

Information from Jon of 12.10.26 Dear Members,

The Autumn Meeting of the Club will take place in London under the Presidency of Rob Bentley.

We are hoping to post links on the Club website as we have previously but this is proving challenging at the moment.

For those of you who have joined the Club WhatsApp group, the relevant information and links were posted this morning. Do use these links to register for the meeting and to find out details of accommodation, meals and the partners programme.

I have included here the following message from Rob Bentley regarding his London Meeting.

This includes the relevant links which I hope will work successfully!

Registration form:

[Fill | Oral Surgery Club Autumn Meeting, London](#)

forms.cloud.microsoft

Fellow members and partners of the Oral Surgery Club of Great Britain, I trust you are well and now that it is just under 6 weeks until we met up for our Autumn Meeting in London on Thursday 19th and Friday 20th November I thought I would give you a further overview of the meeting reminding you of the links to accommodation, Venues and programme. In addition the all important Microsoft attendance form for members and partners. Please might I ask you to fill out the form as soon as possible as the bookings for the venues will be looking to confirm the numbers and the guarantees and importantly costs will help support Mick and the treasury!

Madelene and I are really looking forwards to welcoming you to London for the Oral Surgery Club Autumn meeting which will be based the St Pauls district at the reserved Leonardo St Pauls Hotel, which we have arranged a discounted rate for Thursday 19th and Friday 20th November. The booking code is LHNHSD191126 and Guests must visit the Leonardo Hotels web site and select London St Pauls for 19/20th November 2026.

It might be that the rate can be beaten through hotel sites so please check and of course other hotels in St Pauls, Blackfriars and the Southbank are available and in easy walking distance of Blackfriars Station and all activities.

There will be an informal dinner in Leo's restaurant at the Leonardo St Paul's Hotel on the Thursday evening 19th November.

The following day Friday 20th November the Study Day will be held adjacent to King's College Hospital at William Booth House the Headquarters of the Salvation Army, a really impressive historical building and represents a change of venue from the previously arranged Fetal Medicine Institute due to changes in regulations allowing sponsorship. However the venue is directly opposite Denmark Hill Station and reached easily by train in just 11 minutes from City Thames Link station adjacent to the Leonardo hotel. Alternatively trains from Victoria in just 9 minutes. There is limited parking in a private carpark 150 metres from the venue but I would encourage all to use public transport to attend if possible.

We have excellent World Authority speakers arranged in Endoscopic Neurosurgery, Diabetes and Bariatric Surgery, Pre Hospital Medicine, Stroke Thrombectomy and Military History and will include a visit to the helipad and availability permitting a helicopter landing and ability to see one of Air Ambulance Kent Surrey and Sussex Augusta aircraft up close.

The Accompanying Members programme on Friday 20th November will give the opportunity to participate in private guided tours of both St Paul's Cathedral and Shakespear's Globe Theatre with Lunch at the adjacent Swan restaurant. All venues are in easy walking distance of the Leonardo Hotel and we will meet to start the day here. I am confirming the timings for all three and if time allows there should be time for cocktails at the end of the day for everyone to attend at the roof top bar of the Sea Containers building en route back to the hotel.

On the Friday evening there will be a Formal Black Tie Dinner at the Apothecaries Hall, again a very short walk from the hotel, this being a very historic building that dates back to the times of Charles II.

Accommodation

I have managed to negotiate at what I hope you will find to be an excellent rate for a central London Hotel of £295 per night or £590 for the 2 night stay at the Leonardo Royal Hotel St Paul's

The booking code is now ready:

LHNHSD191126

Guests must visit the Leonardo Hotels web site and select London St Pauls for 19/20th November 2026

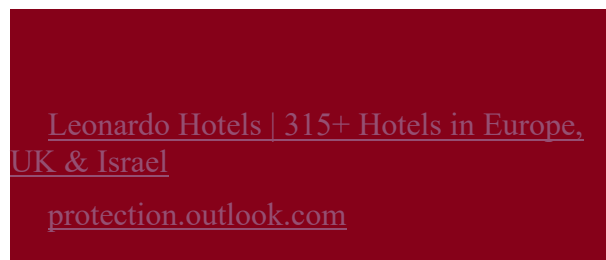

Please note:

The negotiated rates are valid for 19th, 20th November 2026 only.

If guests search for dates outside of this period, only their flexible standard rates will be displayed.

However, if guests wish to stay one or two nights within these dates, the negotiated rate will still be available.

Once guests enter the dates and search and then enter the promotion code in the top left hand corner and then press return the negotiated rate of £590 for the 2 nights will appear.

Thursday evening meal at Leos Restaurant in the conference hotel

Scientific meeting at William Booth College SE5 8BQ

I have had to change the venue for the Scientific Day on Friday 20th November, which was due to be held at the Fetal Medicine Institute, but unfortunately they have changed their regulations which now stipulate no sponsors are allowed on the venue. However I have instead booked William Booth College; adjacent to Denmark Hill station and King's College Hospital and 12 minutes from City Thameslink (Next to Leonardo St Paul's Hotel) and London Blackfriars and 9 minutes from London.

We have a great line up as outlined in the piece on the booking form and a section on prehospital medicine and Trauma that includes a trip to the helipad at King's and operations permitting a landing of one of Air Ambulance Kent Surrey and Sussex Augusta aircraft.

Hoping you can join us and be educated and redeemed and please confirm as early as possible on the Microsoft booking form as again it will help with catering and costs.

I will also need peoples details in advance so security passes can be generated in time to avoid any entry

delays on the day  

Accompanying Partners Programme

Please find links to the accompanying partners day on Friday 20th November that Madelene will be hosting and setting off from the Leonardo St Paul's Hotel in the morning which will include a private guided tour of St Paul's Cathedral then a short walk across the Millennium Bridge for lunch at the Swan Restaurant. This is immediately adjacent to the Shakespeare's Globe Theatre where there will be a private guided tour in the afternoon. If time permits((Still waiting on the timing for St Paul's) the afternoon could conclude with a

swift cocktail at the Sea Containers rooftop bar on the walk back 

Again, please indicate that you can attend on the main Microsoft booking form and I will circulate the

 lunch selection booking form for the Swan Restaurant. Please do attend as good numbers will ensure we'll get the best deals and secure the restaurant and tours.

BW's
Rob and Madelene

In conclusion, even if you have informally indicated that you are coming to the meeting, do complete the registration form link to secure your place!

With best wishes,

Jon Hayter
