mr. McDonald,

I am getting round to our sponsorship requests rather late this year and I am viewing your letter of 7.11.91.

You will recall you were kind enough to attend and support the meeting in Aberdeen Royal last October when the Oral Surgery Club met under the Presidency of Mr. P. Clark.

I am sure it will not have escaped your memory that you ran me round to the local shop to buy a blank cassette to tape the Rugby!

You expressed an interest in sponsoring our Meeting again, hence today's letter. It is in a different part of the country, namely St. Thomas's Hospital under the Presidency of Derek Henderson and will be held all day on Friday the 13th November, 1992.

The opportunity to meet the attending Consultants (40 are attending so far) will be on 3 occasions, at 8.20 a.m. prior to commencement of the meeting, at 9 o'clock, at lunchtime when we would invite you to join us over the meal and a further half hour break at tea time. There is a morning coffee break but I believe our President has a trip to another part of the building at that time.

Should you still be keen to cover this meeting albeit this time in London, I would be grateful if you could contact me by bleep 0345 333111 Bleep No. 1539 075 at your earliest convenience.

With best wishes.

Yours sincerely,

Mr. M. E. Foster,
Consultant Oral and Maxillofacial Department

Dear Mr. Foster,

Thank you for the opportunity of sponsoring a meeting last Friday at the Aberdeen Royal Infirmary. My colleagues and I felt that it was very worthwhile and enjoyed the day.

I trust that the rest of the weekend also went according to plan and that you managed to record the Rugby successfully. Should you be holding a similar meeting next year, we would be very grateful of the opportunity of sponsoring once more.

Kind regards,

Yours sincerely,

pp Jane Russell
Jim Rice-McDonald,

Dear Joyce,

I was unable to speak to you on the telephone last week and have left sponsorship requests for this years meeting a little late, but I am writing nevertheless. You will recall being kind enough to sponsor our Meeting for the Oral Surgery Club of Great Britain held last year in Aberdeen. This year the President Derek Henderson, is a little closer to your base, at St. Thomas's in Londo[redacted] and I wonder if you would be interested in supporting the Meeting and bringing along a stand of your wares.

The meeting will be held on Friday, 13th November, 1992 and the opportunity to meet the attending Consultants (40 are attending so far) will be on 3 occasions, at 8.20 a.m. prior to commencement of the meeting at 9 o'clock, at lunchtime when we would invite you to join us over the meal and a further half hour break at tea time. There is a morning coffee break but I believe our President has a trip to another part of the building at that time.

Should you still be keen to cover this meeting, albeit this time in Londaon, I would be grateful if you could contact me by bleep 0345 333111 Bleep No. 1539 075 at your earliest convenience.

With best wishes.

Dear Mr Foster

I am sorry that I have not written to you sooner following our telephone conversation prior to Christmas.

The first thing I should mention is that our fee for the Oral Surgery Club of Great Britain, to my surprise, I discover that this was not sent to you as I thought and I do most sincerely apologise, and duly enclose our cheque for £100.00. The meeting was very successful for us and I would like to thank you for the oportunity to attend.

Regarding our discussion on the TiMesh System, I would be delighted if I could persuade you to use TiMesh, it is such a good product we are now having much success with it for all types of surgery. It is so very versatile and easy to use.

The mandibular reconstructions that have so far been done have been successful and as you so rightly said in Harrogate that TiMesh seem to have got it right.

I also have pleasure in enclosing a copy of the paper by John Langdon and Mo Patel recently published in the British Journal of Oral and Maxillofacial surgery, showing the many advantages of TiMesh in a variety of uses. One of the main advantages is that your inventory is so much reduced in that one can cut whatever shape plate is desired from the strips or panel of mesh and that the placement of the superb TiMesh Screw is not limited to a pre determined hole in a plate as the screw can be placed in any hole of the mesh, I could go on .....

However the purpose of my letter today is to reiterate my offer to you of the loan of our Instrumentation Kit if you wish to try the TiMesh for a few planned cases. All we would expect is that the hospital would pay for the implants used.

If you find that you like the system we would hope that the small set of Instrumentation required would be purchased with a selection of implant material.

I enclose the price list which clearly shows the items that make up the kit of instrumentation which amounts to £1,400.

If you would like either our Representative, Mr Terry Sinnott, or myself to visit you to discuss this further please do not hesitate to call me.

Yours sincerely

Joyce

Linz A404
Austria

Dear Professor Gottinger

The President and Member of the Oral Surgery Club of Great Britain have expressed a wish that I write to you to ask whether it would be possible to arrange to visit your Unit during the Spring of 1992. Our President, Mr Peter Clarke of Aberdeen, knows of your Unit through his close ties with the European Association of Maxillo-Facial Surgery and with Professor Obwegeser and would very much like if possible to visit you and your Unit with a group of club members sometime during May or early June.

