The Archives
of the
Oral Surgery Club of Great Britain

Volume 4

1980 to 1986

Introduction

The Oral Surgery Club of Great Britain was the brainchild of Rupert Sutton Taylor who thought a professional club should be formed of dental surgeons who practiced mostly Oral Surgery. This was formed before the British Association of Oral Surgeons which later became the British Association of Oral and Maxillofacial Surgeons.

The clubs first meeting was in 1937 and from its inception an honorary archivist was appointed to keep, mostly papers, and records of the meeting which have been held usually twice a year with mostly one in the UK in the home town of the President who rotated yearly and one overseas.

The club still meets twice a year and since 1935 six large cardboard boxes of documents have accumulated. This is the first volume of scanned documents which have been formatted in the style of a crown-quarto size book and made available digitally in a Portable Document Format file.

The document is organised with the archive of each meeting in a separate chapter in order of date.

It is anticipated that a printed copy will be made available from the library of the British Dental Association.

For a concise history of the club see: A History of the Oral Surgery Club of Great Britain by John Bradley.

1980 Freiburg - June

ORAL SURGERY CLUB

The next overseas meeting of the Oral Surgery Club is to be held in Freiburg, where Professor Schilli has kindly agreed to arrange a programme for us at the Klinikum Der Albert-Ludwigs Universität. The dates of the meeting will be Monday, 2nd June and Tuesday, 3rd June. Air travel probably 1st June and return 4th June.

****

Dates for the Autumn meeting under the Presidency of Mr. Dennis Penney at the Bradford Royal Infirmary will be 23rd and 24th October, 1980.

****

I shall/shall not attend the meeting in Freiburg

I would like to travel by air (Approx. price £144 return) Stuttgart to Freiburg
(Accompanying wives £72) by train £14.46

(N.B. Wives travelling to conferences with their husbands on the same flight (BA) pay half price).

I shall make my own arrangements

I shall/shall not require hotel accommodation

I shall/shall not take my wife

If you wish to attend the meeting in Freiburg please complete this form with name and signature, and return to me as soon as possible, and not later than Friday, February, 8th, as Professor Schilli has written to say there may be difficulties with hotel accommodation.

Professor Dr. med. W. Schilli,
D 78 Freiburg - Günterstal,
Horbenerstr. 27,
WEST GERMANY

Dear Professor Schilli,

My colleague Roy Whitlock has told me of your very kind offer to arrange a two day clinical meeting at your hospital for Members of the Oral Surgery Club.

I believe that a suitable time might be during the last two weeks in May, 1980 and that the beginning of the week is more convenient for you. May I suggest tentative dates as Monday and Tuesday, 21st and 22nd May. We could travel to Freiburg on Sunday, 20th to commence the visit early Monday morning.

Our Members are senior consultants in oral and maxillo-facial surgery in the United Kingdom and usually we expect a party of about 12 for overseas visits. Please understand that we enjoy participating in the normal routine of your department and do not wish to cause too much disruption.

I look forward to hearing from you and will be pleased to make any arrangement to suit your convenience.

Yours sincerely,

Raymund O' Neil

Dear Raymond

Herewith the outline programme for the Club meeting in October.

I have mentioned the coach because although there is good parking at the Bankfield Hotel, there is no room at the Bradford Royal Infirmary for cars. I have made provisional reservations at the Bankfield for 30 single rooms with bath for both nights.

I hope this is what you need, and will let you have the details of the meeting, speakers and so on as soon as I can.

Yours sincerely,

H D PENNEY

10 Nov 1979

My Dear Raymund

I hope your trip to France went well and that you had success in getting our brothers of the EEC to see the light defuse as it may be in the fog of their own making, but that as it may be.

I much enjoyed the meeting of the Oral Surgery and was delighted to find it in such good shape not that I had any doubt on that front, but it is always good to have

ones faith conformed.

How wise the Club has been to remain a Club keep the membership restricted, and to resist the modern fashion of calling everything by a new name.

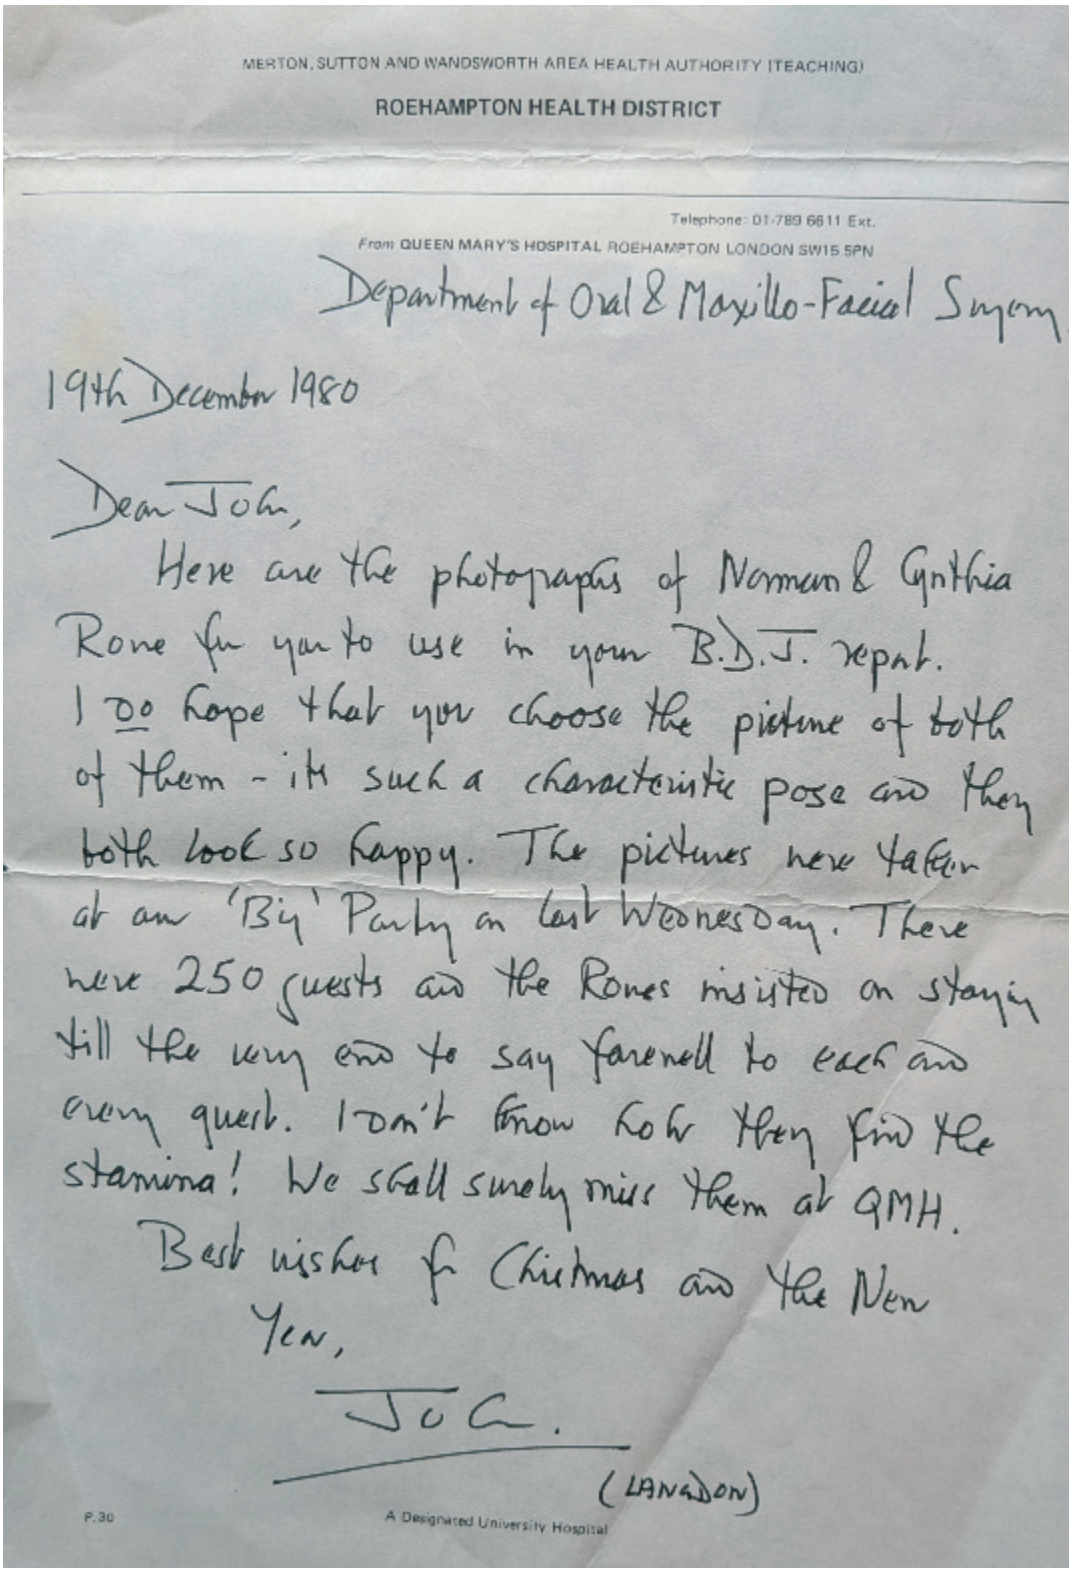

I was very touched by the welcome given to me, much flattered by the kind things said at the dinner, and overwhelmed to be told by Peter Cooke that I was a guest. I have written to Peter to express my appreciation and thanks and I now do so to you in this letter

I venture to enclose a very small cheque as a donation to the funds of the Club and remain

Yours very Sincerely Rupert

F.R.S.

19th December 1980

Dear John,

Here are the photographs of Norman & Cynthia Rowe for you to use in your B.D.J. report. I do hope that you choose the picture of both of them - it's such a characteristic pose and they both look so happy. The pictures were taken at an 'Big' Party on last Wednesday. There were 250 guests and the Rowes insisted on staying till the very end to say farewell to each and every guest. I don't know how they find the stamina! We shall surely miss them at QMH.

Best wishes for Christmas and the New Year,

J C L.

My Dear Raymond

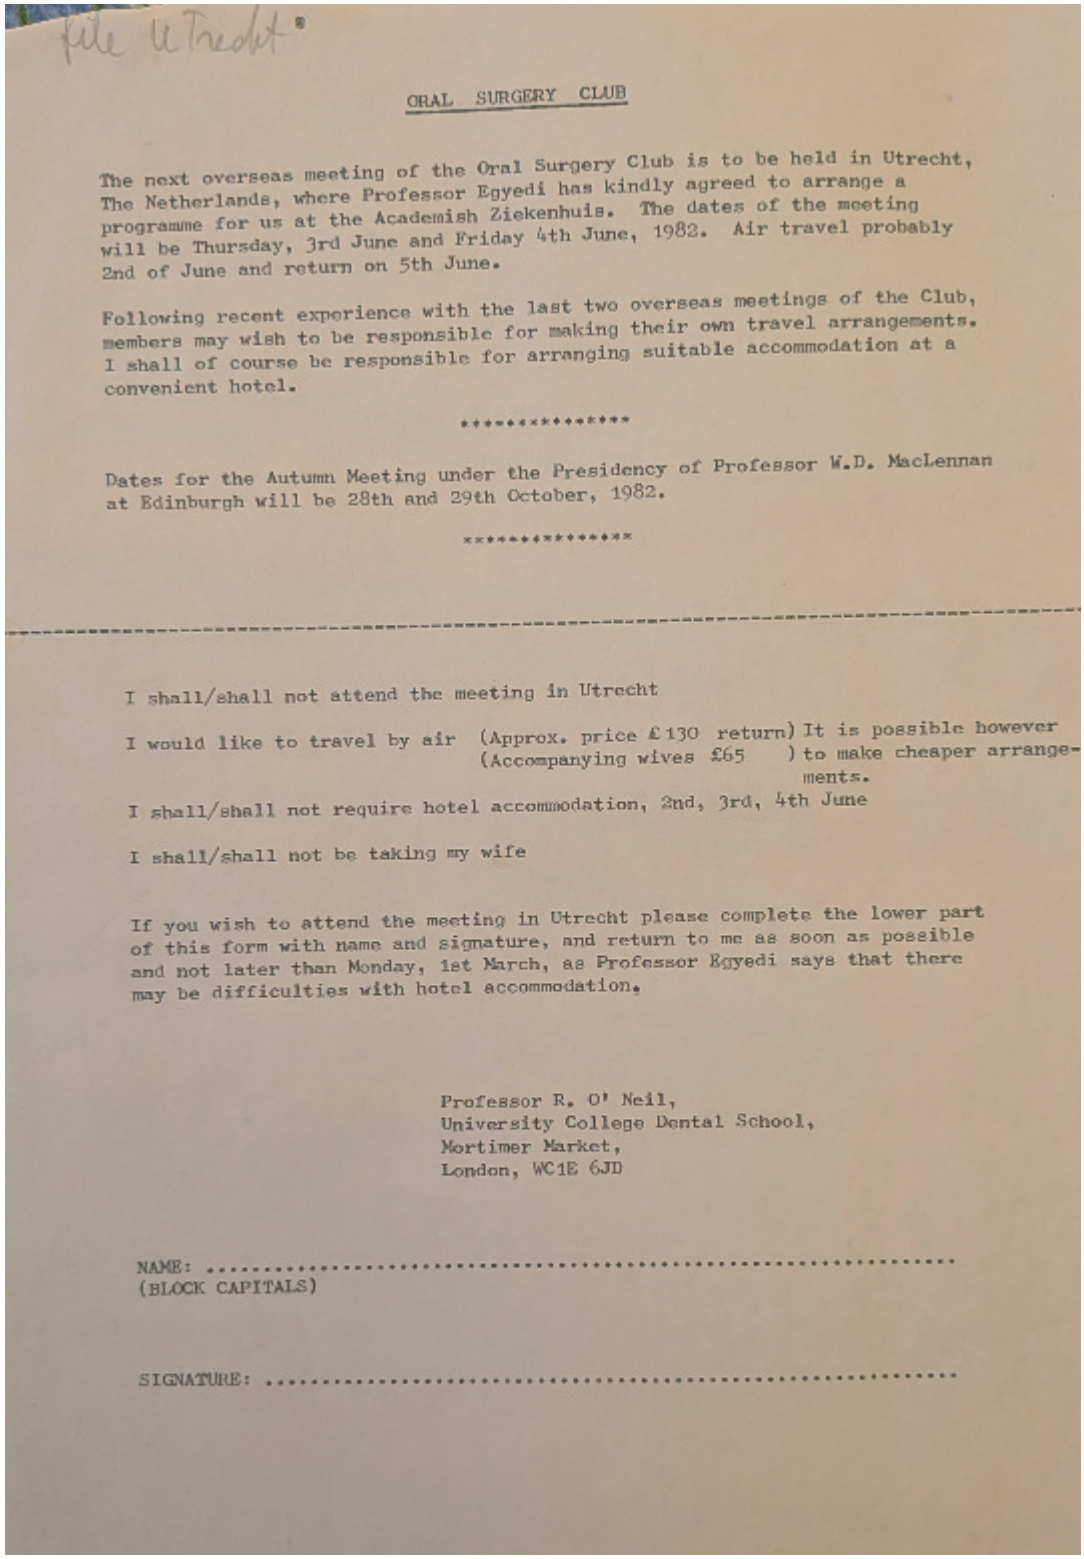

It was very kind of the Oral Surgery Club to send me their greeting from Wanter, and I loved getting the Card they all signed. Please accept my most sincere thanks.

I am glad it was such a good meeting.

My best wishes to you your wife and family

Yours Rupert

1982 Utrecht - June

file Utrecht

ORAL SURGERY CLUB

The next overseas meeting of the Oral Surgery Club is to be held in Utrecht, The Netherlands, where Professor Egyedi has kindly agreed to arrange a programme for us at the Academish Ziekenhuis. The dates of the meeting will be Thursday, 3rd June and Friday 4th June, 1982. Air travel probably 2nd of June and return on 5th June.

Following recent experience with the last two overseas meetings of the Club, members may wish to be responsible for making their own travel arrangements. I shall of course be responsible for arranging suitable accommodation at a convenient hotel.

****

Dates for the Autumn Meeting under the Presidency of Professor W.D. MacLennan at Edinburgh will be 28th and 29th October, 1982.

****

I shall/shall not attend the meeting in Utrecht

I would like to travel by air (Approx. price £130 return) It is possible however (Accompanying wives £65) to make cheaper arrangements.

I shall/shall not require hotel accommodation, 2nd, 3rd, 4th June

I shall/shall not be taking my wife

If you wish to attend the meeting in Utrecht please complete the lower part of this form with name and signature, and return to me as soon as possible and not later than Monday, 1st March, as Professor Egyedi says that there may be difficulties with hotel accommodation.

Dear colleague,

Enclosed you will find some information on the city of Utrecht for the ladies and our preliminary program for the third and the fourth of June.
If you have any questions or comment, we will of course take this into account, there is still ample time to change things+ or add whatever you like to the program.
As you will see in this program a visit to our hospital department is not envisaged, but of course we would be happy to welcome your group also in our hospital department, but then for example in three groups of 5 persons. Of course this preliminary program is not meant to be a rigid scheme, on the other hand we dit not want to plan nothing for you at all.
I think the best thing for us would be to pick you up with a few cars at your hotel at about 8.45 hours a.m. on June the third.
We are all looking forward to you visit here.

+ except for the trip on Friday

Kind regards, sincerely yours,

Prof.dr.P.Egyedi

Dear Professor Egyedi,

Thank you for your letter 8th March and your kind enthusiasm arranging a programme for members of the Oral Surgery Club. It would certainly be possible to have the dinner on the Thursday evening and I will arrange the details when I arrive in Utrecht.

I enclose a list of members who are coming with their wives to Utrecht, but as I mentioned previously, our ladies are quite capable of looking after themselves, although it would obviously be pleasant if they could come on the boat trip.

Mr. & Mrs. R. Whitlock

I have managed to find a convenient Hotel called 'Hes' which is recommended in the Hotel Guide and appears to be conveniently situated for the Universiteitskliniek.

We will be arriving at Utrecht on Wednesday, 2nd and returning Saturday, 5th June.

Yours sincerely,

R. O' Neil

Dear Dr. O'Neil,

Of course you and your colleagues are most welcome in May 1982 to visit our department.
In your letter you write to me that you do not want to cause too much disruption, but in fact we are delighted to be disrupted from our daily routine.
In order to get a clear picture of what we could offer you, I would be very pleased to hear from you in what manner you have disrupted other places with your group so far.
I.e. how many guests, how many days, what program has been offered to you in other places, are the ladies coming as well?
Hotel accomodation?
May be, if you could give me the program of one or two former trips abroad by your group we could arrange an attractive program for you in Utrecht as well.

With kind regards,

Yours sincerely,

Prof.dr.P.Egyedi.

UTRECHT,
Netherlands

Dear Dr, Egyedi,

My colleague David Downton has told me of a recent conversation he had with you at the Royal College of Surgeons of England when you kindly suggested the possibility of a meeting of the Oral Surgery Club at your Clinic at Utrecht.

I am secretary of the Club and at a recent meeting I was asked to write and see if it might be possible to arrange a meeting in May next year.

Our Members, as you probably know, are senior consultants in oral and maxillo-facial surgery in the United Kingdom and usually we expect a party of about 12 to 15 overseas visits.

Please understand that we would enjoy participating in the normal routine of your department and would not wish to cause too much disruption.

I look forward to hearing from you and will be pleased to make any arrangement to suit your convenience.

Yours sincerely,

R. O' Neil

Professor dr P. Egyedi,
Academisch Ziekenhuis Utrecht,
Kliniek voor Mondziekten en Kaakchirurgie,
Catharijnesingel 101,
UTRECHT,
Netherlands

Dear Professor Egyedi,

Thank you for your kind reply extending an invitation to the Oral Surgery Club to visit your Clinic at the Academisch Zietenhuis Utrecht.

I apologise for not replying immediately but some of my colleagues have had the usual difficulties in arranging their affairs. David Downton and Paul Bramley have found it impossible to be free from College duties in May.

Would it be possible for the Club to come to Utrecht on 3rd and 4th June (if this is impossible for you an alternative date 17th and 18th June is suggested).

A party of about 15 members will be expected. We shall make our own travelling and hotel arrangements. Several members' wives usually accompany their husbands but I assure you that our ladies are very independent and quite capable of looking after themselves!

Would it be possible to arrange a two-day programme on Thursday, 3rd and Friday, 5th June. This programme might include a visit to your out-patient department where we would be happy to be observers whilst your clinics are taking place. It would be nice to attend an operating session if facilities permit. Our interests are also wide in the educational sense and a visit to your dental school or other academic institutions would be very acceptable. If any of your colleagues or assistants could present short papers of their particular interests it would also be very acceptable.

On Friday evening we would like to invite Mrs. Egyedi and yourself together with any members of your staff who may be involved in the programme to a dinner with members of the Club.

I look forward in anticipation to your suggestions.

Yours sincerely,

R. O' Neil

Dear Colleague,

Enclosed you will find a map of Utrecht. The main part of our programme will be in the dental school, just outside Utrecht, since in the hospital our department has no facilities to receive 15 colleagues at the same time.
We are still busy making a attractive programme for you and we would like to organize something (apart from the scientific programme) on friday afternoon (maybe a boattrip in the Utrecht region with a diner afterwards) and therefore we would like to ask you whether the diner you mentioned in your letter and for which myself and a few staffmembers have been invited could be held on thursday.
Kees Merkx rang me on this visit and since he intends to join your group I asked him for an advise on how to arrange things. In the past he organized a trip for your group as well in which his department participated. We thought this an excellent idea and would very much like to offer you a trip on friday. Besides ofcourse we will be showing in the dental school part of our work (those aspects in which our department is more or less specialised). The definite programme will be sent to you eventually.
On the Utrecht map we marked the site of the dental school with a cross.
I will be writing to you in due course again, kind regards,

sincerely yours,

Prof.dr. P. Egyedi.

Ladies and Gentlemen,

On behalf of the department of oral surgery, I welcome you here. I hope that your visit to Holland and our faculty will be useful and memorably fruitful. It is my pleasure to introduce you to some aspects of the study of dentistry in The Netherlands and in particular to the teaching conducted by our department of oral surgery.

Before doing so, I should point out to you that since 1972 we are involved in an operation to reorganize the curriculum due to a new state law which proclaimed that the length of the dental education should be reduced from 6 to 5 years. This curriculum of 6 years had been adopted in 1947 and replaced the program of 4 years, which was in function until 1947. As you will understand, a picture of the education in dentistry in The Netherlands would not be complete without some remarks about its history or in other words, how it all began.

Considering what aspects of the history of Dutch dental education to cover, it is obvious in view of the centenary of this study in 1977, to commence a century earlier: in 1877. For, in that year, Dentz, well-known among dentists, was appointed "reader" at the Medical Faculty of the State University of Utrecht. In order to make clear that this appointment did not come of the clear blue, but was in fact a logic event in the development of the study of dentistry, it seems better to begin our survey even at a much earlier date. Although officially already in 1434, one had to proof one's surgical ability before being allowed to practice the profession of "tooth master", in practice this meant very little. The supervision and the exams were in the hands of the authorities. It should be noted that a journeyman and apprentice settlement, as for the Guilds, did not exist.

With the arrival of the French in 1795, the first alterations took place. In 1800 the toothmaster was recognized as such. He was not allowed to practice

without passing a thorough exam. However, where to study and where to pass his exam was not mentioned. In 1818, it was dictated that the toothmaster should receive his certificate from provincially founded committees. The length of the exam was about one hour and that in the absence of any official facility to train oneself in the skills of the toothmastery. This situation remained nearly unchanged until 1865. Then, by law, the so-called "unity of social class" was introduced. A state exam was instituted and herewith the partial medical qualification was abolished. This was also applicable to the toothmaster. Only physicians were allowed to practice dentistry. The provincial committees were abrogated. In 1871 it was declared that anybody could put in dentures. Surgical actions such as extraction and filling, however, were reserved for physicians only. Yet, also in view of the danger that the profession of toothmaster would totally disappear, the separate competence of a toothmaster was introduced again in 1876. By law arrangements were taken, in which the responsibility for a theoretical examination was put in the hands of the Medical Faculties. Interestingly, there is still no mention of where or how one should achieve the necessary knowledge. The examination took 3 days, the last of which was reserved for testing the practical skill of the candidate. Again, practical training facilities did not exist. For the theoretical part one could in principle follow some medical lectures, although four years later grammar school level was required to enter the examination, a formal course or study program in dentistry was still unmentioned.

