

Dear All,

Just to confirm that the dates for the “ Away leg” 🗨️ of the OSGBI for 2026/27 will be in Hannover Germany DE hosted by Professor Nils Gellrich and will run from Thursday 10th June to Saturday 12th June 2027

This is exactly 1 year from today and we have arranged midway between the German OMFS conference in Aachen and Bhavin’s BAOMS Presidents conference which will be in Edinburgh 21st-23rd June.

I am assured by Mick that given this is the “ Away leg” double credits will be awarded for attendees 🙏

We are working on the hotels and rates but we know there are no large congresses so I hope negotiate a favourable rate for the Hotel Luisenhof in the centre of town but will confirm.
