https://share.google/0uQjHwEVtH6puomUZ

This is a really impressive historical building directly opposite **Denmark Hill Station** and reached easily by train in just 11 minutes from **City Thames Link or Blackfriars stations** adjacent to the Leonardo hotel. Alternatively trains from **Victoria** take just 9 minutes.

There is limited parking in a private car park 150 metres from the venue on Denmark Hill on the traffic lights with Champion Hill but I would encourage all to use public transport to attend if at all possible.