After this introduction, in which formal education in dentistry did not exist, it should be said that in 1865 something like a formal training program commenced. In that year, the Medical Faculty of Utrecht founded a clinic for the recognition and treatment of the tooth diseases. It was emphasized however, that only physicians and candidate physicians could enter. Prospective toothmasters were not admitted in view of their lack of theoretical knowledge.

Eleven years later, Dentz became head of the clinic and after one year in function, as already mentioned before, he was appointed "reader". Officially this appointment had no relation to the education of prospective toothmasters.

Whether Dentz indeed obeyed his instructions to teach medical students and graduates only, is doubtful. It looks as if he was not very particular in this respect, as in the rooms, put to his disposal in 1882 by the Trustees of the University, three times a week during evening hours a clinic for practising diagnostics and extraction and a class were held. Five years later he even was given an assistant. Thus, at that time, instruction in the practical aspects of dentistry was given. The theoretical subjects, however, were still tought elsewhere.

In the meantime, in 1881, the Medical Faculty had introduced a formal education program for toothmasters. And so in 1885, Dentz had two assistants, albeit that they had to share their salary.

The opening of the new clinic was troublesome since there were little or no facilities and instruments. In fact there was nothing but the building. A collection among the notability, which brought in f 462,- gave some relief. Upholstery could be bought for this money, while the students, registered as auditors for two lectures (there were 20 of them), paid the rest out of their own pocket. The rule that one had to register as an auditor for two lectures came to an end in 1908 when full registration at the university was enforced.

Two years later Dentz moved into the patrician house Payerborgh, 230 Oude Gracht, together with 140 students. In these years the scientific staff increased considerably. In 1913, due to a state committee installed in 1907, a law was passed that increased the standard of both theoretical and practical exam. In all of The Netherlands, the exams could only be taken in Utrecht. The length of the study was increased to 4 years. The

time-table of the study was as follows: after the first year, the first part of the theoretical dental exam was taken; after the second year, the second part. This theoretical background was a prerequisite for entering the clinical part of the study which lasted another two years. After the 4th year, the final exam in dentistry was taken. The subjects of the first part of the theoretical exam were: the principles of anatomy, pharmacology, principles of histology, general pathology and the basics of physiology. Those of the second part were: bacteriology of the oral cavity, principles of surgery, metallurgy, pathology and pathological anatomy of tooth and oral cavity, the performance of dental actions on a manikin. At the final exam the students were tested for theory and practice in: preserving dentistry, prothetic dentistry, orthodontics and surgery of the oral cavity.

In these days (1912) the fight for a recognized title "dentist" took place. A schoolmaster became a teacher, a commercial traveller a sales manager, a barber a hair dresser and so on. After long deliberations the title of dentist was accepted and protected by the parlament in The Hague.

In the following years, teaching quickly adopted to the developments here and abroad. Payerborgh house became too small. Thus, in 1921 a second house was acquired, while 6 years later part of the Gate House of the College of Veterinary Sciences could be used for first year's students. This inpracticle situation did not last for long and already in 1929 the Dental Institute at the Jutfaseweg was officially opened. The dental institute remained in this building until September 1974 when it moved to the new School of Dentistry in the Uithof. At the Opening of the institute on the Jutfaseweg the then acting director Coebergh wondered whether perhaps in 1950 a skyscraper would be necessary to accommodate 1600 students, not realizing that the monopoly of the education in dentistry would not be restricted to Utrecht.

In the last decades, important developments in the Dutch dental study program took place. Teaching was not restricted to Utrecht as it used to be.

New institutes of dentistry were founded: State University of Groningen in 1946; Catholic University of Nijmegen in 1961; University of Amsterdam in 1963 and the Free University of Amsterdam in 1968.

In 1947, after long years of considerations and numerous reports, the length of the study was increased from 4 to 6 years. From that date on, the study of dentistry was accepted as a full-fledged academic study, with all rights and competencies connected to it. In The Netherlands, dicusssion about grand scale renewal of university education program began in the 1960's. The great run on the universities required extensive re-evaluation of the function of the university and the future of those having an academic degree. Not only did one forsee that higher education would become too expensive for the community, but one was also afraid that labour market would soon be overstocked by university graduates. In 1968 a state committee made the following proposals:

1. a doctoral study of 4 years for all academic studies, for the student to complete within 6 years,

2. a selective propaedeutic exam after the first year,

3. the institution of a "study contract" for the remaining three years between student and tutor,

4. the education should focus on practical rather than theoretical issues,

5. the introduction of more differentiation through enlarging the possibilities for students to select their own study subjects,

6. the institution of more objective exam criteria.

Between the lines, one should read that the main objective was to deprive the universities of their elite character and to ensure that the university would deliver graduates more oriented to practical issues and thus more apt to enter society and to stop the classical endless studying. Above all however, a reduction of costs was envisaged.

Apart from this reorganization of the study as such, the need for a thorough modification of the administration of university and its faculties was felt. For this purpose a law on the Reform of the University Administration was passed by parlament. According to the articles of this law, which in 1970 was temporarily put into action for 5 years, it was necessary, also at the Faculty of Dentistry, to install a committee dealing with educational affairs. It was the task of this committee to reorganize the dental study program within the framework of the new law.

After ample discussion and taking into account the teaching method suggested by the state committee, the committee concluded that the curriculum should be composed in such a way that it would train a dentist to meet the demands of our present society and find satisfaction in his work.

The teaching committee thought this could be attained by the new study program on three principles:

1. practical training,
2. knowledge of the relevant medical-biological subjects,
3. knowledge of the relevant social sciences.

For an effective reorganization of the curriculum, the assistance and cooperation of all departments and students were required. It was decided that optimally the new study program should last five years and the following subdivisions were made:

A propadeuse of one year, a doctoral phase of three years, a fifth (practical) year, strongly aimed at the forthcoming professional pursuit. The teaching program of the new curriculum is almost completed now, and we hope to put it into effect in September 1982.

Since 1977 the length of the study is gradually reduced from 6 to 5 years, to facilitate the introduction of the new curriculum. This nominal shortening of the study brought along various unevitable difficulties, since during this transitional state, two curriculae with a different length of

study were being tought simultaneously.

Because of time shortage, I will further limit my presentation to the teaching program of the Department of Oral Surgery.

In the fourth and fifth year of the study, the students spend 5 weeks in the department. At the end of the second year, they already have followed the lectures in anaesthesiology and by the middle of the third year the principles of extraction. The lectures on dental surgery are given during the whole of the fourth and fifth years. The intention of the five-week period at the department of dental surgery is to give the students some insight into diagnostics of diseases of mouth and teeth, to teach them to treat simple cases and instruct them how to extract teeth and to treat possible complications. We also try to teach them some of the problems of pre-prostetic and orthodontic surgery. Although fourth year students have the necessary knowledge of anaesthesiology and extraction, it was deemed unjust to let them immediately start with the treatment of patients at the beginning of their five-week period. Instead, during the first week they are required to extend their theoretical background. Subsequently, they are to follow a manikin course. The topics of that course are: hygiene and sterilization, knowledge of instruments, anaesthesia, extraction and complications.

After this period the students are tested, whereafter they are allowed to carry out extractions. The total number of students in each period of five weeks varies between 20 and 35. Half of them are fourth year and half fifth year students. Our department has the disposal of an extraction room, diagnostic facilities and a surgery room. Every day about 15 to 40 patients come in for treatment. All these patients are directed to us by dentists, physicians and various medical specialists. They all are examined at our diagnostic department. Emergencies are treated directly. The other patients are attended to according to an appointment schedule. The students spent two weeks at diagnostics, take case histories and draw up different diagnoses.

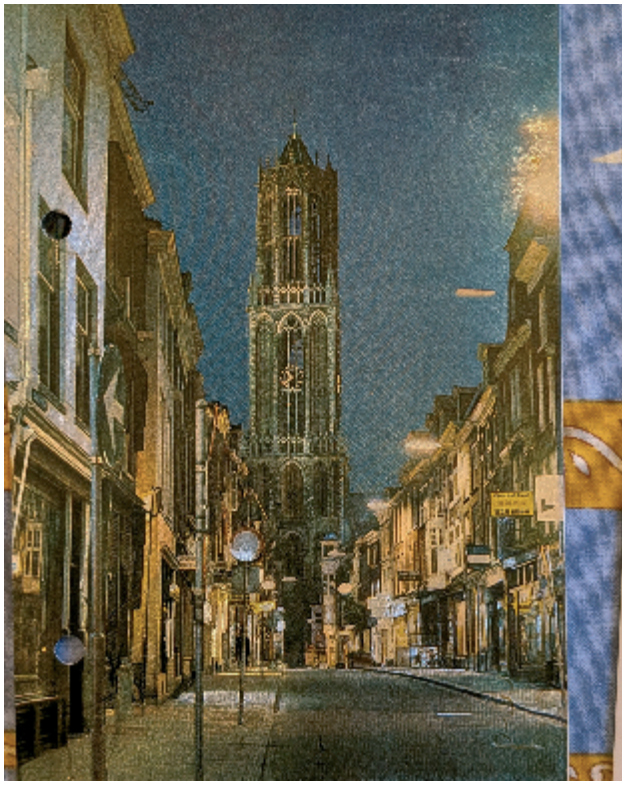

In the surgery room as a rule the patients are treated by dentists who are in training for oral surgeon, while students assist during the various surgeries. The number of cases obligatory for each student are: 50 extractions, 15 case histories, participation in the surgery room and work discussions. Once a week such a work discussion is held. A student is to study a given topic in great detail and to discuss it in front of the whole group. This set-up has been received by the students with great enthusiasm. Yet, the teaching is not optimal because of lack of staff members and sometimes shortage of patients.

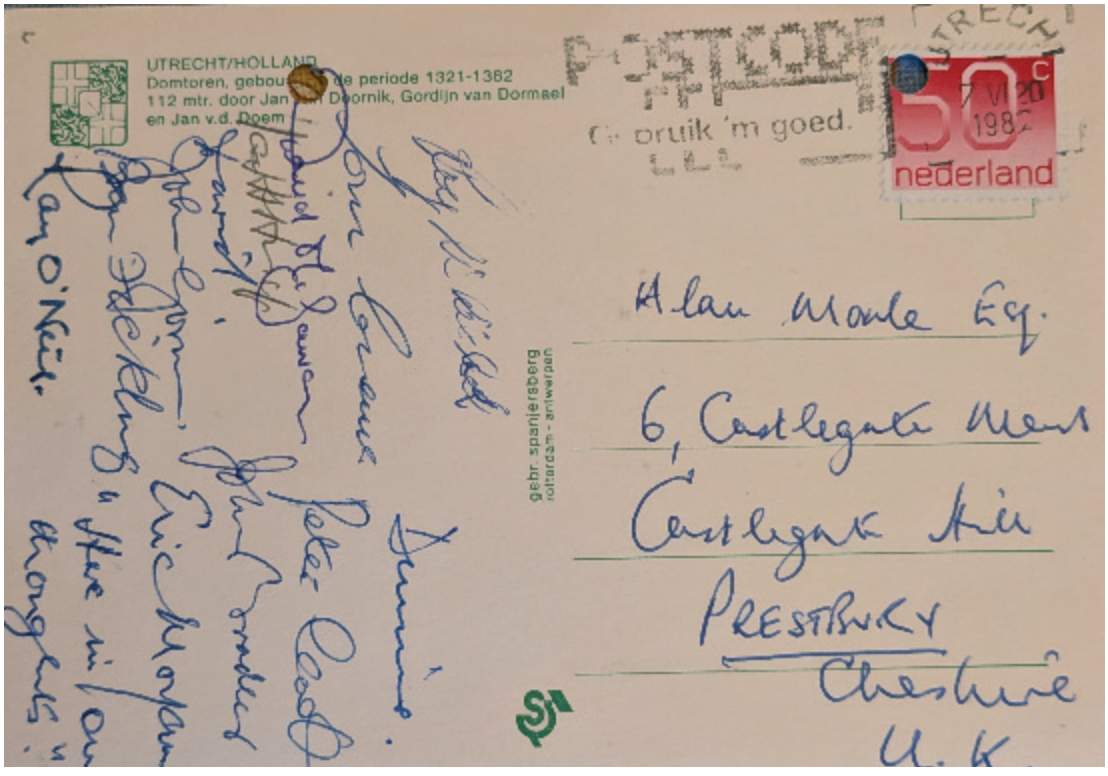

The department presently has four regular staff members and six assistants in training. At least four members of the staff are occupied with the treatment of patients in the academic hospital. Due to the financial retrenchments of the government, this shortage of staff will not be solved in the forseable future.

Let me finish by stating that it is our sincere hope that with the new curriculum and making optimal use of available patients and staff, we will be able to provide students with an efficient and integrated study program, which can meet the highest of international standards.

Thank you for your attention.

1982 Utrecht - June

Dear Professor Egyedi,

Thank you very much for the excellent meeting and hospitality which your arranged for our recent meeting at the Dental School in Utrecht.

The whole programme ran very smoothly and we have all benefitted from the scientific papers and the new experiences. Members of the Club have unanimously agreed that the meeting was one of the most enjoyable visits in the history of the Club.

The next meeting of the Oral Surgery Club is to be held at Edinburgh on 28th, 29th and 30th October and I shall send you details later should you wish to attend.

With kind regards.

Yours sincerely,

R. O' Neil

BRITISH ASSOCIATION OF ORAL SURGEONS

Subscriptions for the year 1971-1972 are due on 1st July. It would be most helpful if members who do not pay by banker's order could send their subscriptions now to the Honorary Treasurer, G.L. Fordyce Esq., F.D.S.R.C.S., Mount Vernon Centre for Plastic Surgery and Jaw Injuries, Northwood, Middlesex

The Subscription is as follows:-

Fellows	£7 per annum
Members, Associate Members, Retired Fellows, Members and Associates.	£5 per annum

If you do not pay by banker's order, it would help the Honorary Treasurer if you would consider payment of subscription by this method. A form of banker's order is attached.

1982 Edinburgh - October

THE ORAL SURGERY CLUB OF GREAT BRITAIN

1982 ANNUAL MEETING

EDINBURGH

OCTOBER 28/29 1982

ADMINISTRATIVE ARRANGEMENTS

ACCOMMODATION

This has been arranged at the Roxburghe Hotel, 38 Charlotte Square, Edinburgh EH2 4HG, (Tel. 031-225 3921).

Single room, bath/shower and full English Breakfast £20 per night.

Double rooms available at conference rate.

Meter car parking is available in Charlotte Square. Overnight parking is available in Castle Terrace which is some 10 minutes walking distance from the Hotel.

TRANSPORT

Transport on Friday has been arranged by bus to Ethicon Limited at Sighthill, and to the Royal Infirmary for Lunch and the clinical meeting, and also to and from the Royal College of Surgeons, Nicolson Street for the Dinner.

PROGRAMME

THURSDAY, 28 OCTOBER 1982

Roxburghe Hotel, Edinburgh

4.00 p.m.	Council Meeting
5.00 p.m.	Annual General Meeting
	(Tea will be available in the Lounge on the ground floor from 4.15 p.m.)
7.30 p.m.	Buffet Reception provided by Ethicon Limited will be held in the Roxburghe Hotel.

FRIDAY, 29 OCTOBER 1982

8-8.30 a.m.	Breakfast
9.00 a.m.	Bus leaves Roxburghe Hotel for:

Ethicon Limited, Sighthill

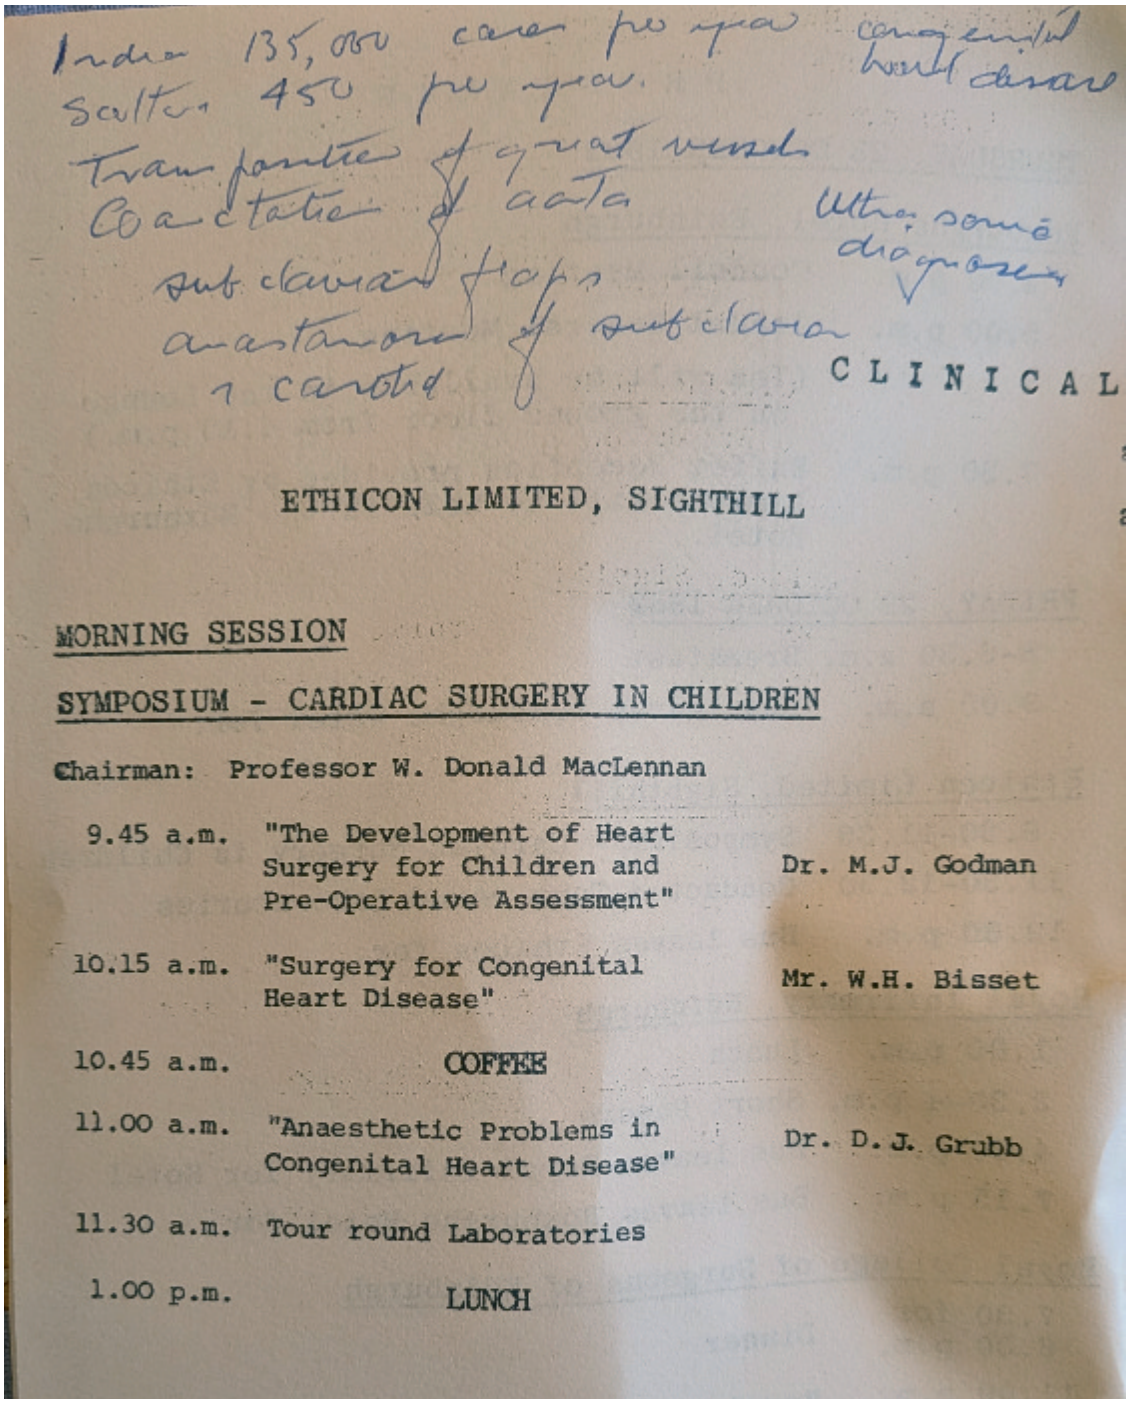

9.30-11.30	Symposium - Cardiac Surgery in Children
11.30-12.30	Conducted Tour round Laboratories
12.30 p.m.	Bus leaves Ethicon for:

Royal Infirmary, Edinburgh

1.00 p.m.	Lunch
2.30-4 p.m.	Short Papers
4.30 p.m.	Bus leaves Royal Infirmary for Hotel
7.15 p.m.	Bus leaves Roxburghe Hotel for:

Royal College of Surgeons of Edinburgh

7.30 for 8.00 p.m.	Dinner
11.00 p.m.	Bus leaves Royal College for Hotel.

Index 135,000 cases per year congenital heart disease
Salter 450 per year.
Transposition of great vessels
Coarctation of aorta
sub clavian flaps
anastamosis of sub clavian
& carotid
Ultra sonic diagnosis

ORAL SURGERY CLUB OF GREAT BRITAIN

The next meeting of the Oral Surgery Club is to be held at Edinburgh under the Presidency of Professor W. Donald MacLennan, on the 28th and 29th October, 1982. Accommodation is being arranged at the Roxburghe Hotel, Edinburgh and the hotel requires firm bookings as soon as possible.

Thursday 28th October, 1982 - Roxburghe Hotel, Edinburgh

4.00 pm	Council Meeting and Tea
5.00 pm	Annual General Meeting
7.30 pm	Buffet Reception

Friday 29th October, 1982 - Ethicon Limited, Sighthill

9.30 am	Symposium: Cardiac Surgery in children
11.30 am	Tour round Laboratories
1.00 pm	Lunch at Royal Infirmary, Edinburgh
2.30 pm	Scientific Papers
7.30 for 8.00 pm	Dinner (Black Tie) at the Royal College of Surgeons of Edinburgh.

If you wish to attend the Meeting in Edinburgh, please complete this part of the form and return to me as soon as possible and not later than Friday, 9th July.

Professor R. O' Neil
University College Dental School,
Mortimer Market,
London, WC1E 6JD

I shall/shall not attend the Meeting at Edinburgh

I shall/shall not attend the Buffet Reception at 7.30 on Thursday, 28th October

I shall/shall not attend the Club Dinner on Friday, 29th October

I shall/shall not require accommodation at the Roxburghe Hotel

Thursday, 28th October

ORAL SURGERY CLUB

The next overseas meeting of the Oral Surgery Club is to be held in Münster, where Professor Rudiger Becker has kindly agreed to arrange a programme for us at the Klinik fur Zahn-, Mund-und Kieferkrankheiten der Westfalischen Wilhelms-Universität. The dates of the meeting will be Thursday, 5th May and Friday, 6th May, 1983. Air travel probably 4th May and return on 7th May.

Members however may wish to be responsible for making their own travel arrangements. I shall of course be responsible for arranging suitable accommodation probably at the Mövenpick-Hotel which Professor Becker recommends.

****

Dates for the Autumn Meeting at Exeter under the Presidency of Mr.Peter Lewars will be 27th and 28th October, 1983.

****

Please detach and forward as soon as possible to:

Professor R. O' Neil,
University College Dental School,
Mortimer Market,
London, WC1E 6JD

I shall/shall not attend the meeting in Münster.

I would like to travel by air (Approx. price £160.00 return)
(Accompanying wives £80.00 ")

I shall/shall not require hotel accommodation 4th, 5th and 6th May.

I shall/shall not be accompanied by my wife.

Dear Rudiger,

I have been asked by the Committee of the Oral Surgery Club to write and ask if it might be possible to arrange a meeting at your clinic at Munster in May-June next year.

Our members remember with pleasure the meeting that you kindly arranged in 1970 and would be very pleased to re-visit your service. A party of about 15 might be expected.

Please understand that we would enjoy participating in the normal routine and would not wish to cause too much disruption.