This club is over 50 years old and we try to visit colleagues Departments or Units in Europe each year and to include a scientific part of approximately 2 days doing the visit. Usually up to 20 members attend these visits. Some members take the opportunity to prolong their stay to see a little more of the country after visiting the Maxillo-Facial Unit. I do hope that it will be possible to arrange a visit and look forward to hearing from you.

With best wishes.

Yours sincerely

MURRAY E FOSTER
HONORARY SECRETARY -
ORAL SURGERY CLUB OF GREAT BRITAIN

TEL 061 - 427 3833.

6th April 1992.

Dear member,

ORAL SURGERY CLUB OF GREAT BRITAIN
VISIT TO LINZ, AUSTRIA.

At present, our plans to visit Professor Gattinger in Linz, Austria are developing reasonably. The dates of Thursday June 4th and Friday June 5th have been confirmed. I have spoken to Professor Gattinger and intimated that we would like, if possible, to include in the programme, sessions in the operating theatre, out patient clinic, plus lectures/discussion and a chance to look around his department and hospital. I expect to have details of his programme for the next letter. To date 18 members, four accompanied by their wives have expressed a wish to attend and that number of rooms have been reserved as a group booking until the end of April. I have appended a list of the groups of members intending to travel to facilitate planning.

Our room reservations are at the City Hotel, a first class hotel (four Austrian stars) within easy walking distance of the hospital and equidistant from the commercial centre of Linz.

Rooms are 850 Schillings single, and 1200 Schillings double for bed and breakfast (which although not hot sounds ample). I shall need to make a firm group booking before the end of April and have been asked if members can pay by Euro/Travellers cheques. Having secured a good room rate, credit cards will not apparently be welcome! Also for the group booking, I shall need to know which of you will be staying in Linz on Saturday night. The hotel address is Schiller Strasse 52; 4020 Linz, Phone number 01043 - 73252622.

Travel to Linz does not look straight forward. For those flying, some options would be Linz via Frankfurt, presently £297 leaving Heathrow on Wednesday at 1330 arriving 1820 and returning Sunday (to attract a lower fare) 1915 arriving 2200 (flights via Zurich cost more - £345). There is an airport bus which goes to our hotel. There is no likelihood of group reductions on these flights.

Further alternatives include:-

1) London to Vienna - presently £253 departing Wednesday at 0840 and 1500, and landing respectively at 1155 and 1810. The Sunday return flights are 1340 and 1910 arriving respectively at 1500 and 2235. Connecting trains from Vienna are punctual and take approx 50 minutes to Linz station. There times are on Wednesday 1625 and 1925 and on Sunday Linz to Vienna 1745 arriving 1035, or 1046 arriving 1336.

2) London to Munich - frequent flights both on Wednesday and Sunday. Apex fare £162 but if we can agree a group option this may be reduced to £140. For this, clearly one flight would have to be selected, members may feel that the ones underlined are most suitable.

Wednesday 0815 arrive 1100,
1205 arrive 1450,
1330 arrive 1600,
Sunday 1250 arrive London 1345,
1655 arrive London 1755

Transfer Munich to Linz (about 165 miles) is apparently straight forward by rail (Linz is on the Vienna line), or by hire car. A Fiesta or Golf is approx £30 per day or £160 per week hire charge.

For those of us further North, Manchester to Munich costs approx £180 and there are fairly convenient fights on Wednesday 1035 arrive 1340 return Sunday 1450 arrive 1600.

Although members should book their own travel arrangements, to achieve a group option we will need to go through one agent and my local firm are agreeable to collating names before booking. Their details are Plan It Travel, Market Street, Marple, Stockport. Phone 061 - 449 - 0071 Fax 061 - 426 - 0913. Please mention the Oral Surgery Club and my name. To co-ordinate this it is important that members inform me of their plans for travel in addition to their dates of stay for the Hotel booking. The tear off slip should prove helpful if you could complete and post it to me before April 28th. Likewise any fluent German speakers could usefully let me know before we arrive.

I shall be difficult to contact until Wednesday 22nd April and it will be helpful if you need to speak to me after that to use my weekday bleep by telephoning 0345 - 333111 and asking for bleep number 1539075 and giving me the telephone number you wish me to call.

Yours sincerely

Stockport.

Dear Mrs Huemer,

ORAL SURGERY CLUB OF GREAT BRITAIN

Thank you for accommodating our group in June, I enclose a list of members attending, their room requirements, and a summary. It would be helpful to have 16 leaflets about your hotel to distribute to members.

I will ask each member to speak or write to you about any detailed personal arrangements and make it clear to them now that the booking is confirmed, that I will leave the remaining dealings to them and your good self.