I look forward to hearing from you and will be pleased to make any arrangement to suit your convenience.

With kind regards.

Yours sincerely,

Raymund O' Neil

ORAL SURGERY CLUB VISIT TO MÜNSTER - THURSDAY 5th MAY AND FRIDAY 6th MAY 1983

Dear Raymund,

Thank you for your letter from 30th December. We are looking forward to the visit of the Oral Surgery Club on the 5th and 6th of May. We will recommend you the Mövenpick-Hotel in Münster (adress: Mövenpick-Hotel, Kardinal-von-Galen-Ring 65, D-4400 Münster, Phone 0251-89020). It is situated very closed to our new clinic, the only one from which you can reach the clinic by foot.

Please let me know if we should arrange anything for your stay here.

With kind regards,

Yours sincerely,

Richter

Dear Raymund,
Thank you very much for your letter from 3rd of November. Excuse my late answer, but my adress has changed (see above), so I received your letter just today.

I would be pleased with a visit of the Oral Surgery Club in 1983. You can choose between the first two weeks of May (from 24th - 28th of May) we will have our Annual Meeting of the German Ass. of Oral, Max.-Fac. Surg. in Vienna and I will have a short holiday) and the first two weeks of June or, if it is convenient for you, the week befor the IAOS-meeting in Berlin (25th - 30th of June).

Please let me know your proposals and we will like to arrange your visit.

I am looking forward to your answer,

Yours

Richter

Dear Rudiger,

Thank you for your letter 1st December and your kind invitation to the Oral Surgery Club to visit your Unit.

Following the usual discussions with my colleagues we would like to accept your suggested dates in May namely 5th and 6th (Thursday and Friday). We could travel on Wednesday, 4th and most likely return on Saturday, 7th May.

It would give us great pleasure to invite you and those of your colleagues who may be taking part to a dinner on the Friday evening, but of course that arrangement is elastic to suit your convenience.

If these arrangements are agreeable I shall circulate my colleagues accordingly if you will kindly let me know.

With kind regards.

Yours sincerely,

R. O' Neil

Dear Alan,

As you so rightly say I also think of Munster, 1983 when I was "leader of the pack". It is most fascinating to see so many of the old faces, some alas no longer with us, and they all revive so many happy memories of what the Club is and hopefully will continue to be. I know that I personally have derived a great deal of pleasure from my membership over the years.

Very thanks for letting me see the pictures — keep them for the archives, they will be much appreciated

ORAL SURGERY CLUB OF GREAT BRITAIN – EXETER MEETING, OCTOBER 28th 1983

Diagnosis and Management of Brain Stem Death

J F Searle

Consultant Anaesthetist in charge of Intensive Care
Royal Devon and Exeter Hospital

This presentation will seek to answer the following questions :

1. What is the nature of the clinical problem?
2. What are the circumstances in which the diagnosis of brain stem death may be considered?
3. What are the preconditions which must be met?
4. What tests should be carried out?
5. Who should perform these tests?
6. How many times should the tests be done?
7. How should the results be recorded?
8. What about the EEG?
9. How do you handle the relatives?
10. Where does organ donation come in?

31st October, 1983.

Mr.P.H.D.Lewars, TD, MB, FDS
President - Oral Surgery Club of Great Britain,
Royal Devon & Exeter Hospital,
Barrack Road,
Exeter, EX2 5DW

Dear Peter,

Congratulations on an excellent Oral Surgery Club Meeting. As I said at the dinner, I am delighted to see you in the Presidential Chair and I thought you put on a first class meeting with an interesting variety of off the subject papers as well as those more closely related to oral surgery. The social side was first class also and you wined and dined us in great style. We look forward to the overseas meeting.

Kindest regards,

Yours sincerely,

I. H. Heslop

1, PLACE DE L'HOPITAL

Monsieur le Docteur Raymund O'NEIL
School of Medicine
University College LONDON
Mortimer Markett
LONDON, W C I E, 6 J D

Mon cher Collègue,

J'ai été très heureux de recevoir votre lettre du 15.11.1983, et d'apprendre ainsi que les membres de l'Oral Surgery Club de Grande Bretagne souhaiteraientvenir à Strasbourg l'année prochaine.

Le mois d'avril,ainsi que le mois de mai,sont des périodes favorables en ce qui concerne le climat. En ce qui concerne les dates, je vous informe que le 1er week-end de mai et la dernière semaine du même mois (du 27 mai au 3 juin) sont déjà réservés.

Je vous informe également que le jeudi et le vendredi saint (19 et 20 avril 1984) sont des jours traditionnellement fériés en Alsace.

Je pense par conséquent que la semaine du dimanche 8 au dimanche 15 avril serait tout à fait favorable, mais je reste bien sûr à votre disposition pour toute autre suggestion.

En ce qui concerne les communications qui pourraient être présentées à nos visiteurs, j'ai pensé aux sujets suivants :

- Mise au point sur:la différenciation de l'organe dentaire, Prof. RUCH, embryologiste,
- Mise au point sur;les mécanismes de la croissance faciale, Prof. PETROVI Physiologiste,
- Recherches expérimentales et cliniques sur l'étiologie des fentes labio alvéolo-palatines par le Professeur BUCK, chirurgien infantile,
- Etude des malformations craniennes et faciales survenant chez des enfant nés de mère alcoolique, diabétique, ou traitée par barbituriques.

Mon équipe et moi-même serions quant à nous tout à fait heureux de vous parler d'ostéosynthèses des fractures faciales, ou encore du traitement des hypoplasies faciales par ostéotomies dites intermédiaires.

Etant donné que l'Alsace présente un intérêt touristique et gastronomique incontestable, il est bien évident qu'il ne me viendrait pas à l'idée de vous infliger toutes ces conférences, même en limitant chacune d'elles à une durée de 30 à 35 minutes.

La visite du service lui-même sera très courte, mais ne manquera pas de vous surprendre par le caractère historique des locaux que nous occupons. Quant au programme dit social, j'ai déjà quelques projets, qui devraient rendre votre trop court séjour à Strasbourg aussi agréable que possible.

Je vous suggère donc de bien vouloir classer les sujets que je soumets à votre appréciation selon l'ordre de votre préférence, et en fonction de votre réponse, ou des suggestions que vous pourriez me faire, je confirmerai l'accord du conférencier.

Je suis très honoré que vous ayez bien voulu songer à venir visiter Strasbourg, et dans l'attente de votre réponse, vous prie d'agréer, mon cher Collègue, l'expression de mes sentiments très cordiaux.

RO'N/RL

Mr. John C. Bradley,
Department of Oral Surgery,
Burnley General Hospital,
Casterton Avenue,
Burnley, Lancs. BB10 PQ

Dear John,

I have received a letter from Professor Champy saying he will be pleased to welcome the Oral Surgery Club at his Clinic at Strasbourg and suggesting the week 8-15th April, 1984 as being a convenient time.

From the gist of his letter I think he is suggesting that he lays on a programme of two long mornings with sight seeing in the afternoon.

The first thing I suggest is to establish with Peter Lewars and then with David Downton whether say Thursday, 5th April and Friday, 6th April are reasonably convenient days as you certainly won't be able to satisfy everybody.

As far as the programme is concerned I think obviously we should put at the top of list of subjects his own methods of treatment of facial fractures by osteosynthesis à la Champy, as well as his methods of treatment of cases of facial hypoplasia, and then to say we are perfectly happy to listen to some papers on any subject which interests his colleagues at the University in the tradition of the Club.

If you can let me know what are your decisions I will be pleased to write back to him accordingly as it might be politic for this meeting for me to correspond with him in the first instance since I know him personally.

If you contact a local travel agent they will supply you with a map of Strasbourg and help you find a hotel within reasonable distance of the Centre Hospitalier Regional.

With kind regards,

Yours sincerely,

R. O' Neil

Monsieur le Professeur M. Champy,
26 Rue de Général Ducrot,
6700 Strasbourg,
FRANCE

Cher Monsieur Champy,

Je vous remercie de votre lettre du 28 me novembre et de votre bonne volunté d'inviter les membres de l'Oral Surgery Club a visiter votre service a Strasbourg.

La semaine du 8-15 avril nous convient très bien et nous proposons de voyager à Strasbourg le mardi 10 me avril et de retourner le vendredi 13 me avril.

Serait-il possible pour vous d'arranger des conférences etc. pour nous les matins du mercredi 11 me et du jeudi 12 me avril. Nous aimerions bien vous écouter ainsi que votre équipe au sujet des ostéosynthèses pour les fractures faciales et aussi des ostéotomies intermédiaires dans les traitments des hypoplasies faciales. Nous serious très heureux d'écouter des conférences données par vos collègues universitaires sur tout sujet qui les intéressent et dont il sont enthousiasmes.

Les conférences que vous avez suggéré sout tous excéllentes et nous sommes très heureux d'accepter votre choix personnel.

C'est notre coutume d'arranger un diner et nous voudrions inviter Madame Champy et vous aussi que tous les collègues que vous considériez appropiés.

Serait-il possible d'arranger le diner jeudi soir?

Je vous souhaite,

Une Bonne et Heureuse Année 1984.

Raymond O'Neil.

6th February 1984

Dear

Thank you for your enquiry with regards to the Group fare to Strasbourg. The position is that there are only flights to Strasbourg from Heathrow and they are,

OUTWARD	Depart	08.35	18.55
	Arrive	11.45	22.05
RETURN	Depart Strasbourg	06.45	17.10
	Arrive Heathrow	07.45	18.15

Moreover, there are only flights Monday to Friday.

If you want a PEX fare (£118 return) you have to stay over a weekend.

Group fare (£124 return) does not have this precondition but those in the Group have to travel on the same plane. However, in practice this is probably not a big problem since most people would want to spend the maximum time in Strasbourg and not arrive there late at night which would mean that we depart on Tuesday, April 10th on the 08.35 flight and return on the Friday on the 17.10 flight with assembly at least 1 hour before departure time.

I am advised that we must make a firm booking in the next few days, so if you are interested please telephone me to advise whether you want a firm booking and send me your cheque made out to 'Altham's Travel Ltd' for £124.00. (or £248 if there are two!)

Finally, the fairly early start will mean for many of us an overnight stay in a hotel near Heathrow which you should arrange for yourself. You will be getting details of the meeting itself in due course.

Yours sincerely

J.C. Bradley
Hon. Secretary.

53, Reedley Drive,
Reedley,
BURNLEY,
Lancashire, BB10 2QS
Tel: 0282 64535
0282 25071 ext 2261 (work)

13th February 1984

Dear

Having booked the flight to and from Strasbourg as arranged and paid the deposit, Air France have come back to me and now said that they cannot bring us back on the Friday as the European Parliament breaks up on that day for its Easter holiday. They could bring us back on the Saturday via Paris leaving Strasbourg Airport at 06.15 but Group Fares could not apply. I was not speechless but fairly unprintable!!

I have therefore re-jiggrd the trip at PEX fare rates. It means starting off one hour earlier than originally planned but we get back at about the same time. The cost is marginally more expensive and travelling time is a little longer. The times are,

Tuesday, April 10th

LONDON, HEATHROW	07.30	AF 807	(assemble by 06.30 at latest)
PARIS, C. de GAULLE	09.30		

SNCF (use SNCF bus to station at the airport) to Gare du Nord
Metro Gare du Nord to Gare de l'Est (one station) taking either
Place D'Italie train, or
Porte D'Orleans train.

We have to buy a through ticket from the Airport station to Gare de l'Est

SNCF PARIS (Gare de l'Est)	11.00	12.50	13.17	
STRASBOURG	14.48	16.38	17.05	

Its about 300 miles and I thought it would be quicker and more comfortable than a mini coach! The 11.00 train has a restaurant but depending on the Customs we may not catch it. The others have buffet facilities.

Return, Friday, April 13th

SNCF	STRASBOURG	12.45	10.23
	PARIS	16.59	14.18
AIR	C.de GAULLE	18.30	AF 818
	HEATHROW	18.30	

FARE	PEX Fare, Heathrow to Paris, return	£99.00
	Group Fare SNCF toStrasbourg, return	£32.60
	Total	£131.60

I shall therefore need another £7.60 per head and if you would like insurance (sts type including cancellation for illness, etc) I can arrange this for £7.25 per hea Cheques should be made payable to Altham's Travel Ltd., and for those travelling t Heathrow by air from the oulying parts of the UK unfortunately cannot have a PEX fare for that part of their trip.

Again, please accept my apologies but if this causes great difficulty ples telephone immediately.

Yours sincerely,

Monsieur J.C. BRADLEY

Dear Colleague,

Following to your letter, it has been possible to my secretary to book for you 9 rooms with double beds and 8 with single bed at the "Arcade" Hotel of wich I send you somme documentation.
It has the advantage to be closely situated to the Hospital and to the city center.

I would like to submit to your approbation the following programm :

Wednesday morning : a repport on the mandibular osteosynthesis.

Thursday morning : Transfacial osteotomy (a report)

These meetings, with your agreement, could be held from 8.30 to 10.30 or 11 hour.

SOCIAL PROGRAMM :

Wednesday 12 h : Lunch and afternoon are free.

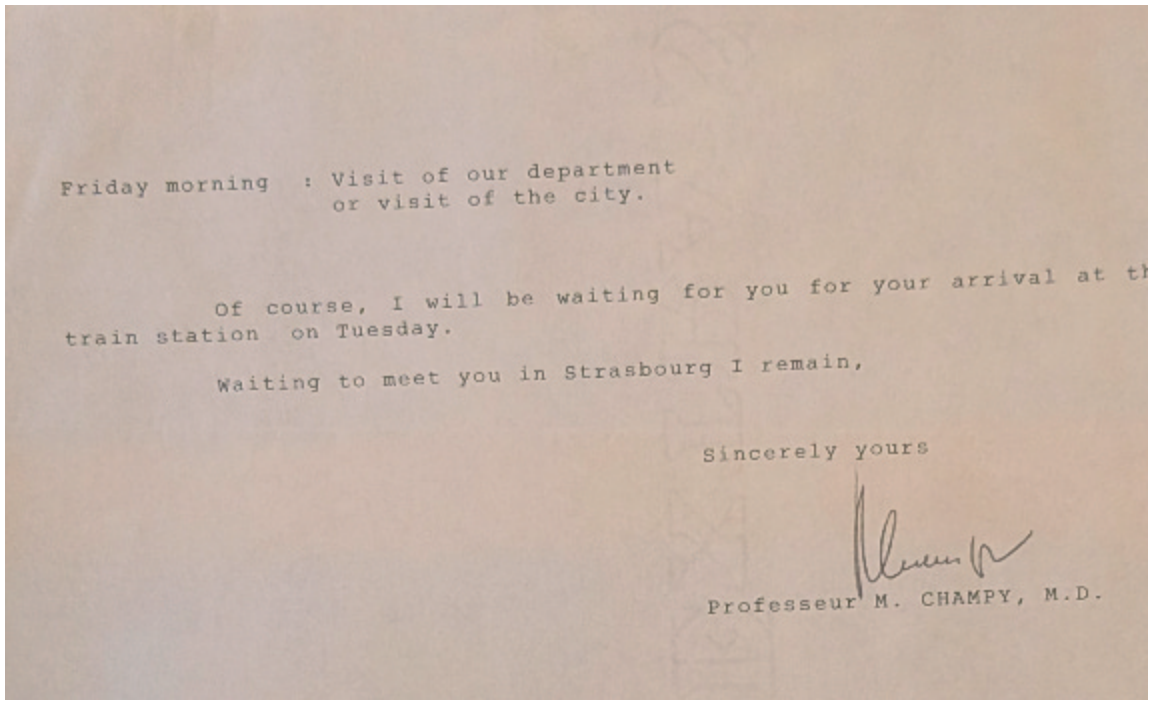

18 h : Cocktail held at my residence, 26, rue du Général Ducrot in Strasbourg, to wich are invited all the participants and their wives.

Thursday 12 h : I took the liberty to make reserve tables for your group at the "Saint Sépulcre" restaurant wich is one of the most typical of our city.

14 h : Departure from Strasbourg to Obernai by mini-coach. During the afternoon, tourist visit of the "route du vin" (wine road) wich you certainly know by reputation.

20 h : Dinner at AMMERSCHWIHR in a very well reputated restaurant for its gastronomy and surroundings.
Return to Strasbourg.
The afternoon excursion is offered by "MARTIN INSTRUMENTS"

.../...

Friday morning : Visit of our department
or visit of the city.

Of course, I will be waiting for you for your arrival at th
train station on Tuesday.

Waiting to meet you in Strasbourg I remain,

Sincerely yours

Professeur M. CHAMPY, M.D.

Dear Mr. Lewars,

I enclose a copy of Professor Champy's letter. I have replied to it (copy enclosed). You will note that in this life one cannot win particularly where hotels are concerned. You will also be amused to see that we are visiting the small town where I had eventually managed to find a hotel, namely Obernai.

Yours sincerely,

J. C. BRADLEY

28th February 1984

Dear

I thought I ought to write to you to keep you updated on the trip to Strasbourg. As you may know, I have had some slight difficulty organising this visit due to the fact that the week in which we have been invited happens to clash with a meeting of the European Parliament. Having exhausted all the hotels within a reasonable price bracket obtained from the Tourist Information Office and the Michelin Guide within Strasbourg itself, I started looking in ever increasing circles. At this point, having been told by several very helpful ladies that Strasbourg was full that week and it would be very difficult to find a hotel, I wrote to Professor Champy explaining our problem and asked if he could see if there was any University accomodation available. I continued my search and found a hotel in Obernai some 30 km S.W. of Strasbourg and made provisional bookings. I was on the point of mailing off all details to you today, when I received a telephone call from one of Professor Champy's staff saying that they had found us a hotel within ten minutes walk of the hospital (obviously not on my list!!). For obvious reasons it would be much easier for us to be in Strasbourg itself and I have agreed that we go there instead. I know little further details but will obtain these hopefully by the end of the week to pass on to you.

Now for more important things: Professor Champy is laying on an interesting programme for us. He will be telling us about osteosyntheses in facial fractures and the treatment of hypoplasia of the facial skeleton, Professor Ruch, an embryologist on the embryology of teeth, Professor Buck, a paediatric surgeon, on experimental and clinical research into facial clefts and Professor Petrovic, a physiologist, on the mechanisms of facial tumours. We shall also have lectures on defects of the cranio-facial area produced by alcoholism, diabetes and drugs. I gather, interspersed with this part of our educational programme, another important aspect will be covered as we must not miss the 'intérêt touristique et gastronomique incontestable' of Alsace!! I think we are going to have a very enjoyable time.

I enclose maps of Strasbourg showing the location of the hospital in the Place de l'Hôpital. I look forward to seeing you on the Tuesday evening: it has been suggested that we dine together that evening and as there are several good restaurants near the hospital anyone getting there earlier in the day might like to research the area! I'm open to suggestions.

Yours sincerely,

J.C. Bradley

Dear John,

The stay on the Oral Surgery Club in Strasbourg was a pleasant and succesfull event.

I wish to thank you and the president, for all the work you have done for us. It was for me a great pleasure to meet you all and I appreciated your hospitality very much.

I hope you had a very nice sightseeing trip Thursday afternoon, et un bon voyage en votre pays.

After leaving you at 10.30, I aarived well in Nijmegen Thursday afternoon at 17.30.

Very best wishes and kind regards.

25 March 1983

Dear John.

I feel so grateful to you for all your hard work on behalf of our forthcoming Club meeting. You have had such a busin full! My silence has been dictated by the sheer volume of work - and poor assistance (for a long ~~consultant~~) - at hospital - and not by any lack of appreciation for your efforts. I come home so late. Doubtless there would be little I could do to help

but I know you would ask me if you thought I could do so.
Thank you indeed.
I will carry some cash at the meetings - in other years there has been embarrassment when no one had means to pay a bill. And I suppose David won't be going.
Keeping about £200 handy. We could come back onto club funds afterwards as well if you like.
Let me know if you prefer I keep more cash about me than £200 (in French money).
I gave up booze for Lent - except for "special" parties. And I reckon Strasbourg will be one long party. I acquired one good street map of Strasbourg.
Shall look out for you at B.A.O.M.S. on Friday.
Many thanks again.
Kindest regards Pete

Dear John,

Another very good overseas Meeting for the Club - I am just writing to thank you for organising it. As your first venture as Secretary, I am sure the rather peculiar hassle you have had will make it more than usually memorable! All went well, and we are all very grateful to you for the time and trouble you have taken to ensure an enjoyable visit. I do hope that you did not have any more sport with the trains on the return journey.

With kindest regards,

Yours,
Mike

P.S. Janet left some nice black leather gloves somewhere; I wonder if you heard anything of them.

Thursday 1st November and Friday 2nd November 1984

Single accommodation - Mr. Peter Banks, Mr. J. C. Bradley, Professor Sir P. Bramley, G.T.Cheney Esq, J.S.H.Collinge Esq, H.P. Cook Esq, W. Gray Esq, D.Downton Esq, B.W.Fickling Esq, J.R.V.B.Gibson Esq, I.H.Heslop Esq, Niall Hogan Esq, P. Lewars Esq, Professor D.McGowan, Professor W.D.Maclennon, G.L.Manning Esq, D. Mason Esq, B.D.G.Morgan Esq, A.W.Moule Esq, Professor R.O'Ne D. Penny Esq, K.R.Ray Esq, A.J.Sear Esq, P.Selwyn Esq, D.C.Smith Esq, R.S.Taylor Esq, R.I.H.Whitlock Esq, J.Williams D.Wilson Esq.

Double accommodation - Mr. and Mrs T. C. Crewe, Mr. and Mrs D Henderson, Mr. and Mrs E. J. R. Morgan.

Thursday 1st November 1984 ONLY

Single accommodation - Mr. M. D. Awty, Mr. P. James, Mr. F. T. Monks, and Mr. T. English.

Friday 2nd November 1984 ONLY

Single accommodation - Professor P. Burke, Mr. J. M. Gorman, Mr. J. Rayne

Double accommodation - Professor P. and Mrs Bradley.

It is possible that I may have one or two late applicants but I will contact you immediately I receive any indications.

Yours sincerely,

J. C. BRADLEY
Honorary Secretary
Oral Surgery Club of Great Britain

JCB/CD

11th October 1984

Mr. P. H. D. Lewars,
27 Belmont Road,
EXETER
EX1 2HF

Dear Mr. Lewars,

I enclose a copy of those that are coming to the Liverpool Meeting to date. I also enclose some proformas of the ajenda for the committee and A.G.M. I have received two nominations for membership - George Emerson and Professor John Sowray.

As I mentioned to you, we also have the problem of the candidature of John Bowman which Rupert Taylor will almost certainly raise. I would suggest that perhaps this could be discussed in council beforehand so that we are prepared one way or the other.

If you wish the ajenda to be altered please lt me know in time for me to photocopy the good copy!

Very best wishes.

Yours sincerely,

J. C. BRADLEY
Consultant Oral Surgeon

JCB/CD

11th October 1984

Mr. T. English,
Consultant Oral Surgeon,
Department of Oral Surgery,
The London Hospital,
WHITECHAPEL
London
E1 1BB

Dear Mr. English,

Thank you for returning the proforma and I look forward to seeing you in Liverpool. I am writing to confirm that as you are staying only on Thursday 1st November and ~~that~~ as you did not indicate whether or not you wish to come to the Club Dinner, I am assuming that you are NOT coming to the dinner unless I hear to the contrary.

Best wishes.

Yours sincerely,

J. C. BRADLEY
Consultant Oral Surgeon

JCB/CD

11th October 1984

Mr. P. James,
Meesden Hall,
Meesden,
Buntingford,
Herts
SG9 OAZ

Dear Mr. James,

Thank you for returning the proforma and I look forward to seeing you in Liverpool. I am writing to confirm that as you are staying only on Thursday 1st November and as you did not indicate whether of not you wished to come to the Club Dinner, I am assuming that you are NOT coming to the dinner unless I hear to the contrary.

Best wishes.

Yours sincerely,

J. C. BRADLEY
Consultant Oral Surgeon

JCB/CD

11th October 1984

Mr. B. W. Fickling,
Linksview,
Linksway,
Northwood,
MIDDLESEX

Dear Mr. Fickling,

Many thanks for your note. The following from London are coming and are staying both Thursday and Friday night and perhaps you would likeeto contact one of them to get a lift.

Derek Wilson
Raymond O'Neil
Peter Cook
David Downton

Patrick James is coming for Thursday night only so you would only get a one way trip with him. I look forward to seeing you in Liverpool.