Nearer the time I will confirm how many members require dinner on Wednesday evening. As we will be visiting the nearby hospital it is possible we may need to leave early on Thursday or Friday morning.

Finally, are there any difficulties about parking at your hotel as it is possible he will have several cars and perhaps also a minibus.

With best wishes

MURRAY E FOSTER
CONSULTANT ORAL AND MAXILLOFACIAL SURGEON.

Marple Bridge Stockport
SK6 5AW - England

Linz, 6. 5. 92/St.

Dear Colleague,

As we spoke on telephone today I send to you the informations you need for the attending members.
Concerning the programme on June 4th and 5th we propose following plan:

Thuesday morning (starting ca. 8.00)
Operating theatre session in two rooms:
1) Le Fort III osteotomy combined with Le Fort I - and sagittal split osteotomy
2) Combined osteotomy of mandible and maxillary complex.

So it is possible to divide the groups in two parts for better view and to change between the two operating theatres, because they are connected directly.

Austrian Evening

Thuesday afternoon: little tour through the hospital.

Friday morning: Short presentations of some fields, in which our unit works specially, and discussion.
1) Our experience in cranio-facial surgery (B. Gattinger)
2) New trends in orthognathic surgery (J.A. Obwegeser)
3) Surgical approach to the oral cancer in correlation with the DÖSAK (German-Austrian-Swiss Association for Head and Neck Tumors) (R. Engleder)
4) Presentation of some out-patients undergoing review after treatment.

– 2 –

Concerning our discussion about a restaurant I send to you a list of places with red marked restaurants on page 8, 9, 18 and 21, which seem very suitable for this occasion. On the backside is a little map of Linz with the hotel and the hospital marked. I also add some programmes for the Congress in Munich.
May be we should contact again by telephone before you leave Great Britain to discuss the details and meet on Wednesday 3th of June (perhaps in the City–Hotel) to speak about the particulars of organisation.
I look forward to meet you and yours colleagues personally in June.

Yours sincerely

Prim.Univ.Prof.Dr.B. Gattinger

9 Townscliffe Lane,
Mellor,
Stockport,
Cheshire.
ENGLAND.

21st May 1992

Professor Gattinger,
Abteilung Fur Mund Kiefer+Gesischtschirurgie
Allgemeines offentliches Krankenhaus,
Krankhaus Str. 9,
A-4020 Linz,
AUSTRIA.

Dear Professor Gattinger,

Thank you very much for your letter recently and for your ideas and suggestions on the telephone. The programme you have set up looks excellent and I have no doubt will stimulate a lot of interest and discussion for the group of visiting club members. I shall personally be particularly interested as we have two patients needing Le Fort III osteotomies fairly soon.

A list of members attending your programme with their main town is attached, five of them will be bringing their wives. I expect that you will know several of them, I know they are very much looking forward to visiting you and your unit. They are nearly all arriving in Linz on Wednesday and are staying at the City Hotel until Saturday, some of us will not return until Sunday. Several are driving, some fly to Linz, Vienna and a group of us to Munich. Most will I expect be eating in the Hotel on Wednesday evening and if you would like to meet everyone and discuss arrangements it would be good to meet you after the meal.

I am grateful for your suggestions regarding a restaurant for the Friday evening meal. I will contact the Klosterhof about a reservation and to discuss arrangements with them. Did I understand correctly that yourself and your wife, Herr Dr. Obwegeser and Engleder and their ladies will be our guests for the evening? Once we are sure of our numbers, we can telephone to confirm this perhaps the day before.

Do you expect that there will be any free time on Friday afternoon after the completion of your programme? If so, some members may wish to see a little of the town of Linz. If not, we can arrange to do this on Saturday perhaps in the morning. I would be grateful if you know of any special worthwhile events which might be suitable for visitors like ourselves during the Saturday.

...arke, our President and I are most grateful to you for ...organisation of this visit and we will look forward very ...to meeting you hopefully on the evening of June 3rd. I ...aim to telephone you at some stage before leaving Britain.

With best wishes

Yours sincerely

M Foster

MURRAY E FOSTER
HONORARY SECRETARY
ORAL SURGERY CLUB OF GREAT BRITAIN

ENC.

9 Townscliffe Lane,
Mellor,
Stockport,
Cheshire.
Tel 061 - 427 - 3833

21st May 1992

Dear John

ORAL SURGERY CLUB VISIT TO LINZ, AUSTRIA JUNE 4TH AND 5TH 1992

Arrangements seem to be proceeding reasonably for the Oral Surgery visit to Professor Gattinger. I telephoned him a few days ago and they are very much looking forward to our visit. He has put together a most interesting looking programme which is as follows:-

Thursday 4th June commencing 8 am

Twin Operating Theatres (connected)

(1) Le Fort III combined with Le Fort I osteotomy and sagittal split.

(2) Combined osteotomy of the mandibular and maxillary complex.

Thursday afternoon

Short Hospital tour

Friday morning

Lectures and discussions

Craniofacial surgery - The Linz experience (Professor B Gattinger)

Orthognathic Surgery - New Trends (J A Obwegeser)

Oral Cancer Surgery - Correlation with DOSAK (R Engleder)

In addition an Out Patient clinic to review some patients after treatment.

Following club tradition, on Friday evening we have invited our host team and their ladies to a local restaurant as our guests. At present it looks as if Thursday evening will be free for us to test local cuisine and I will see if it is at all possible for us to fit in a look at the town itself later on Friday.

Professor Gattinger has also kindly just obtained a few programmes for the 42nd Congress of the German Oral and Maxillofacial Surgeons being held in Munich from Tuesday June 9th - 13th and if anyone wishes to have details it would be

best if they could telephone me promptly. I enclose a brochure regarding the hotel where our reservations have been confirmed according to the enclosed list. I suggest that direct contact is made individually from now onwards, The proprietress is Mrs Huemer, who has been most helpful and although she expects us all to require a meal on Wednesday evening, in view of our numbers it would be most helpful if you would let me know before departure if you will not be requiring a meal in the hotel. The hotel itself is but a few minutes walk from the hospital and close to the commercial centre of Linz.

I trust all our travel arrangements are in hand. For those of us going via Munich, you will have heard that the original airport (Riem) closed completely last weekend and that we shall now land at the Franz Joseph Strauss airport (brand new). A minibus has been arranged to take a group by road on Wednesday in which one or two seats may still be available and we plan to leave Munich as soon after the 1340 Manchester flight arrival as we can. The journey is approximately 160 miles, apparently through scenic countryside and there are several good routes and we will plan the return trip for Sunday morning. Monday 8th June is I understand a Bank Holiday in Austria.

As I shall be away for the half term week of May 25 - 29th it would be helpful should you need to contact me during the evenings on 09667302 (Lodge 74) or at home on Sunday 31st May.

I look forward to seeing you there.

Yours sincerely

Murray

MURRAY E FOSTER

P.S. I do hope all went well on the big day, I shall look forward to hearing about it in Linz.

Would you be prepared to act as our stand-in driver? I believe all we need is U.K. driving licences, altho' I shall fix an international one

Can you see any omission in the enclosed?

If not, see you at Manchester Airport.

ORAL SURGERY CLUB OF GREAT BRITAIN

For our next overseas meeting Professor B Gattinger has very kindly agreed to receive us at his Hospital Oral and Maxillofacial Unit in Linz, Austria. The dates of the meeting will be Thursday June 4th and Friday June 5th 1992. Linz lies on the autoroute between Saltzburg and Vienna, and is of course on the Danube.

It is intended to follow a format similar to previous overseas meetings and members may therefore wish to travel out to congregate on Wednesday June 3rd. Whilst members should make their own travel arrangements, flights to Linz Airport from UK are generally via Frankfurt or Zurich and certain flights are considerably less costly if Saturday overnight stay is planned. If possible, some members may wish to extend their visit to include the annual meeting of the German Association of Maxillofacial Surgery in Munich during the second week of June.

It is anticipated that we shall select one main hotel base for the meeting and it is expected that these details, with others, should be available fairly soon. Members may wish to take the precaution of arranging for a postal vote lest the election falls whilst they are out of the country.

Dates for the Autumn meeting under the Presidency of Mr Derek Henderson in London will be Thursday November 12th and Friday November 13th 1992.

- -

It would be helpful if members would complete, sign and return this portion no later than Thursday 27th February 1992.

I shall/shall not attend the meeting in Linz, Austria.
I shall/shall not be accompanied by my wife.
I plan to travel by air/car/rail.

6th April 1992.

Dear ~~member~~, John

ORAL SURGERY CLUB OF GREAT BRITAIN
VISIT TO LINZ, AUSTRIA.

At present, our plans to visit Professor Gattinger in Linz, Austria are developing reasonably. The dates of Thursday June 4th and Friday June 5th have been confirmed. I have spoken to Professor Gattinger and intimated that we would like, if possible, to include in the programme, sessions in the operating theatre, out patient clinic, plus lectures/discussion and a chance to look around his department and hospital. I expect to have details of his programme for the next letter. To date 18 members, four accompanied by their wives have expressed a wish to attend and that number of rooms have been reserved as a group booking until the end of April. I have appended a list of the groups of members intending to travel to facilitate planning.

Our room reservations are at the City Hotel, a first class hotel (four Austrian stars) within easy walking distance of the hospital and equidistant from the commercial centre of Linz.