Best wishes.

Yours sincerely,

J. C. BRADLEY
Consultant Oral Surgeon

16th October 1984

Dear Peter,

I enclose copies of the accounts of the O.S. Club since 1978. The accounts for 1981 are missing from the files passed on to me. I also enclose drafts of the agendas for the Committee meeting and the AGM and would be grateful if you could let me know of any changes or alterations you would like: I am sorry the first set have gone astray. I also enclose the list of those coming to date.

You will find the programme of the scientific meeting in this package plus the confirmatory slip with regard to your accommodation etc.

From the membership point of view, the following changes have occurred:

Resignation Peter Barton

Transfer to Honorary List on retirement
Professor G.L. Howe

Total Number of Active Members 40
Total Number of Honorary Members 25

Total Club Membership 65

There are two names for nomination: George Emerson of N. Ireland
Professor John Sowray of Kings C.H.

Yours sincerely,

16th October 1984

Dear Harry,

I enclose eight copies of the scientific programme, one for yourself and one each for your speakers. I also enclose the confirmatory slips with regard to yourself and Professor Paul Bradley and Sue: these are being sent out to confirm the bookings. As far as the Bradley's are concerned, I have NOT got them listed for the dinner as I assume that they will not be in Liverpool that evening being booked in for the Thursday night only.

The draft agendas I sent to Peter Lewars have gone astray in the post but I hope to get these finalised shortly to send out to the Committee.

With regard to the Meeting itself, David Downton has been on the 'phone to me about the Dinner. The rule is that no member may ask a personal guest except by special permission of the Committee. However, the President is allowed to invite up to six official guests which the Club will pay for but he may invite as many as he feels appropriate at his own cost, over and above the six.

The Club is happy to pay the projectionist £10.00 as a thank you for his/her services and David will pay that direct, so name and address in due course please.

Would you please keep note of the expenses of the following:

1) Hire of the Institution
2) Catering at the Institution
3) Hire of coaches.

David also pays these direct.

Very best wishes,

Yours sincerely,

17th October 1984

The Manager,
The Crest Hotel,
Lord Nelson Street,
Liverpool, L3 5QB

Dear Sir,

Oral Surgery Club of Great Britain, 1-2 November 1984

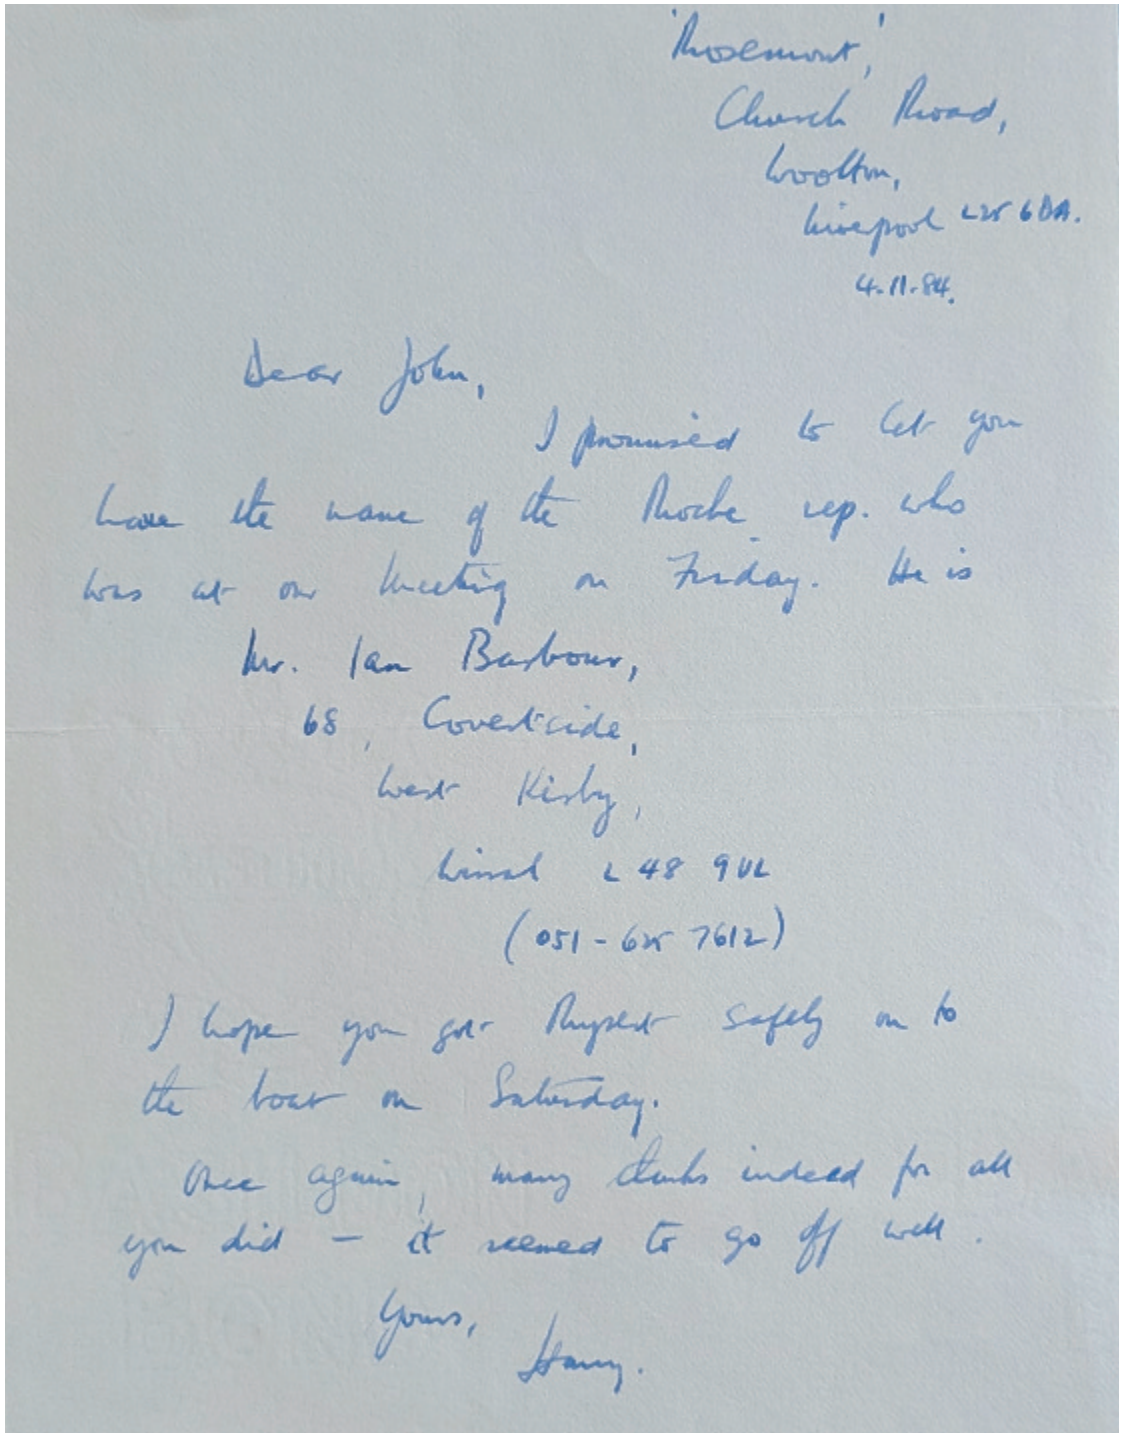

Further to my letter to you of 11th October I would be very grateful if the following alteration and addition to the list of guests could be made.

Professor Bradley will not be accompanied by his wife after all and therefore requires a single room only for Friday 2nd November.

Mr. A.F. Hamilton is a late applicant and wishes to stay on Thursday, 1st November and Friday, 2nd November, single room please.

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

'Rosemont',
Church Road,
Wooltn,
Liverpool L25 6DA.
4.11.84.

Dear John,

I promised to let you have the name of the Roche rep. who was at our meeting on Friday. He is

Mr. Ian Barbour,
68, Coverside,
West Kirby,
Wirral L48 9UL
(051-625 7612)

I hope you got Rupert safely on to the boat on Saturday.

Once again, many thanks indeed for all you did - it seemed to go off well.

Yours,
Harry.

Mr. P. H. D. Lewars, T.D., M.B., F.D.S.
9 Baring Crescent
Exeter

4 Nov. 1984

Dear John. Thanks again for all the work you have done for my year in the Club's presidency. You had all the ends in order for Liverpool too — which I much enjoyed. The feeling of change can be distressing and one of the good things about the Club is that change is slow. It was super to see old cronies, Rupert, Alan, Ben & Freddie lined up — Desmond too. Takes one back into 60's.

One point — I found a pencil memo from the council meeting of Thursday. It says (in my hand) "write to Cheney and Lear" — but I can't think why. If it was important, could you tell me? — Do not write unless it signifies and unless I hear I shall not think more of it.

I trust you shall have a little peace now — and a good Christmas. Your sterling efforts are truly appreciated.

With kind regards

Yours ever

Pete

JCB/CD

9th November 1984

Mr. I. Barbour,
68 Covertside,
West Kirby,
WIRRAL
L48 9UL

Dear Mr. Barbour,

I am writing to you on behalf of the Oral Surgery Club of Great Britain for very kindly supporting the Club Meeting in Liverpool on the 1st and 2nd November. Members found your stand helpful and although the present Government does not seem to be too keen in supporting the Pharmaceutical Industry, we as a profession appreciate the support of the Pharmaceutical Industry of us!

Very best wishes.

Yours sincerely,

J. C. BRADLEY
Honorary Secretary
Oral Surgery Club of Great Britain

"ROSEMONT"
CHURCH ROAD
WOOLTON

051-428 5963

26.9.84.

Dear John,

Thank you for your letter, and I'm glad you enjoyed your short visit here.

I am returning the formal "intention to attend" slip from your circular and when booking people in at the Crest please include Prof. and Mrs. Bradley for Friday night.

I endose the programme of the meeting which I hope has all the relevant information. I think you said you could duplicate / print it to send to all who say they are coming to the meeting.

I think arrangements are up to the week here, so I am keeping my fingers crossed!

Yours,
Mary.

September 15th 1987.

Dear J.S.

Thank you for your letter
10th Sept. I should be
grateful for a pre-meeting
view of the committee re 5/8
the A.G.M. Agenda's. 24

despatched

takes me a long long time to iron out the meaning in such matters

Thanks for also for the new list. I have my glass (x4), and I endure my proforma. Your holiday sounds better than mine — alas, a dyf & fishless affair.

I look forward to our meeting in December & may see you at BATHS.

Kindest regards

Yours sincerely

Peter

JCB/CD

20th September 1984

Mr. P. H. D. Lewars,
9 Baring Crescent,
EXETER

Dear Mr. Lewars,

Many thanks for your letter of 15th September and for returning your slip. I am glad you will come otherwise we are going to get a bit stuck! I felt that the members of the Club would look a little more distinguished looking through eye glasses hence the diminutive form of the members list.

I was across in Liverpool two weeks ago going through various arrangements that Harry Awty has made for your Autumn meeting and all is well. With regards to the Agenda, I will talk to you at the B.A.O.M.S. about it but looking back on previous meetings, the Agenda seems a very standard format! However, no doubt this format may hide one or two prickles. I think that the Council would need their Agenda at least a week before the meeting and I would also give them a provisional Agenda for the Annual General Meeting before I get it printed.

Incidentally, you will be interested to know that by making the list of members smaller, I reduced the cost of this, which was running in the order of nearly £60, down to just over £8. Look forward to seeing you in two weeks' time.

Yours sincerely,

J. C. BRADLEY
Consultant Oral Surgeon

ORAL SURGERY CLUB OF GREAT BRITAIN

The next meeting of the Oral Surgery Club is to be held at Liverpool under the Presidency of Mr. Henry Alty on the 1st and 2nd November 1984.

****

Dear John,

I am writing to you in your official capacity as Secretary of the Oral Surgery Club to thank the Club for the lovely flowers which arrived at the weekend.

I suspect that to enjoy such pleasant company on Thursday evening and then be thanked so generously for doing so is akin to having one's cake and eating it!

Please thank everyone for their kind thought.

Sincerely,
Heather.

1985 Budapest - June

ORAL SURGERY CLUB OF GREAT BRITAIN

The next overseas meeting of the Oral Surgery Club is to be held in Budapest, Hungary, where Professor György Szabo has kindly agreed to arrange a programme for us at the University Hospital. The dates of the meeting will be Thursday, June 13th and Friday June 14th 1985.

Members will appreciate that travel behind the Iron Curtain on an independant basis can be difficult to arrange and it is hoped that a degree of organisation on this occasion is permitted! Essentially it is simple to organise on an official group basis where such things as visas are obtained almost automatically and without charge! Therefore the following provisional arrangements have been made (Danube Travel, London) with an all-in cost paid in the U.K. of £289. This covers air fare, Heathrow-Budapest-Heathrow, 4 nights in a 4 star hotel with half board (Hotel Gellert) and the Club Dinner including the cost of our guests (Gundels Restaurant). A ladies programme can be arranged with a day tour for £19.00 (minimum 8 people) and the remainder would have nearly two full days for sight-seeing. To obtain these rates, at least 25 people have to travel as a group. Air flight would be Heathrow, Wednesday June 12th BA 700 depart 10.00 hrs and return Heathrow, Sunday June 16th BA 701 arrive 18.35.

Full details will be sent to all who indicate that they wish to come and please check well in time that your passport is valid.

oooOooo

Dates for the Autumn Meeting under the Presidency of Professor Sir Paul Bramley at Sheffield will be 31st October and 1st November 1985.

oooOooo

I shall/shall not attend the meeting in Budapest.

I would like to travel on the Group basis as outlined.

I shall make my own travel arrangements but will/will not require hotel accomodatio

I shall/shall not take my wife. Ladies programme? Yes/No.

Please complete, with name and signature below and return as soon as possible and not later than Friday, January 18th 1985 (late applications after this date are unlikely to be accomodated) to:-

22nd February 1985

Dear

re Oral Surgery Club visit to Budapest.

This is probably a record turn out of the Club to an overseas meeting: there are 25 members and 15 wives attending. I apologise for the delay as there have been one or two problems which this number has presented. We shall all be travelling together from Heathrow going direct to Budapest. The Hotel Gellert was not able to accommodate all of us and it has been necessary to place some of us in the Hotel Penta 4 km away. Those that have been asked to go to the Penta I hope will bear with me - I shall be going there myself and Harry Alty will "look after" the Gellert party.

As part of the Group deal, we are supposed to have half board at the hotel. In practical terms this means bed and breakfast on the four days and the evening meal on the night of arrival, Wednesday night, only as most of us would like to explore the other gastronomic delights on the Thursday and the Saturday (Friday night - Club dinner). Those at the Penta would dine at the Gellert on the Wednesday evening. As part of the package we shall have an English-speaking guide.

I enclose the following items,

Visa application form
Danube Travel Booking Form
Summary of Costs
Terms of Danube Travel ltd.
Itinerary of the visit
List of those attending, indicating who is staying where!

You should send to Danube Travel Ltd., 6, Conduit Street, London W1R 9TG, Tel: 01-493 0263 mentioning 'Budapest Conference 12 - 16 June'

Your completed visa application form
2 passport-style photographs, 4x4 cms
Your valid passport
The completed booking form indicating your hotel
Your cheque for either the full amount or indicate that they will receive it no later than six weeks prior to the visit (1st May '85) together with the summary of costs.

The prices quoted cover your air fare, London - Budapest - London(Heathrow), 4 nights at half board, transport to and from the airport, Club Dinner including transport to and from Gundels Restaurant,(dinner at the Gellert on Wednesday night) The cost of the ladies programme includes the cost of lunch and an English speaking guide.

Yours sincerely,

J.C. Bradley
Honorary Secretary,
Oral Surgery Club.

Dear

re Oral Surgery Club visit to Budapest, 12th June - 16th June

You will be receiving from Danube Travel your flight tickets and flight itinerary. We have to report no later than 09.40 at Heathrow for flight number BA 702 and we arrive at Budapest airport at 12.55 where we shall be met and taken to our hotels. As part of the 'package deal' to fulfill a so-called half-board agreement, we shall have the evening meal at the Hotel Gellert. This is a first class traditional hotel where we should get an excellent meal. Those at the Penta Hotel will join the main party at the Gellert. Thursday and Friday afternoons are clear, Thursday evening is clear, Club dinner Friday night at Gundels Restaurant which according to Prof. Szabo has one of the best kitchens in Hungary (if not, no doubt one individual will be kebabed!)

The following programme has been arranged.

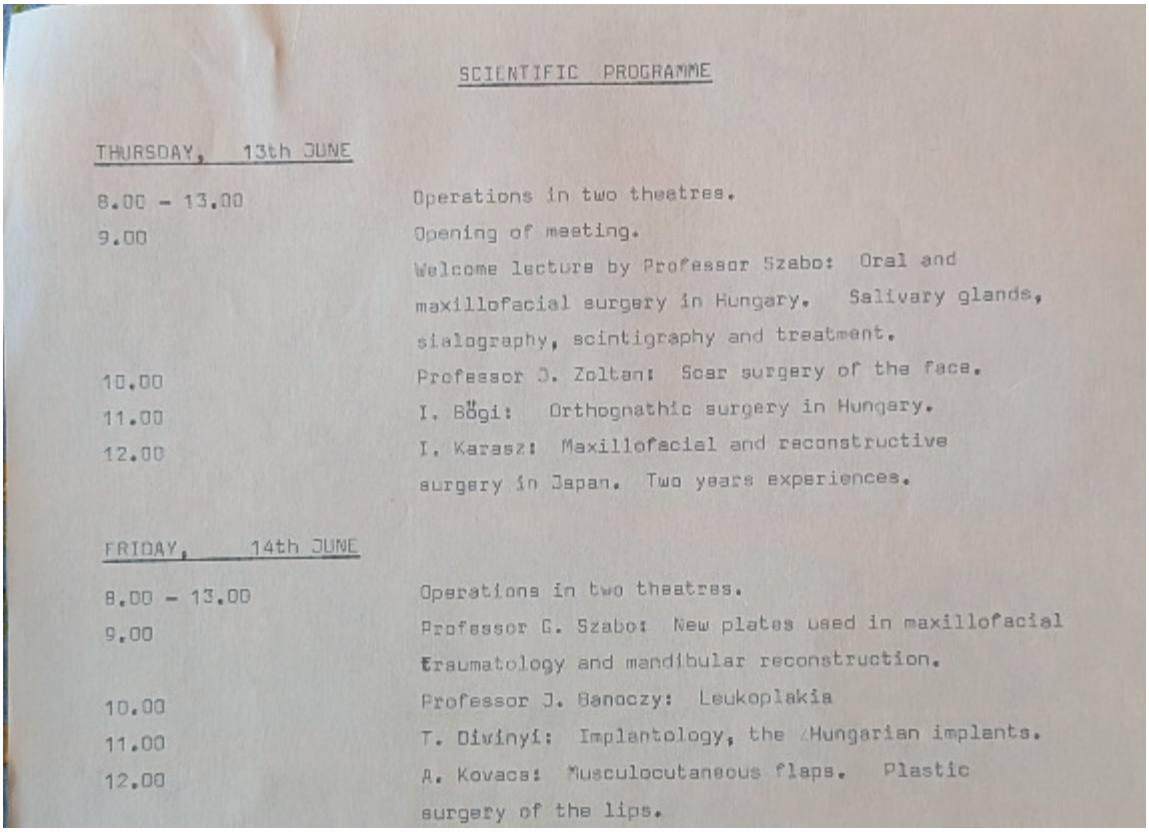

Thursday.	Arrive	07.50
	08.00	Operations in two theatres 13.00
	09.00	Opening of meeting Welcome lecture by Prof. Szabo: Oral and maxillo-facial surgery in Hungary. Salivary glands, sialography, scintigraphy, and treatment.
	10.00	T. Divinyi, Budapest: Implantology, the Hungarian implants.
	11.00	I. Bogi, Budapest: Orthognathic surgery in Hungary
	12.00	I. Karasz, Budapest: Maxillo-facial and reconstructive surgery in Japan. Two years experience.
Friday.	Arrive	07.50
	08.00	Operations in two theatres 13.00
	09.00	Prof. G. Szabo: New plates using for maxillo-facial traumatology and mandibular reconstruction
	10.00	A. Kovacs, Szeged: Musculocutaneous flaps. Plastic surgery of the lips
	11.00	I. Sonkodi, Szeged: Cryosurgery
	12.00	Leukoplakia

The final list of those coming is as the list sent with the following deletions: Gorman, Heslop, Poswillo. Prof. Mercx will be joining us and there will be thirteen ladies coming all of whom will be going on the day trip on Thursday 13th June.

Finally, you may have discovered that you cannot obtain Hungarian currency in the U.K. This is obtainable at the bureau of change at the Airport or any Ibusz hotel desk or Hungarian National Bank. You must not attempt to change money with Hungarian citizens or else you will land up in jail! Apparently all the usual credit cards are acceptable.

Yours sincerely,

Hon. Secretary, Oral Surgery Club.

SCIENTIFIC PROGRAMME

THURSDAY, 13th JUNE

8.00 - 13.00	Operations in two theatres.
9.00	Opening of meeting.
	Welcome lecture by Professor Szabo: Oral and maxillofacial surgery in Hungary. Salivary glands, sialography, scintigraphy and treatment.
10.00	Professor J. Zoltan: Scar surgery of the face.
11.00	I. Bögi: Orthognathic surgery in Hungary.
12.00	I. Karasz: Maxillofacial and reconstructive surgery in Japan. Two years experiences.

FRIDAY, 14th JUNE

8.00 - 13.00	Operations in two theatres.
9.00	Professor G. Szabo: New plates used in maxillofacial traumatology and mandibular reconstruction.
10.00	Professor J. Banoczy: Leukoplakia
11.00	T. Divinyi: Implantology, the Hungarian implants.
12.00	A. Kovacs: Musculocutaneous flaps. Plastic surgery of the lips.

Dear Miss Nibbs,

Rowe & Williams : Maxillofacial injuries

I would be very grateful if you could send me a copy of this book. I would very much like to avail myself of the author's discount rate of 25% and I confirm that this book is a personal gift to a senior colleague.

Now that the book has appeared, the reactions I have heard at the B.A.O.M.S. Conference last week are that it is a very impressive work. I wish your Company every success in brisk sales of it!

Best wishes.

Yours sincerely,

J. C. BRADLEY
Consultant Oral Surgeon

Ladies Programme.

Thursday June 13th

Coach will pick up at hotels at about 09.30 (to be confirmed)

3rd January, 1985.

My dear John,

I am very sorry to duck out of the Oral Surgery Club in Budapest. I have two main reasons - my daughter's 21st is at the end of April, and I shall still be in the red; it clashes with a meeting of the RCS Council, on 13th June. Not really this would be immaterial, but I have to miss two other Council days in March and May, and I have come to realize that I cannot do everything.

Hopefully, 1986 will be a better year, and I shall try very hard to come to the European meeting.

I think you may be looking for a Treasurer for the Oral Surgery Club. I would be quite keen to do that chore, but don't tell anybody! (Not too forcefully, anyway).

Happy New Year.

John.

JCB/CD

Farningdon
OXFORDSHIRE

Dear Mr. Rayne,

Many thanks for your letter of 3rd January, I apologise for not answering sooner. I am sorry you cannot make it to Budapest although this eases my problem as we have a record turn out of 41 members and wives! It has presented a new sort of problem in that I can't fit them all in the same hotel!

With regard to the other matter of looking after the finances of the Club, I will mention this to David Downton. Hope to see you in Sheffield on October 31st and Novem ber 1st.

Yours sincerely,

J. C. BRADLEY
Honorary Secretary
Oral Surgery Club of Great Britain

JCB/CD

14th January 1985

Mr. D. C. Smith,
Lyndon Hall,
Lyminge,
Folkestone
KENT CT18 8HX

Dear Mr. Smith,

Thank you for your note and I am delighted that you are both coming to Budapest. Group Travel is certainly on as there are 33 members and wives wishing to go. I will enquire from Danube Travel the possibility of you having a holiday in Vienna and coming on from there via train but I would imagine your overall expenses would be considerably greater!

There is a difficulty to get across the border as Ian Heslop found some years ago when the Club visited Prague . If Ian had not had a letter from the Professor in his pocket we would all have been flung out! Infact at that meeting Ben Fickling got arrested for driving the wrong way round a square in Ian Heslop's minibus because the police thought it was a left-hand drive vehicle and he was infact a passenger!

I have a sister who has some experience in this type of travel and she warned me that anything could happen and really one was far wiser going along as an "official visitor" organised by the State Travel Firm.

Yours sincerely,

J. C. BRADLEY
Honorary Secretary
Oral Surgery Club of Great Britain

Dear John,

Re: Meeting in Budapest.

Herewith my completed form concering the Oral Surgery Club visit to Budapest in June. I have as you see made a good firm New Year Resolution to apply myself to paper work and forms. I dont hold out too much hope that it will last too long into the New Year!

I think the Programme proposed for the visit to Budapest looks quite splendid, and I do hope it is possible to arrange it, as Mary and I would very much like to be there.

Kind regards.

Yours sincerely,

Maurice S. Jones.

Dear John,

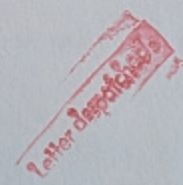

Thank you for your advance notice of the Club's visit to Budapest. The arrangements sound most inviting - but I am afraid that my son George, who is not the keenest of students, will be doing his A-Levels, at that time, and we feel that we should be here to cope with the stresses and strains, unfortunately. We are very sorry not tobe coming, as the overseas visits are a most enjoyable part of the Club's activities. If nearer the time we find that the exams will be over, we will get in touch, to see whether you still have a spare slot.

Happy New Year!

Yours sincerely,

LIVERPOOL L25 6DA

Dear Mr. Alty,

Just a brief note to say that to date, 33 members and wives want to go to Budapest! We have another week to go and your overseas meeting must be breaking all Club records in the numbers going.

Tell Heather that so far it would appear that 13 ladies wish to go and I will let you know the full list of these in due course. I initially said 30 booking into the hotel and hopefully we will be able to fit in the extras! In this life, one seems to either suffer paucity or over abundance!

Yours sincerely,

J. C. BRADLEY
Honorary Secretary
Oral Surgery Club of Great Britain

JCB/CD

19th November 1984

Mr. H. M. Auty,
Rosemont,
Church Road,
Woolton
LIVERPOOL
L25 6DA

Dear Mr. Auty,

I have had a letter back from Danube Travel which I would be grateful if you would read. Taking into account that this is an Iron Curtain country and that things are organised, I think it might be sensible to go along on this package deal. At £289 all in, this seems incredibly good and I shall try and persuade the men to come as a party rather than on their own on this occasion.

I think you might agree that the very independent minded people could cause considerable headaches. You will note that at the Club Dinner our guests will be thrown in free of charge but perhaps this is because they are Party members! I will telephone you later in the week to get your comments and I have already written to Professor Szabo suggesting the 12th - 16th June and it is not until he confirms these dates are satisfactory to me, that we can go ahead.

Best wishes.

Yours sincetely,

J. C. BRADLEY

LANCS. BB10 2PQ.

Dear John,

Thank you for your letter of 19.11.84. I am sure you are right in that we should try to arrange the Club outing as a package deal with everyone travelling together. I was sorry to hear that Hotel Gellert was full up, it seems remarkable at this early stage of the season, but perhaps they are extremely popular.

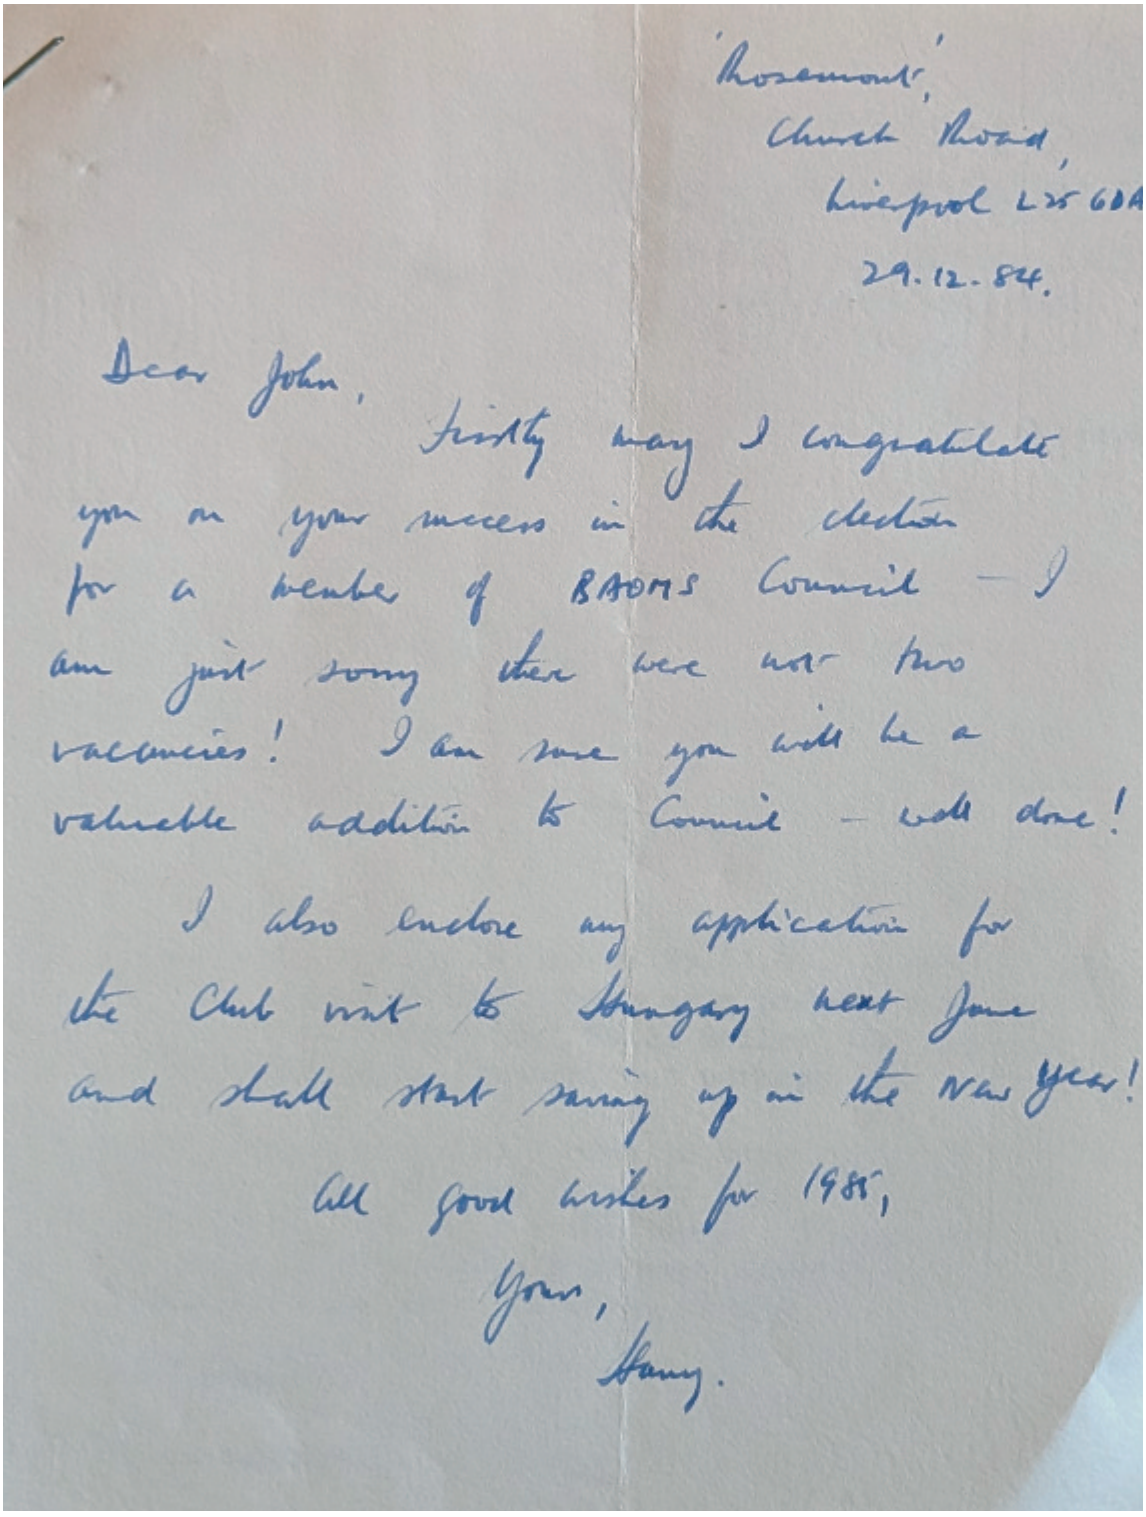

Could I just say that I hope to have two weeks holiday from Sunday, 19th May to the 1st June, 1985 and it would help our plans if the Club Meeting could be kept as planned, i.e. 12th - 16th June. I appreciate you may have to do a little juggling of dates to accomodate Professor Szabo, but it would help me if the Meeting were not altered to the last two weeks of May.

Kind regards,

Yours sincerely,

Harry.

H. M. Alty,

Dear John,

Firstly may I congratulate you on your success in the election for a member of BASOMS Council — I am just sorry there were not two vacancies! I am sure you will be a valuable addition to Council — well done!

I also enclose my application for the Club visit to Hungary next June and shall start saving up in the New Year!

All good wishes for 1985,

Yours,

Hanny.

Dear John

Many thanks for your letter of 14 January and your efforts to organise me a smooth trip from Aberdeen to Budapest and back. I wish you luck, but don't go to too great a trouble, since I could always stay with my son in London the night before we leave, although I would prefer to stay near Heathrow since in this day and age we never know when the Unions are going to play up.

Incidentally I know that the Universities behind the Iron Curtain are desperately short of funds and if you hadn't already thought of it, what about taking them a copy of the recently published book entitled "Maxillofacial Injuries" by Rowe and Williams. If you think anything to this proposal you can obtain a 25% reduction on the published price of £125 by asking any of the contributors to seek the special dispensation from the Publishers.

Kindest regards.

Yours sincerely

PETER CLARKE
Consultant Oral Surgeon

3 January 1985

Dear John

Thank you for the notificiation of the Oral Surgery Club Meeting in Budapest.

I was there at the end of September 1983 with Hugo Obwegeser. They are a very friendly bunch and Budapest is a very friendly city. I am delighted to put my name down as one of those willing to attend and the cost does appear to be very reasonable indeed (although have you considered asking the BMA Travel Service to quote?).

In my particular case I would have to travel from Aberdeen, however although I can just make it by flying down in the morning of Thursday 30 June to London, it might be cutting it a bit fine and therefore I will probably have to come down the night before to ensure I meet the party.

Kindest regards and compliments of the season.

Yours very sincerely

PETER CLARKE
Consultant Oral Surgeon

PS Would it be possible for Danzube Travel, if the journey takes place, to book me from Aberdeen to London on an afternoon or early evening flight on ~~Thursday~~ 11 June, returning from Heathrow to Aberdeen on the last (inter connecting) flight on Sunday 16 June. If they do not wish to do this, I can make the booking myself, but it makes life easier for me if my flights are all on one ticket and they are responsible for looking after me if the connection is not made. (Arr. Heathrow)

Dear John,

Congratulations on the record time out for Budapest. It will still be a record number without the Heslops – I regret that we have decided that a number of factors make our visit a non-starter, amongst them the new house + garden which still soak up money in large lumps, our two golden retrievers who are in pup + we are likely to still have some pups in early June, etc etc.

So, have a super visit + we will hope to hear about it when.

Yours sincerely, Ian

Dear John,

I would like to put pen to paper and thank you for arranging such a marvellous Club visit to Budapest. Peggy and I enjoyed it tremendously and were very glad of the opportunity to travel beyond the Iron Curtain.

It must have involved a very great deal of time and worry on your part in the organisation of the visit but you put together a superb package for us which we all appreciated. The Hotel Gellert was a great hotel in the old tradition and I am awfully pleased that you booked us in there.

Perhaps I may telephone you one evening for advice on the tradesmen of Wimborne, especially the butcher you were recommending even if it is only where the shop is if you are unable to remember his name. We shall be moving

during the last week of July. Our new address will be 3, St. Margaret's Close but I will send you an official change of address card. We are looking forward to our new life in Wimborne and we are cheered by your approval of the area.

With kindest regards,

Yours sincerely

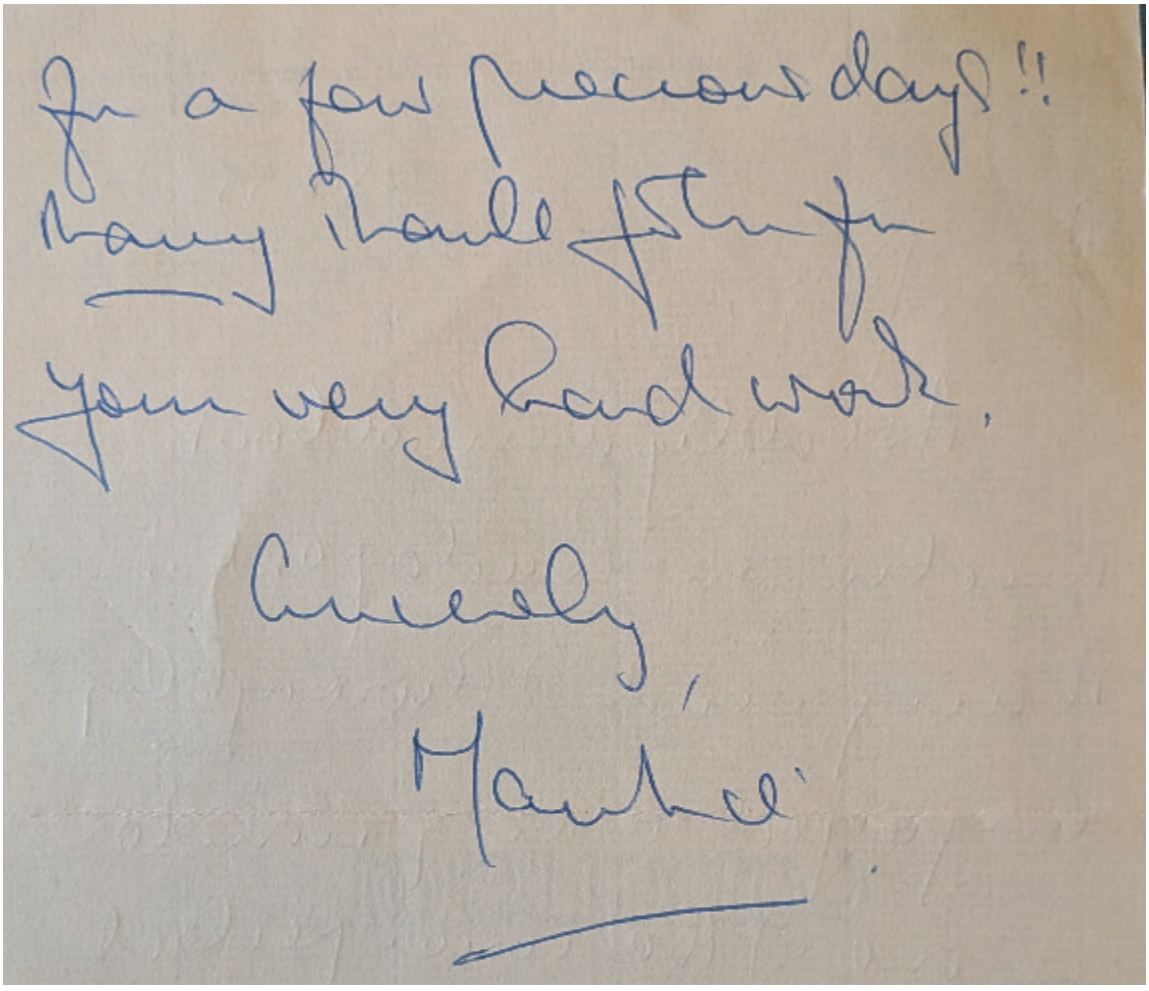

John

Dear John,

Many thanks for your letters, imformation and all the hard work.

I am sorry to have to write to cancel our arrangements for Budapest which we were awaiting with great alacrity.

Unfortunately, we have just discovered that Gwen has malignant ascites, almost certainly from an ovarian tumour. She will be having a C.T. scan tomorrow and expects to go to theatre on Monday. She is very courageous and calm although she knows the reputation of these things.

We have therefore sadly had to cancel the Budapest trip but hope she will be fit enough for a short convalescent break in Sark before embarking on any adjunctive therapy which may be indicated.

I an very sorry to drop you into our family troubles in this way. The Crewe clan seem to be developing a reputation for this sort of thing!

Kindset regards,

Yours sincerely,

Tom

Devon PL3 5TS

Dear Mr. Crewe,

Thank you very much for your letter and I am extremely sorry to receive your news. Please give Gwen our very best wishes and we hope and pray all goes well. Tell her we shall miss you both considerably on the Budapest trip but circumstances have obviously taken over.

As I was saying to somebody only the other day, your meeting in Plymouth was memorable for many reasons. Scientifically it was an excellent meeting and although fate plays a great part in all this, I am glad it was kind to you but above all, it was a very happy and enjoyable meeting and must go down as one of the highlights of B.A.O.M.S. meetings. I hope to see you on July 4th in London.

Very best wishes.
Yours sincerely,

J. C. BRADLEY

Maria U. 52,
H - Budapest VIII., 1085

Dear Professor Szabo,

I am writing to thank you very much indeed for hosting us at your Unit. Everybody agreed that it was a most successful visit and felt much had been gained from it. We are particularly grateful to you and your colleagues for the excellent lectures.

We were most appreciative of the honour of being presented with the medal of the Semmelweis University of Medicine which I know the Club will treasure. On a personal note, I should like to thank you very much for your great help in assisting me to arrange this visit and also for giving me the very nice book on Hungary which I have enjoyed reading very much as have indeed my family!

I think I can speak for all of us that we should like to come back and see your Country properly. I look forward to seeing you at one of the International Conferences in the not too distant future.

Very best wishes.

Yours sincerely,

J. C. BRADLEY
Honorary Secretary

Maria U. 52,
H - Budapest VIII., 1085

Dear Professor Szabo,

Many thanks for your letter of 15th May. We shall be arriving at Budapest airport on Wednesday, 12th June at 12.55 on British Airways flight No BA 702. The main party will be staying at the Hotel Gellert which is quite close to the hospital but as this visit seems to be very popular, seven of us will be staying at the Penta Hotel. Many thanks for your advice over transport, I am sure taxis will be simpler to use. Please do not apologise for the small change in the scientific programme: I understand fully that students' examinations must come first! However we will look forward to hearing all of your colleagues and Professor Zoltan and Professor Banoczy who have kindly agreed to speak to us at fairly short notice!

Very best wishes,

Yours sincerely,

Dear Mr.Bradley,

Thank you very much for your letter of 23.03.1985. We had to change the program of the scientic part of your journay in Hungary. Because of the examination period some of the lecturers can't participat at the Course, but I hope we have found even better lecturers for you. For example prof.Zoltán - the plastic surgeon - will speak about the scar surgery of the face. Enclosed here is the modified program.

Please let us know your exact arrival, because we would like to meet you at the airport. As for the bus, from the Hotel to the lectur-hall, the distance is not very long, it would be cheeper, faster and simpler to take taxis.

Yours sincerely,

/Prof.Dr.G.Szabó/

14th May 1985

Dear Professor Szabo,

I am writing to let you know the final list of our Club members and our time of arrival. We arrive at the airport on Wednesday 12th June at 12.55 where we shall be met by a courier and taken to the Hotel Gellert. I have arranged transport to bring us to the hospital by 07.50 on each of the Thursday and Friday mornings. The following members will be comming,

Mr. H.M. Alty, President of the Club.	Liverpool
Mr. D. Downton, Treasurer	Royal Free Hospital, London
Mr. J.C. Bradley, Honorary Secretary	Burnley
Mr. D.C. Smith	Canterbury
Mr. D.A. Mason	Bradford
Mr. H.D. Penney	Bradford
Mr. P. Selwyn	Nottingham
Mr. T.C. Crewe, President, British Association of Oral and Maxillo-Facial Surgeons.	Plymouth
Mr. B.D.G. Morgan	University College Hospital, London
Mr. M. Jones	Birmingham
Mr. P. Banks	East Grinstead
Mr. K.R. Ray	Reading
Mr. J.R.W.B. Gibson	Chepstow
Mr. R.I.H. Whitlock	Belfast
Mr. H.P. Cook	Middlesex Hospital, London
Professor R. O'Neil	University College Hospital, London
Mr. T.G. Emerson	Londonderry
Mr. P.B. Clarke	Aberdeen
Mr. G.T. Cheney	Norwich
Professor D.A. McGowan	Glasgow
Mr. G.L. Manning	Stoke-on-Trent
Professor C.A. Merox	Nijmegan, Netherlands.

Thirteen members will be accompanied by their wives and will be joining us at the dinner on the Friday evening at Gundels Restaurant.

We look forward very much to meeting you and your staff,

Very best wishes,
Yours sincerely,

SEMMELWEIS UNIVERSITY OF MEDICINE
EPARTMENT OF ORAL- AND MAXILLO-FACIAL SURGERY
HEAD: Prof. György SZABÓ

Lancs.
BBlo 2PQ

Dear Mr. Breadly,

Thank you very much for your letter of 12.02.1985. I am very glad to hear, that 25 collegues will arrive, and 17 of them will be accompanied with wifes /how happy the other 8 must be!/.

I am happy to hear also that your accomodation has been arranged.

Enclosed here I send you the proposed programme, if you don't like some of the lectures, please let us know and I will change them.

It is a very nice idea to give a dinner party in the Gundel Restaurant, because at that place you can find one of the best kitchens of Hungary.

You see cerətain expenses will arrive with the organisation of the course and so we suggest perhaps you could understake to cover that one. I don't know how much its going be, but I am certain it is not a big sum.

Yours sincerely,

/Prof.Dr.G.Szabó/

Iegyz. tu. k. 6104/18

23rd March 1985

Professor Dr. G. Szabo,
Semmelweis University of Medicine,
Department of Oral- and Maxillo-Facial
Surgery,
H - Budapest VIII., Maria u. 52,
1085.

Dear Professor Szabo,

Very many thanks for your letter of 26th February '85. The programme you have put on for us seems most interesting: your suggestion of either a lecture on leukoplakia or on paradontal surgery, I think we would be more interested in hearing how you manage leukoplakia which seems to be a constant concern of all of us. With regard to your expenses, please let me know the amount as we would not wish you to be 'out of pocket' on our account!

I have made tentative arrangements for transport from the hotel to the hospital. I note that the afternoons are clear and therefore I assume that it will not be necessary to organise a return bus.

I am delighted (and relieved) to hear that you have confirmed the advice given me with regard to the Club Dinner at Gundels Restaurant. If you can let me know the number of your party in due course, I should be grateful so that the restaurant can be advised: I have made six reservations tentatively.

We look forward very much to our visit to you and meeting you and your staff.

Very best wishes,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Budapest, 21.01.1985

Mr.
J.C.Bradley M.S., F.D.S.R.C.S.
Burnley General Hospital
Casterton Avenue
Burnley Lancs. BB10 2PQ

Dear Mr. Bradley,

Thank you for your letter of 13.12.1984.

I know now, that you would prefer to stay in Hotel Gellért in Hungary, I think you can arrange it by the services the IBUSZ traveling agency in London. Please let me know if I should do anything in this regard.

Your proposition on the program is very acceptable for us.

The shedul of the proposed scientific program will be posted in a couple of weeks. We think to use for it the lecturhall of our Department and to begin it at 9 a.m. and finish at 12 or 13 o'clock. The themes will be the followings: salivary glands, implantology, haed-ache and oral surgery, traumatology, practical tumor treatment, oral and maxillo-facial surgery in Hungary and East-Europe.

Of course - if you will - the lectures can be held in one of your Hotel Halls.

As for the fee for the lectures, we trust you will be able to find an adaquat solution.

I am waiting for your letter,

Yours sincerely

/Prof.Dr.G.Szabó/

12th February 1985

Professor Dr. G. Szabo,
Department of Oral and Maxillo-Facial Surgery,
H-Budapest VIII., Maria u. 52
1085
BUDAPEST

Dear Professor Szabo,

Thank you for your letter of 21st January. I shall look forward to receiving the proposed scientific programme which we would prefer to be held in your own hospital if possible. There are 25 members coming which I hope is not too big a number for you to accommodate but this seems to be a very popular proposed visit!