Rooms are 850 Schillings single, and 1200 Schillings double for bed and breakfast (which although not hot sounds ample). I shall need to make a firm group booking before the end of April and have been asked if members can pay by Euro/Travellers cheques. Having secured a good room rate, credit cards will not apparently be welcome! Also for the group booking, I shall need to know which of you will be staying in Linz on Saturday night. The hotel address is Schiller Strasse 52; 4020 Linz, Phone number 01043 - 73252622.

Travel to Linz does not look straight forward. For those flying, some options would be Linz via Frankfurt, presently £297 leaving Heathrow on Wednesday at 1330 arriving 1820 and returning Sunday (to attract a lower fare) 1915 arriving 2200 (flights via Zurich cost more - £345). There is an airport bus which goes to our hotel. There is no likelihood of group reductions on these flights.

Further alternatives include:-

1) London to Vienna - presently £253 departing Wednesday at 0840 and 1500, and landing respectively at 1155 and 1810. The Sunday return flights are 1340 and 1910 arriving respectively at 1500 and 2235. Connecting trains from Vienna are punctual and take approx 50 minutes to Linz station. There times are on Wednesday 1625 and 1925 and on Sunday Linz to Vienna 1745 arriving 1035, or 1046 arriving 1336.

2) London to Munich - frequent flights both on Wednesday and Sunday. Apex fare £162 but if we can agree a group option this may be reduced to £140. For this, clearly one flight would have to be selected, members may feel that the ones underlined are most suitable.

Wednesday	0815 arrive 1100,
	1205 arrive 1450,
	1330 arrive 1600,
Sunday	1250 arrive London 1345,
	1655 arrive London 1755

Transfer Munich to Linz (about 165 miles) is apparently straight forward by rail (Linz is on the Vienna line), or by hire car. A Fiesta or Golf is approx £30 per day or £160 per week hire charge.

For those of us further North, Manchester to Munich costs approx £180 and there are fairly convenient fights on Wednesday 1035 arrive 1340 return Sunday 1450 arrive 1600.

Although members should book their own travel arrangements, to achieve a group option we will need to go through one agent and my local firm are agreeable to collating names before booking. Their details are Plan It Travel, Market Street, Marple, Stockport. Phone 061 - 449 - 0071 Fax 061 - 426 - 0913. Please mention the Oral Surgery Club and my name. To co-ordinate this it is important that members inform me of their plans for travel in addition to their dates of stay for the Hotel booking. The tear off slip should prove helpful if you could complete and post it to me before April 28th. Likewise any fluent German speakers could usefully let me know before we arrive!

I shall be difficult to contact until Wednesday 22nd April and it will be helpful if you need to speak to me after that to use my weekday bleep by telephoning 0345 - 333111 and asking for bleep number 1539075 and giving me the telephone number you wish me to call.

Yours sincerely

Murray

Linz, 3.6.1992

Dear Colleagues,

On behalf of the staff of the Department of Maxillofacial Surgery

I would like to welcome you in Linz.

I hope, you will have a pleasant stay here in Upper Austria.

On Thursday we plan to demonstrate combined osteotomies in

two operating theatres:

1)Op.18:
A) Midface: Le Fort II - osteotomy
Le Fort I - osteotomy,
divided in two parts

B) Mandible: sagittal split osteotomy
chin - osteotomy

2) Op.17:
A) Midface: Le Fort II - osteotomy
Le Fort I - osteotomy

B) Mandible: sagittal split osteotomy
interdental osteotomies
44/43 - 41/31 - 33/34
chin - osteotomy

Afterwards we would like to show you some points of our hospital.

On Thursday evening we hope to have you with us for a typical

Austrian meal in a place similar to the " winegardens" of Vienna.

On Friday morning we would like to discuss with you few presentations

about our units work and see some out-patients.

We would be pleased with your agreement.

B. Gattinger

1992 London, St Thomas' - November

ORAL SURGERY CLUB OF GREAT BRITAIN

The Autumn meeting of the club will be held in London under the Presidency of Mr D Henderson on Thursday and Friday 12th and 13th November 1992. The enclosed invitation letter from the President sets out the arrangements which have been made to date and the accompanying booking form for the Rubens Hotel is self explanatory. It is hoped that as many members as possible will use this as our base hotel. It must be emphasized that the reserved rooms and concessionary rates are available until one month before the meeting, and members are responsible for their own hotel bookings.

The Annual General Meeting will be held in the Rembrandt Room at the Rubens Hotel, Buckingham Palace Road, London SW1 at 5.30 pm on Thursday, 12th November 1992. Tea will be served in the library from 4.30 pm onwards. At 6.50 pm, we shall depart for the Consultant Dining Room at St Thomas' Hospital, where a reception is to be kindly hosted by West Lambeth Health Authority whose chairman Sir Robert Reid will be present to welcome the club. Members will then be free for the remainder of the evening and may wish to make up their own meal groups or to book dinner back at the hotel.