As far as hotel accommodation is concerned, this has been satisfactorily arranged and so far there appear to be no problems. With respect to lecture fees, this has sometimes presented a difficulty and as we are always very grateful to our hosts for all the work that such visits inevitably make, we always take them out to dinner as our guests. The Club has a tradition of having a Gala dinner each time it meets and I have provisionally arranged this for Friday June 14th in Gundels restaurant. I have made provisional arrangements for six guests,and wives are included.

Perhaps you could advise me as to whether this will be sufficient. Sixteen members are bringing their wives with them although this does not form any part of the official party although of course they will jointus for the dinner. I will be writing to you again giving you the full list of those who intend to come. We certainly look forward to seeing you in June.

Yours sincerely,

1085

Dear Professor Szabo,

I was delighted to receive your letter of 3rd December and I am most grateful to you for looking into the possibility of us staying at the Hilton Hotel. Since writing to you, I have been in contact with the Hungarian State Tourist Board in London and my colleagues felt that they would like to savour the atmosphere of a truly Hungarian Hotel and it has been suggested to me that we stay at the Hotel Gellatt which I gather is very comfortable.

We shall be arriving on Wednesday 12th June and we will be leaving Budapest on Sunday 16th June. I would suggest that we could perhaps hold our meetings with you on 13th and 14th June but I will leave this very much up to you. With regard to the lecture topics, we also leave this entirely up to you but naturally we would like to see the work of your hospital department and any particular aspects in which you or your hospital specialise. I will now be circulating to my colleagues and early in the New Year, I will be able to let you know the likely numbers coming.

Very best wishes for Christmas and the New Year.

Yours sincerely,

J. C. BRADLEY

Dear Mr.Bradley,

Thank you for your letter of 14.11.1984.

I propose for your comming to Hungary the week from 9th June 1985. I could organise your scientific programm for this week.

Please let me know what would be convenient for you. How long could you stay in Hungary? How many lectures would you like to hear and what topic you prefer?

I suggest you to stay at the Hotel Hilton in Budapest, it is one of the best Hilton Hotels in the world. I have looked rooms for 35 persons to be on the save side. The price of a double bedroom is 80 $. May be you can get reduction as a groop if it is arranged by a travelling agancy.

Please let me know if you need my help in this regard.

For the coming Xmas and New Year I whish you the best.

Yours sincerely

Dear Professor Szabo,

I am writing on behalf of the President and members of the Oral Surgery Club of Great Britain who would very much like to come and visit your Department of Dental and Oral Surgery at Szeged. I understand that Mr. Roy Whitlock from Belfast spoke to you in Berlin some two years ago.

The Club normally visits a surgical unit in Europe sometime during April, May and June each year, a scientific meeting usually lasting two days. I am writing to you to ask whether this could be possible either in the Spring of 1985 or if this is difficult perhaps the following year.

Very best wishes.

Yours sincerely,

J. C. BRADLEY

H-Budapest VIII., Maria u. 52,
1085
BUDAPEST

Dear Professor Szabo,

Further to my letter to you of 14th November, I have made some preliminary enquiries with Ibusz's agents in London, Danube Travel, who have advised me that the first week in June there is an International Congress of GO Physicists and I was advised that it might be difficult to get reasonable accommodation during that particular week.

Taking into account the flights from London to Budapest, and that members would prefer not to break into two weeks but just one, it would seem that ideally the visit should be to arrive at Budapest on Wednesday 12th June and return on Sunday 16th June. This would mean that the 13th and 14th June could be reserved for the meeting giving members a free day on the Saturday to have a look at the City and do any shopping.

I do not know how this will fit in with your arrangements but perhaps you could let me know.

Very best wishes.

Yours sincerely,

J. C. BRADLEY

Dear Mr. Felsen,

A brief note to thank you and your staff for organizing the Oral Surgery Club of Great Britain's visit to Budapest earlier this month. The visit was a great success and I think many people will want to go back again to see more of your Country, as the visit was obviously far to short for adequate sight-seeing!

Very best wishes.

Yours sincerely,

J. C. BRADLEY

22.9.85.

Dear John,

Thank you for your letters and the draft of the Agenda for the Club meeting on 21.10.85. I don't think I have any alterations to make to it, for I think it covers all the topics I can think of.

Have we managed to get the Lemanowicz medallion mounted for the President? I thought that was an extremely good use to which we could put the Hungarian's gift.

All best wishes,

Yours,

Sounds a very good turn-out at Sheffield.

JCB/GH/

27th September 1985

Mr. H. Alty,
Rosemont,
Church Road,
Woolton,
Liverpool L25 6DA

Dear Mr. Alty,

Many thanks for your letter of 22nd September 1985. The Semmelweis medallion is mounted! I have not had a chance to get its ribbon but I do not anticipate any problem since we have a specialist firm in Colne that does nothing else except make ribbons.

I will have it in time for you to wear around your neck at the committee meeting in Sheffield on Thursday 31st October.

Many Wishes.

Yours sincerely,

J. C. BRADLEY,
Consultant Oral Surgeon.

21st October 1985

Dear Harry,

re Oral Surgery Club Meeting at Sheffield.

I enclose a draft agenda for the Annual General Meeting. I would be most grateful if you could let me have any alterations or additions a week from today so that I can prepare the final agenda. I will have the detail at hand, of course, at the actual meeting, and I look forward to seeing you there.

Best wishes,

Yours sincerely,

J. C. Bradley

Dear John,

Oral Surgery Club Meeting

Thank you for your letter of 30th September with the additions of Selwyn and Ireland. As you probably know, Brian Hales unfortunately died recently and this makes some alteration on the figures, which I now make as:-

Reception	37
Dinner	34
Hotel	32

The variation on the hotel of one less than your figure I can't account for, unless my ticking off on the original list is wrong. However, this doesn't matter because it will be clearly in hand with regad to the Hallam Tower management.

Yours sincerely,

Paul.

Dear John,

I enclose the second draft of the programme for the Oral Surgery Club Meeting. I should be very glad if you would look through this carefully, particularly with regard to timing, and let me know if you see any problems or errors.

I should be most grateful if you could let me have the numbers for the various functions as soon as they are reasonably secure.

It would also be helpful, in addition, if you could let me have the names so that perhaps we could send out location maps and programme a few days before.

Yours sincerely,

Paul.

Dear John,

Oral Surgery Club Meeting, Sheffield 1985

I have confirmed that the original dates I suggested do clash with a College meeting and I have now been able to move the dates on a week, and they will be 31st October and 1st November. The venue for residents will have to change to The Hallam Tower Hotel.

Best wishes.

Yours sincerely,

Paul

JCB/BT

Professor Sir Paul Bramley,
Department of Dental Surgery,
School of Clinical Dentistry,
Charles Clifford Dental Hospital,
Wellesley Road,
Sheffield S10 2SZ.

Dear Paul,

Oral Surgery Club Meeting, Sheffield 1985.

Thank you very much for your letter of the 27th November 1984, advising me of the altered meeting of the Club which is now to be held on the 31st October and 1st November. An announcement of this meeting will go out with the next notice which is imminent.

With regard to the meeting in Budapest, I think we are going to have to go ahead with it because I had acted on the Committee's order of visits made a year ago. Professor Szabo, in fact, is in Budapest and has been so for the last 3 years and Roy Whitlock had given him the wrong address. The letter had gone astray, but he ultimately got it and seemed to be keen for us to go. I think the visit will be a little more relaxed than the last meeting of the Club behind the Iron Curtain, but my brother-in-law, who has some experience of Iron Curtain countries, told me that we will have to be prepared to be organised to some extent. I have managed to negotiate a good deal with the State Tourist Board and have got provisional booking in a good hotel. Speaking to Terry English at the College a fortnight ago, he assures me that we would be extremely well entertained. The bush telegraph tells me that Kass Merkx's Unit is likely to be busy with a number of visitors this Spring and, therefore, in the event it is probably better for us to go there next year. I have not written to him about this yet, but as it will be your Presidential Year, if you are agreeable, I think I would send him a preliminary letter this Spring, so that we are not going to miss out.

Very best wishes,

Yours sincerely,

c.c. Mr. A. W. Moule.

Dear Mr Bradley,

Thank you so much for your letter. Please convey to the President, members of the Oral Surgery Club my great appreciation of their kind sympathy. Graeme enjoyed his meetings with you all so much, though I know he did not manage to go so often after he retired.

I am so thankful for him
that if he had to go so soon,
it was peacefully & with
dignity in his own home,
just as he would have wished.

With renewed thanks

Yours sincerely

Jean Darcy

Sir Paul Bramley

10.12. 1985

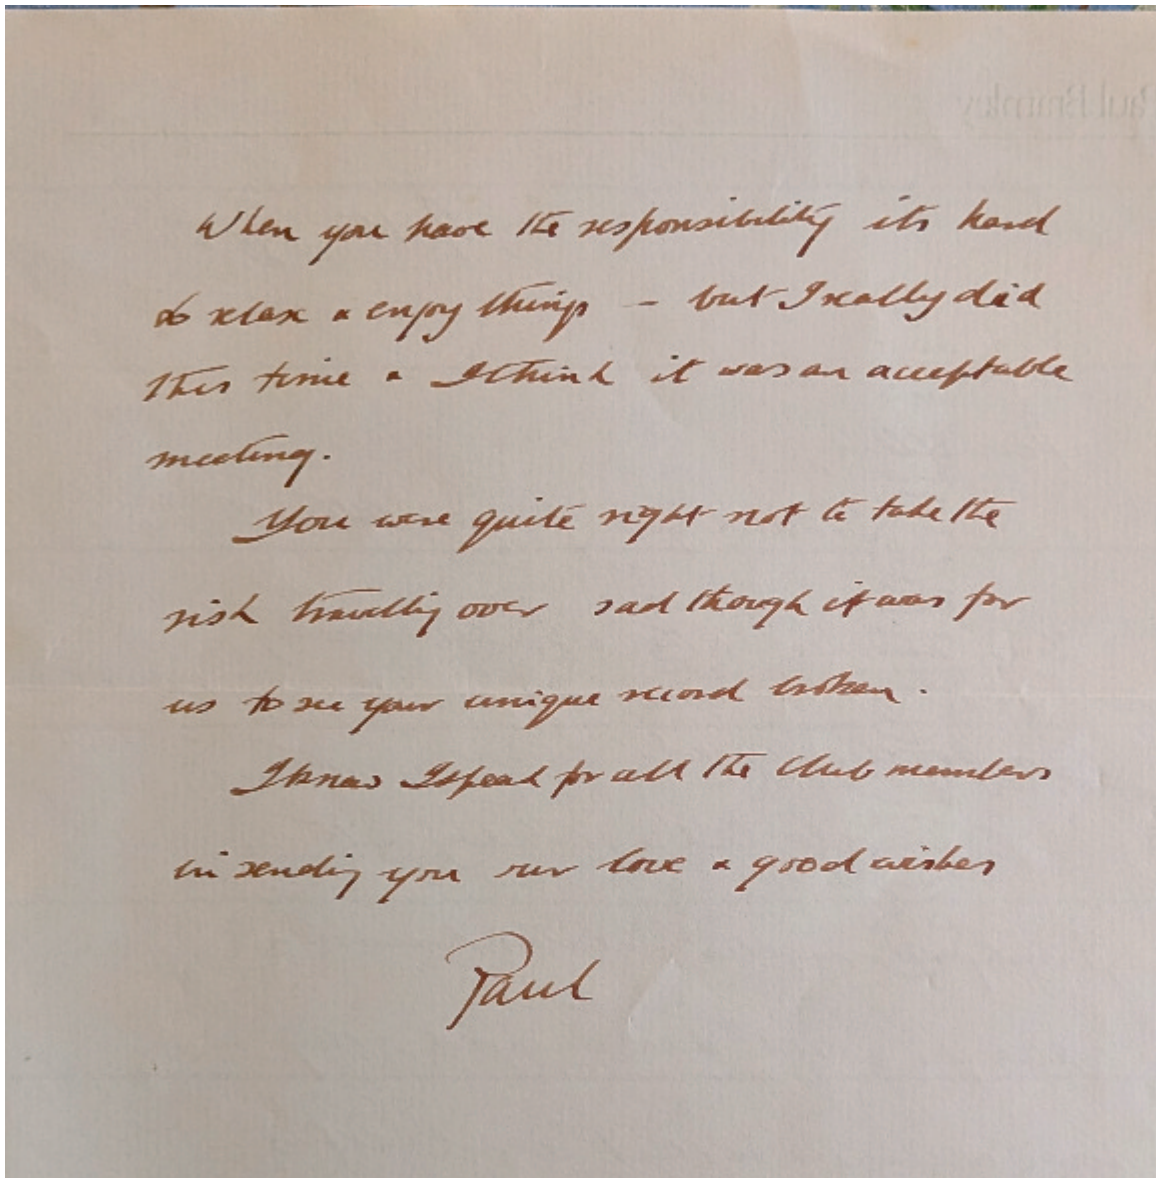

Dear Alan,

Thank you for your letter.

Your presence at the O.S. Club meeting was greatly missed.

We had a good day with plenty of energetic + heated discussion which you would have enjoyed. My local colleagues rallied round + did this well.

GREENHILLS BACK LANE HATHERSAGE NR SHEFFIELD S30 1AR TEL (0433) 50502

When you have the responsibility it's hard to relax & enjoy things - but I really did this time & I think it was an acceptable meeting.

You were quite right not to take the risk travelling over - sad though it was for us to see your unique record taken.

I know I speak for all the Club members in sending you our love & good wishes

Paul

Dear John.

I send you my apologies for not being with you on 31.10.85 with great sadness because it is the only time I've not attended the Committee meeting in the Great Britain. I missed N.I. Anyway I expect to be full of beans in a week or so. This episode - the first of its kind - has exemplified somewhat but with care I can do quite a bit now - anybody taking weight so all's going on OK

Have a good meeting & best wishes to my club mates

Allen.

Manchester.

1986 Nijmeman - April

ORAL SURGERY CLUB OF GREAT BRITAIN

The next overseas meeting of the Oral Surgery Club is to held in Nijmegan, Netherlands where Professor C.A. Merkx has kindly agreed to arrange a programme for us at the University Hospital. The dates of the meeting will be Thursday 24th April and Friday 25th April 1986.

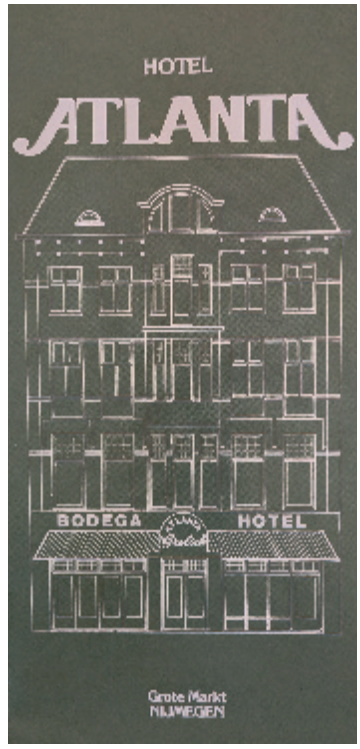

This year, because of the nearness of the Netherlands to the U.K., it is not practical to arrange travel on a group basis. It is suggested that participants fly to Schiphol Airport, Amsterdam and then take a train to Nijmegan details of which will be sent to those who intend joining the party. There are two other congresses taking place in Nijmegan at the same time, and as it is a small city, accomodation is limited. Those wishing to come must let me know on the tear-off slip below by January 15th at the latest.

The cost of hotel accomodation for bed and breakfast is approximately £25.00 single and £34.00 double, with the return rail fare about £15.00. Travel outward would be on Wednesday 23rd April and return Saturday 26th April.

NIJMEGAN

oooOooo

Dates for the Autumn Meeting under the Presidency of Mr. G.L. Manning at Stoke-on-Trent will be 30th and 31st October 1986. This will be the 50th Anniversary of the Club.

Oral Surgery Club,
33, Fairfax Place,
London, NW6 4EJ

8th May 1986

Dear David,

I hope you had a good birthday party in Cyprus. We all missed you and Joan in Nijmegan. 24 members and 16 wives came which has surpassed Budapest. It was a very good meeting and Merkx looked after us very well. I have incurred some expenses mainly involved with the dinner; 40 of us sat down with 9 guests and 15 more of their staff came but paid for their meal. The whole unit had worked very hard on our behalf putting on a very full clinical programme, theatre session and I felt that the least we could do was to stand them the drinks before the meal. I have the actual bill but include a breakdown of all the expenses incurred. I reckon the hospitality was f381 (cost of all aperitifs) minus f149 (balance of cost of meal from what was collected) which is f232 or £61.05. There were tips on top, the pianist played non-stop (very well & pleasantly - he was an architect by day!!) throughout the dinner of 4½ hours.

Best wishes,

Yours sincerely,

List of Members attending Nijmegen 24th &25th April 1986

Geert Grooteplein 14,
Postbus 9101,
6500 HB Nijmegen.

Dear Kees,

Thank you so much for the splendid meeting you and your colleagues put on for us. It truly was a most enjoyable and instructive meeting in which you all had obviously worked very hard. This is very much appreciated by all of us and please pass on our grateful thanks to all your staff and the patients who very kindly agreed to take part.

Our previous visit to Nijmegan was excellent but I think this meeting has surpassed even that one! I was so delighted for you that so many members were able to come to make it a record turnout. From my point of view, I am extremely grateful for all the help you gave me in organising the visit and I am sure that it was an important factor in the success of the meeting. Also thank you again for the very kind hospitality you gave me personally.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britiain.

Mr. T. van Keulen,
Financieel Economisch Directeur,
Sint Radboudziekenhuis,
NIJMEGAN.

7th May 1986

Dear Mr. van Keulen,

On behalf of the President and Members of the Oral Surgery Club of Great Britain I am writing to thank you for your kindness, hospitality and support you gave us at our recent visit to your hospital. We are most appreciative for the lunches you provided and the visit to the museum of the 1st Battalion of the Parachute Regiment at Arnhem and the very nice tea provided afterwards. The scientific meeting put on for us by Professors Merkx and Freihofer, their staff and their patients was most successful and instructive. Everyone had worked very herd and in all we have had a most memorable visit.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Professor H.P.M. & Mrs. Freihofer,
Heterseweg 63,
6533 AC Nijmegan,
Netherlands.

5th May 1986

Dear Ebi and Hans Peter,

I should like to thank you both for the most enjoyable reception you gave in your home to the President and members of the Oral Surgery Club of Great Britain. It was most kind of you particularly so as it was on the same day as your son's 21st Birthday - such an important family occasion! Certainly my colleagues are very appreciative of your kindness and hospitality.

To you, Hans Peter, we owe a very big thank you as I know that you had worked very hard in the organisation of the meeting and during it. We were all most intrigued and impressed on your meniscal replacement procedure: I always felt that my bat-ears may be of some use in the future!! Joking apart, it was a very neat idea which I am sure will be very useful. One of the advantages of these informal meetings is that one learns a great deal and we are very grateful to your Department to have the courage to show us one or two of the disasters and how you coped with them. It is this aspect which is so important as we are all bound to get them if we do enough surgery. Please give our grateful thanks to all your staff and to the patients who contributed, to what for us, was a most enjoyable and successful meeting.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britain.

Mr. J. Appels,
Director,
Faculty of Medicine,
kasteel Heyendaal,
NIJMEGAN.

7th May 1986.

Dear Mr. Appels,

The President and Members of the Oral Surgery Club of Great Britain are most grateful to the University of Nijmegan for providing the audio-visual apparatus used during our most enjoyable and successful visit to Professors Markx and Freihofer.

It was most kind of you and everyone is most appreciative of your help as the equipment made it possible for a relatively large audience to see, in detail, two operations of great interest to us. Undoubtedly it contributed greatly to what was a most instructive visit.

Very best wishes,

Yours sincerely,

J.C. Bradley
Honorary Secretary,
Oral Surgery Club of Great Britain.

St. Radboudziekenhuis,
Geert Grooteplein zuid 14,
Postbus 9101,
6500 HB Nijmegen,
Netherlands.

Dear Kees,

re Oral Surgery Club visit 23rd April to 26th April 1986.

I have discussed the menu with Paul Bramley and he suggests that menu No. 3 at 60f per head exclusive of wines would be appropriate. The dinner is to be on the Friday night (25th April) and if you could confirm this with the Slot Doddendael restaurant I would be most grateful. There will be 45 members and wives plus you and your colleagues, so I would suggest at this point we estimate 50 -55 people. If you could arrange for a coach to take us there and come back it would be very helpful : please advise me as to the cost.

I enclose the list of people who are coming and where they are staying. I am coming a day early, on Tuesday 22nd April and will be staying at the Belvoir Hotel, so if it would be helpful I could see you either that evening or on the Wednesday.

Tome Crewe (the New Zealander) lost his wife, Gwen a week ago, but is still intending to come. Paul Bramley and Morag are coming on a cheap package mini-tour and are staying at the Golden Tulip Hotel where ever that is! As you know, Peter Clarke is staying with Peter Freihoffer.

Thank you again for all your hard work on our behalf, we are all looking forward to the visit.

Best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club.

datum 1 April 1986

Dear John,

Referring to our phonecall and receipt your letter of 28th February 1986, I can inform you that the misunderstanding in Hotel Belvoir, where you liked to put everybody, has been solved.

The provisial programme is as follows:

THURSDAY, 24th April:

± 8.45	hr.	Speech of welcome by Professor DR. H.P.M. Freihofer
		Lecture on the part played by the Allied Forces in the liberation of Nijmegen.
		Short lectures on some aspects of Oral-and Maxillofacial Surgery, interrupted by a coffee-break.
±12.30	hrs.	Lunch at the restaurant of the Hospital
±13.30 - 16.15	hrs.	Demonstration in 2 clinical operating theatres. By means of a closed T.V. circuit, the operations will be demonstrated in the lecture-room we have at our disposal.
±18.00 - 19.00	hrs.	Reception of the British Oral Surgery Club at the home of Professor and Mrs. H.P.M. Freihofer.
		After this reception everybody will have the evening off.

On 24th April we will also offer a ladies programme to the wives of the members. This day will be organized by the wives of some members of the Staff.

Sint Radboudziekenhuis Nijmegen
Algemene Chirurgie

1st April 1986

LADIES'PROGRAMME.

THURSDAY, 24th April:

9.15	hr.	Conducted tour through the ancient quater of the town. After this tour lunch at the home of one of the ladies.
14.00	hrs.	Busvisit to the museum in the Veluwe National Park.

FRIDAY, 25th April:

± 8.45	hr.	Demonstration of several patients with various deviations who have already been operated on.
± 10.15	hr.	Coffee-break
± 10.30 - 12.00	hrs.	Demonstration of patients
± 12.30	hrs.	Lunch at the restaurant of the Hospital
		On Friday-morning the ladies are free to visit other sights or to go shopping in town.
± 14.00	hrs.	Visit to the Airborne Museum in Arnhem. This museum is housed in Villa Hartenstein, formerly the headquarters of the first British Airborne Division.
± 17.—	hrs.	We will be back in the Hotel.
± 18.00	hrs.	We will leave for Doddendaal Castle for aperitif and dinner. I have told the manager of Doddendaal Castle that from about 55 to 60 people will be coming

Let me give you one more advise. When the members of the Club arrive on Schiphol-Airport on 23rd April, they should not take the direct train from the Airport to Amsterdam, because this one does not yet run as far as Amsterdam Central Station. So they must take the bus at Amsterdam Central Station that leaves every ten minutes.

You have also asked me two more questions. We thought it better to take the members of the Oral Surgery Club to Doddendaal Castle and back by bus. This will cost about from ƒ 375,-- to ƒ 400,--, that means about £ 1,— each. If you like to avail yourself of this oppertunity, please let me know as soon as possible, so that I can reserve a bus for 45 people.

You have also asked me to let you know what time the trains leave Nijmegen for Amsterdam on Saturday morning. Well from about 7.00 o'clock in the morning a train leaves for Amsterdam every 30 minutes. The yourney from Nijmegen to Amsterdam Central Station will take one hour and 25 minutes.

Sint Radboudziekenhuis Nijmegen
Algemene Chirurgie

1st April 1986

blad no. 3

You told me that you would have liked to come at an earlier date, but that all flights to Amsterdam were booked up.
Why don't you try and fly N.L.M. city Hopper (a subsidiary company of K.L.M.). They fly from London Heathrow to Rotterdam Airport five times a day. From Rotterdam Central Station there is a good train connection with Nijmegen. This Company also flies from Gatwick.

An other possiblity might be to fly from London to Dusseldorf in Germany. From Dusseldorf there are very good train connections with Arnhem. The whole journey from Dusseldorf - Arnhem to Nijmegen will take about two hours.

Finally a third possibility might be to fly Netherlines. This is a new Dutch airline. They fly from Gatwick to Eindhoven. Eindhoven too has good train connections with Nijmegen by way of 's Hertogenbosch. This journey will take about one hour.

I would be very pleased if you could be in Nijmegen on Tuesday evening. This would give us a nice oppertunity to talk things over before the meeting starts.

I hope you will have a nice Easter and am looking forward to hearing from you soon.

Yours faithfully,

C.A. Merkx.

26th February 1986

Dear

re Oral Surgery Club visit to Nijmegan, 23rd to 26th April '86.

Professor Merkx has kindly organised a programme for us on the Thursday and Friday, 24th and 25th April and there has been an excellent response with 26 members and 20 wives intending to come to date. We shall be staying at

Hotel Belvoir,
Graadt von Roggenstraat 101,
6522 AX Nijmegan

Postbus 1461
6501 BL Nijmegan

Telephone: 01031 80 23 23 44

or

Hotel Atlanta,
Grote Markt 38 - 40,
6511 KB Nijmegan,

Telephone: 01031 80 24 01 28
24 01 68
24 01 88

*105f double,(£26.00)
70f single,(£17.50)

The hotel has a full restaurant and is situated in the centre of town overlooking the Nijmegan Bridge and about ½ mile from the University. The price is 160f double and 110f single (£40; £27.50) for bed and breakfast. I enclose a map which gives some indication of the local geography.

There is an airport bus to Amsterdam mainline railway station which takes about half an hour. Trains to Nijmegan leave at 19 minutes and 49 minutes past the hour, some of the latter require a change at Arnhem, so check if you have to. The return rail ticket is 65f (£16.00).

If you require tourist information, write to,

Tourist Information Office,
St Jorisstraat 72,
(6511 TD Nijmegan)

Postbus 175,
6500 AD Nijmegan

Write at the end of March if you want theatre programmes.

Best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary.

ORAL SURGERY CLUB OF GREAT BRITAIN

The next overseas meeting of the Oral Surgery Club is to held in Nijmegan, Netherlands where Professor C.A. Merkx has kindly agreed to arrange a programme for us at the University Hospital. The dates of the meeting will be Thursday 24th April and Friday 25th April 1986.

This year, because of the nearness of the Netherlands to the U.K., it is not practical to arrange travel on a group basis. It is suggested that participants fly to Schiphol Airport, Amsterdam and then take a train to Nijmegan details of which will be sent to those who intend joining the party. There are two other congresses taking place in Nijmegen at the same time, and as it is a small city, accomodation is limited. Those wishing to come must let me know on the tear-off slip below by January 15th at the latest.

The cost of hotel accomodation for bed and breakfast is approximately £25.00 single and £34.00 double, with the return rail fare about £15.00. Travel outward would be on Wednesday 23rd April and return Saturday 26th April.

oooOooo

Dates for the Autumn Meeting under the Presidency of Mr. G.L. Manning at Stoke-on-Trent will be 30th and 31st October 1986. This will be the 50th Anniversary of the Club.

oooOooo

I shall / shall not attend the meeting in Nijmegan.

I will require hotel accomodation (single / double).

I shall / shall not be accompanied by my wife and I / we intend to be present at the Club Dinner on the Friday night.

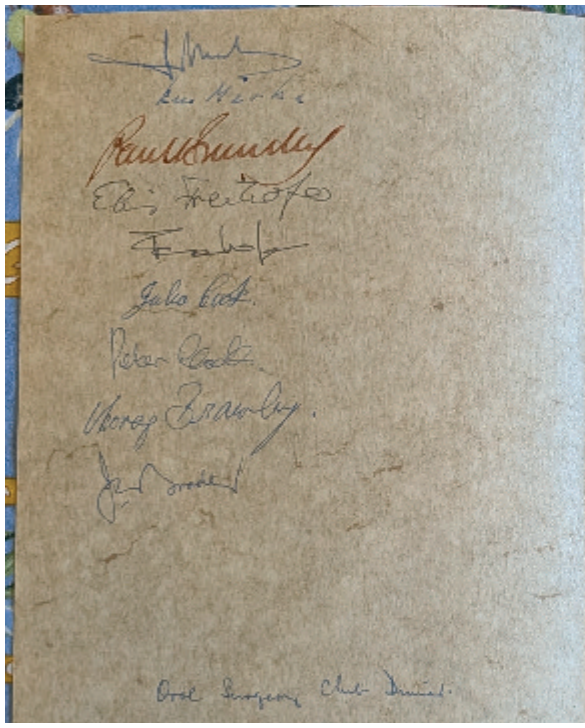

Please complete, with name and signature below and return as soon as possible and not later than Wednesday 15th January 1986 (late applications after this date will be difficult to accomodate) to:-

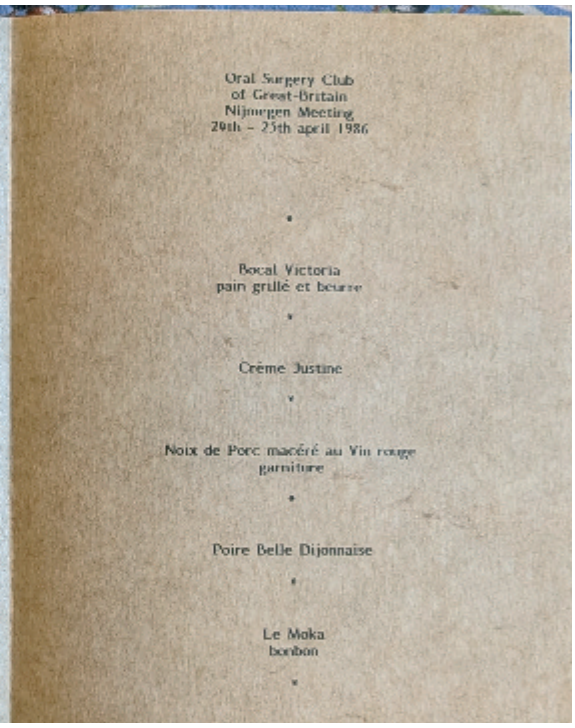

J.C. Bradley,

15th January 1986

Dear Kees,

re Oral Surgery Club visit 23rd April to 26th April 1986.

There has been a good response from the membership! I enclose a list of those who have indicated that they would like to come. There are usually a few who subsequently withdraw due to various reasons, but because of the likely number coming I would be grateful if you could book the accommodation at the Hotel Belvoir asking if they can accommodate the added numbers. If this is not possible then we should put the remainder in the Hotel Atlanta since it is nearby and people would like to be together. However, I will telephone you on Monday, January 20th at 2.00 p.m. (your time!) to give you any last minute alterations. I will, of course, write to the managers of the two hotels confirming the booking(s) and giving the names of the people coming.

The suggestion of the dinner in Doddendaal Castle is an excellent one and I am sure will be popular. With regard to the menu, I must discuss this with the President who is back at the end of the month, but as far as making a booking is concerned we ought to think in the terms of 50 to 55 people: the Club invites up to six people from the host's unit although this is not rigidly applied!! Thank you for the warning over the price of wine! Will advise you on the menu later. With regard to transport to and from the dinner. I think it would be wise to hire a coach and perhaps you could let me know the cost: I find these days that most people avoid driving their cars if they are going to a party or a dinner.

With regard to travel, as members will be arriving at Schiphol airport randomly, I think it will be a difficult exercise trying to get a group together to take advantage of the reduction in the train fare on a group basis. However, thank you for finding out that piece of information. I assume the airport bus goes direct to the railway station in Amsterdam.

Thank you again for all your hard work on our behalf. I trust you had a pleasant Christmas and New Year: we are all looking forward very much to seeing you and your clinic.

Best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary, Oral Surgery Club.

28th December 1985

Dear Kees,

Many thanks for your letter giving me details of the hotels etcetera. I'm sorry that you had some difficulty finding accommodation and I am very grateful to you. I will let you know which hotel we would like to stay at and as you see from the enclosed proforma, I should get a good idea by the 20th January. Paul Bramley is away at the moment but I will need to speak to him about the dinner: the venue seems excellent and I would imagine there is not great urgency on that aspect of the menu!! However, I will telephone you at the hospital on the afternoon of 20th January at about 2.00 p.m. (Netherlands time!) to give you the numbers coming.

I hope you have had a pleasant Christmas and I wish you a very happy New Year,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,

Dear

re Oral Surgery Club visit to Nijmegan,
24th & 25th April 1986.

I am beginning to plan in detail our visit to Nijmegan next Spring. I seem to remember that when I spoke to you in Budapest you were kindly going to select a hotel for us and suggest a restaurant where we might hold the Club Dinner! I would be most grateful if you could let me have the name, address and telephone number of the hotel. Perhaps you could also advise me as to the best route to travel by: obviously timetables etc. can be found nearer the time!

We had a very enjoyable meeting in Sheffield. Peter Egyedi managed to come which was much appreciated. It is so sad about his unit and dental school.

I hope you have a very pleasant Christmas and a good New Year.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club.

datum 5-12-1985

Dear John,

After the very interesting meeting behind the Iron Curtain, I am now sending you the first information for the visit of the Oral Surgery Club to Nijmegen from Wednesday 23th April to Saturday 26th April 1986.

A. As far as accommodation is concerned, some problems have cropped up. During the same period two more Congresses will be held in Nijmegen, one of which organized by gynaecologists. When I inquired, one hotel had already been booked up. Moreover a good many rooms had already been reserved in two other good hotels. Nijmegen has a population of only 150.000 and therefore has less acommodation than Budapest.

Until February 1st I have provisionally booked rooms in 3 hotels:

1. Hotel Belvoir: 14 double rooms with bath and toilet.
   Price one person ƒ 110,-- bed and breakfast
   " two " ƒ 160,-- " " "

   This hotel is situated close to the centre of the town of Nijmegen and gives a beautiful view of the famous Nijmegen-bridge, which played an important role in the liberation of my country in 1944 and which you will no doubt have heard of. You may have even seen the film :" A bridge too far".

2. Hotel Erica: In this hotel I have provisionally booked 20 double rooms with bath and toilet.
   Price one person ƒ 105,-- bed and breakfast
   " two " ƒ 145,-- " " "

   This hotel is situated about 2 miles from hotel Belvoir in the woods, just outside the city. There is a busstop at 300 metres from the hotel and a regular 20-minutes busservice to the town. This bus also stops at about 100 metres from hotel Belvoir.

•145A

Sint Radboudziekenhuis Nijmegen
Algemene Chirurgie

5 december 1985

blad no. 2

3. Hotel Atlanta: in this hotel I have provisionally booked all the 12 rooms .

Price one person f 70,-- bed and breakfast
" two " f105,-- " " "

This hotel is situated in the centre of the town, about 400 metres from hotel Belvoir.
Though Hotel Atlanta is situated in the centre of the town, there is little traffic, because that part of the city is closed to all traffic, except public transport.

You can look upon Hotel Belvoir and Hotel Erica as first-class hotels and upon Hotel Atlanta as a little middle-class hotel.

Please let me know, if possible before January 20th 1986, how many rooms you like me to reserve and in which hotels.

B. For the dinner on Friday 25th April, I have provisionally reserved the Knights' Hall in an old 16th century castle, about 15 kilometres West of Nijmegen. It is called "Doddendaal Castle", in Dutch "Slot Doddendaal".
Architectonically our castles are less beautiful than those in Great Britain as Dutch castles used to be used as fortresses as well.
The cost of the menue marked is about £ 14,6 , no doubt that you will remember that you told me that the cost was not to exceed about £ 15.--, excluding drinks. I am afraid that the wine will be pretty expensive..
However, it is one of the smartest restaurants in the surroundings of Nijmegen and has a good cuisine.
Please let me also know before 20th January next, if you agree to this suggestions.
If there is not enough transport to go from the hotels to Doddendaal Castle, we'd better hire a coach. I don's know yet how much that is going to cost.

C. When the members of the Club arrive at Schiphol airport, they'd better take the train from Amsterdam to Nijmegen. At 13.19, 14.19, and 15.19 there is a fast train to Nijmegen. At 13.49, 14.49 and 15.49 a fast train leaves Amsterdam for Arnhem, where they will have to change.
There is a direct connection from Arnhem to Nijmegen. The whole journey from Amsterdam to Nijmegen takes about 90 minutes.
The fare Amsterdam - Nijmegen first class on Wednesday and Nijmegen-Amsterdam on Saturday 26th April is f 65,-- (about £ 15,--).
If I know about 8 weeks before howmany members will come to Nijmegen by train, I can get so-called group-tickets (reduction 30%).
It is not possible to book seats. This does not matter, because you will not travel during the rush-hours. Nor does it matter if more people should take the train, than you told me. In that case they will have to pay the usual fare of 2 x f 32.50. Reimboursement of not-used of partly-used tickets is not possible.

Dear John,

Firstly I must apoligize for the delay in putting this letter together, but unfortunately circumstances and an extraordinary timetable, prevented me from doing so earlier.
You may be interested to know, that amongst other commitments I was lecturing at various Universities in Indonesia, which proved most interesting.
It was also a great pleasure for me to be with you at the British Oral Surgery Club in Budapest and I attribute directly, the succes of the trip to your organisation and planning.
While there exists a striking contrast between Nijmegen and Budapest it is so to be hoped that the vist by your club to the former in May of 1986 will prove as a benificial to all concerned.
Later on this year I shall be forwarding to you a proforma programme laying down the structure of the meeting.
If you should require any further information pursant to this, feel free to contact me.
Untill then I take this opportunity to thank you once again.

With kindly regards,

C.A. Merkx.

Dear Professor Merkx,

Many thanks for your letter of 26th August 1985 concerning the Oral Surgery Club meeting next Spring. There is nothing further to report from this end but I will write to you after the Annual General Meeting at the end of October when perhaps you would be able to advise me as to the hotel we might stay at.

Your trip to Indonesia must have been most interesting, you seem to be leading a very busy life!

Best wishes.
Yours sincerely,

datum 16-4-1985

Dear John,

Thank you very much indeed for your detailed letter from March 23th, 1985.
I really do look forward to my stay with the British Oral Surgery Club. As far as I'm concerned it will be a very interesting visit. I do believe that you and our colleague's have the same idea, regarding the number of members who will travel with us.

In June 1982, I visited Budapest before, because I was invited on a congress, organised by our colleague Gyorgy Szabo. Overthere I met also some of my friends from the British Oral Surgery Club and we had a very good time.

I will arrive in Budapest on Tuesday evening the 11th of June on 18.05 hour local time with the Lufthansa 354. Therefore my travel agency, Holland International, made a reservation for me for one night in Hotel Gellert. My departure will be on the 16th of June, 13.05 hour local time with the Lufthansa 359 to Düsseldorf.

So as I have told you before, my position is taken over, due to my illness in 1979, by our colleague Hans Peter Freihofer, from the clinic of Obwegeser in Zürich. Therefore I discussed your visit to us with him and we are delighted to have you all as our guests. We presume that you will arrive on the 23th of April 1986 and leave Holland on the 26th of April.
Further details we can discuss in Budapest.

Please find enclosed the Danube Travel booking form and a cheque of £ 164,—. In your letter you wrote about a fee of £ 154,—. However, if I paid to much you can give me the amount of £ 10,— back in Budapest.

Very best wishes and I look forward to see you soon.

Yours sincerely,

Kees

C.A. Merkx.

23rd March 1985

Dear Kees,

re Oral Surgery Club visit to Budapest.

This is probably a record turn out of the Club to an oversees meeting: there are 24 members and 14 wives attending. I apologise for the delay as there have been one or two problems which this number has presented. The Hotel Gellert was not able to accomodate all of us but you will be staying there!

As part of the Group deal for the U.K. contingent, we are supposed to have half board at the hotel. In practical terms this means bed and breakfast on the four days and the evening meal on the night of arrival, Wednesday night, only as most of us would like to explore the other gastronomic delights on the Thursday and the Saturday (Friday night - Club dinner).

I am not sure what your wishes should be: essentially we arrive on the Wednesday and leave on the Sunday, the cost of the dinner is included in the price which to you would be £154.00 sterling since you will be travelling separately from the rest of the party. If you cannot spend the four days there, perhaps you could let me know. In that event you would pay the hotel direct, and also let me know whether you wish to come to the dinner. Whatever happens, we shall all look forward to seeing you!

The hotel reservation will be made from here and the full address is,

Hotel Gellert,
IX, Szt. Gellert ter 1,
Budapest.
Tel: 460-700
Telex:22-4363

Transport is laid on for the UK party to and from the airport. If you could let me know your arrival and departure times, they may coincide.

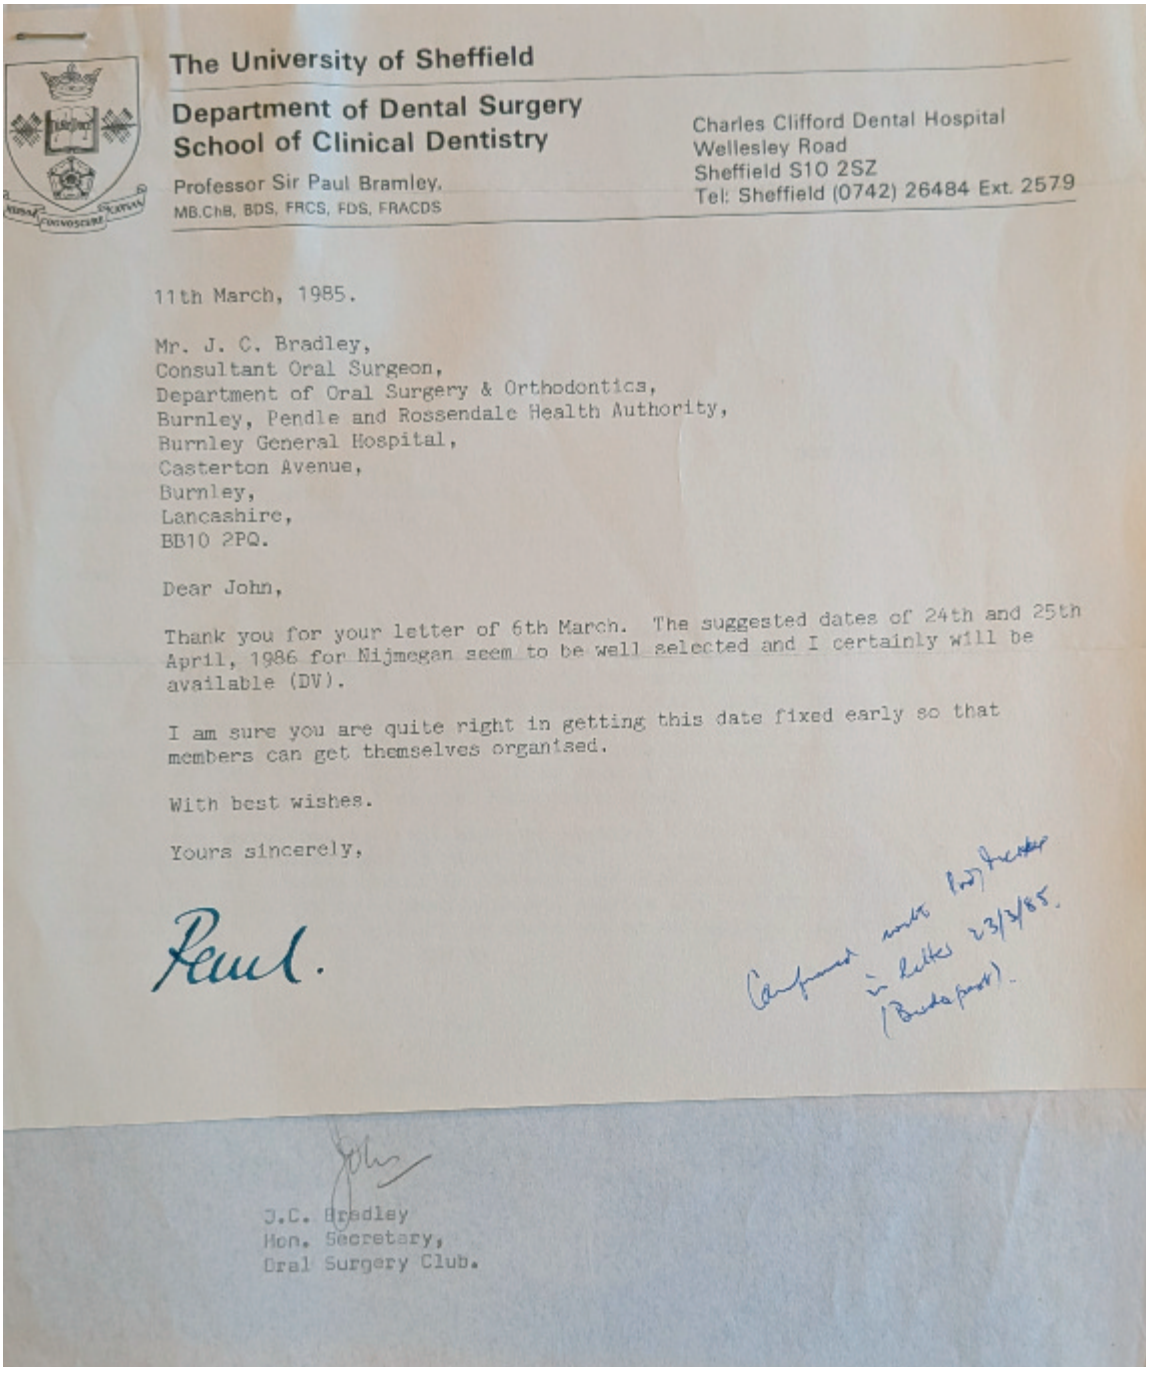

I enclose a visa application form which you might find useful, the Danube Travel Booking form which you should complete if you are coming for the full four days together with a money order for £154 and the summary of costs back to me so that I receive it by the end of April. Also enclosed is the itinerary.

With regard to the proposed visit of the Club to Nijmegan in 1986, our President for that year, Professor Sir Paul Bramley was delighted you could host the meeting and confirms that the suggested dates of 24th and 25th April 1986 would be fine from his point of view so I will regard that as definite unless I hear to the contrary.

Very best wishes,

Yours sincerely,

Dear John,

Thank you for your letter of 6th March. The suggested dates of 24th and 25th April, 1986 for Nijmegan seem to be well selected and I certainly will be available (DV).

I am sure you are quite right in getting this date fixed early so that members can get themselves organised.

With best wishes.

Yours sincerely,

Paul.

Confirmed under [illegible] letter 23/3/85. (Budapest).

John

J.C. Bradley
Hon. Secretary,
Oral Surgery Club.

6th March 1985

Professor Sir Paul Bramley,
Charles Clifford Dental Hospital,
Wellesley Road, Sheffield.