The provisional Programme is also enclosed from which you will see that a full and varied day starts with an early departure at 8.15 am.

The Club Dinner has been booked on Friday evening November 13th in the Armourer's Hall for members only and dress will be formal.

****

For the spring meeting of the club, Professor Hermann Sailor of Zurich has kindly agreed to receive us between Wednesday 5th and Sat 8th May 1993.

.....

Please return to the Hon. Secretary by October 10th, 1992.

I intend/am unable to be present at the Club meeting in London.

I shall/shall not be staying at the Rubens Hotel.

I shall/shall not be accompanied by my wife at the Reception on Thursday 12th November.

I shall/shall not be present at the Club dinner.

My wife is/is not planning to join the ladies programme and would like to receive details.

Dear Colleague,

Re: Oral Surgery Club - Autumn Meeting, 1992

I am very much looking forward to welcoming you to St Thomas' Hospital in London for the Autumn meeting of the Club.

The meeting will be held in the Postgraduate Centre of St Thomas' Hospital, on November 13th, and the base hotel is the Rubens Hotel, Buckingham Palace Rd., where we have obtained very favourable terms (for London !); I am confident that we will be well catered for, and that the accommodation is both convenient and comfortable. Regrettably there is no parking facility at the hotel, and a note of local commercial car parks will be sent to you in due course; you are advised not to bring cars unless you have to.

I enclose the provisional programme, about which I am quite excited as there are a number of really interesting and unusual presentations on offer.

In order to facillitate booking I enclose a pro-forma for you to use and I urge you to make the booking as soon as you are able to do so. The concessional rate will only be available up to one month prior to the meeting, and we need to know numbers for several administrative reasons. Late bookings are likely to result in additional and unnecessary expense for us all.

If you wish to contact the hotel by telephone the number is: 071- 834 6600 (fax 071-828 5401).

Ladies will be welcome and Jenny will arrange an optional programme for those who accompany members to London, details to be circulated when numbers are known. We hope that this will be of interest while allowing plenty of opportunity for the usual pursuit of London's many opportunities. Ladies are invited to the reception which will be held on Thursday evening.

The members' dinner will be held in the Armourers' Hall, the meeting place of the Armourers and Braziers' Company, and this should provide a suitable ambience for the Club to express its traditional aspirations for convivial association in pleasant surroundings. I look forward to seeing you in November.

Kind regards,
Yours sincerely,

Derek Henderson

04/02/91

Dear Murray,

I enclose copies of correspondence relating to the Oral Surgery Club meeting in November from which you will see the details which have been arranged. The price of £83.00 and £103.00 for single or double rooms is really very competitive in London, as it includes a full English breakfast and V.A.T. You will note that they require the allocation to be taken up three weeks prior to the event and therefore I think the sooner notice can be given the better.

I would be grateful for your comments on the coach hire cost and whether I should go ahead and confirm that. I rather fancy the idea of producing a pro-forma for people to send direct to the hotel for confirmation as this makes booking easier. Perhaps when you have read this letter and seen the brochure you would be kind enough to give me a call and we can discuss it on the telephone.

Kind regards,
Yours sincerely,

DEREK HENDERSON, MB BS BDS FDSRCS(Eng) MRCS

16th September 1992.

Dear Derek,

I will append to this letter a current sheet of those Oral Surgery Club Members who have indicated their wish to attend for the meeting on November the 12th and 13th. Including ourselves I count 34 to date, a very healthy number and you will see from the associated tick sheet that whilst one or two are undecided 13 definitely wish to have details of the ladies programme for the Friday November 13th. I have personally had a confirmation of booking from the Rubins Hotel and would imagine from past experience that we will have quite a number of people booking in late whose arrangements are still "crystallising".

Sponsorship is proving slow to materialise but I remain optimistic on this front and am pursuing some new contact. You will see from the list that Peter Clark is planning to come and will stay at the Rubins I understand and nearer the time I think we should get together regarding the Annual General Meeting, the preceding committee and the "form" for both. Some food for thought is that to my knowledge Willy Grey has retired from January and Geoff Manning is in the process of doing so but I will check the date and Brigadier Newall has I believe retired and I will seek his advice regarding a replacement from the Forces Network. Presumably Ken Ray will become an Honorary Member and each of these will therefore need to be considered at the committee for a possible replacement. Dickie Dawson has died and I have written appropriately to his widow and the other matter I feel we should discuss at the committee is the issue on which I had my ear severely bent in Lintz, namely that of Professor Honorary Membership since it seems he wishes to continue to retain his attachment to the Club although his name has not appeared on the Honorary Members List in my time. It seems that David Downton clearly remembers the occasion of his acceptance.