Dear Paul,

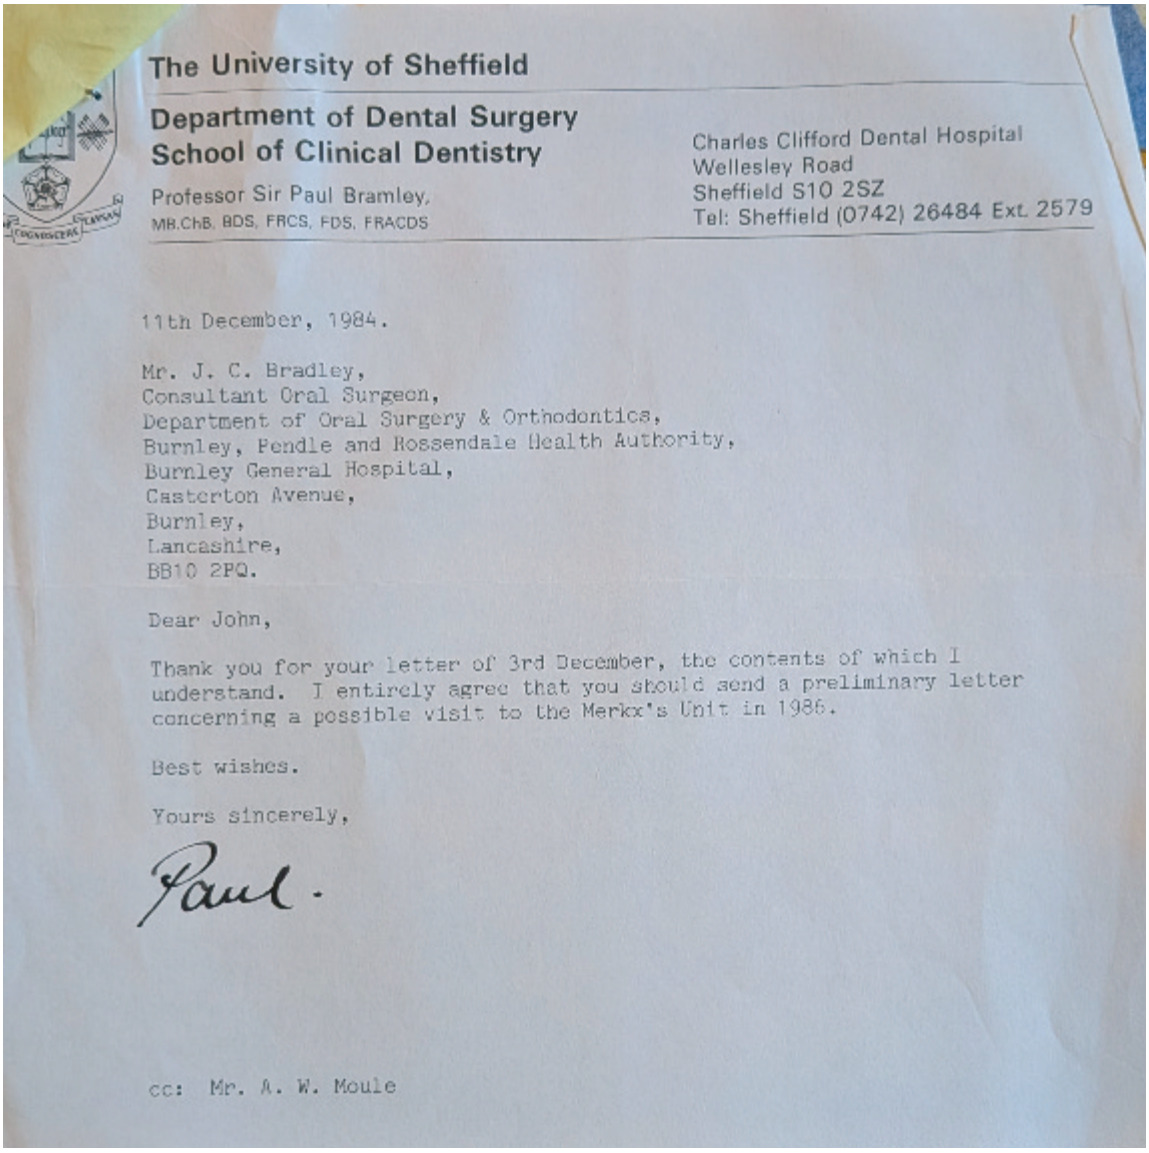

I have had a reply from Kaas Marcx concerning the proposed Oral Surgery Club visit to Nijmegan in 1986. He has suggested that we go during the last week in April which would mean that the scientific meeting would be on Thursday 24th April and Friday 25th April. BAOMS Spring Meeting is during the first week in April and IAOS is at the end of May which places these sugggested dates for the Club meeting equidistant from those two major meetings. I would be very grateful if you could let me know whether this suggestion fits in with your commitments so that I can let Kaas Marcx know.

I am sorry that you will miss the Budapest trip: it has proved to be very popular with 25 members and 15 wives going. However, I have learnt that the 'away' meetings perhaps should be planned much more ahead of time than seems to have happened previously as many people's diaries are getting fairly full six months ahead. I think this why we could not go to Budapest earlier which would have been much better for everyone.

Very best wishes,

Yours sincerely,

J.C. Bradley

Consultant Oral Surgeon

1986 Stoke-on-Trent - October

ORAL SURGERY CLUB OF GREAT BRITAIN.

50th ANNIVERSARY OF THE CLUB.

The Annual Meeting of the Club will take place in Stoke-on-Trent under the Presidency of Mr. G.L. Manning on Thursday, October 30th and Friday, 31st October 1986. The 'headquarters' hotel is the Post House Hotel, Clayton Road, Newcastle-under-Lyme, Staffs., ST5 4DL, tel: 0782 625151. The hotel is on the southbound side of the M1 near to Junction 15 where a provisional block booking of 35 single rooms (£25 per person) and 25 double rooms (£20 per person) have been reserved until September 1st. All members are responsible for making their reservations direct with the hotel.

The Annual General Meeting of the Club will be held at 5.00 p.m. in the Northwood Room of the the Post House Hotel, Newcastle-under-Lyme on Thursday, October 30th 1986 with Tea being served from 4.00 p.m. onwards.

A Reception and Buffet is being held by kind invitation of the District Health Authority at the North Staffs Hospital Centre on Thursday 30th October at 7.30 p.m. The buffet will be substantial and the coach will leave the Post House Hotel at 7.15 p.m.

As this is an important meeting for the Club, on this occasion, your President-elect, after wide consultation, has decided that the ladies will join us in some of the social functions. They have therefore been cordially invited to the Reception and Buffet on the Thursday evening. However, the Dinner on the Friday evening will be traditional but the ladies will be invited to join us afterwards to enjoy some entertainment that is to be provided. Mrs. Manning has kindly offered to arrange a Ladies Programme on the Friday to visit possibly the Wedgwood Factory and one of the many pottery museums in the area.

The Scientific Meeting will be held at the Medical Institute, North Staffs. Hospital Centre all day on Friday, 31st October. The coach will leave the hotel at 9.00 a.m.

The Dinner will be held at the 'PottersClub' (Black Tie) on Friday, 31st October, 7.30 p.m. for 8.00 p.m. with the coach leaving at 7.15 p.m. from the hotel. The ladies will have their own dinner elsewhere in the building and will join us afterwards for the entertainment.

We hope to put on a display of memoribilia of the Club and if anyone has any old photographs, documents, etc which they might lend, they should contact the Honorary Secretary.

ooooooooooOOOOOoooooooooo

The Spring Meeting 1987 has been provisionally arranged by kind invitation of Professor H. Matras of Salzburg on Wednesday 25th March and Thursday 26th March 1987.

ooooooooooOOOOOoooooooooo

PLEASE return to Hon. Secretary by 1st September 1986 Delete as appropriate.

I intend to be present at the Meeting of the Club at Stoke-on-Trent, 30/31 Oct '8
I am unable to attend.
I shall/shall not be accompanied by my wife.
I shall/shall not be staying at the Post House Hotel.
I shall/shall not attend the Reception & Buffet on 30/10/86. My wife will/not be
I shall /shall not be present at the Dinner
My wife will/not be at the separate ladies dinner on 31/10/86
My wife would like to join the ladies programme

ORAL SURGERY CLUB OF GREAT BRITAIN
AUTUMN MEETING STOKE-ON-TRENT
OCTOBER 30th & 31st 1986

Dear Club Member,

I am delighted that you are able to attend the Meeting of the Club in Stoke-on-Trent, on October 30th and 31st. I think we should have an enjoyable Meeting and I am confident that you will find the scientific programme of interest.

If you are arriving by car, the Trust House Forte Post House, with ample parking, is easily visible from either the north or south exit (No.15) of the M.6.

If you are arriving by train, taxis are available at the station (Stoke-on-Trent). The journey is approximately two miles and the cost is about £2.

As far as the ladies are concerned, there will be a visit to the Wedgwood factory in the morning, returning to the hotel to change into "gardening clothes, with flat shoes" for a visit to the Chatterley Whitfield Mining Museum in the afternoon. Dinner for the ladies will be held in the North Stafford Hotel, which is adjacent to the Potters Club, and my wife Maggie says that evening dress will not be essential for the ladies and that "she will be wearing a short dinner dress".

Coach transport has been arranged for all the functions.

Should you have any queries, do not hesitate to 'phone either Stoke-on-Trent 0782 49144 ext. 4225 (work) or Stafford 0785 780273 (home).

We look forward to seeing you,

Kind regards,

Yours sincerely,

Geoffrey Manning

12/11/86.

Dear Jack.

Thanks for your letter re the KANE Meeting.

When I wrote the list of names I was not able to remember the KANE affairs names.

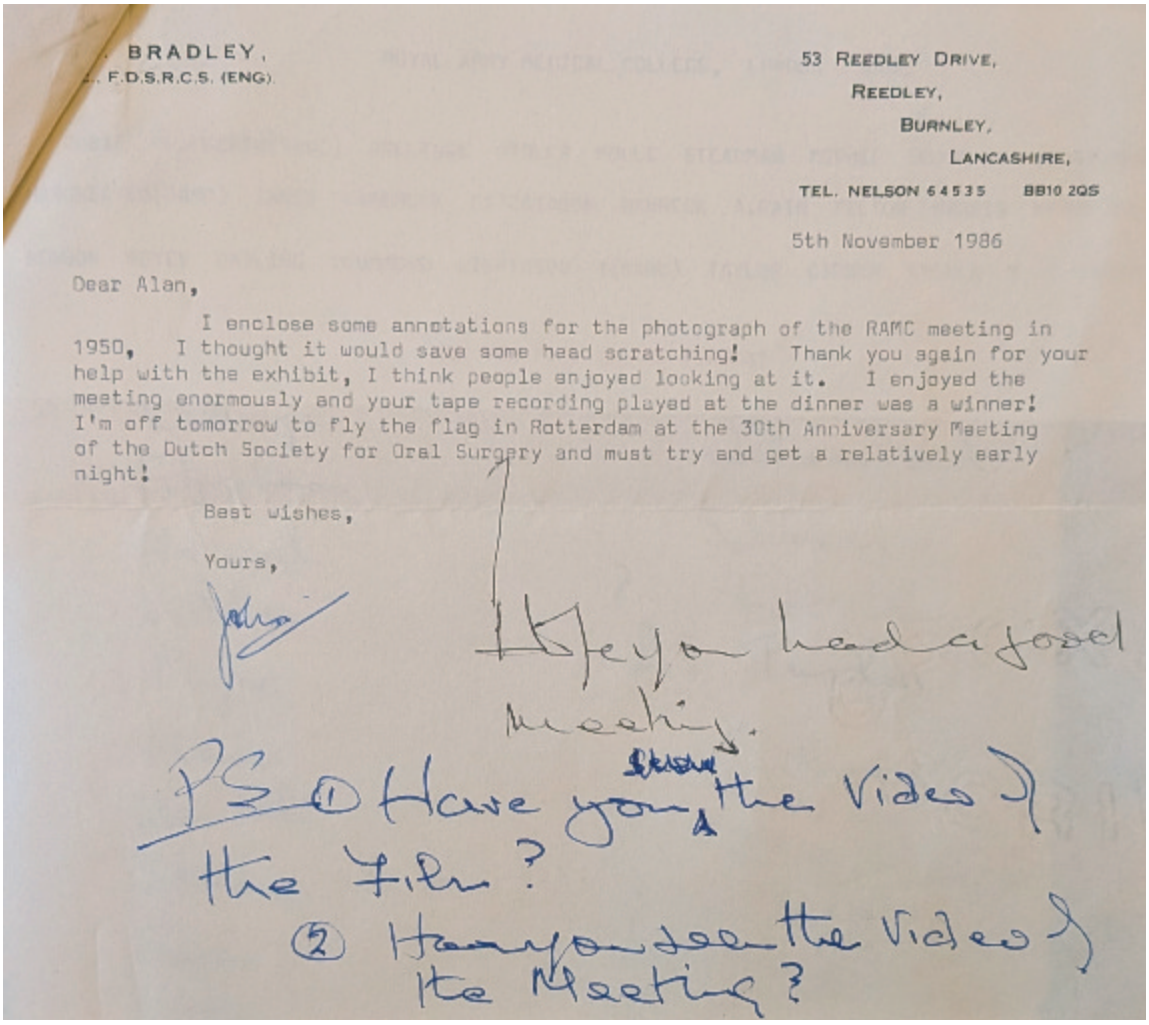

Enclosed is a list of names of those officers who gave papers. I doubt if the few who are still alive will remember either.

Sorry to be a bloke.

Sincerely

Alec

PS. Geoff was well pissed last time.

BRADLEY,
F.D.S.R.C.S. (ENG).

5th November 1986

Dear Alan,

I enclose some annotations for the photograph of the RAMC meeting in 1950, I thought it would save some head scratching! Thank you again for your help with the exhibit, I think people enjoyed looking at it. I enjoyed the meeting enormously and your tape recording played at the dinner was a winner! I'm off tomorrow to fly the flag in Rotterdam at the 30th Anniversary Meeting of the Dutch Society for Oral Surgery and must try and get a relatively early night!

Best wishes,

Yours,

John

Hope you had a good meeting.

PS ① Have you seen the Video & the Film?

② Have you seen the Video & the Meeting?

6th October 1986

Dear John,

Herewith the O.S.C. film of the meeting in Leeds which should be O.K. for transfer to videotape & other more modern film for projection at the Stoke meeting!

All good wishes,

Yours,

Ian.

ORAL SURGERY CLUB OF GREAT BRITAIN

50th Anniversary Meeting

STOKE-ON-TRENT

October 30th, 31st, 1986

The Oral Surgery Club of Great Britain

The Club was founded at least in part at 88 Portland Place, London W1, the home of Mr. Rupert Sutton Taylor and at the Savage Club.

The aim of the Club was to foster the interests of the newly emerging specialty of Oral Surgery.

Emphasis was, and still is, placed on an active membership, with wide geographical spread, with a limitation of 25% of members practising in the London area. An armed forces connection was proposed in that senior officers in each of the main branches were invited to join the club. Links with colleagues in both Ear, Nose and Throat and Plastic Surgery were also introduced.

The Club holds two meetings a year, the first in the home base of the President, the second in Spring usually on the Continent of Europe.

The proposed meeting on June 4th, 1938 in Berlin was cancelled as it was thought to be inopportune at the time.

In 1959 the Club ventured to New York but only the Honorary Secretary (Taylor) Collinge and Farris attended, leaving the President (Moule) to watch over the Club's U.K. interests.

In 1968, "keeping in the spirit of things", the Club decided to visit Paris on June 5th but this visit had to be abandoned as revolution broke out resulting in the end of the Fourth Republic.

The Club's activities were rudely interrupted from the Leicester meeting in 1939 until Cheltenham 1947, but civil unrest did not prevent the Club's visit to Belfast in 1977.

The next overseas meeting is planned for Salzburg in the Spring of 1987.

List of Members Past and Present

1936	Rupert Sutton Taylor	London	Conceptor & Secretary
1937	Professor T. Talmage Read	Leeds	First Chairman of Committee '36/
	S.H. Woods	Army

	A.E. Rowlett	Leicester	
	Harold Round	Birmingham	
	F.R. Bentley (Plastic surg.)	Manchester	
	C. Read (Radiologist)	Glasgow	
Original Membership	A. Cubie	Glasgow	
	A.M. Nodine	London	
	A. Drummond	Army	
	R. Payne	London	
	D. Fyfe	Glasgow	
	T. Jackson	Cheltenham	
	S. Hanreck	Horsham	
	L. Russell Marsh	London	
	J.S.H. Collinge	Liverpool	
	A. Pain	Folkestone	
	J.D. Cambrook	London	
Elected Nov '37	Professor G.L. Roberts	Sheffield	
	Professor H.H. Stones	Liverpool	
	A.M. Milne	Bradford	
	H. Selby Brown	London	
	E.A. Hardy	London	
	L.M. Young	Ayr	
	G. Froggat	Sheffield	
	J. Vidler	Windsor	
	Hamilton Bailey	London	
Elected June '38	A.E. Meeson	Liverpool	
	R.A. Broderick	Birmingham	
	J. Haynes	?	
Elected Jan '39	D.S. Middleton	Edinburgh	
	R.O. Walker	Birmingham	
	C.D. Farris	Cambridge	
	T.G. Scott (Pathologist)	Glasgow	
	Davis Thomas	Birmingham	
	L. Gibson	Kilmarnock	
Elected March '47	W. Kelsey Fry	London	
	Ernest White	London	
	Professor R. Bradlaw	Newcastle	
	J.T. Wood (Surg. Capt)	Navy	

Elected Jan '48	T. Cradock Henry	London
	A.W. Moule	Manchester
	K.T.M. Benson	Manchester
	T.G. Ward	Hastings
	Professor G.L. Roberts	Sheffield
	Graham McPhee	Liverpool
	Professor A.D. Hitchin	Dundee
	Professor J. Boyes	Newcastle
	B. St.J. Steadman	London
	Professor R. Cocker	London
Elected March '49	Professor A.J. Darling	Bristol
	F.G. Gibb	Edinburgh
Elected April '50	B.V. Janes	Manchester
	G. Fitzgibbon (Plast Sgn)	Bristol
Elected April '51	G. Hankey	London
	J. Snawdon	Bristol
	F.T. Monks	Bolton
	D.C. Paley (Group Capt.)	Royal Air Force
No elections 1951		
Elected April '53	B.W. Fickling	Northwood
No elections 1954		
Elected Jan '55	R. Battle (Plast Sgn)	London
Elected 1956	Professor I.R.H. Kramer	London
	D.V. Taylor (Brig.)	Army
	Professor Alec McGregor	Birmingham
Elected Oct '57	J.H. Hovell	London
No elections 1958		
Elected May '59	D. Downton	London
	V.E. Ireland	Ipswich
	Professor G.L. Howe	
	F.G. Hardman	Rhyl
	R. Whitlock	Belfast
	Professor H.G. Radden	Manchester
Elected Jan '60	H.P. Cook	London
	I.H. Heslop	Woking
Elected Oct '61	P.A. Bramley	Plymouth
	W.D. Maclennan	Edinburgh
	D. Penney	Bradford
	N.L. Rowe	Roehampton
	G.M. Warrack	Edinburgh
Elected Oct '62	N.J. Hogan	Dublin
Elected Oct '63	E.J.R. Morgan	Swansea
	Professor H.C. Killey	London
	R. O'Neil	London
Elected Sept '64	J.R.V.B. Gibson	Chepstow
	B. Hales	Stoke
	W.R. Roberts	Worcester

Elected Sept '65	H.M. Alty	Liverpool
	T.G. Battersby	Nottingham
	P. James	London
No elections 1966		
Elected Nov '67	P. Bradnum	Newcastle
	D. Hayton-Williams	Oxford
	P.H. Burke (Orthodontist)	Cambridge
	Professor E.D. Farmer	Liverpool
	G.S. Hoggins	Birmingham
Elected Nov '68	P.H.D. Lewars	Exeter
Elected Nov '69	Professor D. Poswillo	London R.C.S.
	J.H. Robertson (Maj.Gen)	Army
No election 1970		
No election 1971		
Elected Oct '72	M.D. Awty	East Grinstead
	A.F. Hamilton	Cheltenham
	G.L. Manning	Stoke
	W. Simpson	Manchester
Elected Oct '73	R.L.G. Dawson (Plast.Surg)	London
	P.A. Toller	Northwood
Elected Nov '74	J.C. Bradley	Burnley
	T.I. English	London
	J. Rayne	Oxford
Elected Oct '75	T.C. Crewe	Plymouth
Elected Oct '76	W. Gray	Ipswich
	M.S. Jones	Wolverhampton
	D.S. Smith	Canterbury
	G. Smith (Brig.)	Army
No elections 1977		
Elected Oct '78	Professor G.R. Seward	London
	P.R. Barton	Oxford
	K.R. Ray	Reading
	A.J. Quant (Group Capt.)	Royal Air Force
	J.M. Gorman	Belfast
	D. Wilson	London
Elected Oct '79	D. Henderson	London
	P. Banks	East Grinstead
	Professor D. Poswillo	London
	P.B. Clarke	Aberdeen
Elected Oct '80	Professor D.A. McGowan	Glasgow
	J. Ll. Williams	Chichester
Elected Nov '84	T.G. Emerson	Londonderry
Elected Oct '85	T.J.C. Hall (Surg. Capt.)	Navy
	Professor P.F. Bradley	Edinburgh
	M.J. Newell (Brig.)	Army

Overseas Honorary Membership

Admitted

Dear John,

I phoned Geoff some days ago & he thought you were about to phone me. As you didn't here are what I have already written in handwriting only a touch edited. Use them as you wish or not at all. I will bring my folders '47–'86 to the meeting. At the dinner Geoff agreed that I may have a few minutes to explain to the 50 or more % who do not know the origins. You may be able to slot me in with my omissions –

Buxeddeles. Let me know if
you want more.

Mark is getting on very
well — is so far coming to
Stoke.

Love

Alan

Re: 50th Anniversary Meeting of The Oral Surgery Club of Great Britain.

Dear John,

For information, I have taken the liberty of booking rooms at the North Stafford Hotel for our proposed meeting on 30th/31st October 1986.

I have the promise of a District Health Authority Reception on the Thursday and hope that we shall be able to have dinner at Federation House (The Potters Club) on the Friday evening.

The scientific part of the meeting will take place at the Medical Institute, which is already booked.

The Hotel (which is a four star hotel) is immediately opposite Stoke Station. The Potters Club is 100 yards from the Hotel and the Hospital Centre is two miles from the hotel. The other details I think can be dealt with nearer the time but I would just like your general approval that the dates are acceptable.

The hotel have agreed to hold a price of £25 per person, including V.A.T. and full English breakfast.

Yours sincerely,

G. L. Manning,
Consultant Oral Surgeon.

7th December 1985

Professor Dr. Dr. Norbert Schwenzer,
Abteilung für Kiefer- und Gesichtschirurgie,
der Klinik und Poliklinik
für Zahn-, Mund- und Kieferkrankheiten
Osianderstasse 2-8,

W. Germany.

Dear Professor Schwenzer,

The President and Members of the Oral Surgery Club of Great Britain have expressed the wish that they would like to visit your maxillo-facial surgery unit. I am writing to ask you whether it would be possible to arrange a two day visit sometime during April or May 1987.

Very best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of
Great Britain.

Dear John,

Many thanks for your letter of 11th September keeping me in touch about the Oral Surgery Club affairs.

The agenda for the committee meeting looks very satisfactory. If Alan Moule is not present, is there anyone who holds the "black book" in terms of the record of past discussion on membership?

Best wishes.

Yours sincerely,

Paul.

11th September 1986

Dear Paul,

I enclose a draft agenda for the Committee Meeting of the Oral Surgery Club to be held at the Post House Hotel, Newcastle-under-Lyme on Thursday 30th October '86. I would be grateful if you could check it out and make any additions, amendments or deletions as I should like to circulate the members of the Committee by the end of this month.

The vacancy for one ordinary member of the Committee will be occasioned by Geoff Manning becoming President. 'Mike' Ireland and Rupert Taylor have died and Willy Gray and Peter Cook have been asked to say a few words at the A.G.M. David Downton and Dennis Penney have retired and should be considered for Honorary Membership. Peter Cook has written to me expressing concern over membership in that we need over the next year or two six new members as several retirements are impending. I have told him that the last Committee meeting had addressed itself to this problem and would continue to do so but I would raise the point again. My own feeling is that we should have around forty active members to maintainnumbers attending, particularly overseas meetings.

The meeting at Stoke is going well with 40 people wishing to come. The ladies programme has had a good response, 24 to date for the programme and their dinner. Mrs. Manning is taking that part on board and will be circulating the ladies separately.

I will let you have a draft agenda for the A.G.M. in early October.

Best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club.

The Manager,
Post House Hotel,
Clayton Road,
Newcastle-under-Lyme,
Staffs, ST5 4DL

11th September 1986

Dear Sir,

re Meeting of the Oral Surgery Club of Great Britiain,
30th and 31st October 1986.

Several members of the Club have been enquiring from me about their reservations at your hotel for the above meeting. They have expressed concern over the lack of confirmation and although I realise that this may be due to keeping costs down, perhaps you could confirm to me that the enclosed list corresponds with your bookings. We look forward very much to staying in your hotel.

Best wishes,

Yours sincerely,

J.C. Bradley,
Honorary Secretary,
Oral Surgery Club of Great Britiain.