I am afraid escaped my efforts at a brief conversation on Monday in Guy's but as yet I see no urgency to establish correspondence. Of interest it may be that Professor. has indicated he will not be attending London in November, nor will he be able to attend the meeting in Zurich in May. I must 'phone you soon with regard to one or two other points and to discuss the details of the Ladies Programme.

With best wishes.

22nd October 1992

Dear Bill

Following tradition, we anticipate holding a Committee Meeting of the Oral Surgery Club for which Mr Henderson, President Elect, has kindly suggested we might use his hotel suite. It is proposed we might commence at 4.30 pm. I am aware of four Club Members who will move to Honorary Membership by the time we meet, namely, Mr W Gray - Ipswich, Mr G Manning - Stoke, Mr K Ray - Reading, and Brigadier M Newell - Army, and I trust you will forgive me for writing this short note to prompt some thoughts prior to the Committee Meeting, bearing in mind the usual rules and distribution of our Membership. If there are any other pressing matters for the Committee's Agenda or the Annual General Meeting I would be most grateful if you could let me know in advance of Thursday 12th.

With best wishes

Yours sincerely

Murray

MEF/MER

16th October 1992

Dear

Arrangements appear to be well in hand for the Autumn meeting of the Oral Surgery Club. To date, 45 members have indicated that they will be attending the Annual General Meeting to be held at 5.30 pm in the Rembrandt Room of the Rubens Hotel, Buckingham Palace Road. Tea will be served from 4.30 pm onwards in the Library.

20 members will be accompanied by their ladies at the reception at the Consultants Dining Room at St Thomas' Hospital departing from the hotel at 6.50 pm.

The programme is as already circulated and it would be appreciated if members could attend the trade stands which will be in the Post Graduate Centre adjacent to our meeting.

As initially intimated, car parking is not easy. The Rubens may by prior arrangement be able to take up to 5 vehicles (at £20 per night) in a nearby garage, and this arrangements is very much first come first served. The nearest National Car Park facility is apparently situated in Semley Place, near Victoria Station within 10 minutes walk and costs £16 per 24 hours (map enclosed).

Yours sincerely

MURRAY E FOSTER

Oral Surgery Club 91/91

Treasurers Report

I am pleased to report that this year for the first time since I became Treasurer, all subscriptions were collected before the end of our financial year which now runs to September 30th.

Owing to the complexity of the Aberdeen Meeting, I have not been able to include the usual details of the meeting account in the balance sheet. I have therefore appended a separate set of accounts for that meeting.

There has been one substantial change in the Club's financial organisation which the Secretary and myself have initiated. The Club account has for many years been with National Westminster Bank, 1,Cavendish Square, London. Last year the bank introduced account charges without any explanation. The manger did not answer any of my letters and arrangements were therefore made to transfer the account to a more amenable branch. The account is now with the National Westminster Bank, 40,Whitgift Centre, Croydon CR9 3QB. The manager there is known to me and is helpful and pleased to have the account. As we usually have a healthy surplus, the new bank manager has arranged for the automatic transfer of any money above £1,000.00 to a business reserve account which pays interest at current rates. The usual charge of £50.00 for setting up this arrangement was waived.

The total Assets of the Oral Surgery Club therefore include the cash in the Business Reserve Account currently £1,217.57. I have also transferred a sum of £1,500.00 to the President's account for this meeting. This is larger than previous floats and is of course recoverable. There is a healthy surplus of total funds which will be used where possible to reduce the cost of future meetings to members.

Dear Mike,

The President and Members of the Oral Surgery Club of Great Britain ask me to invite you to join the Club as an Active Member.

There are two meetings a year and members are expected to attend the home meeting if at all possible with at least one attendance in four.

I hope you can accept this invitation and if this is so I shall be pleased to receive details of your present appointments for inclusion in the register of members.

With best wishes

Yours sincerely

1st December 1992

Dear Murray

Thank you very much for your letter of the 17th November.

I was very surprised and delighted to be invited into the Oral Surgery Club of Great Britain. I am pleased to accept.

I might give advance warning that over the next two or three years when my children still need quite a bit of active support, I might not be able to make as many meetings as I hope to be able to do following this time.

With every good wish

6/12.

BMW BAILEY

2nd December 1992.

Dear Murray,

Just a brief note to thank you for your part of the meeting at St. Thomas's which was excellent and most enjoyable. I have told Derek that we have no baronial halls to match the Armourers and have suggested a traditional night with all the frills at one of the local WMC's including a pie and peas supper. Trouble is women are not allowed to a Club dinner albeit pie and peas.

More seriously, I have firmed up the date for Burnley 4-5 November 1993. I am actively looking into possible places for the dinner. I am going to look at Mitton Hall near Whalley as a possibility but am open to any suggestions in a 30 mile radius of Burnley.

Many thanks again for your efforts at St. Thomas's.

Yours,

John

MEF/MER

18th November 1992

Mr D Henderson,
"Mallington",
Headley Road,
Leatherhead,
Surrey
KT22 8PU

Dear Derek,

May I congratulate you on the meeting just held in St Thomas's which was a masterpiece of planning, timing and was thoroughly enjoyable. I have spoken to several members already who have strengthened those views and have reassured each one that it had very little to do with us here!

Regarding the initial disappointment which I shared on our trade turn out, I am enclosing a further cheque, this one from Fry Surgical bringing the total to £550 and have today spoken to the other exhibitor who apparently presented apologies here late Thursday after I had departed. The representative feels it is likely some contribution from their firm (Valleylab UK) is likely to be forth coming, and I will forward it as soon as it appears, although I suspect it will not be for the full amount. It would be nice if sponsorship reached £600, I hope you agree.

The new members have been written to, and I see from the records that no Autumn meeting has ever been so well attended as yours during the time that my records cover. I am sure that with the degree of initial planning already in hand for May that we may expect a larger than usual turn out also and I will now start to arrange some details with Hermann Sailer.

If you are in need of advertisements I would be more than happy to receive from your meeting a St Thomas's Tie which I can sport in Manchester to ensure that the other institution has a lower profile, in which case there would be no need to reimburse the £10.00 coach drivers tip! Please let me know if St Thomas's only do silk ties!

Would you like me, on behalf of the group, to write any final letters of thanks eg West Lambeth Health Authority. Sir Robert Reed, or anyone else, in addition to your, clearly very personalised thanks which I imagine you already have in hand. I presume that you would already have dealt with the sponsors in this regard.

Yours sincerely

Dear Erica,

I am writing to thank you very much for your assistance and forbearance during the meeting of the Oral Surgery Club, under Mr Henderson's presidency, at St Thomas's Hospital last Friday 13.11.92. Your sharp reaction in recalling the caterers to feed the sponsors who paid but did not receive any meal was greatly appreciated not only by them but me. We have indeed almost completed our task of getting the sponsors to settle and I believe are not very much short of our sponsorship target.

Whilst it was nice to be back in St Thomas's again (I trained there) I was impressed with the changes that have been made since I left in 1978 and believe that you should impress to any visitors the absolutely splendid aspect which you enjoy from the front windows of your Post Graduate Centre. Please thank you assistant also.

20th January 1992

Dear Mr. Henderson,

Further to our meeting last week, I have pleasure in confirming the following details and itinerary for your delegation on 12th and 13th November 1992.

Your requirement for 20 single rooms and 20 twin/double rooms will be reserved for you and charged at £83.00 and £103.00 respectively, including full English breakfast, service and VAT. We request that this allocation be taken up at least 3 weeks prior to the event.

I understand that the following itinerary will apply.

Thursday 12th November

16.00	Delegates arrive and check-in.
17.00	"Council meeting" for 8 delegates in room 206.
17.30	Remaining delegates will assemble in the Library for tea and coffee.
18.00	A.G.M. for 40 delegates in the Rembrandt Room (1 hour).
Evening	Coach departs for reception at St. Thomas' Hospital.

Friday 13th November

Morning	Coach departs from Rubens for St. Thomas', returns later.
Evening	Coach departs from Rubens for dinner venue, returns later.

Saturday 14th November

Morning	Delegation departs.

../2

Our ref.: AG/CA
20th January 1992
2.

All charges are inclusive within the room rate, considering allocation is taken up, except coach hire which, for the above itinerary of journeys for a 53 seater coach, will cost a total of £475.75.

I hope that the above is satisfactory and, as requested, I have enclosed three brochures for your convenience.

I look forward to hearing from you with the final details nearer the date.

Yours sincerely,

Andrew Goodman,
General Manager

MEF/MER

15th October 1992

Dear

Arrangements appear to be well in hand for the Autumn meeting of the Oral Surgery Club. To date, 45 members have indicated that they will be attending the Annual General Meeting to be held at 5.30 pm in the Rembrandt Room of the Rubens Hotel, Buckingham Palace Road. Tea will be served from 4.30 pm onwards in the Library.

20 members will be accompanied by their ladies at the reception at the Consultants Dining Room at St Thomas' Hospital departing from the hotel at 6.50 pm.

The programme is as already circulated and it would be appreciated if members could attend the trade stands which will be in the Post Graduate Centre adjacent to our meeting.

As initially intimated, car parking is not easy. The Rubens may by prior arrangement be able to take up to 5 vehicles (at £20 per night) in a nearby garage, and this arrangements is very much first come first served. The nearest National Car Park facility is apparently situated in Semley Place, near Victoria Station within 10 minutes walk and costs £16 per 24 hours (map enclosed).

?(A note of the ladies programme arrangements from Mrs Henderson is enclosed, some details of which have already been conveyed to ladies by telephone.)

Yours sincerely
